Indo-American Club news-magazine

June issue
Vol. 1 No. 1

A LETTER FROM THE PUBLISHERS

As an ethenic group the growth of the Twin Cities Indian community has been phenomenal. Over 1500 Indians are residing in this part of the country today. The need for an assured means of communication is felt now more than ever.

This NEWSMAGAZENE published monthly by the Indo-American Club will hopefully attend to these needs. In this we would endeavour to inform the community about the various activities of interest planned by us and other organizations in this area. We will also publish travel information, news local as well as from India, and attempt to answer your questions. Letters to the Editor will be published if they are topical and short(100-150 words.). We will also publish articles, poems, short stories, recipes and other items of interest to the community. All items for publication must reach our office in the Coffman Memorial Union by the 15th of the month preceding publication.

Efforts are being made to make this magazine self-supporting by printing advertisements. The rates are given separately on page 7. While all efforts will be made to solicit advertisements from the American Business, the burden for supporting this venture will ultimately rest with the Indian community and the Indian Businessman operating in this area. For the benefit of individuals, a classified advertisement section is also being provided. This can be used to make announcements or simply as wantads. Your participation is necessary for the success of this venture.

Another area of great importance to us is the memberships in the organization. The membership dues are an essential part of our revenue which is used in our entertainment programs as well as in publishing this newsmagazine. Apart from recieving concessions at the movies, members recieve our Newsmagazine and other publications free and are invited to the many cultural programs hosted by the club. If you are not a member already, We urge you to become one by filling in the application form on page 7.

The Indo-American Club on its part will continue to work towards a greater understanding between the two communities.

Snipers Halt an Ambitious Career

Shots rang out on Wednesday night, May 16 and Ram Nigam lay mortally wounded by his car. He later died at the Hennepin County General Hospital, a victim of stray bullets rained by trigger happy snipers.

Shocked beyond belief by this bizarre incident, his close associates and several members of the Twin City Community began the long and arduous task of procuring permission to fly his body home for the final rites and cremation. Full cooperation was extended by the International Students Advisors Office, specifically by Dr. Joseph Mestenhauser, who together with Rajendra Saraf was named to conduct the Estate of Ram Nigam.

After a brief period on Friday, May 18, when several people had an opportunity to pay homage to the deceased, the body was shipped to New Delhi. Later it was sent to his home in Kanpur.

Ram, a quiet, hardworking fellow, with a flair for studies and sports and a very cheerful disposition is survived by his mother, younger brother, and a married sister. He was the sole breadwinner in the family. He came to the U.S. in 1970 to do his M.S. in Industrial Engineering. After completing his course work he joined Alloy Hardfacing and Engineering Company in Bloomington, where he worked for 14 months. He will receive his M.S. Posthumously at the June commencement.

It is now known that there was sufficient money in the Estate to pay for the funeral expenses. Also a claim of \$10,000.00 has been placed with his Life Insurance company and attempts are being made to provide social security benefits for his mother, who was dependent on him for financial support.

Many friends and associates of Ram Nigam have expressed a desire to set up a memorial fund to collect and use funds in his name for promoting international education. In deference to their wishes, the Indo-American Club has set up a Ram Nigam Memorial Fund. Contributions will be accepted until June 15, 1973 after which the amount collected will be turned over to the committee headed by Dr. Mestenhauser and Raj Saraf. Those who wish to contribute may make their checks to Ram Nigam Memorial Fund and mail them to ;

India has been selected to host the world cup Hockey tournament in 1975. It will be played in Bombay.

Dear Friends,

Although our dear friend Mr. Ram Nigam is no longer with us today, his memory is still alive. The story of his tragic death was very shocking to all of us. A memorial service was held on Tuesday, May 22, 1973 at 7:30 P.M. in the Men's Lounge of Coffman Union. Let us all pray for the peace of his soul.

Regarding events in May, a well attended musical evening with Talat Mahmood and Van Shipley was held in aid of the drought relief fund. Also the International Institute sponsored a Festival of Nations featuring Handicrafts and folk dances (Garba) from India. India Club arranged these activities. The Walker Art Center and U Film Society screened Louis Malle's "Phantom India" a series of documentaries on India. The Indo-American Club itself sponsored two award winning movies "Raat aur Din" and "Dastak". Both were well attended.

Mr. Natraj L. Rajaram, resident of Coimbatore, India, and a teacher of Classical Indian Dance "Bhartya Natyam" at Krishnamurti School in Venaras, will be teaching here for approximately four months. Mr. Rajaram will also be giving a performance on June 24, 1973 at 7:30 P.M. in Walker Art Center. (Admission \$2.50, Students \$2.00). Spring festival scheduled earlier by Indo-American Club will not be held this year.

Mr. Guljit Singh and Ms. Melissa Clemans joined the Executive Committee as an Entertainment Secretary and a member-at-large respectively. I welcome both of them and hope with the help of Mr. Guljit Singh we can inform you about movies well in advance.

Information regarding movies for the month of June is at the bottom of this page and on the next page.

DATE January 1, 1973

Dear Friends,

On behalf of the executive committee, I would like to thank all of you for your cooperation and patience. I am happy that the Directory, first issued in May, 1971, has met the needs of the Indian community to a large extent. This revised edition, I am sure, will prove valuable to the Americans as well.

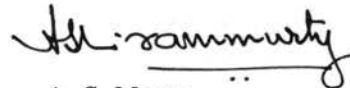

We have taken every precaution, but will be happy to correct errors in addresses and phone numbers in supplements to be issued every six months. All changes, as well as new additions, should be sent to our office at the Coffman Union.

I would like to thank our advertisers who made the printing of this directory possible.

Members of the 1972 executive committee pitched in to make it a unique cooperative effort. My sincere thanks to all of them.

We wish you a happy 1973.

Sincerely yours,

INDO-AMERICAN CLUB

229 Coffman Union
University of Minnesota
Minneapolis, Minnesota 55455

DATE Jan. 8, 1973

Dear Friends,

As we begin another year with the Indo-American Club, with a new group of people dedicated to public service, it is appropriate that we reflect on our past achievements and programmes and redefine our policies for the future.

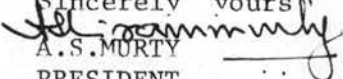

Last year the club was unusually active in several areas. Apart from the movies and seminars which were held fairly regularly, four major programmes were hosted; a panel discussion on Indo-American Relations was held on the Republic Day, A picnic on the Independence Day and entertainment programmes presented in the Spring and Fall festivals. In cooperation with MIC and the University of Minnesota we sponsored a public lecture by Shri B.K. Nehru. An issue of PATRIKA was issued in fall and a revised edition of the Directory was prepared, to be in your hands shortly. Many people worked hard to bring this about and my sincerest thanks to all of them.

These are normal activities for any given year, but the active participation of the members of the club in the Minneapolis Aquatennial and the warm reception given to displaced Asians from Uganda have diversified both the scope and the objectives of the club. Apart from counselling and in general assisting the newcomers, Indo-American Club officially sponsored (Together with the International Rescue Committee in New York which provided the financial backing) three youngsters from Uganda. I am happy to report that they are fairly well settled now with jobs and a place of their own. Services rendered, in this connection, by ASHWIN SHAH, CHANDRAKANT PATEL and JEHangir RUDINA deserve our unqualified praise.

One of the most important decisions I would like to place before you today is the formation of Regional Language Chapters within the Indo-American Club. Various Language groups are now active on the campus screening movies and conducting special functions. However, the new University guidelines specify that only Registered Student Organizations can use University facilities without which of course, it is impossible to function. As most of these activities are being conducted by the members of the Indo-American Club, we should provide them with all the facilities possible.

It has been decided to form Language Group Chapters within the Indo American Club, with a representative on the Executive Committee. They must provide us with a written constitution before using any facilities through the club. These chapters will be financially responsible for all their activities. Free publicity will be given through the newsletters of the Indo-American Club and through PATRIKA. The office bearers in these chapters must be members of the Indo-American Club. India is a land of diverse Languages and cultures and all efforts will be taken to promote these chapters. Those interested in forming such chapters should contact our General Secretary Dr. Prem Paul or myself, for details.

I would like to thank all the members of the 1972 Executive Committee for their excellent performance. And thank you for your patience and cooperation.

Sincerely yours,

A.S. MURTY
PRESIDENT.
