CHICAGO, November 1st, 1894.

Mr. N. D. Miller,

Chief Engineer

G.N.R.R.,

St. Paul, Minn.

Dear Mr. Miller:-

I trust I may be pardoned for writing to you now, but I would like to get you interested in the Bible Institute, Chicago.

Our object in this institution is to equip young men and women by the study and use of the Word of God, and by the study and practice of the best methods of Christian work, to become successful city, home, and foreign missionaries, evangelists, pastor's assistants, workers among the children, etc. The enclosed statement regarding the present occupation of former students will show you the kind of training we give. These results have been attained in five years.

We charge no fees and so are able to help poorer students. To keep pushing things we need about \$5000. a month, and for some months it has been hard work to keep out of debt. If you can assist, with even a small amount, will you not be good enough to do so?

Apologizing for trespassing on your attention, I am,

Yours in the work,

*D. L. Moody*
