THE VICE PRESIDENT

Dear Hubert:

It was most thoughtful and kind of you and Mrs. Humphrey to invite me for your luncheon today for President and Mrs. Marcos. Unfortunately a luncheon engagement and obligations for the rest of the afternoon here made it impossible for me to join you. I appreciate your thought of me.

All good wishes.

Very sincerely,

Harry

Governor Harriman's office called to invite you to a small stag dinner for the Prime Minister of Indonesia, Adam Malik, who will be in town during the period you will be gone. The dinner was on Sep. 25, and I regretted since you will be in Los Angeles.

They asked me to let you know that Governor Harriman had hoped you could attend.

Gerry Heaney, as you know, is being appointed to the U. S. Circuit Court of Appeals. The luncheon today is one he is giving "for his friends." The invitation was extended through Tom Hughes' office in Ag - I told the gal I doubted you would be back in town early enough to come by but that I would note it on your schedule.

The two photos scheduled for Monday around noon are as follows:

Dr. Walter
1. Messrs. Sikora, Puchalski and Caputa are here from Chicago to present to you an invitation to a fund-raiser to be held there for Sen. Douglas on October 19. (Sen. Douglas will not be present for the photo - he is out of town.) The photo will be used in conjunction with the dinner - they know you will not be able to attend.

2. Cong. James Howard is a freshman Congressman from New Jersey who faces a tough fight this November. Bob Barrie called me about him and said he does not have a photo with the VP. He is bringing down from his district Mr. Michael Slovak, who was, I believe, a winner in the New Jersey Safe Driving Campaign, sponsored jointly by the New ^H Jersey Highway Patrol and a large trucking firm. Gov. Hughes strongly backed this campaign. Eiler has checked it out and is convinced that it is legitimate.

Dear Hubert:

Thanks very much for taking the time in your busy schedule to join the Shattuck group last Thursday evening. [Nov 8]

I am certain your ideas and your enthusiasm for Shattuck stimulated those present to further efforts in the interest of Shattuck.

I shall be in touch with you from time to time as our Campaign progresses. In the meantime, should names of individuals, foundations and corporations whom we might interest in supporting Shattuck occur to you I would appreciate your sharing them with me.

Faithfully yours,

Dear Mr. Vice President:

I thought you might like to read a quotation from
a letter I just received from Arthur Schlesinger:

"It will cheer you to know that Hubert
stole the show at Bobby's party for
Averell's 75th. He was witty, charming,
relaxed and brief. I have never seen
him in better form."

I can say too that I never saw you in better form
than when we had our lunch.

Don't forget you were going to let me know when
you wanted that dinner with the Harrisons and a few
others.

With admiration and respect.

Dear Amnon:

Further to the matter of your discussion with the Vice President on our behalf just to give you an idea of what the invitation itself would look like I am sending a very rough dummy. The cover would consist of a painting created especially for the occasion by either William Earl Singer or Gregory Glucksman, both of them internationally noted artists. The invitation would be, without any question, the most elaborate we have ever done.

The more we examine the situation the more convinced I am that the State of Israel Commendation Dinner should take place in June or September, not in the earlier part of the year. We need months of preparation because worldwide correspondence is involved. You may assure the Vice President that were he to agree to come to Los Angeles to present the Medallions of Valor lists of the nominees would be submitted to him for approval before invitations are issued to such nominees to come to Los Angeles. Thus we would avoid even the remotest possibility of embarrassment resulting from the presence of any Medalist who would be persona non grata to Mr. Humphrey.

As you may know the list of nominees is compiled from many sources upon the recommendation of distinguished members of our community. In every case, the nominees for Medalists of Valor must be individuals who in one way or another have made a significant contribution to the growth and welfare of the State of Israel. After the primary culling of the list of nominees the list is submitted to our National Office for approval. That list is then sent to the Ambassador of the State of Israel for review. We would, of course, in the case of Mr. Humphrey's acceptance, also submit the list to his office for review and approval.

You are at liberty to tell the Vice President that we have never had fund raising at a State of Israel Commendation Dinner. Attendance is limited to those who, prior to the event, have completed the purchase

in that year of not less than \$1,000. Thus the event is, in effect, presold.

A list of those who now hold the Medallion of Valor was earlier sent to you. I am sure the Vice President would find the Medalists to be among the most illustrious personages of the world. He could have every assurance that the 1967 list would be no less distinguished.

We have waited for a long time before deciding to go ahead with a 1967 State of Israel Commendation Dinner because there is no point in doing this event unless it is done superlatively well. The entire capability of this organization would be at work to make sure that the 1967 dinner would be one to reflect glory and dignity upon all who participate. I shall look forward to word from you and if the opportunity presents itself please do give the Vice President my personal greeting.

Cordially,

Boris Young
