

August the 18 1833

After my best Compliments to you
we are all well I wish to inform you
that I have the balance of your money ready
for you at last. as I expect your letter
will be up shortly I will send it by him
I would have sent it before now but had
no opportunity. Sir I want you to send
to me the name of the Kings Lake in french
and also the true name in english and wheather
you ever new it called by any other name
if you did please Give the french name
and the English also please make it
out in good form; and wheather your

uncles name aint

French and Peter in English if wish you
to be very perticular in this case if you
please and send it to me by male as:

= soon as possible direct in this case

to paining ville post office pike county

pleas write by the
first male

} yours in hat

David Digg

The document contains several lines of extremely faint, illegible handwriting. The text is scattered across the middle and lower portions of the page, appearing as light brown or tan smudges against the aged paper. The handwriting is likely in cursive or a similar script, but the ink is too faded to read. There are also some faint, larger markings that could be remnants of a signature or a title, but they are completely unreadable.

Proymos
Sept. 8th
