

2190 12 May 30
The heart, TA-O-PE, or WOUNDED MAN, is a
civilized Sioux Indian, who deserves the gratitude of
the American people for having been principally in-
strumental in saving the lives of white women and chil-
dren during the late Indian war. I commend him
to the kind consideration and attention of all citizens of
the United States.
H. SIBLEY,
Colonel Commanding.
