Information Concerning Reporting by Immigrant Displaced Persons

The Displaced Persons Act of 1948 requires 4 reports over a 2-year period for each displaced person who immigrates to this country under that act.

WHO REPORTS—The head of the family (principal applicant) reports for himself (or herself) and his (or her) spouse, and children who were unmarried, dependent and under 21 years of age at time of immigration.

A displaced person who immigrated as a single man or woman reports only for himself or herself.

HOW MANY REPORTS—A total of four reports are required.

WHEN IS REPORT DUE—Look below and locate the period during which you were admitted to this country. Next to it is the date the reports are to be made.

Entered the United States	Reports due			
	<i>First report</i>	<i>Second report</i>	<i>Third report</i>	<i>Fourth report</i>
On or before Nov. 1, 1948	Jan. 1, 1949	July 1, 1949	Jan. 1, 1950	July 1, 1950
Nov. 2, 1948 to May 1, 1949	July 1, 1949	Jan. 1, 1950	July 1, 1950	Jan. 1, 1951
May 2, 1949 to Nov. 1, 1949	Jan. 1, 1950	July 1, 1950	Jan. 1, 1951	July 1, 1951
Nov. 2, 1949 to May 1, 1950	July 1, 1950	Jan. 1, 1951	July 1, 1951	Jan. 1, 1952
On or after May 2, 1950	Jan. 1, 1951	July 1, 1951	Jan. 1, 1952	July 1, 1952

A completed report may be mailed any time within 15 days before the reporting date. For example, the January 1 report may be mailed after December 15, in time to arrive in Washington, D. C., by January 1.

REPORTING FORM—The form for reporting is provided by the Government. It will be available about a month and a half ahead of the date a report is due. For example, the form for the January 1, 1950, report will be available on or about November 15, 1949. Local offices of the U. S. Immigration and Naturalization Service will have the form on hand.

Use a separate line for yourself, for your spouse, if any; for each child who immigrated with you and who was unmarried, dependent, and under 21 years of age at the time of embarkation. If more space is needed, use plain sheet of paper and attach to this form).

OFFICE OF COMMISSIONER

To Our New Resident:

As the Acting Commissioner of Immigration and Naturalization of the United States of America, I cordially welcome you upon your arrival.

The enclosed Alien Registration Receipt Card does not require my signature. It is a valid certification that you were admitted to the United States on the date, at the place, and in the manner indicated, and that you have been registered under the Alien Registration Act, 1940. Inquiry concerning the validity of the card is not necessary.

Persons who come to make their homes in this country usually wish to become citizens when they have been here long enough. An applicant for citizenship (among other requirements) must be able to read, write, and speak words in ordinary usage in the English language, to sign the petition for naturalization, and to show a knowledge and understanding of the history, Constitution, and Government of the United States.

The public schools in many cities and towns have classes for applicants to learn about these subjects. They will be very glad to help you should you ever need that help. This instruction will make it easier when appearing before the naturalization examiner.

I extend best wishes for your success in your new country.

Sincerely,

IMMIGRATION AND NATURALIZATION SERVICE

WASHINGTON 25, D. C.

OFFICE OF COMMISSIONER

To Our New Resident:

As the Acting Commissioner of Immigration and Naturalization of the United States of America, I cordially welcome you upon your arrival.

The enclosed Alien Registration Receipt Card does not require my signature. It is a valid certification that you were admitted to the United States on the date, at the place, and in the manner indicated, and that you have been registered under the Alien Registration Act, 1940. Inquiry concerning the validity of the card is not necessary.

Persons who come to make their homes in this country usually wish to become citizens when they have been here long enough. An applicant for citizenship (among other requirements) must be able to read, write, and speak words in ordinary usage in the English language, to sign the petition for naturalization, and to show a knowledge and understanding of the history, Constitution, and Government of the United States.

The public schools in many cities and towns have classes for applicants to learn about these subjects. They will be very glad to help you should you ever need that help. This instruction will make it easier when appearing before the naturalization examiner.

I extend best wishes for your success in your new country.

Sincerely,

A. R. Mackey
ACTING COMMISSIONER

DECLARATION OF INTENTION
(Invalid for all purposes seven years after the date hereof)

Not less than 2 nor more than 7 years after the date the original of this declaration was made, and after you have lived in the United States for at least 5 years and in the State for at least 6 months, you may file a petition for naturalization (or second papers). You will not be notified by the Government or the clerk of court to file such petition. It will be necessary for you to make application, in person or by letter, to the nearest clerk of court exercising naturalization jurisdiction, or to a representative of the Immigration and Naturalization Service, for an application Form N-400. You should not wait to do this until near the close of the 7-year period, because if you do not file your petition with the court before the end of this 7-year period it will be necessary for you to file a new declaration of intention and wait at least another 2 years thereafter before you can file your petition for naturalization. However, a petitioner for naturalization who is married to a citizen of the United States is not required to make a declaration of intention as a basis for filing a petition for naturalization.

Applicants for naturalization, before being granted citizenship, must satisfy the judge of the naturalization court that they believe in the principles of the Constitution of the United States. The Immigration and Naturalization Service has prepared a citizenship textbook about the Constitution and Government of the United States which may be used by persons who have declared their intention to become citizens and who attend citizenship classes in the public schools. This book and the classes will help applicants to prepare themselves for the duties and responsibilities of American citizenship.

THE STAR-SPANGLED BANNER

Oh, say can you see by the dawn's
early light
What so proudly we hailed at the
twilight's last gleaming?
Whose broad stripes and bright stars,
thru the perilous fight,
O'er the ramparts we watched were so
gallantly streaming?
And the rocket's red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there.
Oh, say does that star-spangled banner
yet wave
O'er the land of the free and the home
of the brave?

The Minneapolis Council of Americaniza-
tion wishes to take this opportunity to
express its sincere thanks and apprecia-
tion to the Fifth District American
Legion and American Legion Auxiliary for
their excellent cooperation in help-
ing to make the reception a memorable
occasion for the newly admitted citizens.
