

Mankato, Oct. 14th, 1862

Mrs. Merrill,

Dear Friend:

I received your Letter yesterday. We also received that box of mittens from the Ladies of Hastings. We are very much obliged to them for remembering us so kindly. We are all well. None of our company have received a scratch yet from the Indians. We have about 400 Indian prisoners. I don't know what we are going to do with them yet. The 6th and 7th Regiments have been ordered to stay in Minnesota this winter. I expect to get a furlough before long. I will try and follow your good advice.

I don't know of any news that would interest you. Some of my Sabbath School Friends sent me some papers which I am much obliged for, but I must stop writing, for it is so cold in our tent that I can't hold the pen still. Excuse this poor Letter.

From your Friend,

N. C. Johnson
