

Again - my dear brother we thank you
& your people that you have felt ^{so} deep
interest for us - God will surely bless you
& your people. our child that we lost last
February a daughter two year old - is now lying
in bed of sickness - her recovery is past we only
waiting every hour to breathe her last - this
may cut us off & hasten us to our graves - I feel
much for my wife - she is crying every other day for her
deying daughter & knows not what may become of her

From my dear brother I give you my
address in full.
