12:40 Official start of Cames Meeting

Game night was discussed and going forward (George Brooks) Game of night the club will add costume competition.

Minutes of previous meeting were read and necessary corrections were made.

Question from our President concerning any changes in our constitution we would need a quorum of officers & members to make any changes.

It was also defined what or who would be considered and included when they pass and do we want to stick to constitution?

This was discussed and mutual consensus is to leave the constitution as stands.

The question still out there for someone who has supported and attended our events should we do same thing for them in case of a death.

of family member. Agreed something can be done but not under the current umbrella

President called for a vote as there is a valid concern in the herevement of someone other than a club member. Question to change our constitution to include outside (friends etc).

A vote was taken in this issue and will not change our constitution as 1- for  
15- against  
Majority rules not to make a change in constitution.

Dear Friends of The Family Place,

Thank you for your donation of \$200.00 this season. The end of the year prompts serious recollection of past happenings, accomplishments and disappointments alike. At The Family Place, there was a mixture of happiness and sadness. Thankfully, the doses were in good balance - smiles in yin-yang with the tears, elation in yin-yang with the woes.

The staff at The Family Place understands the emotional, ultra-heavy baggage of circumstances that the families carry as they search for their next home, especially during this season. The Family Place relies on the grace of God, positive energy and goodness of the human spirit that are often granted these days to carry us through the holidays.

...But the Christmas tree is still in the box, the lights are waiting to be tested and the anticipation of better things to come hangs in the air. For many, this will be a joyous season; for others, brighter days are tucked away...as one parent told her children, "Maybe next year will be better." At The Family Place, we also hope that we will have a more solid financial forecast that will keep us advocating on behalf of homeless families.

*Please note: As I write this letter, The Family Place is still desperately attempting to make up the 58% 2012 donation deficit. I am full of hope that year-end donations will bolster our coffers, so that we can keep the doors open for those in need. Always the optimist: Next year will be better!*

Thank you for supporting the work, services and programs at The Family Place. We wish you a joyous season.

With the Warmest of Holiday Cheer,

Margaret Lovejoy and Staff

To Whom It May Concern;

I am writing to you on behalf of the Cameo Social Club. Our club has been in existence since 1925. We are lifetime members of the NAACP and are archived at the Minnesota Historic Society.

This year was the first year that we gave a \$1,000.00 scholarship for secondary education. The first winner was a young lady attending Spelman College, our club was extremely proud to give this scholarship money to further her education.

Our goal is to increase the amount of monies in our scholarship fund. We all know how expensive a good education costs. This year our club will be having an auction at our annual Christmas party (December 14<sup>th</sup>), held at the Fort Snelling Officers Club, money raised at this auction helps us to donate to various charities and help with the expense of having a social club.

This year, as an additional fundraiser, I am trying to harvest donations that will specifically go to the scholarship fund; our goal is to double if not triple the amount given to our aspiring scholars.

Please help us in our endeavor to alleviate the cost of education, and increase the amount of our scholarship fund with either a financial donation or an item for our auction.

Donations can be sent to:
