Duluth, Minnesota,

TO: THE OFFICERS OF THE EX-SERVICE
ORGANIZATIONS, AUXILIARIES, AND
PATRIOTIC SOCIETIES OF DULUTH.

Dear Compatriots:

One of the most inspiring and encouraging incidents in my entire campaign of four years for the Fort Snelling Memorial Chapel and Community Center was my visit at the meeting of the Duluth Memorial Day Committee, composed of members of your organizations, on Tuesday evening, March 29, 1927.

I have reported to Dr. Coventry concerning your splendid reception of my presentation of the Chapel project as well as your favorable action endorsing it. I also told him that some of the organizations have raised a magnificent quota already, and that these same organizations were looking forward to securing funds for special memorials. Outside of those organizations which have made arrangements for special memorials (The Legion Auxiliary and the Woman's Relief Corps) it is our hope that you may assist us in our Duluth campaign for funds.

You can do this in two ways: First, by securing pledges (or by making one united pledge) from your Post, Camp or Auxiliary; and Second, by volunteering the services of at least two wide-awake members who will attend the meeting of the General Committee to commence the campaign on April 8, 1927, at 12:15 o'clock (noon) at Hotel Duluth. This will be a luncheon meeting for workers on the campaign teams.

If you thus designate two of your members for this work please give their names, addresses and telephone numbers on the enclosed postal card and return it as soon as possible.

Yours very truly,

Frank C. Rideout

M_y dear Graf:-

I have written the Commanding Officer, asking permission to have you come to my home to be married; but I am rather dubious as to whether or not he will approve of it. He has delayed decision.

Before going any further with the matter, I must have the assurance that the woman you are thinking of marrying is fully informed that she cannot expect any compensations, annuity or support from the army on account of her marrying a soldier. Have you told her this?

There have been many instances of where women have married soldiers, thinking that they were sure of being taken care of under all circumstances, sick or well. Very often, soldiers in order to persuade women to marry them have told them fine-spun stories of fine living quarters, hospitalization when sick, and compensation in case of death, and all such things, all of which is, of course a fairy tale. Have you informed her of these things?

- 1927 -

On behalf of the Minneapolis Committee of the Fort Snelling Memorial Chapel, Chaplain Frank C. Rideout appeared before a combined meeting of representatives of the various luncheon clubs at Hotel Leamington on Tuesday making an appeal for sustained interest and financial support until the project is completed. Among other things he said:

"We are now within Fifteen Thousand Dollars of the goal to assure the accomplishment of this worthy project. Saint Paul citizens have raised about \$25,000.00. Minneapolis has raised about \$20,000.00, and the soldiers of Fort Snelling have raised \$5,000.00.

Many representative citizens of Minneapolis ~~feel that this city~~ and elsewhere, as well ~~should see~~ as the soldiers at the Minnesota garrison ~~and elsewhere~~ feel that Minneapolis should see the project through. Fort Snelling is in Hennepin County. The new Mendota bridge, the new concrete highway running through the garrison, and particularly the new Veterans Hospital identifies the Fort more intimately with Minneapolis than ever before. Fort Snelling is a part of the Minneapolis park system. The garrison held the key to the solution of a satisfactory site for the new hospital and gave sixty acres of valuable land to make it possible.

The soldiers and the children at Fort Snelling are expecting to see the Chapel ^{shortly} brought within the realm of an accomplished fact ~~shortly~~. They have given sacrificially to the cause. To continue the project will be to keep faith with them. The vision for this chapel came to a group of business and professional men assembled in Minneapolis three years ago. To fall short of the quota is to fall short of a splendid ideal established at that time.

The plans for the Chapel - a distinctive, unique and beautiful

Minnesota Memorial retaining the motif of the ^{historic} Round Tower and the Sibley House - are the creation of a Minneapolis architect. The accomplishment of this Memorial in actual masonry will be a credit to all who have helped to make it possible. To cut down the plans would be to rob the chapel of its distinctive features/-a desecration not to be thought of.

If \$10,000.00 more is raised in Minneapolis, I believe that the balance can be obtained in less than a week's time. This will make it possible for the Building Committee, of which Mr. Walter H. Wheeler is chairman, to award the contracts for building to a Minneapolis firm on the 15th of this month. Otherwise the bids will be withdrawn, and we will be under the necessity of asking for other bids when the balance is finally raised. This will ~~undoubtedly~~ mean a loss of valuable time and effort, and will undoubtedly mean greater expense."

Chaplain Ridout
Fort Snelling, Minn.

Dear Chaplain Ridout;

I am writing you in regard to a man by the name of Roy Finkers in D. Co. Third Infantry, who enlisted last summer when the troops were at Ft. Des Moines. He was married about two months later on account of a five months old baby, which was the only thing to be done. Mrs. Finker and baby were at our house with out money or anything to live on while the troops were at Ft. Des Moines and the only thing we could do was to see that she and the baby were taken care of. But since they have gone to Ft. Snelling she is unable to get along on \$21.00 per month, which does sound impossible, so Chaplain if there is anything you can do to get this man out of the army so he can make a living for his wife and baby I wish you would do so.

I think Chaplain Miller of Ft. Des Moines will verify my statements, as he knows the circumstances as well as I do. If you will talk to Mrs. Finker I think you will find her very deserving of help to get her husband out of the army, as you know misfortune comes to us all. Trusting you will be able to help her and if there is anything I can do I will be glad to do so.

Yours very truly,

(NOTE 3rd Infantry March)

HEADQUARTERS, FORT SNELLING, MINNESOTA.
OFFICE OF THE CHAPLAIN.

May 5, 1924.

TO THE PASTOR OF THE LEADING CHURCH, OR
THE YOUNG MEN'S CHRISTIAN ASSOCIATION.

My Dear Fellow-Worker:-

The 3d Battalion, 3d U. S. Infantry, comprised of 10 officers and approximately 320 Enlisted Men, under command of Major George A. Sanford, left here this date on march to Fort Des Moines, Iowa, for duty at the Summer Training Camps for a period of about four months.

I am inclosing an itinerary of their march with check mark at date of arrival in your town. A roster of officers and men has been sent to postmasters, and also exact information concerning the organizations comprising the battalion. Any favorable publicity which you may give as to date and facts concerning the arrival in your town, or any courtesy which you and others may be able to extend to them while they are encamped there, will be appreciated not only as a sincere courtesy in itself, but also as a genuine expression of the patriotic impulse upon the part of your entire community.

These soldier boys will undoubtedly be tired upon their arrival in your town, and you might encourage the civilian authorities to allow them camping space within the city limits, with as good provisions for as much privacy as is possible, with good water supply and good cooking facilities. If you and some other public-spirited persons can combine your efforts in arranging with the local Y. M.C.A., K.C., or the Public School authorities for use by the men of swimming pool, shower baths and gymnasium privileges, it will be genuinely appreciated, and it will likewise reflect credit upon yourselves as a community.

A fairly good baseball team can easily be mustered from among our soldiers, and you might encourage your local team to provide a match game. It might also be well for you to encourage the opening of only such amusement and recreation establishments as are surely provided with accredited chaperons and properly supervised. You might easily arrange with your local picture houses to provide an early hour entertainment as a compliment from the town or at a nominal price, especially in such places where the battalion will spend the second night.

You might reasonably ask the town authorities to be especially vigilant in keeping check upon the local rowdy element and law violators. Our soldiers will unquestionably behave themselves in a creditable manner if the citizens of your town will likewise do all in their power to keep undue temptations away from these young fellows who are away from the natural restraints of their own homes. It has been my observation as an Army Chaplain that whenever a soldier is tempted to do wrong, usually some civilian has tempted him. In case anything is done in a collective way for the troops, it may be well for a selected person or committee to call upon Major Sanford for his consideration and approval before making your final arrangements. You will find the Major to be a thorough gentleman, well-trained, courteous, and having been reared in the home of a clergyman, now deceased, he is just as loyal to the Church and the Kingdom as he is to his country.

Yours in the bonds of Christian fellowship,

FRANK C. HIDEOUT,

Dear Chaplain Tidout:

The request has come to me through Mr Russell of Des Moines to write you concerning Roy H. Fincher, Pvt. Co. D 3d Inf. I married Fincher on the 17th of August last to Margaret Cruthers. It was the proper thing to do, and I have no doubt that all circumstances are as Fincher represents them. However, it was explained fully at the time that a discharge before the expiration of a year of service would be not only impossible, except in the event of death or disability, as the regulation states.

My dear Chaplain:-

Will you pardon my delay in answering your communication of the 2nd. I have been in bed sick.

I am glad you were able to be in the congregation Sunday morning, and to enjoy the victory with us. I can loan you the cut setting forth the quotation of John Ruskin. I have not yet received the bill for the dedicatory program. But it will not be exorbitant. I believe if you would see Mr. Archie Billing, of the Riverside Press, Saint Paul, he would give you an attractive price. He was formerly a member of Hamline Church, and does not expect to make anything himself on our program. Nevertheless, I think it would pay you to see him.

Let me know when you want the cut, and we will send it to you.

With kindest regards and best wishes, I am,

Yours sincerely,

Dear Chaplain Rideout:

Pardon the delay in the fulfillment of my promise to let you know about the securing of motion picture films. When we last used the films we were dealing with The Better Films Bureau, 408 Film Exchange Bldg. Minneapolis, and with The National Non-Theatrical Motion Picture, Inc., 306 Film Exchange Bldg., Minneapolis. If you will send to the General Extension Division, Department of Visual Instruction, University of Minnesota, or call Dinsmore 2760, Lecture Department, and ask for their latest bulletin, you will I am sure find many subjects you can use, and these we secured at the nominal charge of \$.75 per reel for many of them.

Then for slides the St. Paul Public have a splendid service and a good selection, among them many hymn and song slides, also the Minnesota State Convention office will be glad to serve you, and furnish you with a list of their subjects.

I have not consulted Mr. John A. Jaeger, our choir director but I will venture the suggestion that at some time he might be glad to serve you in providing music at some service or on some occasion.

We found it a good thing to always review the film before showing and take out any part that we did not care for, this can be done without injuring the film.

All success to you in your splendid work,

Sincerely yours,

Fanny M. Brant

Gentlemen:

Herewith I am sending you the latest list of Army chaplains with present addresses. It is believed that some of the chaplains are in a position where they can run some of your films. The Burton Holmes series seems to offer very interesting possibilities for their use and I hope you will send the catalogues of these travel films to them.

Brief mention will be made of these films in our next office circular to chaplains, since we know they are continually casting around for material suitable for showing at Sunday evening services.

Mr. Francis M. Hugo,
Chairman Board of Directors,
National Non-Theatrical Motion Pictures, Inc.,
130 West Forty-Sixth Street,
New York, N. Y.

My dear Sir:

Four reels of your Old Testament motion picture films for review of the Chief of Chaplains have reached the office and have just been run. They have been turned over to Mr. Murray, the Chief of the War Department Moving Picture Bureau for shipment to you this date.

Colonel Axton, the Chief of Chaplains, is very favorably impressed by the films and is willing to be quoted as recommending the use of them by army chaplains who desire to use illustrative material of this kind in connection with their religious services. These are distinctly the best biblical moving pictures which we have seen and give promise of being a great aid to instruction in sacred history.

The greatest obstacle which is foreseen to a general use of them on the part of chaplains is the matter of distribution. It may be possible that the War Department Moving Picture Bureau will be able to make some arrangement by which chaplains who so desire may be supplied with your films. Certainly this is the correct and logical agency for accomplishing this, and yet I fear that the reduced number and wide dispersion of chaplains will make it a difficult and rather uncertain problem. If you had a few distributing agencies here and there throughout the country, it would greatly simplify the problem.

We are referring the details of a possible distribution to Mr. R. B. Murray, through whose courtesy we got a projection of these films today, who may be able to formulate some plan for supply to chaplains.

The Chief of Chaplains will make favorable comment upon your series of biblical films in his next circular letter to chaplains.

Very truly yours,

J. E. LATES,
Executive.

Chaplain Frank Rideout,
Fort Snelling, Minn.

My dear Sir: —

I am writing to ask you if you know of any records re the first Chaplain at Fort Snelling. He was Rev. Ezekiel Gilbert Gear, was born in Middletown, Conn. Sept 13-1793. He married probably as second wife, Mary Gardley Howe. He came to Fort Snelling and appeared on duty April 28-1839 and remained there until 1860 when he was sent to Fort Ripley. In 1867 he was retired by General Grant. He then removed to Minneapolis where he lived until his death Oct 13-1873.

(He married probably in Syracuse N.Y.)
He preached the first known sermon in Saint Anthony Feb. 5. 1848.

At the time of his death he had lived longer in the State than any one then living. He left 1 son + 4 daughters, but no one of these is now living. Mr. & Mrs. Gear and three daughters are buried in Lakewood Cemetery. There are no heirs, so Cemetery office says.

The reason I am telling you this, which is all we know, is this: The State D. A. R. has voted to mark with the official tablet the graves of our Minnesota of "Daughters of Revolutionary War Soldiers". Mrs. Gear is said to have been such a daughter. Her father is said to have been a sometime Secretary to Alexander Hamilton.

We know no more of her father than that his name was Howe.

We would like to get date and place of marriage of Ezekiel S. Gear and Mary Fardley Howe. Date and place of her birth, and parents' names. Is there anything at the Fort to help? Mrs. Gear died 1892 aged 85, so born 1807.

We do not wish to encumber you with any work, but perhaps you can suggest ways to us. Thanking you sincerely for any interest you may have.

I am cordially yours

My dear Sir: -

I thank you for your letter. I knew you would be interested from remarks I have heard you make, on various occasions, re the early days at the Fort.

I am sorry that I was not a little more explicit in my first letter. I thought there might be some records at the Fort that you could get at, and outsiders perhaps could not.

I am a member of the Minn Historical Society and have most of their publications in my library. I had been through these and everything in the Historical Rooms that I could find, before I wrote you; consequently I shall be greatly pleased if they find what I did not.

When I wrote you I did not know that Mrs. Lawrence was to telephone you; but I trust there is no harm done. Mrs. Lawrence will, if she has not, tell you about the memorial tablet to Rev. Mr. Sears which a distant relative is to place in the church in Faribault. For my part I cannot see why it should

go to Fairbault, where Fort Snelling is the only appropriate place for it. A duplicate could be put in Fort Snelling Chapel, but I feel something greater than that should be done for that grand old man.

Ezekiel Gilbert Lear was born in Middletown Conn Sept 13-1793 ordained deacon by Bishop Griswold in the same church in which he was baptized and his diaconate was passed in that diocese. He was ordained priest by Bishop Hobart. He was ordained in 1814. (He was 21 that year, could that be?)

He was appointed missionary to Western New York.

In 1836 he was appointed by the Board of Missions, Missionary at Galena, Ill, where he built a church.

Oct 2-1838 appointed missionary in the precinct of St. Peter Iowa (now Minn)

From the church in Middletown, Conn. could you not get some record of him?

I shall await with eagerness the notes from the Historical Society.

Thanking you for your interest

I am sincerely yours

My dear Mrs. Lawrence:

I hasten to reply to your letter of the tenth, which reached me yesterday.

My mother (whose mother was a sister of Father Gear) tells me that there are no living descendants thru her uncles second marriage - which was with Mary Yardly How. The late Mrs. Gertrude Gear Stubbs, who died about three years ago, was the last survivor of that line - however, Father Gear has a granddaughter, Mrs. Horace Rand, of Burlington, Iowa (that address is sufficient to reach her) who is a daughter of his son by his first wife (Miranda Cook) John Henry Gear (now deceased) who was Governor of Iowa and United States Senator from that State.

In the records of the Minnesota Historical Society you will probably find the family descent from Colonial times. If not, I will be pleased to have a copy made for you from records I have in storage.

The placing of a memorial tablet in marble, in the Chapel at Fort Snelling, to the memory of Father Gear, is within the possibilities of my finances, and if this is acceptable and you can arrange for it with the proper authorities, I will be very pleased. I suggest such a memorial in marble because I go abroad in about three months from now, and I can have the work done in Italy under my own supervision, of good material and workmanship, all within my means. If this suggestion is agreeable to all, please let me know something about the architecture of the Chapel that I may ~~make~~ prepare sketches for the memorial.

By parcel post, I am sending you my program for the National Church to be built here in Washington. The movement for this undertaking is just starting. We trust to interest the D. A. R. Chapters throughout the country in this work. Please keep this program and show it to as many people as you can.

Sincerely yours,

Memorandum to Parents of children between the ages
of 4 and 6 years, who are residents of Ft. Snelling.

1. It is distinctly to the advantage of both children and parents that lists of children be sent in as per recent memorandum and notice on Daily Orders of this garrison.
2. The probabilities are that unless children enough are found at the garrison for this kindergarten school, a charge will be made if they are sent over to Homecroft School. Then when the precedent is once established, tuition charges may be expected in the case of all children from Ft. Snelling attending city schools.
3. This request has come from the School authorities in St. Paul, who volunteer to establish a kindergarten teacher for the children of the garrison, in case there are enough enroll to make it worth while to employ a teacher for them.

OFFICE OF THE CHAPLAIN

Thanksgiving Season, 1927.

My Dear Brother:—

Prayer is the mightiest force in this world. "More things are wrought through prayer than this world dreams of." Prayer is a means of bringing to pass the release of forces that would save this world, much more solve the intricate and pressing problems which confront us day by day.

May I ask you to join with me and others in prayer for the accomplishment of a very definite and reasonable object?

Within a few days the workmen who have been busy all the summer will be laid off the Fort Snelling Memorial Chapel and Community Center because of a lack of funds with which to continue. The work which has already been done represents an outlay of some \$70,000.00. Only \$15,000.00 is needed to complete the structure which is so sorely needed. The 1,200 soldiers and the 200 children at Fort Snelling have unfaltering faith that this project is going on to completion. About \$15,000.00 worth of memorial gifts have been promised when the Chapel is finally ready to receive them.

I know of nothing else to do just now but to pray for the successful issue of this worthy undertaking. And so, in simple, child-like faith I am asking that you join with us in prayer for this thing, either privately or publicly as you feel is best.

If the Scriptures have any definite instructions on any subject in this world, it certainly has on a matter of this kind. The suggestion for this request upon the part of Kingdom toilers of the Twin Cities came to me from a devotional study of God's Word on the subject of prevailing prayer.

Yours in Christian bonds,

Frank C. Rideout

My dear Chaplain Rideout:

I have your letter of February 6th in which you suggest a Vacation Bible School for the children of the garrison. I think this a splendid project and feel that I can assure you that such a school will be possible.

At any rate, we can find a principal for the school. I am wondering if the ladies of the garrison would not be willing to serve as teachers, song leaders and teachers of craft work.

I am submitting this project to Miss Chapin, supervisor of Week Day Schools Religion and the Vacation Bible Schools and I am asking her to take up this matter with you.

Reverend and Dear Sir:

Acknowledging your letter of January 26th, I am publishing the facts contained therein in my Parish paper in the hope that some of our people may desire to assist in placing the Reredos in the Chapel at Fort Snelling.

Unfortunately it is unlikely that any considerable sum will come from my Parish because it is composed almost totally of people of moderate or poor circumstances. I do hope, however, that we may be able to assist at least in a small way in the completion of the Chapel.

With very best wishes, I am

Most cordially yours,

My dear Chaplain:-

I have had a somewhat careful examination made of the problem raised in your letter of December 2 in which you ask for data on the National Guard and State Troops which have been mustered into service at Fort Snelling. We are very much interested in the inquiry and are anxious to give you all the assistance that we possibly can, but we have come to the conclusion that, with our staff limited as it is in numbers, we cannot at present undertake an account of the movements and personnel of all the state regiments that have been mobilized at Fort Snelling for federal service. If we had a larger staff it would be a great pleasure to attempt this work. At any rate I want to assure you that if someone from the Fort can come here, we shall be very much pleased to cooperate so far as we can. We have the sources available here from which the record that the commanding officer at Fort Snelling desires can be compiled and we should be glad to bring all these records together and put them at the service of anyone who wishes to undertake the work.

I have asked the head of our War Records division to give me a memorandum on this subject and I take pleasure in transmitting it to you. It is as follows:

In the case of regiments called out during the Civil War, one could probably find all the desired information in a two-volume work entitled Minnesota in the Civil and Indian Wars, which includes both unit histories and rosters. The muster rolls of the units concerned, on file in the office of the adjutant general of the state, would probably supply any details not included in the published account.

Complete unit histories and rosters of state troops called during the Spanish War period are to be found in a volume entitled Minnesota in the Spanish-American War and the Philippine Insurrection. It may be added, however, that no state unit was mobilized at Fort Snelling at that time, though one, the 15th Minnesota Volunteer Infantry, camped on the reservation for a short period.

Information about state units mobilized at the fort for Mexican Border and World War service may be found in the Biennial Report of the adjutant general of Minnesota, 1917-1918; in the History of the 151st Field Artillery; and in unpublished accounts and records in the files of the war records division of this society. The printed sources referred to contain rosters as well as histories, but a detailed examination of the rosters -- and possibly of muster rolls in the adjutant general's office -- would be necessary to determine the exact composition of the several units at the time or times of their mobilization at Fort Snelling.

As this statement indicates a considerable part of the material that you want is in print and I think it very likely that you have all these printed materials in the fort library. To get an accurate result, however, they would obviously have to be very considerably supplemented.

I should be very glad if you could arrange to call at sometime convenient to yourself and look into this problem of the rosters. Mr. Holbrook, of the War Records division, as well as the library and manuscript division staffs will be delighted to aid you in every possible way.

Cordially yours,

Sheldon C. Blegen
