Park Free when you DO THE TOWN!

Three easy steps:

- 1 Enter a participating parking facility (identified by a large "Do The Town" sign) Monday through Friday after 4 p.m., or anytime on Saturday and Sunday. You have more than 36,000 parking stalls from which to choose.
- 2 Spend \$20 or more at any of the nearly 200 participating stores or restaurants and ask for a free parking voucher (a store receipt is not sufficient).
- 3 Exit your parking facility by 2:00 a.m., hand the voucher to the cashier, and your parking is free!

Ms. Maire McMahon
Education & Housing Equity Project
Augsburg College, CB 185
2211 Riverside Avenue
Minneapolis, MN 55454

Dear Ms. McMahon:

You are cordially invited to an informational meeting to learn more about *Cities at Work* and *Conversations at the Crossroads: Community Circle Dialogues on Education, Housing and Race in the Twin Cities*. Because I am a strong supporter of the Community Circle process, I encourage you to participate in this informational meeting to "kick off" the fall 1999 Community Circles dialogues.

With crime and unemployment at historic lows, housing and public education remain two of the biggest challenges facing our city, the metropolitan community and the nation. I share a deep commitment to promoting housing patterns that better integrate our metropolitan community across barriers of race and class and, in the process, bring children from different backgrounds to more integrated and diverse learning environments. We need your leadership in the Community Circles project to help create sustainable solutions to these challenges.

The Community Circle Dialogues on Education, Housing and Race have proven to be an effective way to engage our citizens in discussion, reflection and public action to build healthy, inclusive communities and schools. Community Circles are small, diverse discussion groups that meet for five two-hour sessions in an honest and open dialogue. The discussions are moderated by trained facilitators and use a study guide to explore the challenges facing our communities and to identify promising actions. Community Circle dialogues build a greater understanding of diverse viewpoints and encourage individuals and communities to take action and promote constructive public policy changes.

The Community Circles are hosted by organizations such as yours: neighborhood associations, schools, faith-based groups, businesses and community-based organizations throughout the region. Already over 60 circles and 1,000 citizens have engaged in this process, yielding fresh ideas and solutions to some of our most vexing problems, as well as new partnerships between citizens of different backgrounds.

Here is your opportunity to make a difference in your community and for all of us in the Twin Cities metropolitan area. Please join us at the **Community Circle Dialogues Sponsor Information Meeting** to be held in the Mayor's Conference Room (Room 333), Minneapolis City Hall, on **Saturday, September 25th from 9:00 to 11:00 a.m.** (registration and refreshments begin at 8:30). Please send your designated representative if you are personally unable to attend. This will be a one-time event, in which all information and resources needed to host a Community Circle Dialogue will be shared.

The 4th street entrance to City Hall will be open. Directions to the third floor conference room will be provided at the sign-in desk inside the building entrance. Parking is available at nearby ramps (see map) or on the street.

Please **RSVP** by calling **612.330.1505 Ext. 1**. If you have questions or need further information, please call Dick Little at the Education and Housing Equity Project (612) 330-1505 or Barb Rose at the Wilder Foundation (651) 642-4060. We look forward to seeing you on the 25th.

Sincerely,
