sub: Mailing list of Minnesotans of Kerala Origin

Dear folks:

Enclosed are 3 lists:

1. An address list
2. A list showing the names and the items assigned to them
3. A list showing items and the people assigned to them.

Old serial no is the number on the list Krishnan gave to us. New serial number is the number allocated by me on the basis of the new alphabetical position. I included the old serial number so that you can cross-reference my list with the one Krishnan gave us.

Please note that the list is not proof-read yet, (I finished typing in the names & addresses only late last night). so there may be errors. So in case of any doubts, please use the old list. I have checked the item assignments thoroughly, though.

I think I may be able to generate mailing labels. I have to do some research on that.

Well, see you at the next meeting.....

Rajeevan
