Major Hiram P. Grant.

Captain HIRAM P. GRANT, of company A Sixth Regiment, has received the commission of Major of that regiment, vice McLAREN, now Colonel of the Second Cavalry. Major GRANT has the reputation of a good officer, and we congratulate him on his promotion. He has seen considerable service in the Indian war; was in the desperate fight at Birch Coolie, as well as other engagements, and acquitted himself handsomely in all. We trust he will have opportunities of earning greater distinction on Southern fields.
