General:-

In acknowledging receipt of Q.M.G.O. 217615 (Contract) of May 20, 1907, I have the honor to submit the following:

The records of the office show receipt of letter of August 9, 1906, but do not show request was made for new Forms 97. The copy of contract for ensuing fiscal year for Chief Clerk, W. D. was not altogether overlooked, but remembered as to be furnished when approved copy was received back, and said copy cannot now be furnished until such time as no retained copy of contract was kept, and it is not remembered just how the contractor and witness signed their names.

The contracts were originally written out with Valentine Renz and James B. Coombes, Proprietors, Volkszeitung Job Printing Co., but as Mr. Renz had withdrawn from the firm, the contracts were again written up with James B. Coombes as Proprietor, but as these were spoiled at the time of signature, three copies only of the third set were ~~withheld~~, intending to make other copies, which was inadvertently overlooked.

It is therefore respectfully requested that one copy of contract be returned that copy for Chief Clerk W.D. may be made and forwarded.
