Paul and I want ~~to~~
you to know how very
much we appreciate your
thoughtfulness in sending
us the charming and
friendly telegram of
good wishes. We loved
having your warm
hearted greetings and
your message added
much to our happiness.
You were very kind.

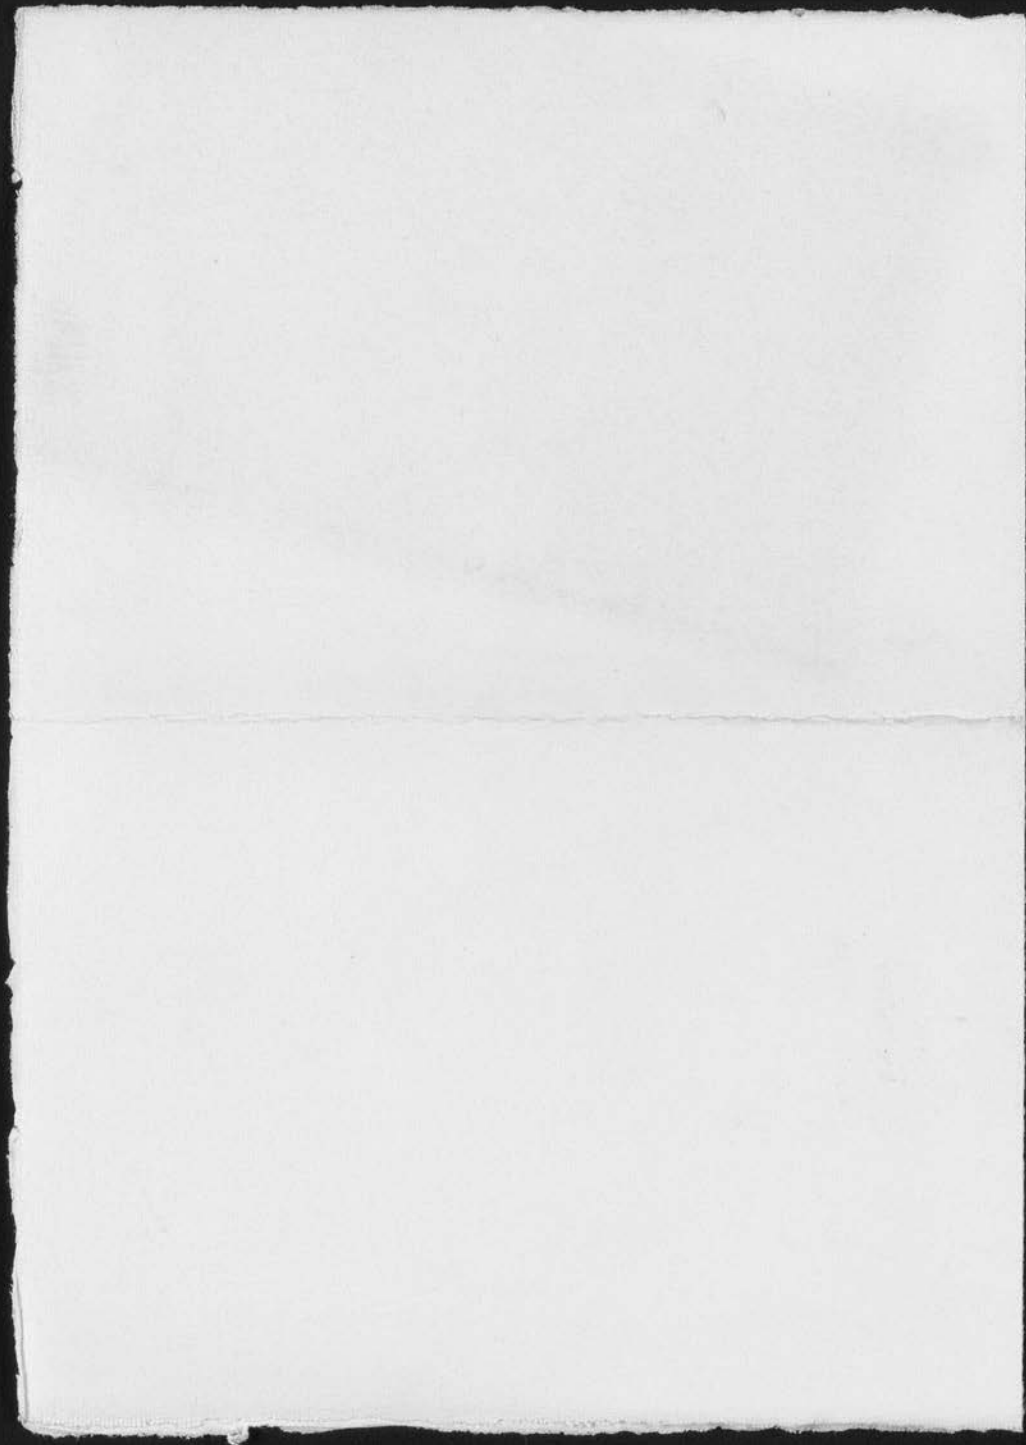

I hope that I am soon
to have the privilege of
sharing your friendship
with Paul - He interprets
you very gloriously!
When we get a bit more
settled in our home
may I write you and set
a definite time for you
to come + dine with us? And
then you will see how
proud we are of your lovely
candlesticks, which
grace our table!
Best wishes and again our thanks

M^r and M^{rs} Jiro Nomura
request the honour of your presence
at the marriage of their daughter
