Dear sir:-

I send you herewith two copies of a contract executed on behalf of the City of Auburn authorizing the City to lay a sewer pipe under the edge of our right of way a distance of about 235 feet and then crossing under a culvert we have.

I have not secured Mr. Blanchard's initials on account of his being confined to his house but the matter is of such a simple nature that I fancy you will not care to have his formal approval.

Yours truly,

Geo. A. Reid
