THE SEVEN CAPTORS.
(FROM RECENT PHOTOGRAPHS.)

I was out hunting the
Northfield Robbers through
through the "Big Woods" in
Rice and Le Sueur Counties
we found their horses tied to
trees south of German Lake
in Le Sueur Co. When they
were captured, I met the
warrior at Meriden and rode
with them to Oatman where
they changed cars for Faribault.
I found I had played two games
of pocket pool with Bob Younger,
in the basement of the "Parcher
House" at Oatman some time be-
fore their raid on Northfield.
Later on a visit to them while
in jail at Faribault Bob mem-
bered our games of pool and
said he liked the "Parcher
House." Geo. A. McKenzie
