Subject : Special Delivery Letters.
To : The Postmaster, St. Paul, Minn.
(Thru Channels)

1. In the matter of Special Delivery letters addressed to members of the garrison and Summer Training Camps at this station there has been, during the past three months, a great deal of confusion, misunderstanding and dissatisfaction owing to the fact that no facilities have been provided for the immediate delivery of such letters, and they have of necessity been delayed for delivery with first class mail. In many instances they have been delayed even longer than first class mail because it seems advisable to get the addressee's signature before these letters are turned over.

2. In the immediate vicinity of Saint Paul adjacent to Fort Snelling, special delivery letters are delivered without delay. It does seem that for the slight difference in distance this courtesy might also be extended to Fort Snelling, inasmuch as our mail is delivered through a Sub-station of the St. Paul Post Office.

3. It is requested therefore that steps be taken as soon as possible to have all special delivery letters and packages delivered directly from the St. Paul Post Office to members of this garrison and to members in attendance at Summer Training Camps.

My dear Runyan:-

I would be very glad, indeed,
to attend the meeting of the Twin Cities Baptist
Ministers Conference on Monday if I were to be
in town. I start tomorrow night for Toronto
to attend the Annual Meeting of the National
Conference of Social Workers where I have to
speak three times and, in addition, be at two
conferences. I expect to be back in St. Paul
between the 10th and 12th of July.

With all good wishes,

As ever yours,

JRB/HRW.

General Secretary.
