Dear Friend:

1990 is now underway and so is the India Club's Annual Membership Drive. We need your help.

The India Club was established in 1973 as a nonprofit organization to develop fellowship and understanding among Minnesotans. The India Club's goal is to promote awareness of India, its history, culture and traditions. We need your help by joining or renewing your membership in order to continue our friendship as members of the India Club.

Your membership helps to assure the services and other special programs of the India Club such as: India Day, participation in The Festival of Nations, sharing of the festivals, and the Host Family Program for Indian students. Newsletters will continue throughout the year. With your help we would like to add cultural awareness programs for our youth, as well as programs that involve the India Club in the local community.

In addition to new members, the India Club also needs existing members to renew their membership. Won't you please fill out the membership application form and the short survey on the back of this letter and return it in the enclosed envelope with your check made out to the India Club. The India Club is your club. Your opinion and involvement matter very much.

My sincere thanks in advance for your support. We look forward to seeing you in our India Club get togethers. Until then, thank you.

Sincerely,

#### Honduras

In June, a 28-year-old adoption consultant who works in Honduras contacted HOPE offering to assist our clients with adoptions. Barbara Scholer has been a foster mom to 4 children and has helped 10 children find families within the past year. She calls herself "a displaced social worker" and appears to be very knowledgeable on Honduran adoption law.

One member of a couple must be at least 30; singles 30 or over are accepted; Scholer prefers that families be open to either sex.

There are flexible upper age, family size and length of marriage requirements. Applicants must not have skin color concerns.

Children are mostly healthy infants under 1 year, occasionally older children or sibling groups.

Children will be assigned almost immediately if applicants are open to either sex. The wait from the time of referral to 1st trip will be approximately 1-5 months; from 1st trip until applicant's 2nd trip to Honduras, when child can travel, 3-5 months.

FEES are \$7,000 (attorney's fee) and an optional \$1,000 consultant's fee which covers daily contact with attorney, progress reports and photos, contact with foster mother. Foster care is \$200-300 per month, and room and board is available at consultant's home for \$20-30 per day for applicants.

FOR CONTACT INFORMATION ON THIS HONDURAN OPPORTUNITY, CALL HOPE.

The Fair Oaks is easy to get to — and convenient to where you want to go. We're just blocks from downtown Minneapolis and major freeways connecting St. Paul and suburbs. And if you'd like to leave your car behind we have public bus service nearby and shuttle service available.

But one of the nicest features of The Fair Oaks is being just a few steps from some of the most popular attractions in the city:

The Minneapolis Institute of Arts has an extensive permanent collection of 80,000 treasures, plus films, tours and concerts, and regularly features special touring art exhibits. The institute's outstanding collection includes paintings, sculpture, period rooms, textiles, photography, prints and drawings and decorative arts from America, Europe, Asia, Africa and the Oceanic. Admission is free.

The Children's Theatre Company, adjacent to the Institute of Arts, is nationally recognized for its unique, original and lively adaptations of children's literature as performed by young people. CTC plays are often sold out, so make your reservations well in advance. Season runs September through June.

The Hennepin County Museum and Historical Society is just next door. There you will find 30 exhibit rooms of pioneer and Indian artifacts from the 1850s to the early 1900s.

#### Neighborhood Charm

Unlike many motels which are located on the highway or busy thoroughfare, The Fair Oaks is located in a quiet, pleasant city neighborhood of cultural attractions, parks, turn-of-the-century mansions and private homes. Just across the street is a beautiful four-square block park where walk paths wind through majestic oaks, maples and pines and benches invite you to pause and take in the view. The perfect way to unwind after a long drive.

#### Extra Amenities

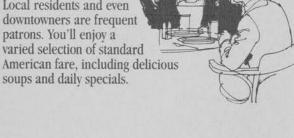

At The Fair Oaks, you'll find all that you expect in an established, reputable motel: Clean, attractive rooms; Double beds; Full baths, single or double occupancy; Direct dial telephone; 19" color television.

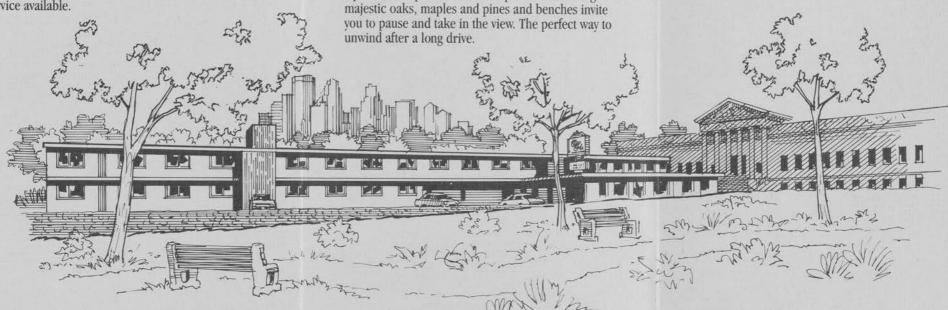

But you'll also find FREE HBO, many cable channels, available laundry service, a 24-hour front desk staff and a management and service staff eager to make your stay a pleasant one by serving you any way we can.

#### Popular Restaurant

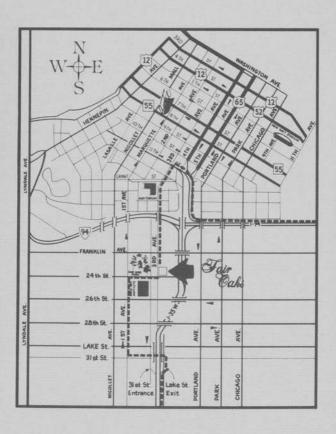

The Fair Oaks Restaurant serves delicious, reasonably-priced food in a pleasant atmosphere. For over 33

years, visitors to the Art Institute have made breakfast or lunch at The Fair Oaks a must. With a capacity for serving 150, it is also a popular place for banquets and meetings. Local residents and even downtowners are frequent patrons. You'll enjoy a varied selection of standard American fare, including delicious source and daily specials.

Dear Friend:

1990 is now underway and so is the India Club's Annual Membership Drive. We need your help.

The India Club was established in 1973 as a nonprofit organization to develop fellowship and understanding among Minnesotans. The India Club's goal is to promote awareness of India, its history, culture and traditions. We need your help by joining or renewing your membership in order to continue our friendship as members of the India Club.

Your membership helps to assure the services and other special programs of the India Club such as: India Day, participation in The Festival of Nations, sharing of the festivals, and the Host Family Program for Indian students. Newsletters will continue throughout the year. With your help we would like to add cultural awareness programs for our youth, as well as programs that involve the India Club in the local community.

In addition to new members, the India Club also needs existing members to renew their membership. Won't you please fill out the membership application form and the short survey on the back of this letter and return it in the enclosed envelope with your check made out to the India Club. The India Club is your club. Your opinion and involvement matter very much.

My sincere thanks in advance for your support. We look forward to seeing you in our India Club get togethers. Until then, thank you.

Sincerely,

Chandra Mohan Meka - (612) 488-0740

Chairman, Membership Committee

Dear Friend:

1990 is now underway and so is the India Club's Annual Membership Drive. We need your help.

The India Club was established in 1973 as a nonprofit organization to develop fellowship and understanding among Minnesotans. The India Club's goal is to promote awareness of India, its history, culture and traditions. We need your help by joining or renewing your membership in order to continue our friendship as members of the India Club.

Your membership helps to assure the services and other special programs of the India Club such as: India Day, participation in The Festival of Nations, sharing of the festivals, and the Host Family Program for Indian students. Newsletters will continue throughout the year. With your help we would like to add cultural awareness programs for our youth, as well as programs that involve the India Club in the local community.

In addition to new members, the India Club also needs existing members to renew their membership. Won't you please fill out the membership application form and the short survey on the back of this letter and return it in the enclosed envelope with your check made out to the India Club. The India Club is your club. Your opinion and involvement matter very much.

My sincere thanks in advance for your support. We look forward to seeing you in our India Club get togethers. Until then, thank you.

Sincerely.

THE INDIA CLUB

Dear Friend:

1990 is now underway and so is the India Club's Annual Membership Drive. We need your help.

The India Club was established in 1973 as a nonprofit organization to develop fellowship and understanding among Minnesotans. The India Club's goal is to promote awareness of India, its history, culture and traditions. We need your help by joining or renewing your membership in order to continue our friendship as members of the India Club.

Your membership helps to assure the services and other special programs of the India Club such as: India Day, participation in The Festival of Nations, sharing of the festivals, and the Host Family Program for Indian students. Newsletters will continue throughout the year. With your help we would like to add cultural awareness programs for our youth, as well as programs that involve the India Club in the local community.

In addition to new members, the India Club also needs existing members to renew their membership. Won't you please fill out the membership application form and the short survey on the back of this letter and return it in the enclosed envelope with your check made out to the India Club. The India Club is your club. Your opinion and involvement matter very much.

My sincere thanks in advance for your support. We look forward to seeing you in our India Club get togethers. Until then, thank you.

Sincerely.

#### Dear Friend:

1990 is now underway and so is the India Club's Annual Membership Drive. We need your help.

The India Club was established in 1973 as a nonprofit organization to develop fellowship and understanding among Minnesotans. The India Club's goal is to promote awareness of India, its history, culture and traditions. We need your help by joining or renewing your membership in order to continue our friendship as members of the India Club.

Your membership helps to assure the services and other special programs of the India Club such as: India Day, participation in The Festival of Nations, sharing of the festivals, and the Host Family Program for Indian students. Newsletters will continue throughout the year. With your help we would like to add cultural awareness programs for our youth, as well as programs that involve the India Club in the local community.

In addition to new members, the India Club also needs existing members to renew their membership. Won't you please fill out the membership application form and the short survey on the back of this letter and return it in the enclosed envelope with your check made out to the India Club. The India Club is your club. Your opinion and involvement matter very much.

My sincere thanks in advance for your support. We look forward to seeing you in our India Club get togethers. Until then, thank you.

Sincerely,

Chandra Mohan Meka - (612) 488-0740
