MIDWEST WATERCOLOR SOCIETY Summer/Fall Newsletter 1993

Newsletter Editor: Phyllis Dillinger
65 East Thorndale; Roselle, IL 60172
Winter Issue Deadline for Copy - December 10, 1993

President's Message

The 17th Annual MWS National Exhibition of Watercolor is a wondrous display of what contemporary transparent watercolor is in this country. It is a delightful blend of some of the best subjects, techniques, and concepts being painted by today's artists. If you are anywhere close to Wisconsin before September 7th, see it. You won't be sorry!

Our newsletter editor, Vivian "Chevy" Chevillon, has had to step down from that very important position and we cannot thank her enough for all the work she has done for us. She has worked tirelessly to keep us all informed about what is happening in our group and on the watercolor scene. Chevy's husband, Chuck, has had some serious medical problems and Chevy is tending to his needs. We know she'll be busy but she's still dedicated to MWS and will be helping in other ways. Thanks, Chevy, we hope Chuck recovers quickly! Phyllis Dillinger has agreed to take on the task of newsletter editor. Thanks, Phyllis. We know she'll do an excellent job.

Jerry Korte has finished his term as President and we are all extremely grateful for his work for MWS. Jerry will still be on board as President-Emeritus and we'll be using his expertise. Thank you for all you did, Jerry. We appreciate all your hard work.

Special thanks to Denny & Sue Robertson and Donna Rudy at Dillman's Lodge. They will no longer be our membership chairpersons. We appreciate all the fine work they have done for us in the past years.

As I start the job of presidency of this great group, I am struck by the responsibility of the task. I will work long and hard to promote our society. Please help by letting me or other board members know what we can do to make this organization work better for you. I'll look forward to hearing from you and we'll look seriously at all suggestions and ideas.

Till next time. Keep painting!

Mary Ann

In Remembrance

Ed Clusin, MWS Signature Member, passed away this spring. He was so proud of the Society and his signature status that Mrs. Clusin has requested memorials be sent to the Midwest Watercolor Society for an Ed Clusin Memorial Award in 1994. Send checks to Carol Lynn Pohl, Treasurer; 411 W Fullerton Pkwy; Apt. 202W; Chicago, IL 60614. All of us who knew Ed will sorely miss him, and we'll miss his paintings.

1993 MWS Workshop

Margaret M. Martin Workshop Report - Pat Strickler, Workshop Director

Once again, our annual trek to Green Bay for our workshop was a worthwhile venture. Margaret M. Martin proved to be a dynamic teacher. She is very dedicated to her career and she is willing to share what she knows with her students.

Margaret repeatedly instilled the importance of pre-planning a composition, not only with subject matter but also with color and value. It is this early stage of thinking things through that gives the painter more freedom in executing the actual work. On a piece of scrap paper, she blends the colors that she is planning on using in the painting. This way, she can see how they react before she applies it to the painting. She uses value to carry your eye through the picture. All of her work in the pre-stages paid off as she produced many beautiful paintings during the workshop. Our thanks go out to you, Margaret, for a very special week.

Next year should also prove to be an excellent workshop when Don Andrews from Fairhope, Alabama will conduct the class. I am really looking forward to seeing everyone again in Green Bay.

Pat

1993 MWS Workshop Instructor's Comments

As the invited instructor for this year's MWS Workshop held at the Neville Museum, it was a very special privilege for me to share my enthusiasm for the transparent watercolor medium. It was five days of positive excitement, anticipation, concentration, vision, and focus for instructor and participants in a professional environment.

It was about the drama of value and color. It was about balanced and organized design, linking light and dark value relationships, fresh transparent color and the drama of mood. Landscape, marina, architecture and flower subjects were used as vehicles to demonstrate. A strong statement of the immediacy of the moment was encouraged. The goal was to provide inspiration and motivation to continue learning AFTER the workshop session.

It was also time to quietly view and digest the exquisite and diverse watercolors included in this year's annual exhibition before the official opening. It was an opportunity to truly appreciate the art of painting presentation through quality exhibition design and lighting.

MWS is a very special organization and very special people. Think about joining next year's workshop. A MWS workshop is an unique opportunity that should not be missed!

Margaret M. Martin AWS, Instructor

Message from Chevy

A request from a member for info about insuring one's own paintings, a subject we pursued some time ago. Fine Arts Floaters on your homeowners will only cover your equipment, not your own work, as far as we know. Very few companies write insurance on YOUR work, premiums are really steep, and any reimbursement is always limited to 50% of the posted price -- the IRS isn't the only one who thinks your time and effort have no value. Unless you are really showing a lot of work and doing a lot of shipping, it's more economical to self-insure and take off 50% as a loss.

I want to thank Jerry and Mary Ann for finding someone to do the Summer/Fall issue of the Newsletter. I have offered my resignation to the Board, since I have no idea when I can return to newsletter duties. My husband's health took a sudden and unexpected turnaround, and it is a long recovery time. My advice to you? Don't believe in cholesterol counts, only an angiogram show carotid arteries. The bypass went very well, but complications have forced a partial foot amputation and toes on the other. I have really enjoyed the job, being in communication with so many of you. But for now, at home responsibilities for Chuck and Gigi, the Yorkie take precedence, so I'm a hot and cold running maid. I'm turning over all of the newsletter material that has arrived to Mary Ann.

Note to Members/Workshop Instructors

If your workshop announcement comes in a multi-listing of workshops in a commercially sponsored flyer with no mention of you being MWS, it is not used. We average fifteen pieces of third-class mail daily. We are on every mailing list imaginable and we also may never receive information you may send. Please mark your membership on the envelope by your return address. If we fail to print your information, we apologize, but it is virtually impossible for us to check each and every flyer that we receive. Please help us out by marking the envelope in some way to call our attention to it. Thanks!
