EDUCATION & HOUSING EQUITY PROJECT

Revised 11-10-98

Mission Statement

The purpose of the Education & Housing Equity Project (EHEP) is to build broad-based partnerships that engage Twin Cities area citizens in public discussion, analysis and action that promotes racially and economically inclusive communities which provide families and children of all races, incomes and ethnic backgrounds access to quality housing and schools throughout the metropolitan area.

Current Activities:

- (1) Exploring how to build a coalition that can work for racially and economically inclusive communities and respond to the segregation and disparities now developing in the housing and schools of the Twin Cities metro area.
- (2) Working in collaboration with other housing, education, religious, business, community and anti-racism organizations to plan and implement a metro-wide study circle and community forum project for 1997 and 1999 that focuses on the questions:
 1. "What are the impacts of existing patterns of residential, economic and racial segregation on the educational achievement and life opportunities of Twin Cities area children and families?" and,
 2. "What can or should citizens do, as individuals and as a community, to enhance the educational, housing, and economic opportunities of all children and adults in the Twin Cities metropolitan area?"
