Dear Mr. and Mrs. Ford:

Thank you for the wire signed by you and others,
expressing your opposition to the Bricker Amendment.

The possibility of a treaty taking precedence over
our Bill of Rights or other Constitutional safeguards,
is a serious question and a definite clarification of this
whole matter is advisable at this time. The subject will
be thoroughly debated, and I appreciate your views. I want
the President to have no more and no less power in this
field than he has been considered to have all during our
history until recent years.

With best wishes,

Very sincerely yours,

Walter H. Judd
