HEADQUARTERS, FORT SNELLING, MINNESOTA.

OFFICE OF THE CHAPLAIN

April 20, 1928.

Mr. Walter H. Wheeler
1110 Metropolitan Life Bldg.,
Minneapolis, Minn.

My Dear Mr. Wheeler :

I am pleased with the blue print of proposed tablet as you have it . I scarcely think that temporary members of the Building Committee should be added .

In working out program of dedication I think it would be appropriate to have a place for the following -

1. Statement of Chairman of Building Committee .
2. Remarks by Vice President of Association in turning over of Building for use of garrison .
3. Acceptance of Building by Colonel Welsh.

Inasmuch as Colonel Welsh is Commanding Officer of garrison it would be his place to accept the building . He could not act in capacity as presenting the building as President of the Association and receive it too .

I would be glad to have you tell me what you think of this . Also would it be possible to have a half tone cut made of tablet for souvenir booklet ? The reason for this is that it succinctly tells the story of the accomplishment .

Yours Truly

Mr. Walter H. Wheeler,
1112 Met. Life Bldg.,
Minneapolis, Minn.

My dear Mr. Wheeler:-

Concerning the Chapel at Fort Snelling, there are just a few things that ought to be attended to as soon as possible. The most urgent needs now are as follows:

(1) Practically all the doors of the building are swollen and do not shut properly. A few will not close at all. These should all be adjusted and properly fitted.

(2) We have found that during Sunday Services the large doors should be so arranged that they can be held open. We can only do this now by propping them open with sticks or stones. I noticed the doors at St. Mark's church are arranged with small hooks fastened into concrete and held open when required. I do wish that this could be done with our doors. During construction there were paten holders of some kind out here, but they were later taken away. Perhaps they were not the best thing, but some arrangement should be made so that doors can be left open during services. That is, the outer doors.

Perhaps the builders Splady and Haugenson will look after these two items for us.

Yours very sincerely,

Chaplain, U.S.A.

Mr. Walter H. Wheeler;
1112 Met. Life Bldg.,

My dear Mr. Wheeler:-

Herewith is enclosed Vouchers 50, 51, 52, and
53, which I think covers the last bill for the Chapel. At least
I can think of no others which will come in.

Yours very cordially,

Frank C. Rideout
Chaplain, U.S.A.

P. S. I paid the bill for curtains for the Sunday School rooms,
and some other bills for necessary equipment such as signs, repairs
and installing of balcony pews, electric wiring for cross, Visitor's
record book, collection plates totaling \$218.96. I still have a bal-
ance of about \$200.00 of the collection which was taken at dedication.
I think I ought to be permitted to purchase choir vestments and other
very necessary equipment with this fund. I have every assurance
that the \$1,000.00 will come from the Baptists in a few days. F.C.R.

TO: THE MEMBERS OF THE GENERAL
COMMITTEE, SNELLING CHAPEL.

Dear Sir:-

There will be a luncheon meeting of this committee together with representatives of such service clubs, civic groups and patriotic organizations as will send them at

HOTEL DULUTH, C. of C. Rooms on
FRIDAY, APRIL 8, 1927, at 12:15.

This is the meeting from which our workers will swing into action for the period of four or five days. It will mean only a few hours work for each member of the committee.

It is requested that each member of the general committee bring one other person who will assist. It is hoped that solicitors will go to their prospects in pairs rather than singly.

The twin cities dallied along with this proposition for over two years; let us prove our patriotism by finishing it up in one week.

Yours very cordially,

W. A. Coventry

Duluth, Minnesota,
March 31st, 1927.

TO: THE OFFICERS OF THE EX-SERVICE
ORGANIZATIONS, AUXILIARIES, AND
PATRIOTIC SOCIETIES OF DULUTH.

Dear Compatriots:

One of the most inspiring and encouraging incidents in my entire campaign of four years for the Fort Snelling Memorial Chapel and Community Center was my visit at the meeting of the Duluth Memorial Day Committee, composed of members of your organizations, on Tuesday evening, March 29, 1927.

I have reported to Dr. Coventry concerning your splendid reception of my presentation of the Chapel project as well as your favorable action endorsing it. I also told him that some of the organizations have raised a magnificent quota already, and that these same organizations were looking forward to securing funds for special memorials. Outside of those organizations which have made arrangements for special memorials (The Legion Auxiliary and the Woman's Relief Corps) it is our hope that you may assist us in our Duluth campaign for funds.

You can do this in two ways: First, by securing pledges (or by making one united pledge) from your Post, Camp or Auxiliary; and Second, by volunteering the services of at least two wide-awake members who will attend the meeting of the General Committee to commence the campaign on April 8, 1927, at 12:15 o'clock (noon) at Hotel Duluth. This will be a luncheon meeting for workers on the campaign teams.

If you thus designate two of your members for this work please give their names, addresses and telephone numbers on the enclosed postal card and return it as soon as possible.

Yours very truly,

Frank C. Rideout

CITIZENS MILITARY TRAINING CAMP.

Dear Captain:

I have appointed the following men to help secure recruits in the towns named, who have accepted:

Mr. Marc Atkinson,	Hibbing, Minn.
Mr. E. H. Yarick,	Aurora, Biwabik, Gilbert, McKinley
Mr. B. O. Strachan	Ely and Tower
Mr. J. C. Richards	Virginia
Mr. H. Ross Miller	Chisholm

I have not yet heard from Mr. W. R. Van Slyke, of Eveleth and Mr. R. J. Gibbs, of Buhl.

Mr. Atkinson has asked for a "page lay out" of pictures and data on the camp training and life, and says that if he can the mat from which to cast a page out, he will run as an extra page in the Hibbing Daily News. If you have any such material available, can you accommodate him? Will you also please send him a supply of pamphlets, application blanks, advertising matter, etc?

Very truly yours,

My dear Mr. Hearing:

In compliance with your suggestion at the Snelling Luncheon the other day, I am sending you twenty (20) copies of each of the following:

1. A Neglected Opportunity.
2. Fort Snelling Chapel, A Minnesota Memorial.
3. Pledge Card.
4. Letters to Duluth Clergymen.

In case you write the C. M. T. C. Chairmen in various Range towns, I would suggest that you request them to take up the matter with a group of representative business men, clergymen and officials of the various patriotic organizations such as American Legion, Veterans of Foreign Wars, Spanish War Veterans, etc.

In my opinion they could make a very creditable showing in either of two ways as follows:

1. They might call a grand patriotic meeting having it sponsored by all the above organizations and churches in the town auditorium with a patriotic program and giving ~~me~~ an opportunity to make an address in which I would mention four things:

1. National Defense;
2. C. M. T. C.;
3. Religious Work in the Army;
4. The Fort Snelling Chapel, A Minnesota Memorial.

I can guarantee to give them a half hour of information, humor and patri-

otic inspiration. At this meeting pledge cards could be distributed and returned to a local treasurer when signed. Or,

2. The chairman of your C. M. T. C. Committee with the assistance of representative persons could arrange for a luncheon or patriotic banquet at which the same program might be given, and a local committee appointed to handle the matter of subscriptions in a way which will be satisfactory to the demands of the local situation.

I thank you most sincerely for your good offices in this matter and for your assistance and courtesy.

Dear Compatriot;

Much to my disgust I have discovered another error in the list of members. Both E. J. Westlake and John E. Westlake have a superfluous R on the end. Will you not kindly cross it off.

I have mailed you the cut today and hope there will be no trouble in store later when it is wanted.

I will check the list completely tonight and if any more errors show up will telephone you in the morning. This is the best I can do as we are very busy in the office and there is no time

Sincerely yours.

GRAND ARMY OF THE REPUBLIC

June 10, 1947

General and Honorary Committee's,
Final Reception for Dept. Minnesota,
Grand Army of the Republic,
Sponsored by Minnesota Veterans' Organizations,
Major Wm. A. Curtis, General Chairman,
609 State Office Bldg.
St. Paul, Minnesota

Dear Comrades:

We three G.A.R. Civil War Veterans of the now closed Department of Minnesota Grand Army of the Republic, do hereby desire to extend our sincere thanks and very great appreciation to the G.A.R. Farewell General Committee and also to the Honorary Committee, representing all Veterans' Organizations in Minnesota since the Civil War for the grand and glorious parade and campfire given in our honor. It was indeed, a most fitting climax for the closing of our beloved Department of the Minnesota Grand Army of the Republic.

Words fail to adequately express our true feelings, our sorrow in closing our State Department, our pride in you comrades who will follow in our footsteps and who we feel will carry high the torch in our memory, that the name of the Grand Army of the Republic will never cease to live in the hearts of our people, and in you loyal and true comrades of later wars.

With faith in God, our Commander in Chief above, and trust in you comrades, we face the West unafraid knowing you will together, guide our Minnesota Ship of State to unknown honors and success and will forever carry on the traditions and reverent observance of Memorial Day, which we originated and have observed down through the years, honoring all comrades of all wars in which our country has been engaged.

We now command you to the loving care and guidance of our Heavenly Father with our sincere and heartfelt blessings.

Truly yours in Fraternity, Charity and Loyalty.

Signed- ALBERT WOOLSON

RESOLUTION

Whereas: The ceremony of Memorial Day was formally established in 1868 by General John A. Logan, then Commander in Chief of the Grand Army of the Republic, with his famous "General Order No. 11", and

Whereas: Through the years, the Grand Army of the Republic has made it its sacred duty to mark the day with appropriate exercises in memory of the comrades of the Civil War who had gone to their great reward, and

Whereas: Through the efforts of the Grand Army of the Republic, many states set aside the 30th Day of May, each year, as a holiday for the proper and reverent observance of Memorial Day, and

Whereas: The Grand Army of the Republic, through the marches of time, is reaching the station where the burden of its active service and sacrifice in the observance of Memorial Day must be passed on to younger hands and hearts,

Now, Therefore, be it Resolved: That the representatives of the six major veterans organizations in Minnesota -- the United Spanish War Veterans, the American Legion, the Veterans of Foreign Wars, the Disabled American Veterans, the Jewish War Veterans and the Military Order of the Purple Heart--herewith assembled and into whose hands the observance of Grand Army of the Republic Farewell Day in Minnesota has been intrusted this Fourth Day of June, 1947, pledge themselves at this public meeting marking the event, to urge at their respective department conventions to be held this calendar year of 1947 that appropriate resolutions be adopted to make it a sacred duty of each organization to carry on the tradition and reverent observance of Memorial Day henceforward in honor of their comrades of the Civil War and all wars in which this country has been engaged.

ALBERT B. BOOCK, Commander, USWV. ERNEST B. MILLER, Comdr. American Legion
PETER E. BERG, Comdr. Purple Heart; I. E. GOTTILIEB, Comdr. Jewish War Veterans;
JAMES A. MURPHY, Comdr., Veterans of Foreign Wars; HENRY W. LANSING, Comdr.,

"Americanism is an unfailing love of country, loyalty to its institutions and ideals, eagerness to defend it against all enemies, undivided allegiance to the Flag and a desire to secure the blessings of liberty to ourselves and posterity."

* * * IN MEMORIAM * * *

NATIONAL ITEMS

2. The appointment of Department Adjutant E.E. Carle as Adjutant General to be in charge of National Headquarters, USWV, effective March 1, 1949, and Past Commander in Chief George A. Eberly to be Judge Advocate General, has been announced by Commander in Chief Charles R. Barefoot. All requests for opinions must be forwarded thru channels and those pertaining to the department must first be submitted to the Department Judge Advocate thru the Department Commander.

NATIONAL ENCAMPMENT

3. TAMPA, FLORIDA has been selected as the next National Encampment City which is to be held, October 9th to 13th, both inclusive, 1949. USWV Headquarters will be at the Tampa Terrace and that of the AUSWV at the Floridan.

RESERVATIONS

Reservations must be in writing and thru--A.K. Dickenson, Director, Convention Tourist Bureau, Tampa Chamber of Commerce, Tampa, Florida. Box 420.) Zone 1. A list of hotels and their rates may be obtained from Department Headquarters. In making reservations time of arrival must be specifically stated, also the names of Comrades or Sisters who will occupy the room. Single rooms are limited and doubling up in reservations is urged whenever possible.

APPRECIATION

4. The Commander in Chief, Charles R. Barefoot, congratulates the retiring officers of the various Camps and expresses his appreciation for the cooperation extended during the past year and states - "May your reward be in the assurance that you have served your Comrades to the best of your ability."

MUSTER DAY

5. Camps will observe this Day during the meeting nearest to April 21st - Muster Day - when the members will renew their pledge of allegiance to our country and its Flag, pledging themselves anew to support the principles and to carry out the objects of our beloved Organization.

RESOLUTIONS

6. Resolutions on any matter that a comrade or camp may be interested in must first be referred to, and acted upon, by the Department Encampment and by the Department forwarded to National Headquarters where they will be given to the proper committee at the National Encampment. Do not send resolutions direct to National or to any committee.

DEPARTMENT ENCAMPMENT

7. The Encampment of the Department of Minnesota, USWV, will be at Chisholm, June the 26-27 and 28, 1949. Resolutions must be typewritten and in triplicate and sent to these headquarters prior to the encampment, if possible, however, they will also be accepted at the encampment. Camps are asked to send in names of comrades whom they wish appointed on various committees. Any special information relative to the encampment may be obtained by writing these headquarters or D.P. McIntyre, Adjutant of Buttler-Wilkenson Camp No. 15, USWV., 519 Hayes Street, Eveleth, Minnesota.

COUNCIL MEETING

8. A meeting of the Department Council held at St. Paul, January 15th authorized a TAG DAY optional with the various Camps and Auxiliaries. The date to be April 29th, subject to local conditions. This is not in any sense mandatory. It was agreed that Camps not holding a tag day might consider making a donation to the Department of 50 cents per member to help defray the additional expense incident to the carrying out of the budget as set by the Encampment. Charles E. Bond Camp No. 9 and Arthur MacArthur Camp No. 16, and their Auxiliaries, have arranged for the holding of a Tag Day on April 29th at Minneapolis, Minnesota.

ANNUAL BANQUET AND REUNION

9. The 51st Annual Banquet and Reunion of the Department will be held in the Hotel Leamington, Minneapolis, at 6 P.M., Saturday, April 23, 1949. Tickets are \$3.00 per plate and may be obtained from these headquarters or from your Camp and Auxiliary. These tickets call for a reservation and those purchased in advance are your assurance of a reservation. Those purchased at the door will be taken care of after the reservations. This will be an outstanding event and will make history in that we will have with us our Commander in Chief and National President. Their message will prove interesting and instructive. Show your appreciation by being present. Department Chief of Staff Robert G. Bell is chairman and Department Auxiliary Chief of Staff Laura Hill is co-chairman. Make reservations early, write for tickets now.

NATIONAL LEGISLATION

10. The National Committee on Legislation reports voting to give special attention to legislation granting hospitalization to Spanish War veterans "as a right," and instructed your chairman to arrange for the introduction of a bill for reference to the House Committee on Veterans' Affairs. Such a bill has been prepared for introduction. It is exactly the same as H.R. 5464, of the 80th Congress, which was favorably reported June 11, 1948 and placed on the Union and Consent Calendars of the House, but failed of enactment because of the pending adjournment. It is believed that this measure has an excellent opportunity of enactment in the 81st Congress, and that only brief hearings, if any, need be had. The chairman was empowered to use his best judgment in seeking increased pension rates for both veterans and dependents. However, it was decided that no special legislation would be introduced but, instead, that discussions would be had with appropriate Congressional committees to seek assurance that our comrades and sisters would be included in any cost-of-living pension increases that may be recommended by the Congress for veterans or dependents of any war. Numerous such bills are now pending before the 81st Congress. Representations have already been made to committee chairmen, and there are reasonable assurance that some relief may be voted by the present Congress. Our benefits have all been secured through the organized effort and harmonious action of all comrades and members of the Auxiliary. We feel assured of the same fine cooperation in the future. (From Legislative Bulletin February 7, 1949.)

DEPARTMENT LEGISLATION

11. Your Department Legislative Officer has appeared before the House Appropriation Committee and also the Senate Finance Committee and is well pleased with the reception accorded. You will be kept posted as to further results.

12. It is suggested that the rolls of the Camps be checked and contact be made with Comrades who have been suspended or for some reason best known to themselves are no longer affiliated as active members. Now is the time we must have every eligible member on our active rolls. Let's stand together. Strength is needed, and numbers count.

Mr. L. P. Chute,

Minneapolis, Minn.

My Dear Mr. Chute:-

At the meeting of the Finance Committee
Fort Snelling Chapel Project at the Minneapolis Club, Feb.
23, 1925, the following action was taken:

1. It was decided to hold a complimentary dinner at the Nicolet Hotel on March 9, 1925, at 6:00 o'clock to be sponsored by the Civic and Commerce Association together with a number of prominent Minneapolis gentlemen whose names will command respect and attendance. Perhaps 150 persons in all will be invited including the officials of practically all of the leading social, financial, fraternal, patriotic, and religious organizations of the city.

2. The 3rd Infantry Band of Fort Snelling will furnish music for this occasion, and addresses will be made by Drs. Shutter, Osgood, and by Mr. E. W. Decker and Mr. A. R. Rogers. The governor and mayors of the two cities will be invited.

I have extended an invitation to the Committee of the S.A.R. through Dr. Knight which will come to you through him. And we have thought it best to cancel the meeting of the committee at Fort Snelling on Sunday March 8th, so as to concentrate all our efforts upon the meeting of the Monday evening following. I hope you will be able to attend this meeting.

Yours Truly

Dear Captain Rideout:

I have your very nice letter of the 25th inst. inviting myself with our committee of the Minneapolis Chapter No. 1 Sons of the American Revolution, of which Dr. Ralph T. Knight is Chairman, to a complimentary dinner at the Nicollet Hotel March 9th, at which would be discussed the question of a proposed inter-denominational chapel at Fort Snelling.

I greatly regret that I will not be able to be present on this occasion, as I am definitely scheduled for a complimentary dinner to Coach Rockne being given by the Twin City Notre Dame Club, of which I happen to be Vice President. This Rockne affair is going to be a pretty considerable one and will be participated in by both Protestants and Catholics, and I do not feel informed as to what extent it might otherwise affect your meeting.

However, for myself I feel very regretful that I cannot attend both meetings, as each one is of very considerable importance. I feel that you are going to have the backing of strong forces in the Twin Cities, and you have a most worthy project which will surely receive the favorable consideration of all right thinking people.

I will take particular interest in hearing the report of your meeting, and I am thoroughly confident that you will have the full backing of the members of the Sons of the American Revolution.

Very truly yours,

Louis P. Chute, Secretary.

My dear Mr. Steele:-

Thank you for your favor of a week or two ago. I rather think that it was the idea of Compatriots hereabouts that a short article in the national organ of the Sons of the American Revolution would be effective in arousing interest.

The manuscript that I sent was lengthy, but I was under the impression that perhaps you might use it for making a sort of a brief of the situation for publication, perhaps using the printed leaflets for other information on the subject.

I am enclosing a three page article that perhaps you could use in this connection. Edit it as you see fit.

It would be rather fine to have the national organization endorse such a fine project. The condition at Ft. Snelling might be used as an illustration of a nation-wide need. It will place the S.A.R. where it belongs - in the front rank of a moral and patriotic movement to have them take action on this project.

Yours very sincerely,

My dear "r Rideout:

I have your communication with the enclosures in reference to the Chapel at Fort Snelling and was much interested.

"s I understand it you are desirous of having this project endorsed by our National Organization and effort made to get the government to build the chapel.

At our next meeting of the Executive Committee it will be my pleasure to bring the matter before the Committee and give them the opportunity to discuss it.

It would seem that this is a most desirable project and I am sure that the Committee will give it the best of attention,

Very cordially yours,

Chaplain Frank E. Rideout,

Fort Snelling, Minnesota.

My dear Compatriot:

As your plans for a chapel at Fort Snelling are taking shape and as in some respects it has become more than a local movement, and interest has been aroused even as far away as New York, I believe it would be a very fine thing if you would write a letter to the Secretary-General of our National Society, Sons of the American Revolution, Mr. Frank B. Steele, at 183 St. James Place, Buffalo, N. Y., outlining for him the plans and the necessity for this chapel.

I have no doubt that if this matter is placed before Mr. Steele that he will make appropriate mention of it in the June issue of The Minute Man, which goes to all members of our National Society.

I am sending a copy of this letter to Mr. Steele, whom I have met personally, and he will thereupon be looking out for a letter from you.

Cordially yours,

CPS/W

Fort Snelling Chapel Project at the Minneapolis Club, Feb.

1. It was decided to hold a complimentary dinner at the Nicolet Hotel on March 9, 1925, at 6:00 o'clock, to be sponsored by the Civic and Commerce Associations together with a number of prominent Minneapolis gentlemen whose names will command respect and attendance. I hereby extend to you and Mrs Knight and to the other members of the Sons of the American Revolution who compose the committee on the Fort Snelling Chapel Project a cordial invitation to attend this meeting.

Now inasmuch as this meeting comes so close to the proposed date at which you and your committee were to come to Fort Snelling perhaps it would be better to cancel the Sunday date of March 8, 1925, for that of Monday evening March 9th, and put all of our efforts upon this meeting.

I sincerely hope that at some future time, not too distant, we may carry through the other plan and have you come to Fort Snelling, but the members of the planning committee seemed to think that a better plan would be to have the luncheon down town. I tried to bring the entire group out here for the Sunday date but a better judgment prevailed, in which of course I had to acquiesce.

Will you be so kind as to notify the members of
your committee of this change in our plans , and urge them t
to be present at the Nicolet meeting.

RESOLUTION ADOPTED

by the

DULUTH CHAPTER

SONS OF THE AMERICAN REVOLUTION

APRIL 4TH, 1927.

WHEREAS : FORT SNELLING, Minnesota's only Army garrison, and one of the oldest, largest and most beautiful Posts in the United States, is without a Chapel or house of worship, and its population of nearly two thousand persons is deprived of a proper place for the holding of religious services, funeral rites and other religious, devotional and patriotic functions, and,

WHEREAS : Such a condition is not compatible with, nor conducive to the development of our American ideals, THEREFORE BE IT

RESOLVED : THAT THE DULUTH CHAPTER, SONS OF THE AMERICAN REVOLUTION, does hereby endorse the movement for providing a Pan-Sectarian Chapel at Fort Snelling as a Minnesota Memorial to the soldiers of our state who have trained for our national emergencies at the famous Minnesota garrison. And be it further

RESOLVED : That we do hereby pledge our moral and financial support to this meritorious project, and commend it to all civic, religious, patriotic and commercial organizations for their united and energetic support.

Signed: Calvin F. How,
Vice-President.

F. H. Lounsberry
Secretary.

CITIZENSHIP MEDALS

At the annual business meeting of the Board of Governors of the Minnesota Society S.A.R., a sum of money was made available for the purchase of Citizenship Medals to be presented in Schools of the state outside of cities where there are local societies - that is this money would not be available for presentation of medals to pupils of schools in Minneapolis, St. Paul, Duluth or Montevideo.

In order to accomplish the purpose of the State Society in making these medals possible everything will depend upon the interest and co-operation of compatriots residing in these communities which have no local societies. It is therefore requested that such compatriots consider themselves as members of the Committee on Citizenship Medals and that they immediately take up the matter with their local school authorities for permission to present medals at the close of the school year, and with the Chairman of the Committee on Citizenship Medals who will provide them with necessary information and literature on the subject. Compatriot (Rev.) Irwin L. Seager of Hutchinson has already done this, and enquiries have come in from a few other localities. This ought to be done in at least twenty-five towns in the state.

Compatriots: We have responsibilities of citizenship far and beyond those of all other American Citizens, because of the heritage which has come to us in the services and sacrifices of our beloved ancestors. Here is an opportunity for the promoting of stalwart, virile citizenship among the rising generation which is simply magnificent. The details which have been worked out by the National Committee on Citizenship Medals of which Secretary General Frank B. Steele, 1227 - 16th St. N.W., Washington D.C., is Chairman, are splendid, compelling, ideal.

The pen of award as printed in the last number of the Minnesota S.A.R. Bulletin should be enough to awaken the imagination and to stir up the interest of any active member of the S.A.R. Correspondence is not only invited on this subject but is solicited.

THE FORT SNELLING MEMORIAL CHAPEL
AND COMMUNITY CENTER

Citizens of Minnesota, and especially members of the D.A.R., and S.A.R., have ample reason to be justly proud of the activity initiated by them, which resulted in crystalizing the conviction of the people of the state that the reproach of insufficient and inadequate facilities for moral and religious work at the historic Minnesota garrison should be removed.

A recent brochure, published by the General Committee of Army and Navy Chaplains of the Federal Council of Churches of Christ in America, pays glowing tribute to those whose gifts and efforts have made possible this beautiful Minnesota Memorial. The first pages of this brochure are devoted to the story of the Fort Snelling Chapel. In contrast with a photograph of the Minnesota Memorial, the brochure shows plans for half a dozen other projects which have recently been initiated at other garrisons and for American cemeteries in France, all inspired by the achievement of the citizens of the North Star state. In other words, Minnesota has assumed the place of moral leadership in a worthy undertaking.

The Methodists of Minnesota are assisting one of their congregations near Hamline University, St. Paul, in the building of a beautiful edifice which will serve the double purpose of Church for the local congregation and as a chapel for the students of the college. The building will cost some \$250,000.00. According to actual census there are more Methodist boys at Fort Snelling now than there are in Hamline University. And in addition there are enough other boys at Fort Snelling to match the boys in Carleton College and in Macalester College, both of which have beautiful Chapels. Now, it is right and proper that the moral and spiritual interests of college students should thus be properly undergirded. But, is there just or logical reason why the moral and spiritual interests of soldiers should not be likewise safe-guarded? They are perhaps subjected to even greater temptations than are college students.

The Fort Snelling Memorial Chapel and Community Center is unique for the following reasons:

1. Because it is the first Army House of worship ever erected by subscriptions obtained from all classes of citizens of a Community adjacent to an Army garrison.
2. Because it is the first combination of the Church and Parrish House idea ever devised for an Army Post.
3. Because it is the first Army place of worship where an attempt has been made by the architects to write the early pioneer history of the surrounding community into the architecture of a Chapel building. The motif of the Old Round Tower, Minnesota's oldest and most picturesque landmark built in 1822, and of the Sibley House early residence of Minnesota's first governor, built in 1835, is perpetuated in the new memorial building.
4. Because it is the first strictly pan-sectarian Chapel ever erected at an Army garrison. Denominational agencies have sponsored the building of small Chapels for a few other Army posts, but even that has not happened during the past 50 or 60 years.

5. It is undoubtedly the beginning of a movement which will be nation wide within a very short time. Already some 20 Chaplains at other posts have secured literature, historical data and all available information concerning our plans, our financial campaigns etc., with the hope of carrying through similar projects at their own posts.

6. Because it is attracting the attention and capturing the imagination of the best people of the entire nation. Already the state officials of practically all of the leading patriotic and ex-service organizations are working on a plan to submit resolutions to their national bodies asking that steps be taken to wipe out the reproach of inadequate facilities and equipment for the moral and religious training of the 100,000 young American men of our Army by erecting Chapels at other Army garrisons where they are needed. While millions of American money is annually poured out to convert non-Christian peoples, a large section of the youth of our land is not properly safe-guarded and undergirded as to their moral and religious interests.

7. Because this project has been accomplished with great credit to all participating organizations, and especially is it a glowing tribute to the officers and soldiers and women folks of the Army. Heretofore many people have considered that Army people are indifferent as to religious matters. Here is an example of Army people working like Trojans to secure a place of worship; the civilian population has greatly admired this effort and with their own efforts and gifts they have generously responded to the appeal for funds to see the dream come true. In all this effort, no enemies have been made, but thousands of admiring friends have been made for Army people as they have been revealed in this new light.

8. Because of its relation to the adjacent civilian community. It is located in the very center of the park system of the Twin Cities. It is the hope of the Army authorities that, when the Chapel is complete with pipe organ and tower chimes, civilian agencies will make use of it in providing organ recitals, vesper services and patriotic gatherings for the thousands of tourists and sight-seers who pass through the garrison every Sunday afternoon.

My dear Compatriot:-

Inasmuch as it will be impossible for me to attend meeting on Monday night I am writing concerning the work of the Committee on Citizenship Medals.

Minneapolis: I have taken the matter up with Compatriot Bergen, but have had no response. I am depending upon the members of Minneapolis Chapter to put this matter over the top in Minneapolis.

St. Paul : Have taken up the matter with President of Chapter and have had response. I most sincerely hope that they will have a functioning Medals Committee in St. Paul.

Duluth : When I visited the Duluth Chapter at their Washington Day Dinner, I was granted an opportunity to lay the matter before their society. They had already made plans for the writing of an essay on Washington by pupils, for which they proposed to give a prize. They decided to change for the Medals idea, and I believe that they will function splendidly this year. Their new President Cal. How is a hustler. He is enthusiastic about the medals idea.

Mentevideo : Have corresponded, but no response so far.

Aiken : Mr. F. E. Lurten, Supt. Independent Consolidated School is handling the matter, and it is believed that the medals will be favorably received in that town.

Hutchinson : Compatriot (Rev) Irvin L. Seager is taking the matter of medals up with school authorities of Hutchinson. Good prospects.

Mt. Iron : Compatriot D. A. Mitchell is in correspondence with the Chairman and it is hoped that Medal will be presented this spring.
