Memorandum of meeting of the Joint Executive Committee of the Fort Snelling Chapel Committee held at the Minneapolis Athletic Club, Tuesday June 2, 1925 at 6 P.M.

Present -

Gaylord Warner, John Skinner, Captain Rideout, R. D. Cone, Mrs. W. S. Lindsley, Dr. H. L. Knight, Dr. D. C. Frise, Louis Chute, Rev. J. K. Craig, Dr. Philip Osgood and from St. Paul - Mr. C. A. Thomas, Harry W. Mann and Donald Desplain.

Presiding -

Chaplin F. C. Rideout.

The meeting was called to order by Chaplin Rideout who explained that he had attended a meeting of the St. Paul Committee on Monday, where the date for holding the campaign had been thoroughly discussed. The opinion prevailing in St. Paul was that the intensive campaign be held in November.

After carefully considering the matter it was moved by Dr. Frise seconded by Mr. Desplain and duly carried that the campaign for procuring funds for the erection of the proposed chapel be deferred until fall. The question then arose as to what dates would be best suited for this work and the following were decided upon by a motion of Dr. Knight seconded by Dr. Frise and duly carried. First choice - September 14th. Second choice - November 30th. Mr. Warner and Mr. Skinner to constitute themselves as a committee to interview the officers of the Minneapolis Community Fund as to their approval of the above dates.

Upon motion duly carried a committee to arrange dates for Chaplin Rideout to speak was elected as follows: Mrs. Lindsley, Mr. Desplain and Mr. Warner.

It was recommended that we get in touch with the various cities in Minnesota enlisting their support on this movement. The list suggested is as follows: Duluth, Bemidji, Hibbing, Virginia, Alexandria, Crookston, Willmar, St. Cloud, Fergus Falls, Stillwater, Mankato, Albert Lea, Winona, Rochester, Worthington, Faribault, Owatonna, Laverne, Northfield.

At Northfield Dr. Donald J. Cowling, President of Carleton College was suggested as a good point of contact; At Faribault, Mr. Theopold; at Owatonna, Senator Thomas Cashman.

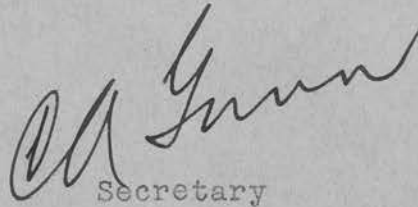

The necessity of adopting a name for this committee was made apparent and upon motion of Mr. Skinner seconded by Mr. Thomas the name adopted was the "Fort Snelling Chapel Association, Inc." A motion was made by Mr. Skinner seconded by Mr. Chute, instructing the Secretary to secure legal advice from Mr. Henry Deutsch, a member of this committee relative to the incorporation of a joint committee of St. Paul and Minneapolis. The Secretary to notify Mr. C. A. Thomas of St. Paul as to the legal situation after interviewing Mr. Deutsch.

It was suggested that a moving picture film be secured of the service to be held June 14th at Fort Snelling. The St. Paul delegation agreed to look into this.

The Secretary was instructed to write Mr. M. M. Oppegard, Manager of the Associated Press, Dispatch Bldg. St. Paul, requesting his cooperation in the publication of articles relative to the proposed chapel.

The necessity of employing a capable stenographer to assist Captain Rideout was gone into very thoroughly and upon motion of Mr. Craig, seconded by Mr. Warner, the Secretary was instructed to write the Commanding Officer at Fort Snelling to secure his approval of the employment of a stenographer to be located at Fort Snelling under the direction of Chaplin Rideout, for the purpose of giving publicity to the Chapel movement preceding the fall campaign.

There being no further business the meeting adjourned.

Minutes for the Meeting
of the
GENERAL COMMITTEE FOR THE ERECTION OF A CHAPEL
at
FORT SNELLING
Monday, June 9, 12 Noon

Dr. Osgood asked grace and dinner was served in the Officers' Club. Those present were Messers. John R. Brown, St. Paul, Phillip E. Osgood, St. Mark's, Minneapolis, Warren L. Bunger, Lyndale Cong. Minneapolis, T. R. Newton, Temple Baptist Church, Minneapolis, Frank C. Rideout, Chaplain U.S.A., Howard Y. Williams, People's Church, St. Paul, Roy L. Smith, Simpson Church, Minneapolis, David H. Shields, Minneapolis, James W. Bean of Saint Paul, L. Franklin Gruber, Everett K. Bray, J. L. Bergen, First Presbyterian Mission, R. B. Blyth, Col. Sample, Major Winer, Runyan.

Minutes of previous meeting read and approved. A letter, ^{was read} from Prof. A. Z. Mann regretting that he could not be present with us because of having been detained by the funeral of one of his students.

Mr. Blyth made a statement of matters up for consideration at this meeting and stated also that there were present committees from both of the Councils of Churches. These committees have been appointed with the assistance of Chaplain Rideout. The same officers that were appointed for the previous meeting were elected as the officers of the General Committee.

Mr. Blyth stated that we were here to present action of this group before the public in whatever way may be determined. Committees would have to be appointed on Construction of Building, on Publicity and Finance.

Chaplain Rideout stated that Catholic representation has been asked for from Father Cassey who visits the Post. Father Cassey was informed concerning resolutions passed and asked to seek the cooperation of the Archbishop. Nothing definite has been received todate. The Chaplain stated that he had asked them to share one-third of the expense. It is generally known that the Catholics do not join in any such enterprise, since the building could not be consecrated unless they did it. They do desire their own chapel and have them erected at Leavenworth and West Point. The Chaplain stated that about one-fifth of the men at the Post are Catholics.

The Government inspector suggested when he visited Fort Snelling and was informed about the prospect of building the chapel that it might be a good idea to carry out the ^{suggestion} ~~idea~~ of a two-story building, ^{to be used by} ~~one~~ floor of which is used by the Catholics and the other for the Protestants. Such a chapel is built for the Old Soldiers at Leavenworth. It was suggested that the Chaplain see the Archbishop.

Col. Sample stated that the first Protestant church of the Northwest was organized on the site of Fort Snelling by a group of Protestant people. He thought that it might be a fitting thing to have all the Protestant organizations contribute to the new building and commemorate the chapel in memory of this first Protestant effort.

It was unanimously agreed that we should find some method by which

Chapel - Page 2

to appoint a Steering Committee. Voted that this group, consisting of representatives of Council of Churches, officers of the Post, three officers of the R.O.T.C. and other representatives of ecclesiastical, fraternal and military organizations, be known as the General Committee for the Erection of a Chapel at Fort Snelling, and that sub-committees necessary to get this project under way be selected from these representatives. The sub-committees necessary are Executive Committee, Building Committee, Publicity and Finance. Voted that the Committee on Committees with power be appointed. By unanimous consent it was agreed that the Executive Committee with two representatives from each city and ^{one} officer of the Post serve on this committee. President Blyth appointed Dr. Gruber and Mr. Williams of St. Paul and Dr. Bunger and Dr. Roy L. Smith of Minneapolis and Col. Sample of the Post as representatives on the committee. Dr. Bunger was appointed as convener. It was requested that a report from this committee be made on June 23rd when the General Committee would meet.

Voted that the next meeting be held at Fort Snelling on June 23rd at 4:30 P. M. in the Service Club.

A vote of thanks was taken for the sumptuous dinner which was furnished the committee in session today.

Adjourned.

Respectfully submitted,

Secretary

April 20, 1928.

To the Committee on Memorials,
Fort Snelling Chapel.

Gentlemen:--

The Minnesota Diocese of the Episcopal Church desires to commemorate the lives of two men, pioneers and builders in this great northwest, by placing stained glass windows in the new chapel at the Fort.

Bishop Whipple, the first Bishop of our Church in this state, was for many years not only an outstanding figure in the moulding of the life of our people to the highest ideals of integrity, but was known the world around as "The Apostle to the Indians," and many of those who in former days occupied this fort testified to the remarkable influence of this great man on the Indian tribes.

Of Father Geer I need not speak to men familiar with the traditions of the army and the early life of this section.

We feel that there would be a peculiar appropriateness in placing this memorial over the altar, and if compatible with the plans of this Committee, crave permission to install such a memorial as would add to the artistic beauty of an already beautiful structure, and present to all those who worship at this altar an example of loyal service to God and fellow man.

We would of course expect the design and the execution of this memorial to meet with the unqualified approval of your Committee, and of the architect of the building.

We will appreciate an early answer to this request, for if it is favorable, we will endeavor to have the windows in place for the opening service.

Sincerely,

George Buzzelle

Col. W. R. Sample	3rd Inf.
Lt. Col. E. M. Norton	3rd Inf.
Maj. M. R. Winer	Q. M. C.
Chaplain F. C. Rideout	3rd Inf.

Col. Sample and Chaplain Rideout piloted the group around Fort Snelling and entertained them for dinner. While we were seated about the table, Dr. Blythe of Minneapolis was appointed Chairman of the Meeting, and Rev. J. J. Runyan of Minneapolis was appointed Secretary.

The Chaplain stated that this meeting was called for the purpose of considering the building of a chapel in which to worship at the Fort. He called on Col. Sample who presented the situation from the Government's standpoint which was that the site was selected and ~~xxxxxx~~ permission was granted to build such a chapel without cost to the Government.

Lt. Col. Norton was next called on, and made a very eloquent address concerning the need for citizenship training among young men who come to them at Fort Snelling, both as recruits for the regular army and also for the R. O. T. C. He further stated that they could offer them training in everything but the religious interest, and he appealed to us men to do what we could to provide the latter. The Chaplain next called on Maj. Wainer who stated that the men at the Fort would do all they could, both in contributing to this interest and infurnishing material and labor. He showed that the army today is an institution for the training of citizenship, and that they needed as a basis for such a training the worship of God.

Mr. Blythe, chairman of the committee, called on Dr. Shutter who stated that nothing could be hoped for from the Government in the way of financial assistance, and that at least \$33,000 would be needed to put up this chapel. He was very much impressed, he said, with what the army is doing these days in the training of young men for citizenship. He made a motion that we approve of this matter, and that the enterprise be submitted to the Christian people of Minneapolis and St. Paul. This motion was carried.

Rev. Roy Smith next spoke. He thought the situation was up to us to put over this proposition. He pledged Simpson Church to do what they could even tho they are in the midst of a building proposition themselves. He suggested that presentation of this proposition be made to the

various men's clubs of the Twin Cities, and he was confident we should get some substantial contributions.

Dr. McElveen was convinced that this chapel should be undertaken and pledged himself to help raise the funds by presenting this matter to the St. Paul Congregational Union, and to any clubs before which he was invited to speak.

Dr. Stub seconded Dr. Shutter's motion.

Mr. Velte suggested that an appeal might be made to people out in the State for cooperation.

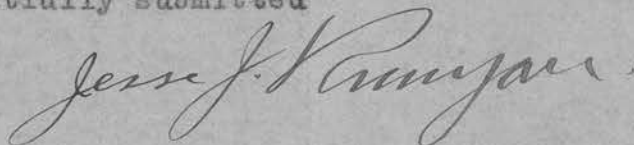

Dr. Shutter made the following resolution which was passed unanimously: "Resolved that the ~~xxxxx~~ Councils of Churches of Minneapolis and St. Paul be asked to appoint committees - one from each - which ~~xxxxx~~ as a joint committee shall make the arrangements for getting the project before the public."

Dr. Gruber thought that this matter could be presented to good advantage before the Ministers Federations of St. Paul and Minneapolis.

Col. Sample made a statement that Fort Snelling would be continued unless there was an unusual reduction in the Army of the U.S. which was not likely. He further stated that the title to this property would revert to the Government as soon as it was completed.

Motion was made and carried that we express our thanks to the officers of the Fort for their courtesies extended to us, and for the splendid meal which was served.

Respectfully submitted

Memorandum of a meeting of the representatives of city organizations, called together by Mayor George E. Leach for the purpose of giving aid to the Fort Snelling Chapel project. This meeting was held in the Radisson Hotel Gold Room, April 14, 1925 at 6:15 P.M.

Mayor Leach opened the meeting and gave an outline of the reasons for the formation of this committee. He called attention to the fact that Fort Snelling was one hundred years old and that no provision had ever been made for the spiritual welfare of the men stationed at this post. The federal government had never provided a place for worship at its various garrisons and that in other parts of the United States where similar institutions are being maintained a chapel had been provided through public subscription of the citizens. He pointed out the importance of the matter advising that St. Paul had already formed their committee and was anxious and willing to co-operate with a like committee from Minneapolis. Mayor Leach having another important engagement asked to be excused and suggested that the meeting be left in the hands of Mr. Gaylord Warner.

Mr. Warner called upon several of the gentlemen present who were familiar with conditions and asked them to give their views on the subject. Those who addressed the committee were:

Chaplin Frand C. Rideout
Dr. E. Philip Osgood
Mrs. W. S. Lindsley
Dr. S. H. Roberts
Mr. Thomas Nelson

Mr. Jack J. Scheuer made a motion which was duly carried that a Chairman, Vice-Chairman, Treasurer and Secretary be elected. This resulted in the following nominations, all of which were duly elected:

Chairman - Gaylord Warner
Vice-Chairman John Skinner
Treasurer - Robert E. MacGregor
Secretary - Clarence A. Gunn

Mrs. A. P. Kean and Miss Mary McNabb of St. Paul spoke on the resolutions adopted by the committee representing fifty-two women's societies.

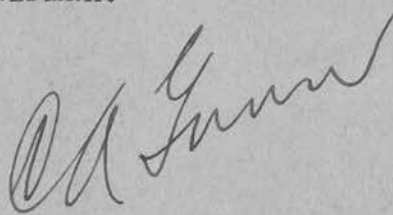

Following is a list of those present, each in turn offering their support of the movement:

WALTER H. WHEELER, E. M.
Designing & Consulting Engineer
1112-10 Metropolitan Life Building

Minneapolis, Minn.,
February 8, 1927.

Fort Snelling Chapel & Community Center Assoc., Inc.
Fort Snelling, Minnesota.

Gentlemen:

Subject: Proposed Chapel Building.

Pursuant to your instructions last August, the Building Committee ordered the excavations made for the Chapel Building, stone delivered on the ground, concrete foundations, basement walls and first floor constructed and bids for the construction of the building.

The excavation is now completed, the rubble stone for the building is on the ground and part of the concrete foundation is complete. The plans and specifications for the building have been completed and bids received for the construction as per tabulation herewith.

According to these bids and our understanding of the credits which the authorities at Fort Snelling will be able to take care of, the cost of completing the building, including general contract, electric wiring, plumbing and heating, will be \$63,277.73. I understand the money on hand from pledges collectable is approximately \$47,253.87.

If contracts are to be let for the construction of the building, it is my opinion that the Building Committee should have assurance from the Association that the money will be available to carry out these contracts. In addition to the total above given, it will be necessary to provide for lighting fixtures and furnishings in the building. Exclusive of the furnishings, it seems to the undersigned that there should be at least \$65,000.00 available.

Yours very truly,

(Signed) Walter H. Wheeler.

ENLISTED CHAPEL COMMITTEE
Fort Snelling, Minnesota.

January 26, 1926.

Memorandum: To 1st Sergeants, All Organizations.

Subject: Final report of subscriptions.

1. The final drive for the post chapel will take place all over the state of Minnesota, during the week February 7th to 14th, 1926. The total amount collected from all sources, to date, is in excess of \$25,000.00.

2. Our report covering the total amount collected from enlisted men of the post, must be in hands of the Finance Committee as soon after the 1st of February, 1926, as possible. It is, therefore, requested that the following report be filled out, complete, and submitted to Staff Sergeant C. Jones, Secretary of the Committee, at Post Headquarters, as soon after February 1st, 1926, as possible, using this blank for your report.

3. In view of the fact that the effective dates for the drive were moved up from November to dates noted above, it is not possible to state the effective strength of each company. It has been decided to leave the total number of men who are eligible to contribute to this fund, up to the First Sergeant of each organization. It is believed that the following table will show a fair idea of the number of men in each organization contributing:

FINAL REPORT

(a) Total amount subscribed by enlisted men of your
organization - - - - - \$ _____

(b) Cash collected and turned over to Treasurer - - - \$ _____

(c) Cash on hand - - - - - \$ _____

(d) Amount promised but not yet collected - - - - - \$ _____

(Total of b, c, and d, must equal total shown in a)

(e) Number of enlisted men contributing _____

(f) Number of enlisted men who did not contribute _____

NOTE: Under f, only those enlisted men who are or have been on a pay status and fail to contribute should be reported. All men not on a pay status at this post, such as DS for entire period, sick or in confinement for entire period, should be deducted from the total under e, but not carried under f.

GENERAL COMMITTEE FOR THE ERECTION OF A CHAPEL 46

PORT SNELLING 13
Monday, June 9, 12 Noon 23

831 Linwood Pl.
Dr. Osgood asked grace and dinner was served in the Officers' Club. Those present were Messrs. John R. Brown, St. Paul, Phillip E. Osgood, St. Mark's, Minneapolis, Warren L. Bunger, Lyndale Cong. Minneapolis, T. R. Newton, Temple Baptist Church, Minneapolis, Frank C. Rideout, Chaplain U.S.A., Howard Y. Williams, People's Church, St. Paul, Roy L. Smith, Sampson Church, Minneapolis, David H. Shields, Minneapolis, James W. Bean of Saint Paul, L. Franklin Gruber, Everett K. Bray, J. L. Bergen, First Presbyterian Mission, R. B. Blyth, Col. Sample, Major Winer, Runyan.

Rev J.J.
Minutes of previous meeting read and approved. A letter ^{was read} from Prof. A. Z. Mann regretting that he could not be present with us because of having been detained by the funeral of one of his students.

Mr. Blyth made a statement of matters up for consideration at this meeting and stated also that there were present committees from both of the Councils of Churches. These committees have been appointed with the assistance of Chaplain Rideout. The same officers that were appointed for the previous meeting were elected as the officers of the General Committee.

Mr. Blyth stated that we were here to present action of this group before the public in whatever way may be determined. Committees would have to be appointed on Construction of Building, on Publicity and Finance.

Chaplain Rideout stated that Catholic representation has been asked for from Father Cassey who visits the Post. Father Cassey was informed concerning resolutions passed and asked to seek the cooperation of the Archbishop. Nothing definite has been received to date. The Chaplain stated that he had asked them to share one-third of the expense. It is generally known that the Catholics do not join in any such enterprise, since the building could not be consecrated unless they did it. They do desire their own chapel and have them erected at Leavenworth and West Point. The Chaplain stated that about one-fifth of the men at the Post are Catholics.

The Government inspector suggested when he visited Fort Snelling and was informed about the prospect of building the chapel that it might be a good idea to carry out the ^{suggestion} of a two-story building, one floor ^{to be} of which is used by the Catholics and the other ^{to be used by} for the Protestants. Such a chapel is built for the Old Soldiers at Leavenworth. It was suggested that the Chaplain see the Archbishop.

Col. Sample stated that the first Protestant church of the Northwest was organized on the site of Fort Snelling by a group of Protestant people. He thought that it might be a fitting thing to have all the Protestant organizations contribute to the new building and commemorate the chapel in memory of this first Protestant effort.

It was unanimously agreed that we should find some method by which

to appoint a Steering Committee. Voted that this group, consisting of representatives of Council of Churches, officers of the Post, three officers of the R.O.T.C. and other representatives of ecclesiastical, fraternal and military organizations, be known as the General Committee for the Erection of a Chapel at Fort Snelling, and that sub-committees necessary to get this project under way be selected from these representatives. The sub-committees necessary are Executive Committee, Building Committee, Publicity and Finance. Voted that the Committee on Committees with power be appointed. By unanimous consent it was agreed that the Executive Committee with two representatives from each city and officer of the Post serve on this committee. President Blyth appointed Dr. Gruber and Mr. Williams of St. Paul and Dr. Bunger and Dr. Roy L. Smith of Minneapolis and Col. Sample of the Post as representatives on the committee. Dr. Bunger was appointed as convener. It was requested that a report from this committee be made on June 23rd when the General Committee would meet.

Voted that the next meeting be held at Fort Snelling on June 23rd at 4:30 P. M. in the Service Club.

A vote of thanks was taken for the sumptuous dinner which was furnished the committee in session today.

Adjourned.

Respectfully submitted,

Secretary
