Dear Mother  
and Father:

Received both of your recent letters including the book at school. The weather has been both good and bad and I have been busy as usual. Thanks for the covers from the St. Paul Winter Carnival Ice Palace. Am sorry that I have been unable to find time to get down there on the weekends to see the spectacle. Had a letter from John Kellam this week which is about all the news.

As ever, love,

Mr. Francis Meisch,

Dear Francis:

I am happy to tell you that you have been awarded by the faculty the medal of the American Institute of Architects for the highest standing among those graduating from the School in the class of 1939.

On next Thursday evening, April 20th, the Minnesota Chapter of the A. I. A. is having a dinner and a meeting to discuss architectural education. The ten students doing theses will be present as guests of the Chapter. I should like very much to have you attend also as my own guest so that we can use this occasion to formally present the medal to you. The dinner and meeting will be held at the Sky Light Club, 1200 Second Avenue South, at six o'clock.

Will you kindly let me know as soon as possible if you can come?

Looking forward to seeing you, I am, as always,

Yours,

Report On The Schuneman St. Paul Winter Carnival Show

Another way of saying Success Story! 86 paintings, with 49 artists participating, were shown in the 4th annual Schuneman Carnival Exhibit January 29-February 7. Great variety of theme and treatment attest to the industry and vitality of the art movement in this region. We were fortunate in having the services of Richard Davis, senior curator of the Minneapolis Institute of Arts, as judge. King Boreas and his court took time out from a crowded schedule to visit us and make the presentation of awards, which were:

\$100 Saintpaulites, Inc. prize	- Robert Kilbride	- Still Life
\$50 Women's Institute prize	- Mary G. Hobbs	- Portrait
1st ribbon award	- Hazel Moore	- Drying Nets
2nd " "	- Darwin Follrath	- Saturday
Honorable mention	- Francis Meisch	- Palo Verde Tree
Popular Vote	- Francis Meisch	- " " "

Our thanks and appreciation to the Schuneman staff for a beautiful tea on February 5, and to Morris Pleason and Keith Havens for exhibition arrangements. This show is assuming greater importance each year. Let's make it even better next year!

Stressed By The Board

To further the integration of new members, both active and associate, your board advances the policy of arranging exhibits specifically for their work. (Good idea, chum; I'm all for it.) And with beetling brows your president says, Let's Get Busy And Build Up Our Active List!

February Meeting

Darn good meeting we had in February. When members take a lively part in the business proceedings and shop talk following I see no reason for calling in a name band or tuning in a prize fight for entertainment. Surely the artist, if anyone, is equipped with the inner resources to provide his own amusement. Let those who are mentally poverty-stricken depend on commercial claptrap. If we are alive and vital we can make our sessions interesting and profitable to each other. Let's have more audience participation.

Various Items Department

The April and May meetings will be held in St. Paul - Francis Meisch had a watercolor accepted for exhibition by the 86th annual of the American Watercolor Society - we had a nice attendance at the Bushnell-Calhoun-Dahl tea at the Rainbow despite bad weather - hope you got out to the LaPorte show at Walker - welcome home, traveling Brewers and Hobbs - nice to see all of you back again - we're looking forward to hearing and seeing lots of interesting things about your Mexico trip - more about this later.

Accusing Finger Department

Before they clamp the lid down on ye ed. one final warning from Emil: the 3rd and last dues notice goes out, and those who are delinquent will be DROPPED FROM THE MEMBERSHIP LIST!
