Notes: Re: Community Circles Dialogues

Maire,

Per our recent conversation, following is the information on the people called regarding facilitating. I am assuming that those people who did not return my phone calls are not interested in facilitating. You may want to get a list of phone numbers from Barb Rose or Linda Hoskins at Wilder. I have written all over my list.

As I mentioned, I am unable to assist in finding facilitators for Minneapolis. I have too much going on right now to assume any additional responsibilities.

Call me if you have any questions at the above number or at home – 651-641-8554.
