GENERAL INFORMATION

IMMUNIZATIONS. Under the International Health Regulations adopted by the World Health Organization, an International Certificate of Vaccination against smallpox may be required as a condition of entry to any country. An International Certificate of Vaccination against yellow fever may be required by some countries. Cholera certificates are no longer required. For return to the United States, only a smallpox certificate will be required if, within the past 14 days, a traveler has visited a country reporting smallpox. Specific information on required and recommended immunizations and prophylaxis for travel to all areas of the world may be obtained from your local or State health department.

HEALTH INSURANCE. Persons contemplating travel abroad should contact their medical insurance company to determine what coverage, if any, they have while outside the U.S. Generally Social Security Medicare does not cover health care expenses outside the U.S.

CUSTOMS SERVICE. Know before you go. The pamphlet "Customs Hints" gives you current pertinent information about Customs requirements, and how they apply to articles acquired abroad. Obtain a copy from your nearest customs office or from U.S. Customs, P.O. Box 7118, Washington, D.C. 20044.
