show your records as a cash donation of \$50.00.

We wish to gratefully acknowledge the check
for \$10.00 from the American Legion Auxiliary, Unit No.

Mr. Roy B. Nienhauser,
610 Capital Bank Bldg.,
Saint Paul, Minnesota.

Dear Mr. Nienhauser:

I do not believe that I have taken the opportunity to thank you for your work in conjunction with the Fort Snelling Memorial Chapel and especially for your activity at the House of Hope Church. I don't believe I have even acknowledged to you the contributions that are the result of your efforts.

You may depend on it that the committee is sincerely grateful for your work at the House of Hope Church and wish to acknowledge contributions not as yet reported amounting to \$688.50 of which \$573.50 was received in checks and cash.

While it may not be possible for us to reach our goal of \$40,000 in Saint Paul, yet I am sure that with the money raised in Minneapolis, at Fort Snelling, and throughout the state we will be able to erect a creditable building at the Fort.

Sincerely,

C. L. Anderson:MB

I would be pleased to either have you call me on the telephone or write me a note so that we may have the information as you desire it.

We will continue to give you this information if more subscriptions arrive direct rather than through the channels of your organization.

Again let me thank you for your splendid cooperation.

Mr. M. W. Bantz,
7 New Garrick Theatre Bldg.,
Saint Paul, Minnesota.

Dear Mr. Bantz:

Mr. W. C. Jones, the solicitor who had your card for the Fort Snelling Memorial Chapel Fund, reported to us that you were too busy to consider the matter of a subscription towards the fund at the hour when he called, and asked him to return later when you had time to give the matter consideration.

As Mr. Jones is out of the city and not able to make the return call I am taking the liberty of addressing you by letter.

Saint Paul has raised about \$24,000 of its \$40,000 quota, Minneapolis has not done quite so well, and the soldiers at the Fort have exceeded their quota by \$1000. In all we have about \$55,000 raised and with other funds in sight this should go to \$60,000. The plans call for a \$100,000 structure and while it may be necessary to revise them somewhat to stay within the amount raised, yet we are still hopeful of securing enough so the building committee may go ahead at least with the main portion of the Chapel letting the other parts go until some further date.

May I thank you for whatever cooperation you may give?

Sincerely,

C. L. Anderson:B

Mrs. W. J. Jameson,
768 Goodrich Avenue,
Saint Paul, Minnesota.

Dear Mrs. Jameson:

An examination of the treasurer's records of the Fort Snelling Memorial Chapel Association shows the following contributions from sources of the Daughters of the American Revolution:

Old Trails Chapter	\$100.00
Cedar Chapter	10.00
Monument Chapter	25.00
Minnesota D.A.R.	100.00
John Noble Chapter	5.00
Saint Paul Chapter	6.59

A formal acknowledgment on the attached form has been sent out directly for each of these contributions, but we are delighted to acknowledge them in total to you and to your organization.

Not only Mr. Schuneman, but Mr. McKnight too has often told me that it was the impetus given through the early work of the D.A.R. that made possible a whole group of contributions coming from other patriotic organizations.

While it is probable that we will not obtain the entire \$100,000 for the chapel, yet we are confident that we will secure between \$80,000 and \$85,000 which will allow us to go ahead with the major portion of the building letting some of the other parts to be taken care of at a later date.

On behalf of the committee that had this matter in charge I wish to extend my sincere thanks for your splendid contributions and my personal gratitude for your cooperation.

Sincerely,

G. L. Anderson:MB

Rev. P. E. Nick,
St. Marks Evangelical Lutheran Church,
439 Saint Clair St.,
Saint Paul, Minnesota.

Dear Rev. Nick:

An examination of the treasurer's records of the Fort Snelling Memorial Chapel shows that on Sunday, February 7th the St. Mark's Lutheran Church contributed \$21.85 toward the Chapel Fund.

We have acknowledged these contributions direct to the giver and we are only too pleased to confirm this information to you. A formal acknowledgment was supposed to have left this office in this regard, but it is possible that we made an error.

We wish to thank you most sincerely for your cooperation in speaking to your people and allowing time on that Sunday morning for this cause and I know that you will be delighted to know that sufficient money has been raised to go ahead with the chapel although we did not reach the entire goal of \$100,000. We have raised enough, however, to allow us to go ahead with the major portion of the building letting some of the other parts to be taken care of at a later date.

Sincerely,

C. L. Anderson:MB

Mr. John A. Holmen,
Benevolence Treasurer,
First Lutheran Church,
Saint Paul, Minnesota.

Dear Mr. Holmen:

I regret very much, Mr. Holmen, that I overlooked the acknowledging of \$49.30 as a contribution from the First Lutheran Church which was brought into the office sometime ago. I am taking this opportunity of acknowledging this amount and also the \$3.50 which was turned in yesterday.

I remember dictating a letter to you and the amounts were so similar that I thought I had acknowledged this check.

I want to thank you sincerely for your cooperation in the matter and for the cooperation of your church. I know you will be delighted to learn that sufficient money has been raised to go ahead with the major portion of the building although we did not raise our \$100,000 quota. The other parts of the edifice will have to be taken care of at some later date.

Thank you for bringing the money to our office.

Sincerely,

C. L. Anderson:MB

Mrs. Otto C. Quale,
279 Bates Avenue,
Saint Paul, Minnesota.

Dear Mrs. Quale:

The total for Saint Paul's portion of the campaign to date is a little over \$24,000.00. Minneapolis has raised a little under \$20,000.00 and \$4,500 has been raised at the Fort, making a grand total to date of nearly \$50,000.00.

Mr. Despain has informed me of your splendid work in conjunction with the chapel campaign.

I wish I had the opportunity to call on you personally and thank you for the assistance you have given, but I know that you will understand that my appreciation is just as sincere even though the expression of it comes by letter.

I am positive we are going to have a very fine and adequate building.

Sincerely,

C. L. Anderson:MB

Rev. Maurice D. Edwards,
423 Laurel Avenue,
Saint Paul, Minnesota.

Dear Rev. Edwards:

We are grateful for your letter in which you inform the Chapel Association that you would be willing to contribute \$25.00 toward the Fort Snelling Memorial Fund when the building of the chapel is assured.

While we have not yet reached our goal of \$100,000, yet the fund has reached the point where we will be able to build the major portion of the building.

Our total is very nearly \$60,000 and we are hopeful of reaching between \$60,000 and \$65,000 before June 1st.

Other portions of the building will have to wait until a later date.

Your check should be made payable to S. M. Shepard, Treasurer. I want to thank you for your cooperation and to assure you that the erecting of the edifice will fill a long neglected need.

Sincerely,

C. L. Anderson:MB

Mr. F. G. Stutz,
West Publishing Co.,
Saint Paul, Minnesota.

Dear Mr. Stutz:

Through Mr. Cater, Manager of the Minnesota News Company, who had the responsibility for your card for the Fort Snelling Memorial Chapel Fund, it was reported to us that the 206th Infantry would take some action throughout the state in raising a small fund to contribute to the cause.

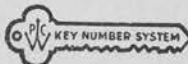

Sometime ago I wrote to Colonel Hammond not knowing that he was in Washington, and have therefore not been informed as to the activity of the 206th Infantry.

The committee would appreciate knowing what the 206th Infantry is doing in order that we may use the information in our publicity and that its impetus might help us in other sections.

I thought possibly that you might be able to give us this information.

Chaplain F. C. Rideout,
Fort Snelling, Minnesota.

Dear Chaplain Rideout:

You undoubtedly have heard our good fortune in having secured the Auditorium for a performance for the chapel fund.

Mr. Cochran has been communicating with Colonel Welsh and is hopeful that the regiment will see fit to put on a rather extended program in the way of a pageant depicting the history of Fort Snelling. He feels that if such a pageant could be attempted, using the entire stage of the Auditorium and seating people in the balconies around the entire building, that we could attract a much finer group of people than we could by a band concert and show.

This would be a ticket selling enterprise and ought to net us four or five thousand dollars. If done well enough the ticket sale might not be an arduous task for publicity concerning the event would nearly sell the space.

If there is a time to use the Marvel Laboratories talent possibly that is the time it should be done.

Mr. Cochran said he was in no hurry to get the thing under way, but would rather devote a couple of months to it and have a splendid exhibition and one that perhaps could be repeated in Minneapolis, then to do it in a hurry and only pass the hat at a free entertainment.

What have you heard concerning the hockey games? Are you going to Austin?

Dear Mr. Roe:

I certainly want to thank you for your splendid cooperation on the matter of the Fort Snelling Chapel and for allowing us to so freely use your name and your influence.

The results, however, are as you indicated they would be, a little more than paying expenses. This, however, is only the result in cash, the result in publicity is immeasurable and will give us the opportunity of following up town by town and cashing in on the splendid publicity we have had.

Under separate cover I have returned your signature plate.

Again let me thank you for your cooperation and express the hope that some day I can be of some personal service to you.

My Dear Rowe:

Your letter of January 23 regarding funds for chapel at Fort Snelling was received. I am somewhat surprised that this great nation cannot afford to build a chapel at Fort Snelling without asking the people to contribute from their own pockets.

Now understand me, Rowe, I am not crabbing but I always hesitate when asked to start a soliciting campaign for any purpose. We will do our best to help this thing along inasmuch as Uncle Sam is too poor to carry the burden himself. With kindest regards, I am

Dear Brother Officer:

Nearly a year ago this organization went on record endorsing the movement for providing a Pan-Sectarian Chapel at Fort Snelling and pledged its moral and material support to such a movement.

At the present time all plans have been made, the War Department has donated a site and a committee of architects have decided on the proper kind of a Chapel that would be in keeping with the historical background of Fort Snelling.

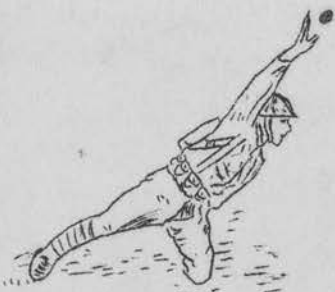

Business institutions, churches, veteran's organizations and civic groups are uniting in their activity to provide an edifice dedicated to those who have given their lives and to those who still serve. As a Reserve Officer of the United States Army, you are committed to the support of this project.

"H" hour has arrived- the hour for the Reserve Officer to demonstrate that his training "for God and Country" is a fact.

Your subscription should be sent in NOW.

Sign the card, indicating on it the amount and mail it at once with your check.

Many of the solicitors are having quite universal success, while others have had almost the opposite result. Rabbi M. A. Rivkin,

Saint Paul, Minnesota,

Dear Rabbi Rivkin:

Yesterday was observed by the churches of Saint Paul as Fort Snelling Memorial Sunday and through this medium nearly \$4000 was raised for the Chapel project.

Mount Zion Temple and the Temple of Aaron will observe Friday evening, February 12th, as a memorial day for the Fort and will give their worshippers an opportunity to contribute. Colonel Welch of Fort Snelling will send them honorary ushers who will pass out pamphlets and pledge envelopes to each worshipper as he enters the Temple, and Rabbi Kleinman and Margolis will speak briefly concerning the project. The envelopes will be collected later in the evening.

It has been suggested that possibly your church would likewise observe Friday evening, February 12th. I shall take the liberty of telephoning you some time Tuesday in regard to the matter and I am taking this opportunity of getting a little bit more of the information into your hands.

Brigadier General Alfred W. Bjornstad,
Army Headquarters,
Omaha, Nebraska.

Dear General Bjornstad:

You will remember the activity which began during your command at Fort Snelling for a chapel on the reservation, and we know that you will be delighted to know that after three years of work the project seems to be well under way toward a successful conclusion at this time.

As the attached circular indicates, the campaign is now on foot in the Twin Cities and in the state to raise a sum of \$100,000 for the purpose of erecting the new edifice at the Fort. Through the preliminary gifts of business men and a few patriotic organizations very nearly one-third of this money has been raised. The public campaign will open Sunday morning in the churches.

We believe that this is a most worthy undertaking and if we are not mistaken it is the outcome of the commendable plans initiated by yourself three or four years ago.

We realize what impetus would be given to the campaign if we could announce on Sunday morning a donation from yourself and Mrs. Bjornstad. It would help immeasurably in putting the general campaign across.

Won't you telegraph your reply at our expense? On behalf of the committee we thank you sincerely for your consideration.

Sincerely,

My dear Mr. Allen:

Mr. Cochran asked me to send to you the list of names on which I have no reply recorded for the Chapel Campaign.

Mr. Charles Smith, Pres.,
Railway Mail Association,
Trades & Labor Hall,
Saint Paul, Minnesota.

Dear Mr. Smith:

Practically every civic, patriotic, and fraternal organization of Saint Paul and Minneapolis and state units of the patriotic and religious organizations have endorsed the campaign for funds to erect a Memorial Chapel and a Community Center at Fort Snelling.

The attached leaflet outlines the project more completely than could be done through a letter. Minneapolis has taken the responsibility for \$60,000 and the Saint Paul committee has assumed responsibility for the other \$40,000.

Whatever is raised through the state by the Legion and such other organizations will lower the amount necessary to be raised in the Twin Cities. Although the campaign has been set for the week of February 7th to 13th, business men of Saint Paul have already raised a little under \$10,000.

The churches have set February 7th as Fort Snelling Chapel Sunday. Civic and patriotic organizations are soliciting members.

It is the opinion of the committee that the Railway Mail Association will like to have a part in the erecting of this house of worship and community center for the soldiers of Fort Snelling and we are taking the liberty of addressing this communication to you asking for your support.

We thank you in advance for whatever cooperation the Railway Mail Association can give the project.

Sincerely,

C. L. Anderson:MB

Mr. Donald Despain,
205 Pioneer Bldg.,
Saint Paul, Minnesota.

Dear Mr. Despain:

The attached are cards of the Methodist Churches from which we have had no reply in regard to Sunday, February 7th.

Could you call them by telephone to ascertain whether or not they will take ushers and pledge cards? The cards with clips on them are turn downs. I would imagine that we have gone as far as is possible and profitable in these churches.

Will you let me have the cards back when you have finished with them?

Mr. Hason suggested that I write you confirming this date.

pastors of these churches, especially the largest ones, a tel-
ephone call asking them whether action has been taken as yet
regarding the matter.

Will you let me have the cards back when you have
finished with them?

Mr. W. C. Jones,
Y.M.C.A.,
Saint Paul, Minnesota.

Dear Mr. Jones:

The attached two packages of materials are intended for the meeting of the Ashlar Club this noon.

The package marked "A" contains circulars to be placed at the plate of each of your members, together with envelopes for the same purpose. I trust that your members will use these materials freely. In fact, Jones, if there is some campaigning that you or some other member might do in this regard I know it would help the signing of pledges by your members.

The other packaged marked "B", contains two cards and three pledge envelopes for solicitation by each one of your members. These have been picked promiscuously from our list, but upon an inspection contain some very fine cards, in fact there is none of them that should rate under \$5.00 and most of them should go to \$25.00.

Each one of the people as indicated by the cards in package "B" will be sent a letter together with the same kind of a circular as is being supplied your members this noon.

Call me if I can explain any further.

Sincerely,

Mr. Charles L. Sommers,

Saint Paul, Minnesota.

Dear Mr. Sommers:

I am pleased to acknowledge your letter to Mr. Anderson in which you outlined the circumstances concerning the underwriting of the Unitarian Church to the extent of \$1000 for the Fort Snelling Chapel Campaign.

When your group at the church have done so well individually it would seem to me that you are to be complimented on your individual subscriptions and also on the impetus which the original underwriting gave the campaign.

The subscription of \$1000 from the Unitarian Church as such has been stricken from our records and we will take pleasure in entering the subscriptions of your individual members.

Yours Sincerely,

St. Paul, Minn.

Dear Mr. Anderson:

I have been laid up with the flu for the past two weeks so have not been able to attend any of the meetings of the Fort Snelling Chapel Association.

I wish you to make a correction in any further reports sent out by the Preliminary Gifts Committee by cancelling from your records the subscription of \$1000 of the Unitarian Church. It was agreed by the General Chairman, Carl T. Schuneman that this subscription was to be cancelled.

The fact is that members of Unity Church have already subscribed in excess of \$1000. Unity Church expects to get subscriptions from members not already approached by the Preliminary Gifts Committee but the amount originally underwritten is now void. I wish this to be acknowledged by Mr. Schuneman.

Very truly yours,

Dear Mr. Sommers:

At the meeting last Friday noon it was determined that we should meet again Friday, January 29th, at 12:30 p. m. at the Minnesota Club.

The total to date exclusive of Minneapolis, Fort Snelling, and the \$1000 which was reported for the Unitarian Church and which has since been more than subscribed through its members is \$11940.

If the people for whom cards are now in the hands of our committeemen are called upon it would seem to me that we ought to raise between \$17000 and \$20000 through the medium of this committee.

Mr. Anderson will call you Friday morning.

I cannot accept the appointment.

December 30, 1925.

Dear Mr. Cutler:

The needs for a Chapel and Community Center at Fort Snelling are more completely set forth in the attached pamphlet than they could be in any letter. There are several things, however, which ought to be emphasized.

A recent letter from Washington says, "The policy of the War Department is such that it is futile to strive to secure chapels and recreation buildings until sufficient money has been appropriated to solve the present housing problem for the army." The Department has donated a site and will maintain whatever edifice is erected but can go no further.

The edifice must likewise be pan-sectarian as it will be used by all creeds. We wish to specifically point out also that the building will house a Post library, will be the community center and provide the club room and auditorium facilities. The needs for these also are well outlined in the pamphlet.

The campaign is for \$100,000. Minneapolis has assumed responsibility for \$60,000 and Saint Paul for \$40,000. Veteran organizations, patriotic, and civic organizations are joining in the campaign as well as the churches. Whatever money is also raised through these organizations throughout the state will lower the amounts necessary to raise in Saint Paul and Minneapolis by that amount.

A member of our committee will call to go into the matter further with you.

Sincerely,

M. M. Cochran

Rev. Wm. C. Sainsbury,

Saint Paul, Minnesota.

Dear Rev. Sainsbury:

Chaplain Rideout was very grateful for your letter offering your assistance in the Fort Snelling Chapel Campaign. He was no more delighted, however, than was I to know that we have your interest and support.

The Civitan Club of which I understand you are a member would like to have a talk on the necessity for and the possibility of a chapel at Fort Snelling on January 29th and have asked me to extend an invitation to you to give such an address.

I appreciate the manner with which you have cooperated with us in the past in all these civic projects. It is a delight to have a few in the community that one can depend upon.

Sincerely,

Mrs. Worrell Clarkson, Jr.,
19 Kenwood Parkway,
Saint Paul, Minnesota.

My dear Mrs. Clarkson:

There has been for the past few months considerable interest growing in the city in favor of building a chapel and community house at Fort Snelling. You no doubt have seen articles in the newspapers about it. We have investigated and come to the conclusion that it is a project of merit, with a surprising amount of spontaneous support offered by many patriotic, religious, and civic organizations of the city. It is a movement which, with but little publicity and practically no solicitation, has already attracted many followers. Governor Theodore Christianson has not only given his hearty approval of the idea but has accepted the state chairmanship. In Minneapolis, Mr. Sumner T. McKnight and a group of business men have formed an active committee and have already secured several thousand dollars in pledges.

We have accepted the organization of the Saint Paul committee and already have a considerable group of men enlisted. However, we would like to have the counsel and help of a few women and we would appreciate, therefore, your presence as our guest at a luncheon meeting at the Minnesota Club Wednesday, January 27th, at 12:15 p. m.

Colonel W. E. Walsh and Chaplain F. G. Rideout of Fort Snelling will be present and will explain the need of a chapel and community house at the Fort.

There will be no solicitation of funds. We want your advice and help.

Sincerely,

January 26, 1926.

Mr. George Gann,
Tri-State Telephone & Telegraph Company,
Saint Paul, Minnesota.

Dear Mr. Gann:

George W. Robinson is serving on our Preliminary Gifts Committee for the Fort Snelling Memorial Chapel. At our meeting last Friday in going over some of the prospects, Mr. Robinson suggested that you would be the best person in the city to approach Abe Levy of the Saint Paul House Furnishing Company on the matter of a subscription to the Chapel.

The attached letter with a circular was sent to Mr. Levy a short time ago. So far \$11710 has been raised through the instrumentality of the Preliminary Gifts Committee. The gifts range from \$25 to \$500.

You may depend on it that we will appreciate sincerely any cooperation you may give us in approaching the Saint Paul House Furnishing Company.

Sincerely,

Chaplain Frank C. Rideout,

My dear Chaplain Rideout:

This is a very tardy acknowledgment of your letter dated December second in which you so well state the case of the Fort Snelling Memorial Chapel.

By a strange succession of events I have been unable to attend any of the meetings in which this matter has come up for attention though, as you know, I have been earnestly invited several times. You will not think that I am indifferent to the needs nor unaware of the fine work that you are doing. However, my Central Park field so fully occupies my time, strength, and spiritual resources, that I find myself with very little reserve. I presume that Dr. Smith might very well say the same.

Now that the holidays have passed I will endeavor to confer with Drs. Holland and Smith and perhaps we can arrange to do the very thing your letter suggests. It really does seem that with the patriotic background so well established, our Methodist people might be willing to assist in a specific fashion. At least I hope so. With all good wishes for the New Year, I am

Dear Sir:

Replying to your letter of January 15th, wherein you request that I act as chairman in this city for soliciting subscriptions to the fund for the constructing of a chapel and Community Center at Fort Snelling, will advise that I do not feel that I am in position to undertake this work at this time.

Last Summer I devoted a great deal of time as chairman of the Legion Endowment Fund campaign in St. Cloud and I well realize the amount of work involved. It is necessary for me to devote all of my time to the work here in this office and such other outside activities as I already have on my hands. I am therefore unable to assume any further outside duties and much as I regret to do so, I feel that I must decline to accept this proposition.

With best wishes for the success of this undertaking, I am

My dear Mr. Washburn:

Mr. Walter Strouse and I have had no return of the pledge card which we left you for the Fort Snelling Chapel and Community Center Building.

We hope that you and your brothers will consider this a proposition of merit, and will favor us with a subscription.

We have not taken the proposition up hastily and without thorough investigation. We finally took it up on the basis that we would not ask any one for large subscriptions, feeling that the appeal was broad enough to enable us to spread the call over a good many people. We feel that when this building is completed, any of the subscribers will be glad they made this subscription when they see the actual utility and usefulness of this building to a great group of people. The project has the endorsement of all the churches, and of the Civic Associations of both cities. The fact that we have not yet had a turn down from those of our friends whom we have approached would appear in its favor.

Won't you send in your pledge card to Walter Strouse?

My dear Mr. Floan:

I learned from Reverend Ryden that the next meeting of the Lutheran ministers will be held at the Y.W.C.A. Monday morning, January 24th, at 10:00 a. m.

Reverend Ryden tells me that if you will call Reverend Hansler at Midway 8151 he will be only too glad to arrange for you and me to be at the meeting and to present the matter.

The Augustana Synod are having some other kind of function on that day and will not be able to be at the meeting at the Y.W.C.A. We are, however, invited to appear before them at their annual meeting at 11:00 a. m. at the Zion Church on Oxford Street on the same day.

Probably it would be well to get a letter out over your signature and mine to all of the Lutheran clergymen emphasizing the meeting on Monday and telling them that the Fort project will be taken up and asking them to make it a special point to attend.

If you think that such a letter would be valuable I would be glad to prepare it.

I trust you will call me at Cedar 4210 and let me have your advice in this matter.

Dear Dr. Earl:

Underseparate cover I have sent you twenty outlines of the activity for church chairmen.

It will, of course, be impossible to set up this complete form of campaign in all of the churches. If we do it in the First, Woodland Park, Merriam Park, and the First Swedish I think we will have done well.

I see no reason though why the matter of the first portion of the outline cannot be carried out in every church. The second portion is the activity that Joe Barnes should get under way for the four churches suggested.

If after you have written the ministers you feel that we should take some further activity in a meeting or in some other form of follow-up do not hesitate to call me.

Thank you sincerely for your cooperation.

Rev. F. M. Eliot,
807 Fairmount Avenue,
Saint Paul, Minnesota.

Dear Rev. Eliot:

Early in December clergymen representing twelve denominations met at the Athletic Club and set Sunday, February 7th, as Fort Snelling Memorial Sunday in Saint Paul churches.

Since that date representatives of the committee have met with ministerial groups of the Presbyterian, Episcopal, Baptist, Methodist, Congregational, and Lutheran churches. At each of these meetings individual pastors have pledged themselves to observe Sunday, February 7th, as Fort Snelling Memorial Sunday, using honorary ushers in the person of enlisted men from Fort Snelling, having pledge cards available, making a brief talk upon the project and enlisting the members in support of their respective churches.

Sometime ago Chaplain Rideout informed me of your generous action at Unity Church in pledging \$1000 for the Chapel. In view of this contribution will you omit any further action in regard to the Chapel or will you care to join also with the other Saint Paul churches in even going further than you have already gone?

If I am any judge of campaigns I believe I can truthfully say that it was your early action at Unity Church that has given the whole campaign its impetus, and anything further that you would do would be very generous indeed.

Dear Colonel Rideout:

I had a meeting with the presidents of the Service Clubs yesterday and the matter of making the week of February 7 to 14 a patriotic one and devoting it to the Chapel was taken up.

Mr. Donald Despain presided at the meeting. The group endorsed the project and undertook a budget of \$5000. While some of the clubs will not be able to include the meeting of the week of February 7 because of conflicting dates, yet they are offering other dates just as good for our purpose.

Nearly all of the clubs wanted you to speak before them. The following is a list of engagements asked for at this writing:

January 21 - Professional Men's Club
January 28 - Ashlar Club
February 1 - Lions Club
February 5 - Civitan Club
February 8 - Optimists Club
February 10 - Exchange Club

We will hear later from the program committee of other organizations.

Will you be kind enough to jot these on your memorandum pad and inform me whether or not you can make these engagements?

I thought you might be interested in a letter Mr. Cochran is sending his committee so I am attaching a copy.

Dear Mr. Hill:

Thank you very much for the subscription which you were kind enough to send to our Chapel and Community Center Building Fund in reply to our recent letter on the subject.

It has been our idea to extend our subscriptions over a two-year period, and we have in no case asked for any large amounts. Our top limit being \$250 per year for 1926 and 1927. Your check was somewhat over our 1926 top quota, but we would like to have you come in on the 1927 subscription also. Would you be willing to give us a pledge card, one of which I enclose, for another \$200 for 1927, so that we may have you as one of our top subscribers.

You can readily realize that the more top subscriptions we get, that is, those of \$500 covering the two-year period the easier it is to get others. We already have subscriptions of that kind from quite a number of firms, such as Farwell, Ozman, Kirk & Company, Gordon & Ferguson, G. Sommers & Company, and ourselves. If we are to reach our quota, we will have to have a number more. I hope you will be willing to do this for us.

With kindest personal regards.

Saint Paul, Minnesota.

Dear Colonel Hammond:

No doubt you have been informed of the activity among churches, civic and patriotic organizations, and private citizens to raise money to build a Chapel at Fort Snelling. I am enclosing a pamphlet which outlines the situation a good deal more completely than I could in a letter.

It has just occurred to me that possibly the Minnesota National Guard would be interested in doing something toward making this project a reality. I am frank with you that I do not know how to approach the matter and come to you for counsel and advice.

What would be your thought in the matter?
What would be the best way to approach the problem?
I would be delighted if you would call or write me.

By the way you ought to be getting your old shoes out for the Trade Tour pretty soon.

Sincerely,

C. L. Anderson:MB

Chaplain F. C. Rideout,
Fort Snelling, Minnesota.

Dear Chaplain Rideout:

I am enclosing a copy of a letter which would be addressed to all of the clergymen of Saint Paul on the stationery of Colonel Welsh and over his signature.

I have retained a carbon of it in the office. If you will ascertain whether or not it meets with the Colonel's approval and telephone me I will have it set up and ready for a run. We will need about 250 sheets of paper and envelopes and will be glad to do all of the work on the letter here.

I will send you some stationery with the revised names tomorrow. I expect it early in the morning.

Sincerely,

C. L. Anderson:MB

Rev. E. E. Ryden,
842 Hague Avenue,
Saint Paul, Minnesota.

Dear Rev. Ryden:

Following your suggestion Mr. Schuneman and I called upon Mr. Floan of Floan & Leveross, who has accepted the chairmanship for the Lutheran churches.

We are anxious to meet with the Lutheran clergymen, but both Mr. Floan and I have been unable to find out when and where your next meeting will be held. Mr. Floan suggested that I get in touch with you again to ask you for this information. We thought probably that there would be no scheduled meeting and if so asked if you would join with us in calling one at some central point where the matter of the Fort Snelling Chapel would be presented for whatever activity the Lutheran clergymen might care to take upon it.

I tried to reach you by telephone this afternoon but was unsuccessful and I am therefore resorting to this letter.

Let me thank you for your cooperation.

Sincerely,

C. L. Anderson:MB

Same letter to all Presidents of Saint Paul Service Clubs

January 4, 1926.

Mr. Fred M. Hayes, Pres.,
Ashlar Club,
Saint Paul, Minnesota.

My dear Mr. Hayes:

Each of the Service Clubs of Saint Paul and Minneapolis will be asked to take some definite action concerning the erection of the Chapel at Fort Snelling. Although this project has been hanging fire for nearly three years the matter is now at a place where the Service Clubs will want to know what action the other Service Clubs of the city are going to take and what their own policy in regard to the matter will be.

A meeting, therefore, of the Presidents of the Service Clubs, together with the Chairman of the Program Committee is called for Thursday, January 7th, at 4:30 p. m. at the Saint Paul Athletic Club.

Can you arrange to be present and ask your Program Committee Chairman to attend with you?

Sincerely,

Mr. J. P. O'Hara:

Mr. Edwin Lindell:

Dear Joe and Ed:

I regret very much missing my appointment with you in the Curtis Hotel in Minneapolis Wednesday evening. I have taken the means of transmitting my request in the sheet which is attached.

If you desire me to be at the meeting the morning of January 10th do not hesitate to call me and I shall be only too glad to come.

The thing that we are most anxious about is the letter over your signature - Mr. O'Hara as Commander - assuming the attitude of a personal interest more so than as an official one on the part of the Legion.

We realize that some Posts will take to the suggestion very readily and from others there will be no response, and while we are not looking for great returns from the American Legion in matters of money, yet we do know that many Posts will be willing to contribute a sum which should not by any means be winked at.

I personally appreciate the splendid offer in the matter of the memorial window or pulpit and trust that this will be worked out as speedily as possible.

Don't hesitate to call me if I can be of service.

Sincerely,

C. L. Anderson:MB

Mr. J. P. O'Hara, Commander,
American Legion,
Old Capitol,
Saint Paul, Minnesota.

My dear Mr. O'Hara:

Following the action of the 7th annual convention of the American Legion, Department of Minnesota, at Thief River Falls, August 10, 11, and 12, 1925 through Resolution No. 6 which reads as follows:

WHEREAS, a movement has been undertaken for the construction of a chapel at Fort Snelling, now, therefore,

BE IT RESOLVED, that the American Legion, in convention assembled, approve and command the construction of this chapel;

may I on the part of the Fort Snelling Chapel Memorial Association respectfully request at this time the cooperation of the Department in the following:

1. The authorization at the meeting of your Executive Committee on January 10th, of a letter to the Commanders of all Posts in the Minnesota Department over your signature requesting information as to their choice of method of cooperation with the Chapel activity.

2. The authorization for the use of your Department State offices to receive whatever moneys are raised by Legion Posts holding the same for transmittal to the Chapel Association treasury.

I have been informed of your admirable action in proposing on the part of the Department of Minnesota to erect in the form of a window or pulpit or some other unit a memorial to the American Legion. I understand that you

have had no reply to this offer but I shall endeavor to bring pressure to bear on the building committee so that you are informed as to the acceptance or rejection of this splendid offer before your meeting on January 10th.

A sample of a suggested referendum card which we would like to accompany your letter is attached.

Allow me on the part of the Memorial Chapel Committee to thank you for your splendid cooperation.

Sincerely,

C. L. Anderson:EE

Commissioner J. M. Clancy,
Court House,
Saint Paul, Minnesota.

Dear Commissioner Clancy:

In conjunction with the campaign to raise funds for the erection of a Chapel and Community Center at Fort Snelling, we are hopeful of staging a memorial celebration of Lincoln's Birthday on Friday evening, February 12th.

Colonel W. E. Welsh, Commanding Officer of Fort Snelling, has volunteered the use of the Fort Snelling Band and other entertainment features. Saint Paul clergymen and other officers have likewise offered their assistance in making the commemoration a successful one.

In this regard the Saint Paul committee, in charge of the Fort Snelling Chapel activity in this city, respectfully requests the free use of the Auditorium for the evening of February 12th. No admission will be charged. The entire affair will be open to the public generally. Special invitations, however, will be sent to members of patriotic, veterans, and civic organizations. During the course of the evening a contribution toward the Memorial Chapel will be asked.

We thank you for your cooperation and assistance.

Sincerely,

Saint Paul Committee,
Fort Snelling Memorial Chapel
and Community Center, Inc.

Chairman

December 31, 1925.

Colonel W. E. Welsh,
Fort Snelling, Minnesota.

Dear Colonel Welsh:

In my opinion things are shaping themselves quite speedily for the Chapel Campaign. We are well under way with our preliminary gifts in Saint Paul and the State through the American Legion, Veterans of Foreign Wars, Daughters of the American Revolution and the American Legion Auxiliary is being organized.

The activity among the churches is likewise proceeding very well. I have the assurance from Mr. Frank Delaney, who is representing the Catholic group on our committee, that the Catholics will use the Chapel when it is completed and that they as individuals will contribute towards its erection. Activity among the luncheon clubs is likewise taking form.

There are, however, a number of things some lesser and some rather great that I would like to have you pass upon. I am taking the liberty of setting them forth in this letter and numbering each one so that I may make myself a little more clear in some of the things we anticipate.

1. I have been informed by Chaplain Rideout that the Fort Snelling Band so far as he has been able to find out has no engagement for the evening of February 12th (Lincoln's Birthday.) If we can make the arrangements with the City Council for the use of the Auditorium on that evening we would like permission to use the band and arrange an additional program in cooperation with whatever officer from the Fort you may designate together with what talent we can make available in Saint Paul to put on a program in commemoration of Lincoln's Birthday at the Auditorium using the occasion

for additional solicitation of funds.

2. We should like to invite the clergymen of Saint Paul, over your signature, to a minister's mess at the Fort on Tuesday afternoon, January 12th, at 3:30 p. m. We should like to work out an "army" program for them, again letting the Chaplain tell his story to the entire group, setting forth our campaign verbally that we are now presenting to them in writing, and in other ways enlist their enthusiasm and cooperation. If it would be possible we would be delighted if they could be served a mess in the evening and adjourn about 7:00 p. m. so that they could make whatever appointments they might have.

3. On Thursday evening at 8:00 p. m. January 14th, I should like to invite the representatives of the civic and patriotic organizations to meet again at the Red Cross building to report progress and to take assignments for further work in this department. This would be a follow-up meeting of the meeting which I believe was held in September.

4. I believe Mr. Anderson has already taken up the matter of ushers in the churches in the person of enlisted men for Sunday, February 7th. It will be well towards the middle of January before we know how many enlisted men this will require, but we will communicate further with you in this regard.

I appreciate the cooperation you have given the committee and the time which you have given from the Fort to meet and advise with us. I hope we can be as sincere in our efforts to get this task done.

Yours very truly,

CRS:B

December 31, 1925.

Chaplain F. C. Rideout,
Fort Snelling, Minnesota.

Dear Chaplain Rideout:

I am enclosing a sample of the mailing piece which has just come from the press. There are two errors in it, one, the spelling of Governor Christianson's name, the other, that the backing up is inverted. Both of these things will be corrected before further run is made. I wanted to get one into your hands, however, so that you may see what the finished product is to be.

I have dictated a letter today for Carl Schuneman's signature to the Colonel, concerning - first, a meeting of clergymen at the Fort at 4:30 p. m. Tuesday, January 12th; second, a meeting of representatives of civic organizations at the Red Cross building at the Fort on Wednesday, January 13th, at 3:00 p. m., and third, the use of the Fort Snelling Band at the Saint Paul Auditorium on Friday evening, February 12th.

I saw Mr. Lindell of the American Legion this morning to line up the American Legion activities throughout the state. This, of course, would be over and above what they would do as the Minnesota Department in contributing toward a memorial window, pulpit, or some other unit. Mr. Lindell was a little anxious, for he said he had received no reply from his letter of December 3rd to you concerning a memorial window.

He seemed pretty keen about the window and pulpit or some other like unit and said that the Department would be willing to contribute, he thought, at least \$300 direct from its treasury for such a unit. He said also that if he could have a definite reply on this he knew it would help in setting up the American Legion Campaign at the meeting of their state committee in Minneapolis on January 10th.

Samples of both the Minneapolis and Saint Paul letterheads and envelopes are enclosed. If there is any of this printed material that you desire let us know and we will send it to you.

From today on you will be receiving daily reports on progress. I have been making these out for a few days and getting them into the hands of those who should be informed as to the progress that is being made

This is rather a rambling letter, yet I think it contains the things that are on my heart today.

Miss Maud Plum,
828 So. Point Douglas Road,
Saint Paul, Minnesota.

Dear Miss Plum:

Chaplain Rideout has just telephoned me concerning your splendid offer to share your Christmas giving with the Memorial Chapel. The Chaplain asked me to send you a pledge card so that you might have the machinery to carry out your desire.

I am taking the liberty of enclosing a pamphlet which has just come from the press outlining the Chapel situation. I can say further that activity among the various patriotic organizations, civic clubs, and business men is most splendid and the churches are likewise demonstrating a keen interest. Everyone seems to be positive that all of the money will be raised.

Sincerely,

C. L. Anderson:J

Mr. Sumner T. McKnight,
1236 McKnight Building,
Minneapolis, Minnesota.

Dear Mr. McKnight:

I am enclosing a few samples of the pamphlet that we have designed here in Saint Paul for use in the Chapel Campaign.

We are mailing these to our preliminary gifts prospects and will use them throughout the civic club and church campaign.

It has occurred to me that perhaps the circular will fit your needs as well as it will ours. In fact it was written with that point of view in mind. If you will inform us how many of them you care to use in Minneapolis I will ask Anderson, who is in charge of our campaign, to have them printed for you, your name preceding mine on the Minneapolis number.

Yours very truly,

My dear Rev. Butler:

I am sending you under separate cover some mimeographed instructions which have been prepared for the church chairman.

It was my feeling that if everything that is expected of a church chairman could be put in writing it would be a great deal easier for him to carry out his work and easier also to secure his enlistment.

I am sending these for transmittal to the chairman you gentlemen selected to head the Episcopalian group.

I trust that you will advise me of his name as soon as possible.

I have also included a list of the cards which you and Mr. Schuneman assumed responsibility for. I have not mailed Mr. Schuneman a list of these as he informed me that you are working together on the list.

Dear Mr. West:

I do not know whether you will recognize your child or not. I rather think not.

Since you were kind enough to submit copy for the circular, I have had a meeting with some of the representatives of the Preliminary Gifts Committee and I was instructed to eradicate as much reference to a chapel as possible and make it as much community center as possible. This is to be used especially for a mailing piece for the firms who will be solicited by the Preliminary Gifts Committee.

The copy as it stands now, which I am sending to you for your constructive criticism, is resultant of writings on my part, Mr. Cochran's, yours, and Chaplain Rideout's. I ask your further suggestion.

I have enclosed also a copy of a lay-out of which I am having proof made today.

LETTER SENT TO NAMES CONTAINED
IN ATTACHED LETTER

Rev. Paul Lindemann,
623 Iglehart Avenue,
Saint Paul, Minnesota.

Dear Rev. Lindemann:

During the course of the past few years, you have undoubtedly heard the subject of a chapel at Fort Snelling for the soldier boys mentioned quite frequently.

The thoughts of many people on this subject have finally crystallized into action, with the result that we are about to embark upon a campaign to raise funds for the construction of a chapel at Fort Snelling which will be used by the soldier boys in their religious devotions.

This is a civic matter in which we, as citizens of the state of Minnesota, are vitally interested, and next Friday noon, December 18th, at the Saint Paul Athletic Club, there is to be a meeting which will be attended by some of the clergymen of this city and, if possible, I would appreciate your being present as the guest of the Fort Snelling Chapel Association.

This meeting is called for the purpose of discussing plans of organization for giving this contemplated drive some publicity in the various religious denominations of this city, and I will appreciate it very much if you will make a special effort to be present and contribute your thought upon this matter.

Will you please advise me on the enclosed postal card as to whether or not you can be present?

Very truly yours,

RBN:BG

P. S. If you will look at the Bulletin Board in the lobby of the Athletic Club, you will learn the particular room in which this meeting is to be held.

My dear Roy:

As per our conversation today, I appreciate very much your accepting the chairmanship of the Church Division in the Fort Snelling Chapel Drive.

Will you kindly get together the following ministers at some convenient time next week at the Athletic Club for luncheon:

Rev. S. T. Rekue, 495 Park Avenue, Norwegian Lutheran; ~~Rev. E. E. Rydon, 848 Hague Avenue, Swedish Lutheran; Dr. A. M. MacDonald, First Baptist Church, Baptist; Rev. Phil Kliman, 1059 Dayton Avenue, Orthodox Jewish; Rev. H. Y. Williams, People's Church; Rev. F. M. Eliot, Unity Church, Portland and Grotto, Unitarian; Dr. J. W. Bean, Dayton Avenue Presbyterian Church, Presbyterian; Dr. John W. Holland, First Methodist Church, Methodist; Rev. F. D. Butler, St. John's Church, Portland and Kent, Episcopalian; Rev. Paul Lindemann, 623 Iglehart Avenue, English Lutheran.~~

Keep track of the cost of this luncheon which will be paid for out of the special Chapel fund.

As outlined to you, the object of this meeting is to have each one of these men organize a publicity committee among their separate denominations.

At the noon meeting, Chaplain Rideout will be present and any other laymen that you so desire. At this meeting it might be well to get an expression of the best way of handling this matter from each one present out of which some general plan will be brought forth.

Mr. C. A. Thomas, Cedar 4210, will be glad to help you in any way he can in getting this meeting organized. Again thanking you for your assistance,

Yours sincerely,

Mr. E. J. Johnson, Treasurer,
Gloria Dei Lutheran Church,
1211 Portland Avenue,
Saint Paul, Minnesota.

Dear Mr. Johnson:

I want to take this opportunity to thank you
sincerely for the check of \$21.97 for the Fort Snelling
Memorial Chapel Fund representing the contribution of the
Gloria Dei Church.

While we have not attained our goal of \$40,000
in Saint Paul, yet I am sure with the money raised in Minn-
neapolis, at the Fort, and throughout the state we will be
able to erect a creditable and adequate building at the
Fort.

Again let me thank you for your cooperation.

Dear Rev. Ryden:

Mr. E. J. Johnson, Treasurer of your church, has sent us a check of \$21.97 representing the contribution of your church to the Fort Snelling Memorial Chapel Fund.

I would indeed be ungrateful if I did not take this occasion to thank you sincerely for the cooperation you gave toward the campaign and to assure you also that although our entire goal will not be reached, yet we are going to erect a creditable structure at the Fort.

Sincerely,

Thank you for your cooperation.

Chaplain F. C. Rideout,
Fort Snelling, Minnesota.

Dear Chaplain Rideout:

I don't feel equal to the task of dictating the proper letter to E. J. Brandeis, Robert Hicks, and Arthur Nash. I have had these three letters in my basket for now exactly a month and I must have picked them up fifteen or twenty times to dictate the letter and never have seemed equal to the occasion and have laid them down promising myself I would answer them when I felt more in the mood.

I realize sincerely what possibility there may be for a considerable donation from these three men but honestly don't feel equal to the situation in writing that letter myself.

I am wondering if you would feel more in the mood than I do and if you wouldn't draft a letter to each of them which I will be glad to have typed and signed by both Mr. McKnight and Mr. Schumeman.

Sincerely,

C. L. Anderson:MB

Mr. Herman Roe,
Northfield News,
Northfield, Minnesota.

Dear Mr. Roe:

Attached is a copy of my letter to Roe Chase
at Anoka.

Mr. Christmas, our publicity man, saw one
like clipping out of the hundreds we received. He did
not remember where it came from and it may be possible
it was from the same source. I personally feel that this
would indicate that the Minnesota editors all in all are
a pretty good bunch of cooperators for even though they
may have personal feelings in the matter they are willing
to subject these to the wishes of a group trying to do
something.

Sincerely,

C. L. Anderson:MB

We declined to give space recently to a campaign for raising funds for a chapel at Fort Snelling. The federal government is abundantly able to do this and there is no reason why well meaning individuals should be asked to build it.

HERMAN ROE
NORTHFIELD, MINNESOTA

Dear Carl:

It's a bit late to even set editors right who indite paragraphs like the above but I wish you would drop a note to Roe Chase of the Anoka Herald and tell him just how things stand and why Uncle Sam does not build chapels. Don't mention my name.

A handwritten signature in cursive script, appearing to read "Herman Roe", written in dark ink.

Copy for Mr. Roe

March 11, 1926.

Mr. Roe Chase,
Anoka Herald,
Anoka, Minnesota.

Dear Mr. Chase:

We thought possibly that you might be interested, as one of the editors in Minnesota, in knowing what progress had been made towards the erection of a chapel at Fort Snelling through the voluntary contributions of people in Minnesota. To date nearly \$50,000 has been subscribed and paid, and \$65,000 is very nearly assured. With this amount it will be possible to go ahead with the plans as originally outlined.

As to the possibility of the Government building a chapel that was the first lead followed by the committee. The War Department declined on two measures, first, that there were at present thousands of troops on the Mexican Border who didn't have proper housing conditions they were still living in tents and that Congress had refused to appropriate enough money to meet this situation to say nothing of a chapel at Fort Snelling. The second reason is that the War Department has always separated church and state and never has been party to anything where it might be possible for a religious element to be drawn into the situation.

One of the Assistant Secretaries of War made the statement to one of our committee that were the War Department to let down the matter and build a chapel at Fort Snelling there would be no reason why every other Post in the country would not ask for a chapel and there would be as much "pork Barrel" tactics used in building chapels as perhaps there has been in building Post Offices in cities throughout the Union.

I am making this later observation as I noticed

-2-

a clipping from your paper in which you publicly declined to give space in your paper to the campaign because of your feeling that the Government should rightly undertake such a project.

Sincerely,

C. L. Anderson:MB

Miss Katharine Dame,

Saint Paul, Minnesota.

Dear Miss Dame:

We certainly regret very much if an error has been made in conjunction with your subscription for the Fort Snelling Chapel, but with the handling of very nearly \$25,000, most of it in subscriptions of \$1.00 and up, it is very probable that we did make some errors.

I am enclosing the envelope which was in our files and which is the only present record we have of your subscription. The envelope from our file standpoint would indicate that the subscription had not been paid. However, we received numbers of subscriptions from group sources such as churches, service clubs, and so on, where the checks had been taken from the envelopes and all the cash and checks assembled, and the envelopes assembled in a separate group. It may have been possible, therefore, that your pledge was among such a group received.

If you will be kind enough to wait until there has been an opportunity for your check to be received back from the bank and will notify us if it is received we would be pleased to have this information so our records will be complete. If you do not receive it back you will know that it has been lost somewhere, and then will you have it cancelled and write us another check?

We certainly wish to thank you for your tolerance in this matter.

Dear Mr. Cochran:

Although I sent a letter of thanks to all of the workers from the service clubs who were active in the campaign, I have not sent a letter to the members of your Preliminary Gifts Committee.

This group is so small and all of them are personally acquainted with you that I thought possibly a letter that I might dictate would not ring quite true. I shall be glad however to get the letter out if you will dictate the same. Some of the members of the committee have not as yet fully completed their report. Possibly your letter could make a suggestion in this regard also.

Mr. Carl Schuneman,
Schuneman & Evans,
Saint Paul, Minnesota.

Dear Carl:

I had a conference with Colonel Welsh Saturday afternoon in regard to the possibility of staging the pageant at the Auditorium. The Colonel is not very enthusiastic about this scheme for he feels that the pageant would necessitate a tremendous amount of work on the part of the men at the Fort and would have to come just now at the time they are preparing for summer training.

He thought that if we could hobble along getting a subscription here and there and building up the fund gradually until it reaches between \$60,000 and \$65,000 that a contract then could be awarded for the building of the structure. In 1927 or in the early part of 1928 when the building itself is completed we might put on some activity to get furnishings for the chapel.

He was of the opinion also that these would be quite readily forthcoming from people who manufacture them as a good-will proposition for them.

After Colonel Welsh gave me these reactions I told him that while you had not said so in public, yet this was your very idea.

I understand that Mr. Shepard has received a contribution from Frank B. Kellogg of \$50.00. I shall find out whether he has acknowledged it or whether he has dictated a letter for your signature. Copy of the letter sent to General Bjornstad is enclosed.

My dear General Bjornstad:

I wish I knew how I might properly thank you not only for your splendid contribution of \$500 for the Fort Snelling Memorial Chapel, but for the impetus with which your visit to the Twin Cities gave to the campaign.

Very nearly \$50,000 has been raised to date and we are hopeful that the campaign will round out with at least \$60,000. This will enable the committee to go ahead with the chapel leaving the matter of furnishing to a later date. We are sure that the furnishings can be had through contributions also, so that the edifice will be completed as originally planned.

I am sure that the greatest gratitude for your contribution will not come from me as a representative of the committee, but will come from the officers and men at the reservation who will have the opportunity of having a place in which to worship and rear their children.

My dear Mr Anderson:-

Your letter of January 14th, requesting that Chaplain Rideout and another member of your committee appear at a regular meeting of the Trades and Labor Assembly, was discussed at length under the report of the Assembly Executive Board at the last meeting of the Assembly at which time the project was indorsed. and referred to the affiliated unions. Letters were sent to all local unions on March 1st and one local union has already taken action by voting a donation which will be sent direct to your office.

The discussion on the necessity of the Chapel was very favorable and brought out the fact that many of our people were giving towards this cause through other sources. However the Assembly as such is unable to make a contribution towards same owing to our method of finances.

The response from the local unions will not be what it would be under normal conditions owing to the conflict which has been going on for the past four years, which has forced the local unions to conserve their finances, for self protection.

Wishing your committee success in their efforts for this worthy cause and with best personal wishes, I remain

Very truly yours

Mrs. Hattie M. Sheehan,
18 Granitoid Apartments,
Davenport, Iowa.

Dear Mrs. Sheehan:

As Chairman of the Fort Snelling Memorial Chapel Association, Mr. Shepard has asked me to acknowledge your splendid letter of February 21st in which you spoke of your desire to contribute toward the fund in the name of your son who was lost in the World War and also in the name of your son James T. Sheehan who has been attending the training camp.

I want to assure you that we are only too happy to accept a pledge in the name of your boys.

It is a pleasure for me to tell you that the campaign for the funds is progressing very nicely and I am sure we are going to erect an adequate chapel.

Sincerely,

C. L. Anderson:B
