

New York Aug^t 27th 1805,
No. 149. Water Street.

Mr. Sam^l. Harrison Sir,

your Letter of 17th Inst. directed to Mr.
Albert Ryckman has been duly received - Having for some time had
in my possession the enclosed letters from my Father the Rev^d. Sam^l.
Peters, I have waited for some private conveyance to forward them
to you but in vain - trusting they may be of some importance. I take
this mode of transmitting them to you - The Packet you mention to
have been sent by my Father for you to Mr. Ryckman's care -
has never been received - It is to be presumed it was on board the
Ship Jupiter Capt. Law, which was lost on the Banks of Newfoundland
last May - I have three Profile likenesses for you, and other the
Children, of Capt. Jonathan Carver, which I would send did any
private opportunity offer at this time to send them by Post would
be too expensive - any order you may please to give shall be
attended to by Sir,

Your Obedt. Serv^t
Jm^s Peters
