Military Record of V. E. Patnaude.

Served in "L" Company, 14th Minnesota Volunteer Infantry. Served in "L" Troop 4th United States Cavalry Regulars. Served in Companies "B", "C" and "D" of the First Battalion of Engineers in the Philippines. Also took part in the Chinese Boxer Expedition. Served in the United States River and Harbor Service under the same engineer officers who were his Company Commanders while serving in the companies of the First Battalion. This service was as Master Mechanic in charge of steam plants, including work on raising U. S. Maine out of Havana Harbor. Took U. S. Civil Service examination and stood 98.8% for the above position.

In 1850 Colonel ~~Loomis~~^{Loomis} com-
manded Ft Selling. On a ^{certain} Sunday morn-
ing he finished inspection in time
for the church services and gave orders:
"All who wish to attend church step
two paces forward." ^{Only} Six men respond-
ed. ~~But~~ The pious colonel disappointed
but no what discouraged continued:
"Sergeant Brown read the Articles of
War to those who do not wish to attend church
services". The reading continued long
after the happy six had finished their
Sunday devotions. A week later the
grim colonel must have felt the joy
of a successful Missionary when at
his command: "Those who wish to attend
church will step two paces forward",
the entire command started with
a promptness which betokened their
complete conversion.

Dear Sergeant

I see by the Minneapolis Tribune that your Regiment is back to Fort Snelling. I am very much interested in your Regiment because I have served in nearly five years.

I was discharged on the 6th. of Nov. 1884 at Ft. Missoula Mont.

And it has always been interesting for me to see an occasional article in the papers about my Regiment.

I think it was last year I saw about a reunion held in the regiment and now when you are so near my home I hope there will be a reunion some time so I can be with you.

I know very well my comrades are not with you now, but some one might come on such an occasion. I have never met any of my comrades since 1893.

I served in Co. A as Field Musician, was 17 when I enlisted, was stationed at Columbus O. for about 6 months before being assigned to my Regiment then stationed at Fort Shaw Mont. we were two months on the road

to Ft. Shaw there being no railroads further than Bismark N. Dak. went

by Boat 1200 miles on the Missouri. Ft. Shaw was that time about 200

miles from Rail Road, and I did not see a train for about 3 years and he

6 months, my 2nd. Lt. signed my discharge and that was Omar Bundy now

a Brigadier General I believe. I have noticed him mentioned in the pa-

pers several times especially in connection with the late War.

John R. Brooke afterwards Governor General of Cuba was my Colonel.

Emil Goetze was Sergeant Major all the time I served at Ft. Shaw the

Headquarters. The last year of my enlistment my Co. was transferred to

Ft. Missoula, my discharge is framed hanging on a wall in my favor-

ite room and has the word "Excellent", during my five years service

I was never confined in the Guard House, never in the Hospital, and on-

ly received one reprimand, forgetting to deliver a verbal order as Or-

derly. Well I am writing a lot of nonsense not very interesting to

you but I know when I come to the cities probably next summer it shall

be my greatest pleasure to see you and the boys at Ft. Snelling and

my old Co. especially of course.

I saw in a Book Catalogue the other day listed a History of the 12th.

U. S. Inf. from 1798 to the present time. I thought at once of my own

Regiment Oh if I only could get a History of my Third. Do you know if

such a book has ever been published.

I shall certainly be grateful for an answer at your convenience and

will thank you in advance for same

Yours very truly

Captain Albert G. Wing
Adjutant 3rd U. S. Infantry
Fort Snelling, Minn.

Dear Sir:-

I recently ran across a paper published in the Interest of the recruiting service in which I read a letter from you giving information in regard to the 3rd Infantry re-union held in the month of September.

I was greatly interested in your letter, because I was formerly a member of that grand old regiment, and have always had a warm spot in my heart for it.

I enlisted at Fort Leavenworth, Kansas, April 1st 1873 and was assigned to Co G. 3rd U. S. Infantry, then quartered at Fort Lyon, Colo.

The regimental headquarters of the 3rd was at that time at Camp Supply, Ind Ter. Fort Lyon, Colo was at that time the headquarters of the 6th Cavalry, and it being a four company post, there were two Companies of the 3rd Infy, and two troops of the 6th Cavalry located there.

Major Biddle, of the 6th Cav was Post Commander, and Lieut F. W. Roe, 2nd Lieut of G. Co of the 3rd was Post Adjutant.

My Captain was Jacob F. Kent, or as he always signed it in those days J. Ford Kent, Brevet Colonel during the war of 61-65, and instructor of Infantry tactics at West Point.

My First Lieut was John W. Hanna, an Englishman, who had served in the British Army, came over here during the war of the rebellion, got a commission in our Army, and remained in the Army after the war.

My Captain, Jacob F. Kent was made a Brigadier General and retired, after the battle of Santiago, during the Spanish American war.

In fact all three of my Company officers have long since been retired. If I remember right, the other Company of the 3rd at Fort Lyon, was Co I, Captain John W. Page.

Our entire regiment was ordered south during the election riots in Mississippi and Louisiana, in June 1874, and this was the first time I had the pleasure of seeing my entire regiment together.

We went immediately to Holly Springs, Mississippi where we camped for two months, and were then ordered to New Orleans on account of the conflict between the State Militia, called the "Black League" because most of them were negro's, and the "White League" which was an organization made up and financed by the democratic government in apposition to the "Black League" which was the creature of the Republican party, which party was in power at that time in that State.

We had a right lively time in New Orleans, my regiment being quartered in the new and only partly finished U. S. Custom House, and my own particular Company being quartered in the U. S. Supreme Court Room in the Custom House which was one room that had been finished and most expensively furnished for the use of the Court.

The floors were carpeted with the finest of velvet carpets, and you can imagine what happened to them, and how they looked after our Company had cooked, ate and slept in there for several days, as we were practically prisoners, the entire City being in the hands of the "White League" and other militia about 15000 strong, while my regiment was for sveral

 20 OCTOBER 1964-1964. I live in Mpls Minn

days the only regular Army troops in the City. Quite a few people were killed and wounded in engagements between the two "Leagues" but we did not have to fire a gun.

General Grant was President of the U. S. at that time, and he issued a proclamation, commanding the "White League" and all other belligerents to lay down their arms and disperse, giving them 5 days in which to comply with his order, which was finally done on the 5th day, and we then had to go around and re-instate the State officers in their jobs, and also the Police in all the stations, as they had all been run out by the White League, and then we were quartered at Jacksons Barracks for regular duty.

As I was under age when I enlisted, my people had made application for my discharge soon after I had enlisted, but it had ground along so slow and I had heard nothing from it, so that I had really passed the thing up and was very happy and contented in old Co G, and especially as we were now quartered in an ideal old post for soldiers who had been used only to the western plains.

After my first guard mount in Jackson Barracks, on the morning of September 25th 1874, as I was drawn in the third relief, I returned to my barracks to change my clothes and equipment which we were accustomed to do in those days as we all had a "supernumerary" kit, as I passed the door of the office of Co G the First Sergt called to me and read an order from Washington for my discharge, under Special Orders #203, War Department.

My First Sergt asked me if I wanted to be relieved, or if I would stand out my guard, which I told him I would do, and so the last "post" I ever walked for Uncle Sam in the old 3rd was on that night of Sept 25th 1874, Jackson Barracks, La.

I was greatly disappointed over my discharge, as I was getting along well and liked the service, and have always regretted that I could not have served out my enlistment.

I belong to an organization of former soldiers known as the "National Indian War Veterans", made up of those who served on the plains in various regiments. We meet once each month, and talk over the old days, and it is surprising how much interest the members take in living over and talking about the service they rendered their country so many years ago.

I am now nearly 67 years of age, and would not be much account as a soldier now, but if I had my old 50 calibre Springfield Rifle, and my good old comrades of those days along with me, I am sure I could go through the old "Uptons Manual" just as good as ever. The Army had just changed from Hardee's Tactics to Uptons a short time before I enlisted.

As it is now 49 years since I left the service of the "Old 3rd" there is of course not a man in its ranks now who was in it when I was there. I can remember some of the old timers, many of them even at that time had served several enlistments, especially was that true of the Irish and German element.

My dear Captain I would esteem it a great favor to hear from you or some member of the 3rd who would be kind enough to write me a word, especially in regard to Co G. I would like to know the names of the officers of Co G. and would also be glad to know if any of the three officers I have mentioned, ie, Captain Jacob F. Kent, Lieut John W. Hanna, or Lieut Frederick W. Roe, are still living. Lieut Roe was the son of a Naval officer, and served with his father on ship during the war of 61-65, afterwards going to West Point. He joined Co G. on his graduation, just after I was assigned to it, and as our chief signal officer it became my privilege to serve with him on extra duty for several months, during which time I learned to know and value him very highly, as well as his wife and mother who were often with us in camp.

I beg to remain,

Very respectfully,

Geo. W. Webb

Subject : Regimental Organization Day - 78th Anniversary of the
Battle of Monterey.

1. It is not necessary to remind any former member of the "Oldest Regiment in the United States Army" of the just pride which we take in our organization. The glorious history of "The Old Guard" is our justification for our well known 'esprit de corps'.

2. On account of the 78th Anniversary falling on Sunday the annual reunion of the regiment will be held on Monday, September 22, 1924, with an all day program. We would like to have all our former members back for this celebration. From reveille to retreat and from retreat to taps, every minute of the day will be crammed full of interesting events.

3. The Committee on Organization Day therefore extends a most cordial invitation to all members of the Third Infantry Veterans' Association, and to all former members of the regiment to be present for this occasion. Will you come and help us celebrate this day?

4. In case former members desire to come to Fort Snelling on Saturday, September 20th, or on Sunday, September 21st, if they will notify the undersigned stating their former Company, provision will be made for their rations and quarters over Sunday. But in any event, every man who has served under the colors of "The Old Guard" is urged to come for Monday, September 22nd, to participate in the day's festivities, renew old acquaintances, meet old comrades, and march once again under the old flag.

5. For your convenience a self addressed post card is enclosed herewith. Fill it out promptly with an enthusiastic acceptance and return it. Whether you plan to be present or not, send your name and your corrected address. If you know the names and addresses of other members send them along too, in order that our files may be brought up to date. You will also find enclosed a brief resume of Third Infantry history and a few facts concerning Organization Day which we request that you insert in your local newspapers, as news items if possible.

ARNOLD E. KAHNERT, PERMANENT HISTORIAN VETS ASSN 3rd US INF, 1968.
5621, 26th, Ave, Mpls, 17 Minn. 55417. 721-1280.

Dear Comrade:

Five years have elapsed since the Regimental Roster was published and many changes in the rolls of the various companies of the regiment have taken place.

Some may wonder why certain names were not listed in that Roster. If you will read page sixteen, you will note the efforts made by the Secretary to obtain names of those not on the list given to him when he became Secretary. Members of other regiments and a close reading of the National Tribune supplied some names and a few have been sent in by interested Comrades while others have not shown any interest whatever; even failing to return the reply cards sent out at the time of the annual reunion.

Occasionally someone will object to the date of holding the reunion. The date is the Saturday nearest March 27th which is the day of our muster out of service and after much discussion at a recent reunion that was decided on as the date for our annual reunion.

The National Tribune carries a report of those on the pension rolls each month, and veterans of the Spanish-American war average five hundred deaths a month. Your Secretary, from various sources, has record of only one hundred and ninety-five deaths in the 15th, while it is believed the number is greater than that. It will be appreciated by the Secretary if anyone knowing of the death of a member of the 15th will report to the Secretary, whose address you all have.

Many men take their wives with them when they visit the cities. Realizing this, an Auxiliary to the 15th was organized four years ago, and now some members bring their wives and sometimes their whole families with them, resulting in increased attendance at the reunions.

You may or may not know that the 12th and 15th Minnesota regiments were the only two Minnesota regiments that were camped on the hill at the Fair Grounds in 1898, while the 13th and 14th were in the barns. To commemorate the camp and muster-in of the 12th and 15th on the hill in 1898, a large boulder, weighing over a ton, was obtained through the efforts of a committee of the 12th Minnesota and the 15th was invited to join them in placing a bronze tablet from each regiment, stating the facts and date of muster-in with the name of the Commanding Officer, who, at the time of muster was Col. Shandrew. Thus, a record of our regiment stands for all time at the place of our muster-in.

While forty-three years have passed since our muster-out on March 27th, 1899, many members are active in civil, military and government agencies throughout the country. Members of the Fifteenth, including enlisted and commissioned personnel, have reached high places in civil life. Attorneys of various degrees of prominence from Attorney General of the United States, through judges of state Supreme Courts, District Courts, Municipal Courts, supervisors in various capacities in city and government service. We have reason to be proud of the heights reached by many of our members.

Not having seen active (fighting) service during our term with the 15th, many of our members enlisted in the volunteer regiments and went to the Philippines, while others served in France during the World War I, among them being Capt. George Gibson of L, who returned from France quite badly shot up, First Sergeant Charles Bunker of B, was a Colonel of Artillery in World War I, and spends much of his time in Walter Reid Hospital as a result of that service. There may be others of whom your Secretary has no knowledge.

Many members of the 15th are living in Pacific Coast states. If you are one of them, when you receive the new Roster, get in touch with other members and organize a Pacific Coast outpost of the 15th. It might help you pass time and at the same time get acquainted with men you may have been looking for since 1899. There are now 543 names on the Roster.

With this letter is a roster of your company with the names and addresses of as many members as have been reported or I was able to obtain. If you know of any whose names do not appear, please advise with the return of the enclosed card telling of the annual reunion of 1942 on March 28th and whether or not you will be present.

The Secretary will be pleased to hear from members and will answer all letters or inquiries.

H. G. Brant, Secretary
15th Minn. Vol. Inftry. Ass'n.

Annual Dues of \$1.00 are due.

P.S. If you find any errors in your company roster, please advise the Secretary.

UNITED STATES ARMY
THE CHIEF OF STAFF

29 June 1968

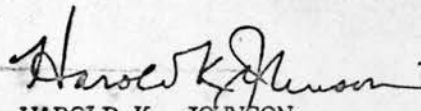

Dear Sergeant Kahnert:

Thank you for your recent letter requesting material on my service with the 3d Infantry to add to your historical collection and inclosing the photograph taken during my visit at Fort Snelling in 1966.

While I served at the beginning of my career with "The Old Guard," I have no especially noteworthy information concerning that tour. Inclosed is the photograph you requested and a copy of my biography. Sergeant Major Palmer of the 3d Infantry is sending you 50 copies of the pamphlet, "History of the 3d Infantry."

I have fond memories of my assignment with "The Old Guard" and am proud to have joined all those who have served with that distinguished unit.

Most sincerely,

HAROLD K. JOHNSON

BIOGRAPHY

UNITED STATES ARMY
OFFICE, CHIEF OF INFORMATION • DEPARTMENT OF THE ARMY

GENERAL HAROLD K. JOHNSON

Harold K. Johnson was born in Bowesmont North Dakota, on 22 February 1912. He was graduated from high school in Grafton, North Dakota, in 1929, and from the United States Military Academy, West Point, New York, in 1933 as a second lieutenant of Infantry.

General Johnson's service includes a tour of duty with the 3rd (Old Guard) Infantry Regiment at Fort Snelling, Minnesota; the 28th Infantry at Fort Niagara, New York; and the 57th Infantry, Philippine Scouts, at Fort McKinley, Philippine Islands. Upon the fall of Bataan in April 1942, he participated in the death march from Bataan and later was imprisoned by the Japanese at Camp O'Donnell, Camp Cabanatuan, and Bilibid Prison in the Philippine Islands.

He was moved to Japan from the Philippine Islands in the winter of 1944-45 after the Americans had landed on Leyte. The ships on which he was moved were twice subjected to air attack by allied aircraft. In April 1945, he was moved from Japan to Korea, where he was liberated by the 7th Division when they made their occupational landing in Inchon on 8 September 1945.

Upon his return to the United States, he attended the Command and General Staff College at Fort Leavenworth, Kansas, and served for two years on the faculty. After attending the Armed Forces Staff College at Norfolk, Virginia, he commanded the 3rd Battalion, 7th Infantry Regiment stationed at Fort Devens, Massachusetts.

He took the 1st Provisional Infantry Battalion to Korea in August 1950, where he joined the 1st Cavalry Division in the defense of the Pusan Perimeter, later participating in the pursuit to the north, the encounter with the Chinese in late 1950, and the subsequent withdrawal to South Korea. During this period, he commanded both the 5th and 8th Cavalry Regiments of the 1st Cavalry Division.
