Saint Peter March 31st [1843]

Dear Brother Rigg

On my arrival
at Elketo last Saturday eve,
Brown handed me a letter for you
purporting from the envelope to
be from Gen. Sibbey rather intimi-
ding that it might be proper
for me to open it, which I did last
evening after I came home, and
send you him with all except
the envelopes namely 2 letters from
Mr. Remick one for yourself and one
for his brother. A letter from your
family directed to my care which
came while I was below I suppose may
remain here till you come up. I thank
you for your letter written after
you got home. We were disappoin-
ted in not seeing you on your way
down but in the circumstances
can not blame you.

I am glad you administered
the communion to the prisoners
and hope you will be abundantly
rewarded for your labors and suffering
them as they were for his sake who suf-
fers for us and is able to reward you.
Last Sabbath forenoon I baptize
seven men of the women. In the
afternoon Mr. Hinman administered
the Lords supper to about 75 men
after which he baptize six women
and the boy they call John formerly
with Jones Bethjelm. Except the
singing which was conducted by
Robert H., a few prayers which he
read and a part of a chapter of Johns
Gospel his communion services were
entirely in English.

I have not yet heard whether the
Commissioners on Claims have assem-
bled or not. That for the property of
the Boon I think I shall not pre-
sent till you arrive,
Mr. Joseph Thompson has another son
to the joy of the family we are all
well health

Yours affectionately
Thos. S. Withamson

I do not like this much if any better
than the original form. You can adopt
either form you choose. In regard
to the chorus I think the hymn would

do very well by commencing with
the second verse and adapting the
chorus you suggest. Or if this is not
adopted how would the following do?

"Wakautauke he unhiopige

"Marpiya ehta unyakapi'kta

13th

Verse 1 Line 5, 6, 7. Woyuti unhap;
Wokayake ko;
Zuwe he unkipi?

Verse 2 Line 3. Zuwe he nakeu kta
" 3 " 7 An yim kida po

Hymn 16th

Verse 3 Line 2. Wasaka he wacimwaye

Hymn 17th

The accent is wrong in a large
part of this Hymn & I find it im-
possible to improve it without
changing the Hymn very much

The following is the result of my
attempt

Verse 1 Line 1 Othaya elua unyakapi' ehta

" 3 Deciya teriya ^{ehta} unyakapi

" 6th Heci'Lyoyaua unhap' kta

Verse 2. L 3. Ohinni epi unni'sipi' kta

" 7 Heci'gaupi kta nuna waein

Verse 3. L 1. Heciya tohinni ecyapi'sini

" 3 Takudan sica wayakapi'sini

I send you five Hymns which
you can make such use of
as you choose. In regard to the
tunes if there are any that you had
rather change, I am willing.
I tried to find another tune for
Hymn 12 but could not. In regard
to songs if there can be a dozen got
up in addition to what are printed

I am willing to bear my share
in the publication. I would not
think it best to print them un-
less there can be near twenty of
them. I have only two, one of
which "Hehehe" you have seen
I do not think I can make any
more. I should be very glad if
the thing could be done.

April 7th Since writing the
above I have added another
to the list of hymns. I am not
satisfied with it but send it along
and if it or any of them are not
worthy I wish you to leave them
out

Respectfully Yours

Mr Riggs

Dear Sir I will improve this opportunity in writing to you. It has been some time since I have heard from Minnesota. I can't think what the people are about. My folks are all very well excepting Mother. Her health is very poor. I was at school through the fall term, but was obliged to work this winter on account of not having funds. I am teaching school now. I have a very good school. I am getting twenty nine dollars for twenty days. I expect to go to school again in the spring. I am sorry that Uncle Sam is not more prompt

about paying his debts; I expect family and also doct; and
ed to get something before this, Mr Cunningham,
I should be glad to know how
the employees who are there manage
to get along. I am afraid that
Mr Galbath is slower than
Old Joe, the times are very hard.
The farmer can get nothing
for their grain, and have to
pay double prices for all they
have to buy. Wheat is worth
50¢ and corn 13¢ per bushel,
Robt raised 1000 bushels of wheat
He has not sold yet, He has 800
bushels of corn, which he is feeding
to hogs, We have had beautiful
weather all the fall. There has been
but very little snow, I taught school
Christmas, but expect to spend new
years at Princeton, I wish you
all a happy new year, Please to
give my kind regards to all your

Mrs. Mary A. L. Riggs,

We would most gladly pay
transportation of goods to refugees out the
funds in our hands. Please encourage
the forwarding of any. But remember
to request boxes or packages to be marked
"Goods for refugees from Indian depredation"
or something to show that they are for
that class, & there will be no freight, I
presume except the carting from Lacrosse,
& that will not be high, Thy friend
