RECORD CARD

14-034

G-3 Recd MAR 3 - 1908

War Dept. Office of the Q.M. Genl.

Washington February 29, 1908.

(214474)

C.Q.M.D.D. St. Paul, Minn.

Sir:-

In view of the reduced appropriation for the current fiscal year, it is imperative that only such supplies now being delivered under contract as are necessary to meet the demands of the service to the 30th of June next, be received, To accomplish this end you will please advertise, observing law and regulations, for such quantities of fuel, forage, straw, mineral oil, gasoline, smithing coal, charcoal as may be required during fiscal year 1909, except that the quantity of forage and straw advertised for will in addition to the quantities on hand at the several posts June 30th next, be sufficient only to meet the needs of the service up to and including September 30th 1908. Bids to be opened approximately April 15th 1908.

It is deemed advisable that advertisements and circulars to bidders state that deliveries of these supplies will be commenced on the beginning of the ensuing fiscal year. Specifications approved January 27th 1906, will

Over

govern, except where these specifications have been modified and such modifications approved by the Quartermaster General since date, then such modification will govern.

For copies of memorandum for guidance in preparing circulars of instructions to bidders are enclosed herewith to which special attention is invited.

No contract will cover supplies for more than one post or station. Where several kinds of supplies have been awarded to one contractor for delivery to one post, as many of such supplies as are practicable will be embraced in one contract in order to reduce the number of contracts to the minimum. It is desired that contracts be executed and approved and forwarded to this office at the earliest date practicable after awards shall have been made. In this connection attention is invited to par. 120, circular No. 1, Q.M.G.O., dated January 28. 1908.

A supply of forage and straw having been provided for above in addition to the approximate quantity on hand June 30th, for a period of three months from July 1st, 1908. you will, therefore, prepare an advertisement.

I

and circular of instructions to bidders under like conditions for issue approximately August 1st, for such quantities of forage and straw as may be required at posts in your Department for 12 months, but to be delivered within fiscal year 1909 and considered as being required within the latter period

Advertisements will be prepared in accordance with A.R.503, Information which is contained in circular of information to bidders should not necessarily be incorporated in the newspaper advertisement which should be condensed to the minimum consistent with the requirements.

Two copies of advertisement and circular to bidders will be furnished this office as soon as issued.

Respectfully.

J.B.Aleshire.

Sir:-

Referring to office letter of Feb. 28 (29) 1908, authorizing advertisements for furnishing fuel, forage, etc., you are, by direction of the QMG, authorized to include in that advertisement a provision inviting proposals for the shoeing of public and authorized private animals during the ensuing f.y. Awards will be made and contracts executed by Dept. authorities, and contracts approved by the Dept. Comd'r.

Proposals will also be invited for the printing required at Dept. Headquarters during the ensuing f.y. Abstract and one number of each bid rec'd will be submitted to this office, with recommendation for award.

Acknowledge receipt.

Lincoln, N.D. ✓
Missoula, Mont. ✓
Snelling, Minn. ✓
Yellowstone, Wyo. ✓

March 18, 1908.

THE QUARTERMASTER GENERAL, U.S. ARMY,
Washington, D. C.
General:-

Referring to Q.M.G.O. 214474 R.S. of February 29, 1908, relative to the supply of fuel, forage, straw and mineral oil in this Department for the ensuing fiscal year, I have to transmit herewith two copies of the advertisement and circular of instructions to bidders, and in connection with the latter to submit the following:

FORT LINCOLN, N.D.

In addition to the allowance for three months, as directed in your letter, proposals are requested for cutting and stacking 160,000 pounds of hay on the reservation, and as hay so obtained will cost approximately from \$3.80 to \$4.00 per ton, authority is requested to accept the lowest of such proposals, the difference between 160,000 pounds and 66,000 pounds to be credited to the twelve months supply to be advertised for about August 15th.

FORT YELLOWSTONE, WYO.

It being necessary to provide forage and straw at the twelve stations in the Park, one-fourth of the quantities recommended by the Quartermaster for this purpose has been advertised and deducted from the post allowance. Believing that a better price can be obtained for a larger quantity for these Park stations, proposals are also requested for a years supply, which it is thought will forage the stations for the fifteen months ending September 30, 1909, and authority is requested to so accept if the prices warrant on opening of proposals.

Respectfully,

Deputy Quartermaster General, U.S.A.,
Chief Quartermaster.

Q.M.G.O.

Mar. 26, 08.

R.Returned, by direction of the QMG to the CQM DD StPaulMinn., inviting attention to last paragraph on page 3 of memorandum mailed him Feb'y 29,08, relative to advertising for the cutting and storing of hay from reservations. These proposals should be invited at such time or times as in his judgment will obtain hay at most economical prices and in the best interests of the Government.

If it is necessary to purchase additional quantities of hay then the quantities from reservations should be deducted from the annual allowances to be otherwise procured.

FUEL, FORAGE, STRAW AND MINERAL OIL

Circular of Instructions Governing Bidders and Contractors

Under Advertisement Dated March 16, 1908.

Bids to Be Opened 11 o'clock a.m., April 15, 1908.

-----oOo-----

Proposals will also be received for the following quantities of fuel, forage and mineral oil for Fort Assinniboine, Montana.-

4,500,000	lbs.	Bituminous Coal,
2,500	"	Blacksmith Coal,
26,000	"	Oats,
2,000	"	Bran,

QUARTERMASTER GENERAL, U.S.ARMY,
Washington, D. C.

April 1-1908

Sir:-

Referring to office letter of March 18th, your endorsement (1st) Q.M.G.O. 242530 of March 26th, and to circular of instructions for fuel, forage, etc., I have to invite attention to the matter of supplying the outlying stations in the Yellowstone National Park.

Forage must either be supplied by contractors direct to the stations, or hauled by wagon contract from Fort Yellowstone, which latter method would add materially to the cost, and account of the usually heavy snow in the park, the stations can be reached after about October 31st, only with great difficulty by wagon transportation.

It would appear from memorandum prices from the Quartermaster at Fort Yellowstone, that hay can be placed at the sub-stations by contractors, quoting some of them, as follows:

Riverside----- \$.80

Upper Basin----- 1.05

Morris----- .96 $\frac{1}{2}$

Fountain----- \$.95

Lake----- 1.25

Thumb----- 1.25

while hay delivered from post proper by wagon contract, based on contract dated March 26, 1908, of Lawrence Link, 77 cents per 100 pounds, with freight added, would cost \$ 1.38, \$1.45, \$1.05, \$1.30, \$1.43 and \$1.65 respectively. Twenty per cent must be added to freight charges between November 1st and March 31st.

By the circular of instructions referred to, provision has been made for a 3-months supply at each of the sub-stations and at post proper, the aggregate of which is the allowance for three months of the animals stationed in the park; and for a 12-months supply at each sub-station, the aggregate of which would be deducted from allowance of post for the period ending September 30, 1909.

It is therefore recommended that if prices warrant an opening of proposals on April 15, 1908, that a 12-months supply be placed at each of the sub-stations.

Respectfully,

14034

Sir:

I enclose abstract and one each of 15 proposals received for forage and straw for posts in this Department, to be received between October 1, 1908 and June 30, 1909, and recommend acceptance as checked in blue, and in connection therewith to further recommend, on account of excessive price or no bid, that re-advertisement be made for all supplies at Forts Assinniboine and Lincoln, and for bran and corn at Fort Missoula.

With reference to proposal for hay and straw at Fort Wil-

liam Henry Harrison, attention is invited to price of 79 cents for the former and 47 cents for the latter delivered on the ground floor, and that a charge of 10 cents will be made to place same on the second floor of stables, the place set aside by post authorities as the warehouse for these supplies. It is recommended that award be made for delivery on ground floor, and the hay and straw placed on second floor by the labor of troops. The difference in cost is \$320.00.

Respectfully,

DEPT. OF THE ARMY
GEORGE BENTON

Feb. 25, 08.

COM DD

St Paul Minn.

Sir:-

I am directed by the QMG to inform you that the duties devolving upon your office in connection with carrying out the provisions of G.O. 18, W.D., Jan'y 24, 1908, may render it necessary or advisable to secure, in the city of St. Paul, Minn. suitable facilities for assembling, storing and reshipping supplies which it may be found advantageous to purchase in that vicinity.

Instructions in regard to necessary details and methods of carrying out the purpose of the order referred to are now being prepared and will be sent to you as soon as completed. Meanwhile it is desired that you ascertain and report to this office whether or not and at what rate of monthly or annual rental a suitable building for handling the supplies in question could be obtained.

The space required cannot at this time be even approximately stated, except that it will not be very large for such articles as are likely to be purchased at and in the vicinity of St. Paul and Minneapolis.

In selecting a place convenience of access to railway freight sta-

tion to avoid wholly or as far as practicable cartage charges should be considered.

A complete building properly situated and containing the space required would be preferable to space in a large building occupied and used by other parties. If this is not found available at reasonable cost for rent, space in a large building, which can be shut off from parts of the bldg. used by other persons would answer.

In making examination of premises that may be available, the question of office heat, light and toilet facilities for employees required to transact the business should be considered, the amount asked for rental proper, and for heat, light and water to be separately stated.

It is requested that you take this matter up at once and submit report, giving prices, description and location of buildings that may be found available.

Whether a collecting and shipping depot under G.O. 18 above mentioned will be practicable in St. Paul will depend in part upon the question whether or not facilities for carrying out the purpose desired can be obtained at reasonable rates.

George Ruhlen
Deputy Q.M. General, U.S.A.

C.Q.M.D.D. St. Paul, Minn

Sir:-

Referring to your Circular of instructions to bidders No. A-7-400, dated May 14, 1909, opening May 28, 1909, inviting proposals for miscellaneous supplies required for the replenishment of stock, I am directed by the Quartermaster General to inform you that awards will not be made for amounts in excess of funds obtainable under accumulated credit transfers. These instructions will apply to all other openings made for the delivery of goods during the current fiscal year, unless otherwise directed by this office.

Respectfully.

A.B. Shattuck.

Major 4th U.S. Infantry.

Temporarily in charge of branch.

RS

Ba-W

The Quartermaster General.
United States Army.
Washington.D.C.

August 15-1969

Sir:-

Having reference to your letter of May 22nd, 1909, (246413-R.S.) directing awards will not be made for amounts in excess of funds obtainable under accumulated credit transfers in the purchase of supplies under this office circular of instructions to bidders, #A-7-400., I have to report that these instructions were carried out, and supplies purchased under the various appropriations, in amounts, as follows:-

Regular Supplies.....	\$4460.81
Incidental Expenses.....	2848.46
Army Transportation.....	2889.29
Water & Sewer.....	1657.25

In this connection I desire to say that at the time, Circular #A-7-400 was prepared its intent was to replenish stock on hand to a six months minimum, and in some cases the maximum of one years requirements as directed under Par 208, Q.M.G. Circular

#7-1909, and that it was expected ample funds would be available for the purpose.

In view of the above, and that advantage may be taken of the exceptionally favorable bid prices still available under the Circular, authority is requested to purchase such of the items, and quantities as are checked on the enclosed copy of circular #A-7-400, and that the necessary funds be authorized for the purpose:-

Regular Supplies.....	\$1094.30
Incidental Expenses....	292.81
Army Transportation.....	2799.56
Water & Sewer.....	1189.64

Very respectfully.

HEADQUARTERS DEPARTMENT OF THE EAST.
OFFICE CHIEF COMMISSARY.
GOVERNOR'S ISLAND, N.Y.

September 5th. 1902.

Dear Colonel:-

I wrote you a long time ago about some of my goods that I expected would be turned over to you for shipment; well, Captain Morrow of my old regiment sent me word in July that he had or would turn them over to you toward the end of that month and as I have not yet heard from them I want to know if you will start a tracer out after them please.

With kindest regards in which Mrs. C-- joins me

Your sincere friend,

J. H. Lawton

See Letter to Mr. Rose 9/10/02

Copy.

Headquarters Department of Dakota,

OFFICE OF ASSISTANT TO THE CHIEF QUARTERMASTER,

St. Paul, Minn., Sept. 10-1902.

Dr. Frank Rose,

Hotel Berkley,

Minneapolis, Minn.

Dear Sir:-

Will you please advise me by return mail if you have the Household property of Capt. F. H. Lawton, U. S. Army, ready for shipment to him?

Under date of May 10-1902, Capt. Lawton writes that he had forwarded to you the authority of the Quartermaster General to make shipment, and that you would "present it to this office with a list of the goods and their location when they are ready." A letter from the Captain, dated the 5th. instant, makes inquiry as to what was done in the premises.

If you will furnish me the authority, list etc., referred to, to enable me to make shipment of the Captains goods, I'll be much obliged

Thanking you for prompt reply, I am,

Respectfully,

R. M. Schofield,

Capt. Quartermaster, U. S. Army.

1st Endorsement W. T. W.

HEADQUARTERS DEPARTMENT OF DAKOTA.

ADJUTANT GENERAL'S OFFICE.

St. Paul, Minn. January 30, 1905.

Respectfully returned to the Chief Quartermaster of the Department, approved.

By Command of Brigadier General CARR:

W. T. W.

Major, Asst Adjutant General,

Adjutant General,

JAN 30 1905 to Purchasing Division.

Headquarters Department of Dakota,

OFFICE CHIEF QUARTERMASTER.

Saint Paul, Minn., February 23, 1905.

The Chief Quartermaster, Department of Dakota,
Saint Paul, Minn.

Sir:-

I have the honor to report that Remington Typewriting Machine #5/8402, for which I am accountable, was repaired at a cost of Four 85/100 Dollars, as per enclosed memorandum.

The repairs were necessary to place the machine in good and serviceable condition before being transferred to the Quartermaster, Fort Lincoln, N. D. Reference is had to your office file 12/12793, February 15, 1905.

Approval of action is requested.

Respectfully,

H. B. Thompson
Captain, Quartermaster, U.S. Army,
Ass't to Chief Quartermaster. ✓

Sir:-

Relative to 271 yds of cocoa matting at this main recruiting station for which there is at present no use I have the honor to request information what disposition, under your instructions could be made of this matting.

This property is stored away and will be no call for it in the future.

Would suggest that it be transferred to Ft. William Henry Harrison, Mont, or some other post in this department.

Most of this matting is in good condition some having never been taken from the package in which it was shipped and with the exception of a few yards is all useable.

Very respectfully.

R.O.Ragsdale.

#43

Portland, Maine, Feb. 3, 1908.

Chief Quartermaster,
St. Paul, Minn.

Dear Sir:-

Every spring, you find more or less repairs are necessary on window and door screens for buildings under your charge.

Well made screens will stand a lot of hard knocking, - but there's a limit, even for the best.

When new screens are needed, even though but few, we will appreciate an opportunity to submit quotations for furnishing them.

Possibly all frames are good and only netting is needed for repairs: The best netting is always cheapest.

We enclose sample of Burrowes Rustless Copbronze netting, 18 mesh, made from pure Tobin bronze; needs no care or attention and, barring accident, it will last a lifetime. We have coarser and finer weaves.

If you wish, we will mail to your address, our illustrated catalogue of window and door screens.

Awaiting the favor of your commands, we remain,

Respectfully yours,

The E. T. Burrowes Co.

To the

Chief Quartermaster,

Department of Dakota,

St. Paul, Minnesota.

Sir: -

I have the honor to request that a telephone be installed in the office of Capt. J. K. Miller, Paymaster, U.S. Army, Room #7, this building.

In this connection, it is stated that at the present time there is but one telephone in operation in the suite occupied by the Pay Department, that one being in Room #5; and it is a source of great inconvenience as well as loss of time to Capt. Miller and his clerk to be obliged to make the trip into this office and back upon each of the numerous occasions when it is necessary for them either to answer a call or themselves get into communication with anyone upon official business.

Very respectfully

Major and Paymaster, U.S. Army.
Chief Paymaster.

Dear Sir-

Confirming our conversation
with your Mr. Brock yesterday.
We wish to say that we find that
the average cost of baling hay
for this season in the states of
North and South Dakota and Min-
nesota is about \$2.00 per ton.
We trust this will give you the
information you require.

Yours truly,

W.P. Devereux Co .

Chief Quarter Master, St. Paul. Minn.

Dear Sir.

Your letter of 18th at hand in which you make complaint on grade of hard coal we have delivered to the officers homes. Beg to advise that the coal will be inspected by us at once and complaint will be made by us to the Miners of same if we find same is under grade. We have delivered just the kind of coal we contracted with you for and I believe if the complaints are run down you will find its the fault of the party burning the coal and not the coal. The writer has personally at different times asked your different officers as they came in to our office if they were pleased in every way with there coal and at all times have received the highest praise from them. I thank you very much for writing us in this matter and hope you will not have any more trouble with our coal if so I want to hear about it at once.

Yours Very Truly

Womack Fooshe Coal Co.

Q. M. G. O.
QUARTERMASTER GENERAL, U. S. A.
Washington, D. C.
Sir:-

June 23, 1909
In compliance with (Q. M. G. O.) letter (242,370 (Insp)) of (April 1, 1908,) I have to submit the following report of the operation of the Quartermaster's Department in the Department of Dakota, during the fiscal year (1908) 1909

PERSONAL:

The duties of Chief Quartermaster were performed by Lieut. Col. J. E. Sawyer, Deputy Quartermaster General, U. S. A. from July 1, 1907 to June 30, 1908, under Paragraph 11, S. O. 271, W. D. 1905, and G. O. 26, Headquarters Department of Dakota, 1905.

FINANCIAL:

The following is a statement of the receipt and disbursement of public funds pertaining to this Department, during the fiscal year:

Deputy Quartermaster General U. S. Army,
St. Paul, Minn.

Dear Sir:--

Replying to your letter of April 13th, we regret to advise you that we do not see our way clear to go to the extent that your letter requires in varifying signatures, particularly as the contract gives you the privilege of cancelling it upon 30 days notice. This has never been asked of us in any of the other Government contracts, of which we have a large number and we do not feel quite willing to establish a precedent involving so much "Red Tape".

Again expressing our regrets, we beg to remain,

Yours very truly,

Zenith Telephone Company

C.Q.M.D.D. St. Paul, Minn

Sir:-

Enclosed herewith are 46 copies of General Electrical Specifications No. 5 and the Illustrations thereto. It is desired that at least two complete copies be sent to each post in your department.

With a view of preventing the supply of specifications in this office being exhausted by a sudden demand, it is desired that the offices to which they are supplied retain as many copies at all times as are necessary to carry on the business of that office. Our provisions will be made for the return of specifications when they are given out to prospective bidders.

By direction of the Q.M. Genl.

R.C. Marshall, Jr.

THE NORTH AMERICAN TELEGRAPH COMPANY.

CONNECTING WITH THE POSTAL TELEGRAPH AND COMMERCIAL CABLE COMPANIES.

This Company TRANSMITS and DELIVERS messages only on conditions limiting its liability, which have been assented to by the sender of the following message.

Errors can be guarded against only by repeating a message back to the sending station for comparison, and the Company will not hold itself liable for errors or delays in transmission or delivery of **Unrepeated Messages** beyond the amount of tolls paid thereon, nor in any case where the claim is not presented in writing within sixty days after sending the message.

This is an **UNREPEATED MESSAGE**, and is delivered by request of the sender, under the conditions named above.
