IMPORTANT INFORMATION FOR YOU

• GENERAL INFORMATION

You may prepare in advance to meet certain requirements that will govern your return from abroad. The following information will assist you in avoiding inconvenience and delay at the time of your return to the United States.

• CUSTOMS SERVICE

The pamphlet "Customs Hints" has been designed to give you pertinent information about Customs requirements. To learn how these requirements apply to articles which you may acquire while traveling abroad, obtain a copy from your nearest Customs office. "Customs Hints" are available at U.S. diplomatic and consular offices abroad, and at Passport Agencies in the U.S. A separate pamphlet "Customs Hints for Non-Residents" is also available.

• PUBLIC HEALTH SERVICE

A smallpox vaccination within three years is an entry requirement when returning to the United States. Yellow fever and cholera vaccinations are also required if you visit an infected area. The vaccination(s) should be obtained before you leave. Vaccinations must be recorded on Form PHS-731, "International Certificates of Vaccination", and validated by a local or state health officer. You may obtain additional information from local health offices or the nearest Public Health Service facility.

• AGRICULTURE

The importation into the U.S. of certain agricultural items is restricted or prohibited entirely because they often contain pests or diseases that could cause immense damage to our crops, forests, or livestock. Import permits are required for most plants, seeds, bulbs, soil, meat or meat products, fruits, or vegetables. General information on this subject is contained in the pamphlet "Customs Hints". For specific information, write to the Agricultural Research Service, U.S. Department of Agriculture, Washington, D.C., 20250.

• TREASURY

Treasury Regulations prohibit purchase or importation of Communist Chinese, North Korean, North Vietnamese or Cuban merchandise and of Chinese-type merchandise specified in the Regulations, without a license or a certificate of origin of the type prescribed in the Regulations. Travelers should consult local American consulates for further information.

IMPORTANT INFORMATION FOR YOU

• TRAVEL IN DISTURBED AREAS

If you travel in disturbed areas, you should keep in touch with the nearest American consular office.

• PROLONGED RESIDENCE ABROAD

If you reside for a prolonged period abroad, you should register at the nearest American consular office.

• LOSS OF NATIONALITY

You may lose your United States nationality by being naturalized in, or by voting in the elections of, a foreign state; by taking an oath or making a declaration of allegiance to a foreign state; or by serving in the armed forces or accepting employment under the government of a foreign state. For detailed information, consult the nearest American consular office.

• WARNING TO DUAL NATIONALS

A person is considered a dual national when he owes allegiance to more than one country at the same time. A claim to allegiance may be based on facts of birth, marriage, parentage or naturalization. A dual national may, while in the jurisdiction of the other country which considers him its national, be subject to all of its laws, including military service. If difficulties occur, communicate with the nearest American consular office.

• LOSS, THEFT OR DESTRUCTION OF PASSPORT

If this passport is lost, stolen or destroyed, report full details immediately to the Passport Office, Department of State, Washington, D.C., 20524, or to the nearest American consular office. If lost or stolen, also notify local police authorities. In American Samoa, Guam, the Commonwealth of Puerto Rico, or the Virgin Islands, also report to the chief executive. New passports are issued only after careful investigation.

• ALTERATION OR MUTILATION OF PASSPORT

This passport must not be altered or mutilated in any way. You must not alter any dates or make any changes in your description, on the photograph, or on any other page of this passport. Alteration may make it INVALID and, if willful, may subject you to prosecution (Title 18, U.S. Code, Section 1543). Only authorized officials of the United States or of foreign countries, in connection with official matters, may place stamps or make statements, notations or additions in this passport. However, you may amend or up-date information supplied by you on the inside of the front cover of this passport, if necessary.

NO vaccinations are required to return to the United States from any country. Some other countries, however, may require certain immunizations, and certain other preventive measures are advisable for some travelers. The booklet, "Health Information for International Travel," available from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402, provides pertinent information. Specific information may be obtained from your local health department, physician, or private or public agency that advises international travelers.

HEALTH INSURANCE. Persons considering foreign travel should determine what health insurance coverage, if any, they have while outside the United States. Medicare does not cover health care costs outside the United States except under limited circumstances in Canada and Mexico.

CUSTOMS SERVICE. The pamphlet, "Know Before You Go," gives you current pertinent information about Customs requirements, and how they apply to articles acquired abroad. Obtain a copy from your nearest Customs Office or from the U.S. Customs Service, P.O. Box 7118, Washington, D.C. 20044. The transportation of currency or bearer instruments, regardless of the amount, is legal, however, if you take out of or bring into the United States more than \$5,000 (U.S. or foreign currency, travelers checks, money orders, or other bearer monetary instruments), you are required by U.S. law to file a report with the U.S. Customs Service.

TREASURY. The unlicensed purchase or importation of merchandise of Cuban, North Korean, Vietnamese, or Cambodian origin is prohibited except for accompanied baggage from those countries (but not from Rhodesia) with a foreign market value of \$100 or less. AGRICULTURE. Your reentry into the United States will be speeded if you bring with you NO foreign meat, other animal products, birds, animals, fruits, vegetables, plants, soil, or other agricultural items.
