The Minnesota Chapter of the American Institute of Architects

desiring to recognize exceptional merit in the design and execution of works of Architecture in the city of Minneapolis and its suburbs, has caused such works to be judged by a competent Jury of Architects.

The Fort Snelling Chapel

in the opinion of the Jury exhibits such merit in architectural design as to warrant its distinction above all other work in its class erected subsequent to January first, nineteen hundred and twenty-five, and therefore this Chapter does hereby award this

Certificate of Honor

to

Fort Snelling Chapel and Community Center Association
owner

in appreciation of sympathetic collaboration with the architect and builders which made possible the creation of this work.

Dated January 28, 1930
