1. THANK YOU

FOR COMING

ACKNOWLEDGEMENTS

2. INDEPENDENCE

TWO GREATEST NATIONS IN WORLD-INDEPENDENT DEMOCRACY
ONE BILLION PEOPLE LIVE UNDER RELATIVE FREEDOM AND
OPPORTUNITY.

FROM THE INSPIRATION AND GUIDANCE OF GANDHI THROUGH
THE LEADERSHIP OF SUBSEQUENT GOVERNMENTS, INDIA HAS EVOLVED
TO A DYNAMIC, SELF SUFFICIENT, AND INDEPENDENT DEMOCRACY OF
WHICH YOU CAN BE PROUD.

WILL ROGERS SAID DEMOCRACY AIN'T MUCH, BUT IF YOU LOOK AT
THE ALTERNATIVES, IT IS THE BEST THING OUTSIDE HEAVEN. BOTH
HERE AND IN INDIA WE CAN ENJOY OPPORTUNITIES AND DAY-TO-DAY
FREEDOMS AND PROTECTION OF THE LAW THAT MANY OF OUR
COMPATRIOTS ON THIS PLANET CAN NOT DREAM OF. I HOPE, IN
SPITE OF ITS SHORTCOMINGS, WE WILL ALL VALUE AND PROTECT THE
INDEPENDENCE AND DEMOCRACY THAT CAME TO INDIA ON JULY 15,
1947. THEY ARE PRIVILEGES THAT SOME OF YOU, AND MANY OF YOUR
PARENTS PERSONALLY WORKED FOR.

4. FLAG RAISING-IT IS THEREFORE WITH A GREAT SENSE OF HONOR THAT
WE RAISE THE TWO FLAGS THAT REPRESENT INDEPENDENCE
THROUGHOUT THIS PLANET. DESPITE OUR DIFFERENCES, I AM SURE
THAT THE INDEPENDENCE OF EACH IS MUTUALLY RESPECTED.

d. How the club works

1. Rule by consensus and need in as broad as base possible. Rarely take a vote, except when required by law. Meeting are totally open.

2. Operating funds generation by dues, and programs.

When we have a base for the scholarship fund, we will set up a mechanism for contributions to that fund and for matching corporate funds.

3. Programs:

India day

Support sponsor for independence day picnic.

Festival of Nations.

We may add some activities later on to generate scholarship funds and to increase our visibility in the community. Exofficio we are also looking at some paid dinners to meet local politicians.

Artists showcase.

4. Little Stuff, like helping new students at the smaller schools. Helping CHS, Crossroads, etc.

5. Concepts that we can explore tonight.

1. Common or joint news letters

2. Coming together to sponsor and fund, or guarantee cultural events that no one club can handle by itself. Make comment about Program committee meeting.

3. Joint Calendar Planning once a year and doing things like giving the total cultural dewali to IAA to use as a fund raiser.
4. Creating a club membership in the India club, so each group is officially represented with a vote.
5. Your sending a representative to each meeting.
6. Some nuts and bolts stuff

Notes Mar20, 1983

Organization is proceeding well if a bit slow. Need to keep doing things that will keep the interest of the club and people attending. Try for investment, tax or housekeeping next time.

The meeting was fairly interesting. The outside speaker was interesting. The committees gave good reports and consensus was direction of club is going along pretty good.

There is a conflict building, however, that is with the India Institute, a concept originated with the Geeta Ashram group. See the Brochure in notebook. Vivek Kamran the concept of a multiuse community center is presently supported by 30 families each contributing \$25/mo. Groups with an interest are the Sikhs and SILC. I personally think that we should have a casual meeting of the two driving groups to see that we don't infringe on each others plans and as well explore possible future use or other form of participation in the facility.

The progress of the Festival of Nations seems to be good and the state of work and organization reasonably good. Two new items have come up. First is a games booth. It appears we can do this and I said I would take care of telling Institute. Anu can run. The other item is in the costume show Nina says Shanti Shah has this organized even though the institute doesn't seem to know this. I need to contact Shanti and the Institute.

Things to do at this time:

1. Build membership as rapidly as possible
2. Align a group of workers we can count on.
3. Address conflicts
4. Contact Shanti & Institute re Costume show
5. Contact Vivek & others about India Institute
6. Set up meeting for 5
7. Tell Anu about games
8. Doublecheck on all aspects of Festival of Nations
 - a. food
 - b. bazaar
 - c. Pageant
 - d. exhibit
 - e. games
 - f. costumes
 - g. family matinee
9. Get Membership brochure and publicity rolling
10. Lettter to mailing list.

Zeeke:

Let me know how it looks like,
sounds like and feels like.

This is a copy. So make all
the changes, any way you want.

I have spiced it up, may be,
with something, to attract attention.

Should we add anything more?

You can be frank. If it
should be re-written, no problem.
call me later.

1. Festival of nations;

a. 1983-Entertain proposals as before, one group to manage all the rest of the activities under the auspices of the India club. Decision is made at Dec. 6, 1982 meeting of directors. however this time we get some of the funds earmarked for a public service fund preferably a scholarship fund. If we take all the funds we totally disarm the competition for the fund between the two sectarian groups. However, this removes the incentive to do the whole hard work by each of the groups that will get involved. Therefore a good compromise would be an increased commission for the India Club, say 25%, of which 7 to 10% would revert to the general fund of the club, with the remainder going to the special service fund. Need a subcommittee to administer this and other service funds.

b. Succeeding years: directly by the India Club. It might not be too good an idea to bring this up at the December 6 meeting. How about right after the actual Festival. Discuss this with Mentors.
