Mr. W. P. Kenney --

I enclose statement of advertising expenditures for the month of September 1924 totaling \$33,557.97. This is \$10,450.00 in excess of the amount charged to advertising on the statement of operating expenses for the same month and the difference is accounted for by bills which we took into our September account which had not reached the Accounting Department in time to get into their books for that month.

Item 10 - Publicity - Of this \$3,205.77, \$2474.90 is expenses for labor, material etc. in connection with the Wm. Crooks and exhibition train.

Item 21 - Miscellaneous - \$1782.00. Of this amount \$971.25 is for new binders for magazines on the Oriental Limited.
