work with a vengeance.

LIBRA (Sept. 23 to Oct. 22): You must get help today from meetings, as well as from specific people, if you are to succeed in your ambitions and aims. Be alert, thoughtful, and see to it that contracts are signed.

SCORPIO (Oct. 23 to Nov. 21): This is one of those days when you can get your work done very quickly and most effectively. Be aware that a person of prominence is keeping an eye on you and this will mean advancement if you get on the beam.

SAGITTARIUS (Nov. 22 to Dec. 21): Driving out to some delightful place with a fascinating partner today can spell not only happiness, but profit to a great extent. Friendliness and interest in background mutually helpful and desired.

CAPRICORN (Dec. 22 to Jan. 20): You have come to the point where it is best to seek the advice and counsel of family ties in order to ameliorate own future. Get it, for they steer you straight and you will then be happy, make them happy.

AQUARIUS (Jan. 21 to Feb. 19): A propitious day for getting together with present or prospective associate and discussing future plans thoroughly, arriving at some specific plan of action. Put in writing for security and safety later.

PISCES (Feb. 20 to March 20): Get rid of all pending odds and ends today in work and social life and prepare for a new trend and upswing that is in the formative stage now behind the scenes. And your money worries will soon be over. **FOR YOUR COPY** of Carroll Righter's individual 16-page Forecast for September send your birth date and 50 cents in coin (no stamps) to Carroll Righter Forecast, Los Angeles Times, Box 1895, Grand Central Station, New York 17, N.Y.

IF YOUR CHILD IS BORN TODAY . . . The fine child born today is the type that requires that special pat on the back, the words "Well done" when something fine has been accomplished, so make it your duty to encourage your offspring and give him or her the chance to amount to something big. Unmerited chastisement or criticizing unfairly will ruin this wonderful mind. Chart shows the pioneer, inventor, evangelist here.
