New Year's Day

With Emma, we watched the
old year and and the new year
in, but a fire at 774 W. 8th
element. we talked of the
many new year eves the Larlaes
and the Xmas had spent together,
from 1932 to late into the 40s.
we played records, including the
music like record, Brian & Bert
had sent me for Christmas, and
when Happy New Year sounded
on the radio (from Denver) we
drank toasts, hugged & our
children, kissed and sang and
sang Syre. Weather today was
nice cool and air crystal clear,
so that the snow mountains were more clearly close.
I put Emma into a taxi at 8,
or car being out of commission and
napped most of the day. At 5:30,
Edith, ^{+ Peter} picked us up & we went to
dinner for a marvelous lunch
dinner. Andre and Vera Tolstoy
were fellow guests. He is a grand
nephew of the author, a white Russian
who came to this country after the first war.

Dinner Date. Esther Sweeney.

Small sparrows, brown, with black & white striped heads, (and one with two brown stripes on her head - no white) were busily scratching in the grass in front of our hip window, this morning. I'm still busy with flight, Ada Belle in the room with some questionnaires for us. A walk in the sun. (my head cooled it helping me) and tonight over the Sycamore as guests of Esther Sweeney. Into her house afterwards to visit her mother and aunt.

One of those noiseless steady

the night. Drizzly wind to

couldn't see to face the
weather. In doors it's ~~really~~
easy but with noise of the
wrought rattle-t-r-r-r of
the eastern rains.

Giddy road. Still in Tuolumne

Dogwood, colored. Red squirrel, red
squirrel. Three ferns. At last we
came out on a high point from
which we could see the matchless
Yosemite Valley. Giant rocky
side with pines growing out of the
rock. We have a very rustic cabin
but comfortable + treated + we were
happy. Had cocktails and then
went to Capetonia where we ran
into Hagner Fraser. May was

Thurs. Oct. 13.

Morgan + Bert met Mary today + they all watched final game (Pirates won) of world series. Then Mr. B rented bikes and explored the Valley. D + I went to Grolier Cabin for night report - went like lunch. And then rapped. During Bad game, I had finished proof reading scrolls + D mailed it - it went air mail, special delivery + insured to Nannie. My prayers go with it. I think it is very good. After dinner tonight + we all read the Grolier ~~book~~ distributed on the ledge TR to the Third Nixon-Kennedy Block. Then Nannie walked me back to the cabin, Melissa Lamy gone as always and we got lost and finally they walked me home. Show what wilds we are in.

19th day - 347 days follow

Sun. Oct 16 cont. 5251 mi.
from D + I went on to Glacier Point Inn. Wondered years from the Point. We stood beside the Overhanging Rock + looked across at Yosemite Falls, from top. Saw the bridge, the Yosemite Village + the Ahwahnee, looking like a medieval castle (as Tom had reported.) The merced River wound through the Bottoms. We could see snowcrest of Sierra Nevada. Packer Trip saw blue jays, and a yellow flower like golden rod. Sycamore bark look like alligator skin. Tunnel, new parking night, El Capitan, Cathedral Spire opposite ~~the~~ Rocky Mtn. Death Elbow + Cal. for a layman, a cathedral like rat with El Capitan above it + Oaks turning a 90° + the fauna. Home to have dinner alone Mr + B had taken lunch basket. We rapped + walked + had High Tea in the Grand Lounge + then, around 5 or 5:30, the children called to be picked up at end of their trail. They had gone 13 miles!!!

290th day — 76 days follow

Up before seven and the sun
was to take up the west
of a western mountain, behind
which it set last night. Slowly
the sunlight spread across the
whole vast sheet of rock. Just
had breakfast, what a breakfast!
at a window table. The views,
wherever you look, are superb. The
atmosphere is lovely. Some huge, and
an Indian deer, and the help
friendly & pleasant, and the
views in all directions. The lodge
is in a woody hotel cabin. Now
off to Glacier Point. Road leads
between the tall super pines. Passing
El Capitan mt. Cathedral spire ahead,
3 fingerlike rocks, with falling Merced
River. Borealis veil fall, with water, a
fellow trickle. 8000 ft, 7000 ft. our first
real autumn coloring, yellow aspens.
Crossed Borealis trail. Can glimpse the Sierra.
8000. Climbing to summit done on
good view of The Trail. ~~Deep~~ Deep. Took

morning ~~at~~ slept late after their
bike & had the Continental Breakfast,
but we ate pancakes at 8. Had
a lovely walk in the first morning
air. The chambermaid told us that
the big rocky mass across from
our window is the Yosemite Falls!
Whenever we look in this valley,
in any direction, we seem to
find the Yosemite Falls, a quiet
day, mostly in and around the
atmosphere. Acquired some business
mail tonight for Clarence & wife
postal cards to read. We needed the
rest! Tea with remain in the lounge.
Cocktails in the El Dorado Diggins.
Then the usual wonderful atmosphere
dinner, and menu up to our room
for an hour or so. Dances at Point
at camp dancing.
Remember for dinner — Fried chicken
with Polenta Stalione. It was
divine. Look up recipe for Polenta.

Carolina Park Lodge is a very attractive place, a big old red and white hotel, surrounded by red & white cottages & set among pines. Our room immaculate & looking out on gardens. Before we arrived last night, Delossy had a water and I had tea in a rambling old bar where a fanciful bartender told us the story of his life, etc had a turkey dinner & went to bed early. Today we have worked around the lodge & made two beautifully beautiful drives up the no. I. highway which follows the Pacific. Looked at the West Castle from afar. Lunched on clam chowder & brown pie in The Driftwood, a most attractive place. Back here to nap, shower & read, and after a delicious dinner, Abalar, went to bed early again. Carolina is ~~the~~ a lovely place, smelling of pines and yet so near the sea, and the willow sweet.
