MARSHALL FIELD'S 28 SHOP™
presents An Evening of Fashion and Art featuring
an exclusive fashion show and personal appearance by
MICHAEL KORS

Welcome to Marshall Field's annual 28 Shop Show. We are proud to partner with the Museum of Contemporary Art to bring you a very special evening.

We are especially honored to have as our guest for the evening, Mr. Michael Kors. Visionary and consistently sophisticated, his extraordinary talent has made him one of the leading designers in the world of fashion. We hope you will find the preview of his latest collection as remarkable as we do.

At Marshall Field's, we have always placed special emphasis on supporting arts and cultural institutions because we can't imagine a world without the arts. Our annual 28 Shop Show, under our arts-focused community giving initiative, Project Imagine, brings together two art forms in a unique and creative context.

Marshall Field's firmly believes in being a strong partner in the community, and we are pleased to help support such a fine Chicago institution as the Museum of Contemporary Art.

On behalf of all of us at Marshall Field's, I want to thank you for joining us and hope you enjoy your evening.

MICHAEL KORS

Designer of an eponymous line in New York and Celine in Paris, Kors is known for luxurious sportswear and a love for his clients. "Nothing pleases me more than seeing my clothes worn and to see how women interpret them."

Born and raised on Long Island, Kors's career started with a design course at the Fashion Institute of Technology in New York. He set up his company in 1981, and his first collection was launched with unanimous praise from the press. Since his collection was established, it has never strayed from Kors's initial vision of the most luxurious fabrics and perfectly tailored sportswear, with a sensual edge. In 1995, Kors launched a globally distributed bridge line, Kors Michael Kors, which is licensed to the Onward Kashiyama Company.

Since the beginning, Michael Kors has produced collections that have been lauded by retailers and press alike, garnering coverage in the most prestigious fashion publications and stores worldwide.

Referred to as one of the most influential designers of the decade by *Vogue* magazine, Kors was given the Lifetime Achievement Award from Lighthouse International in February of 1999. In June of 1999, Michael Kors received the most prestigious award in the fashion industry—the CFDA Award for Women's Wear Designer of the Year.

Thank you for joining us for the fourth annual Evening of Fashion and Art Benefit Gala.

Your generosity and dedication to furthering the mission of the Museum of Contemporary Art are valued and appreciated. Your presence tonight provides vital support to the MCA programs. Thank you!

This exciting celebration of art and fashion is made possible through the tremendous generosity of our evening's sponsor, Marshall Field's. On behalf of the MCA, we extend our heartfelt thanks to Linda Ahlers, President, Dayton's, Marshall Field's and Hudson's, as well as to the many dedicated professionals at Marshall Field's who have been instrumental in the success of this event.

To Michael Kors, you are truly an inspiration. We extend our sincere appreciation for providing a stunning fashion presentation and sharing in our celebration.

We would also like to acknowledge the members of the Benefit Gala Committee; their generosity and commitment is unsurpassed. It has been a privilege to be associated with such a loyal and dedicated group of individuals.

Thank you again for supporting the Museum of Contemporary Art. We hope that you enjoy yourself during this very special event.

Sincerely,

Vicki V. Hood
