ROUND TOWER AT FORT SNELLING

HISTORIC

# FORT SNELLING

FROM A PAINTING OF FORT SNELLING MADE IN 1852

**H**ISTORIC FORT SNELLING was established in 1819 by Lt. Col. Henry Leavenworth. At first the post was called Fort Anthony but was later changed to Snelling in honor of Col. Josiah B. Snelling, the Commandant from 1824 to 1827, for his part in establishing this first visible arm of the United States Government in this region.

The reservation covers an area of approximately 2,382 acres and is located at the junction of the Minnesota and Mississippi rivers, 8 miles from downtown St. Paul and 11 miles from Minneapolis, on land purchased from the Indians by Zebulon M. Pike for \$200 worth of assorted beads, calico, etc., and 60 gallons of "firewater."

Although originally established as a part of a com-

prehensive system for the protection of our early frontiers, the post has played an important role in the development of the northwest. Post Commanders negotiated many treaties between warring Indian tribes, regulated the fur and lumbering industry and assisted the early white settlers in homesteading the fertile lands.

In 1858 Fort Snelling was sold to a private investor for \$12,900 but was restored to government ownership after the outbreak of the Civil War and has remained a regular army post ever since. During World War I the Fort served as an officers' training camp. Today its main function is that of a reception center to the thousands of young men entering the army from the northwest area.

## GENERAL INFORMATION

**POST EXCHANGES:** The Main Post Exchange has two branches, conveniently located to all parts of the Fort. The Main Post Exchange is at the Seventh Street Bridge and branches are in the Service Club and at the Reception Center.

**POST OFFICES:** Post offices are located in the Post Headquarters Building and in the building at the rear of the Medical Induction Building at the Reception Center. They are open from 8 A.M. to 5 P.M. week days and from 8 A.M. to 1 P.M. on Saturdays.

**BARBER SHOPS, TAILOR SHOPS, PHOTO SHOP:** Barber shops are operated in the Main Post Exchange and the Reception Center Post Exchange. Tailor shops are available throughout both sections of the Fort, and the Post Photo Shop is two blocks west of the Round Tower.

**TRANSPORTATION:** Streetcars going direct to the Loop districts of both Minneapolis and St. Paul leave from the Post about every 15 minutes. "Dummy Line" streetcar service is provided at no cost from the terminal near the Reception Center to the Twin City streetcar line located at the head of the Seventh Street Bridge.

**POST NEWSPAPER:** THE FORT SNELLING BULLETIN, the official Post paper, is distributed free each week. THE DAILY INFORMATION SHEET, posted on all bulletin boards, contains all official announcements as well as entertainment news.

A CORNER OF THE RECEPTION CENTER

**SERVICE CLUB:** On Taylor Avenue next to the Post Theatre is the Service Club Center, open every day and evening to all enlisted men. Here you will find a bowling alley, billiard rooms, ping pong tables, lounge rooms, library, and an auditorium where dances are held. Writing tables, stationery and games are available at all times.

**POST THEATRE:** Located on Taylor Avenue is a modern 675 seat theatre showing the latest first-run pictures, with changes in programs every two days.

POST HEADQUARTERS BUILDING

**DAY ROOMS:** All companies have attractively furnished Day Rooms for their enlisted personnel, with couches, easy chairs, writing facilities and games.

**FIELD HOUSE:** Reviews, U.S.O. shows, and dances are held in the modernly equipped field house located at the junction of Highways 100 and 55 and during the winter basketball games are played on the two large floors when special attractions are not scheduled.

**RED CROSS:** A fully trained staff is on duty at the Red Cross office in the Post Headquarters Building and at the Station Hospital.

**RELIGIOUS SERVICES:** Chapels providing religious services for all denominations are located on the Main Post as well as in the Recreation Hall of the Reception Center.

**SPECIAL ENTERTAINMENT:** The Athletic and Recreation Office distribute tickets to baseball and hockey games, symphony concerts, operatic productions, and other forms of entertainment as they are provided by organizations in the Twin Cities.

A ROW OF BARRACKS ON TAYLOR AVE.

**SPORTS:** Wrestling and boxing matches are held during the summer in the Sports Arena, and a baseball field with permanent bleachers is across from the Station Hospital on the Parade Grounds.

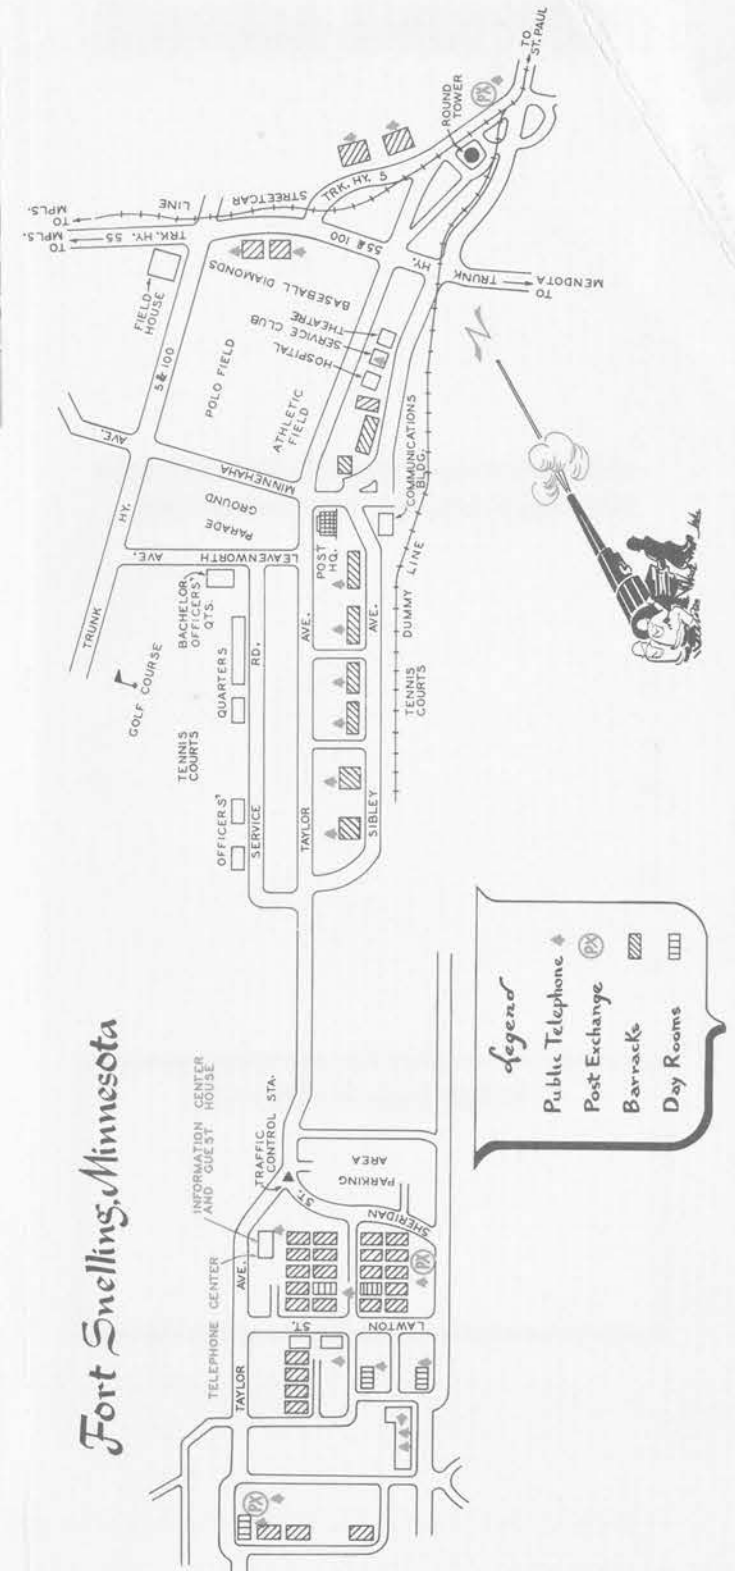

Several tennis courts for the use of enlisted men and a large outdoor swimming pool are available. Enlisted men may use the nine-hole grass green golf course by paying a small greens fee.

**DOWNTOWN SERVICE CENTERS:** In addition to the U.S.O. centers, many organizations maintain places in both cities where enlisted men are always welcome. Information about these various centers can be obtained at the Information desk in the Information building.

**POST SIGNAL OFFICE:** The installation, maintenance and operation of the telephone, telegraph, teletype and radio communication system at Fort Snelling are under the supervision of the Post Signal Office which is on Taylor Avenue.

THE POST CHAPEL

# TELEPHONE SERVICE

For your convenience, public telephones are located in all Company Day Rooms and main buildings on the Post. In the Information Building at the Reception Center are several booths and an attendant is on duty every day and evening to make change and assist you in placing calls.

At all the large military camps you will find a Camp Telephone Manager, whose duties are to arrange and handle all telephone matters. Here at Fort Snelling the Manager is located in the Signal Office Building. If he can help you in any way, feel free to call on him.

## HERE ARE SOME HELPFUL SUGGESTIONS FOR YOUR USE OF THE TELEPHONE . . .

- 1 Choose between the cheaper station-to-station service (when you will talk to anyone who answers at the called telephone) or the person-to-person type of call (when you ask to talk to a specified person). It also will help to speed your call if you have correct change ready.
- 2 Reduced rates are in effect every week-day between 7 P.M. and 4:30 A.M. and all day on Sundays.
- 3 Place your call by telephone number if you know it.
- 4 If your call doesn't go through while you're on the line please stay near by or place your call again later, whichever the operator suggests.
- 5 It is often difficult for long distance calls from your family or friends to be completed to you at camp. It is better for you to call them. (Charges may be reversed).
- 6 If others are waiting to make calls, please limit your conversation so that they, too, may talk. Public telephones are very busy these days.

### IF YOUR CALL IS DELAYED

We realize the importance of your calls and try to put them thru as quickly as possible. But long distance lines are crowded with calls these days, many of them important to the War. Extra lines cannot be provided because of critical material shortages. So if your call is delayed, please remember that the operator is doing everything she can to get it through promptly.

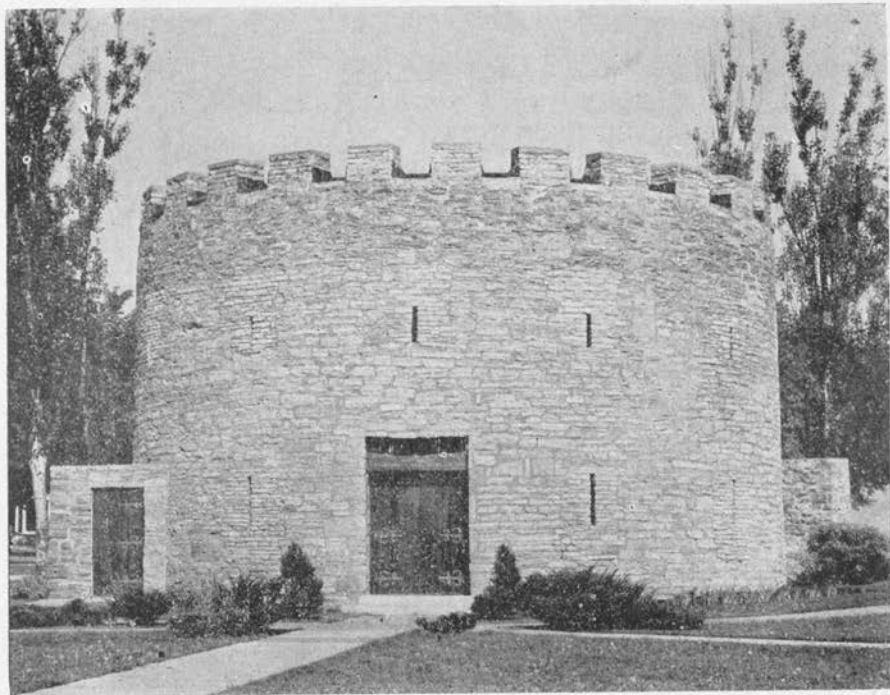

We hope this folder will prove helpful to you while at Fort Snelling. A copy for the home folks with an envelope for mailing may be had for the asking.

## THE ORDER OF THE SERVICE

### Processional Hymn

"O Worship the King".....Haydn

"O worship the King, all glorious  
above,

O gratefully sing His power and  
His love;

Our shield and Defender, the Ancient  
of Days,

Pavilioned in splendor, and girded  
with praise.

"Thy bountiful care what tongue can  
recite?

It breathes in the air, it shines in  
the light;

It streams from the hills, it descends  
to the plain,

And sweetly distils in the dew and  
the rain.

"O tell of His might, O sing of His  
grace,

Whose robe is the light, Whose  
Canopy space;

His chariots of wrath the deep  
thunderclouds form,

And dark is His path on the wings  
of the storm.

"Frail children of dust, and feeble  
as frail,

In Thee do we trust, nor find Thee to  
fail;

Thy mercies how tender, how firm  
to the end,

Our Maker, Defender, Redeemer, and  
Friend!"—Amen.

### Ascriptions of Praise

(Unison, STANDING)

"I will bless the Lord at all times; His praise shall continually be in  
my mouth.

O magnify the Lord with me, and let us exalt His name together.

O give thanks unto the Lord; call upon His name; make known His  
deeds among the people;

Talk ye of His wondrous works. Glory ye in His holy name."

### Gloria Patri

(CHANT)

Glory be to the Father,

And to the Son, and to the Holy Ghost;

As it was in the beginning,

Is now and ever shall be, world without end.

A-men, A-men.

## Sentences

Pastor—Bless the Lord, O my soul.

People—O LORD MY GOD, THOU ART VERY GREAT;

Pastor—Thou art clothed with honor and majesty;

People—WHO COVEREST THYSELF WITH LIGHT AS WITH A  
GARMENT;

Pastor—Who stretchest out the heavens like a curtain;

People—WHO LAYETH THE BEAMS OF HIS CHAMBERS IN  
THE WATERS;

Pastor—Who maketh the clouds His chariot;  
Who walketh upon the wings of the wind;

People—WHO MAKETH WINDS HIS MESSENGERS,  
FLAMES OF FIRE HIS MINISTERS:

Pastor—Let the glory of the Lord endure for ever;

People—LET THE LORD REJOICE IN HIS WORKS:

Pastor—Who looketh on the earth, and it trembleth;

People—HE TOUCHETH THE MOUNTAINS, AND THEY SMOKE.

Pastor—I will sing unto the Lord as long as I live:  
I will sing praise to my God while I have any being.

People—LET MY MEDITATION BE SWEET UNTO HIM:  
I WILL REJOICE IN THE LORD.

All—Bless the Lord, O my soul.  
Praise Ye the Lord.

HEAVEN AND EARTH ARE FULL OF THE MAJESTY  
OF THY GLORY.

(CHANT)

All the earth doth worship Thee, the Father everlasting."

Amen.

The Father of an infinite Majesty;  
Thine adorable, true and only Son;  
Also the Holy Ghost, the Comforter.

People: THOU ART THE KING OF GLORY, O CHRIST;  
THOU ART THE EVERLASTING SON OF THE FATHER.

## The Choir

"Prayer of Thanksgiving".....Arranged by Kremser

"We gather together to ask the Lord's  
blessing,

He chastens and hastens His will to  
make known;

The wicked oppressing, cease them  
from distressing,

Sing praises to His name, He forgets  
not His own.

"Beside us to guide us, our God with  
us joining,

Ordaining, maintaining His kingdom  
divine;

So from the beginning, the fight—  
we were winning,

Thou, Lord, was at our side, all glory  
be Thine.

"We all do extol Thee, Thou Leader in battle,  
And pray that Thou still our Defender wilt be.  
Let Thy congregation escape tribulation:  
Thy name be ever prais'd!  
O Lord, make us free! Lord, make us free!"

## Confessions of God's Glory and Power

(Unison)

Worthy art Thou, our Lord and our God,  
To receive the glory and the honor and the power.  
Great and marvelous are Thy works, O Lord God, the Almighty;  
Righteous and true are Thy ways Thou King of the ages.  
Who shall not fear, O Lord, and glorify Thy name?  
For Thou only art holy.

## The Sanctus

(All Sing)

"Holy, holy, holy, Lord God of Hosts!  
Heaven and earth are full of Thy glory:  
Glory be to Thee, O Lord Most High."

Amen.

## Prayers

(Unison)

Our Heavenly Father, Thine is the beauty of this fair and friendly day. May all that is beautiful remind us of Thee, the Infinite Beauty! May all that is good remind us of Thee, the Perfect Goodness! May all that is true lead us to Thee, the Source of all truth! Breathe Thy loving Spirit on us all, and make Thy morning shine within our hearts as in the skies above. Help us to make more beautiful Thy day.

All the earth shall worship Thee, the Father everlasting. We praise Thee, we bless Thee, we worship Thee, we glorify Thee, we give thanks to Thee for Thy great glory, O Lord God, heavenly King, God the Father Almighty. Amen.

## The Lesson

### The Choir

"O God Our Help In Ages Past".....Arranged by Grayson

"O God, our help in ages past,  
Our hope for years to come;  
Our shelter from the stormy blast,  
And our eternal home!  
And our eternal home.

Soloist. . . .

Under the shadow of Thy throne still may we dwell secure;  
Sufficient is Thine arm alone, and our defense is sure.

Choir. . . .

And Thy defense is sure!

A thousand ages, in Thy sight  
Are like an evening, evening gone,  
Short as the watch that ends the night  
Before the rising sun!

O God, our help in ages past, O Lord,

O God, our help in ages past,  
Our hope for years to come;  
Be Thou our guide while life shall last  
And our eternal home!"

A-men.

## The Sermon

"REASONABLE SERVICE"

### The Choir

"The Lord is a Mighty God".....By Mendelssohn

"The Lord is a Mighty God and a Mighty Ruler  
Over all false idols, over all false idols."  
The Lord is a Mighty God and a Mighty Ruler  
Over all false idols, over all false idols.

## The Closing Prayers

### Hymn

"O Beautiful for Spacious Skies".....Ward

"O Beautiful for spacious skies,  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain!  
America! America! God shed his  
    grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea!"

"O beautiful for heroes proved  
In liberating strife,  
Who more than self their country  
    loved,  
And mercy more than life!  
America! America! May God thy gold  
    refine,  
Till all success be nobleness,  
And every gain divine.

"O beautiful for pilgrim feet  
Whose stern, impassioned stress  
A thorough-fare for freedom beat  
Across the wilderness!  
America! America! God mend thine  
    every flaw,  
Confirm thy soul in self control,  
Thy liberty in law!"

"O beautiful for patriot dream  
That sees beyond the years,  
Thine alabaster cities gleam  
Undimmed by human tears!  
America! America! God shed His  
    grace on thee,  
And crown thy good with brother-  
    hood  
From sea to shining sea!"

## Post Golf Championship 36 Hole Play Starts Today

WO Sal Jio Defends Post Golfing Crown

Playoff rounds to determine the Post Golf championship in 36 hole medal play begins today, as School Warrant officer Sal Jio prepares to defend the crown he won last year when he shot a 155.

Although no one, in qualifying, equalled Jio's score, the lowest qualifying round being 77, Cpl Wally Mund, in charge of the tournament, feels that several of the golfers have a chance to equal or better 155.

Mund also said that he thought the field of flights of eight would be very well balanced.

The new champ will be the player having the lowest score, no matter what flight he may be in. To the Post Golf Champion will go the honor of having his name engraved on the silver cup awarded by the Minnesota PGA. And the cup will be kept in the day room or orderly room of the winner's outfit.

Lowest scores in the qualifying rounds were 77s shot by Tec 5 Tad Takakura and Sgt George Kayama, both of the School battalion.

S/Sgt Vern Scott, sta com, Captain H. S. Anderson, MAC, and Tec 3 H. A. Erickson, Station Hospital, posted near 79s.

The championship holes must be played off on Saturday and Sunday, but those unable to shoot Saturday may fire 36 holes on Sunday, and pairings will be posted on the first tee, Cpl Mund said.

## Gen Bissell Tells School They Will Become Occupation Troops

Major General Clayton Bissell

## Nisei Essential To Success Of Occupation Gen Tells Graduates

By Tec 4 Irvin Rose

The vital role of Fort Snelling trained American-Japanese soldiers in the occupation of the Japanese Empire by the United Nations troops was outlined to members of the MIS Language school and their guests and particularly to the members of the graduating class at the Field House graduation last Saturday by Major General Clayton Bissell, assistant chief of staff, G-2.

"The Nisei of this school will be absolutely essential to the successful occupation of Japan and to the winning of the peace," General Bissell said emphatically. "Just as the former graduates served as the vital connecting link between Allied soldiers and the Japanese in combat," General Bissell explained, "the Nisei will now serve as the language bridge between the Allied occupation forces and the 80,000,000 people of Japan."

### School To Continue

That the Language School will continue was practically assured when General Bissell said the need for its graduates is now "greater than ever."

He revealed that the School was the only one of its kind in the country when the men entered the school under wartime conditions, but said that further details about the fighting role of Niseis would have to wait for security reasons until the occupation of Japan is effected.

He went on to explain this by saying "We must have replacements so the men that have been over there two and three years and who have the necessary 85 points, can come back. And we must have men to take your place after you have been over there."

### "Americans Will Be Hated"

Snelling graduates will serve as linguists in jobs of censorship—they will screen the Japanese press, watching communications of all kinds, aid in the preparation of psychological

warfare with peace aims, and will be the ones to find out what "has gone on in Japan these many years."

"The American soldiers will be intensely hated," General Bissell warned. He explained that our soldiers will face a hostile nation because the Japs know that it was America that beat her. "The Japs are going to hate Americans as they have never hated anyone before," he told the graduates.

In outlining the work of the graduates in the past, General Bissell told of his recent tours to the battle fronts throughout the world and of his conversations with such leaders as General MacArthur who testified to the "indispensability of the Nisei under combat conditions in the Pacific."

### Saved Many Lives

"From captured Jap documents they have gleaned valuable information that permitted our forces to go on to victory with the saving of many hundreds of lives," General Bissell reported field commanders as saying.

"They have gone into caves to persuade hiding Japs to come out and they brought out a great many captives. But some of these School graduates never came out. And others followed them knowing this."

General Bissell declared that "the record of all Nisei in American armed forces is 'a record of which every American can be proud.'" He told the School's students that if anyone ever questioned their loyalty to America they shouldn't even bother to answer them back.

### Prove Loyalty

"All America will soon know of the intense loyalty of the American-Japanese soldiers who are serving and will serve their country in the defeat of her enemies and the establishment of world peace," General Bissell emphasized.

Speaking on behalf of the graduates in English was Tec 5 Takeo Koyamatsu, who expressed deep gratitude to the instructors and the commandant's staff for their training here, and expressed confidence that the graduates will live up to the standards set by previous graduates.

"There may be many of you who think that our responsibilities have ceased with the firing of the last gun," Tec 5 Shigekazu Sakaguchi, valedictorian, declared in Japanese. "Our responsibilities are not limited. The most important lies in the awakening of defeated Japan from her delusions of militarism."

It was revealed at last Saturday's commencement that Major Paul Rusch, personnel procurement director for the School, will leave soon for an important mission overseas. Major Rusch has been with the School since it was organized at Camp Savage and was a returnee on the first trip of the Gripsholm from Japan having lived there several years before the war broke out in 1944.

Congressman Walter H. Judd, rated as one of the foremost authorities on the Far East in this country, was an honored guest at last Saturday's Language School graduation. He is shown in the above picture with the School's Commandant Kai E. Rasmussen and Major General Clayton Bissell.

## Continued Drafting Of Men Needed To Facilitate Discharges, Says Stimson

No enlisted man with 75 or more discharge points will be sent overseas unless he volunteers, and no AGF enlisted man will be sent overseas—except as a volunteer—if he is 37 or older, according to an announcement by the War Department.

In the meantime the Army is marking the end of the war by announcing its determination to discharge 5,000,000 in 12 months, a major undertaking what with a large portion of them overseas.

It should be remembered that when the men were going in the other direction, the largest number to cross the seas in one year was 2,500,000.

The first to go will be 300,000 men over 38 years old, and those with 85 points. The latter includes 78,000 in this country, 210,000 in the ETO, 12,000 in the Pacific, and 3,000 elsewhere.

Secretary Stimson said the demobilization plan is based on a continuation of the draft.

## Look At The Golf Balls Too

Look mighty good, don't they? The Golf Balls we mean. And if you want to buy them, wend your way to the south wing of the guard house, between 1200-1350. The balls are new Worthington King synthetics and the

price is \$6.80 per dozen. Also (also, he says) in the picture are, left to right, Sonja Beckstrom of Courts and Boards and, oh yes, Sgt George A. Barton, Jr. of the Special Services office.

## Russian-Born OC Is Famous As Athlete, Pin-Up Boy

By Pfc Paul Moseley

Sgt Boris Yankoff, Athlete International, now an MISLS officer candidate, missed undying fame in 1932 by a hop, step and a jump. Boris qualified for the Manchurian team which was to go to the 1932 Olympics in Los Angeles, but didn't because the Japanese put one of their early land grabbing events which found them also missing fame, all but the undying part, when they wound up getting slapped around in the recently concluded tangle with Uncle Sam, the Champ himself.

Yankoff's best hop, step and jump, made in 1931 when qualifying for the colorful Manchurian Olympic team, was only about a foot short of the present record set by a Jap in 1936, so it is conceivable that Boris, had he jumped would have wound up in the Olympic hall of fame.

Born of Russian-Cossack parents in 1915, Boris since 1932 has been a citizen of the United States, and at present is living in the Twin Cities with his wife and daughter.

Sgt Yankoff speaks with a slight accent and overflows with robust humor, which seems to be a trademark of the Russian people.

He held at one time numerous boxing championships in China and Hawaii, including the middleweight championship of the Hawaiian division of the United States and the welterweight crown of China.

He won his middleweight crown the first time in 1932 but held it only long

enough for someone to discover that he was just 17 at the time, and was thus too young to fight. Needless to say, Boris won the crown in 1933, '34, '35, '36 and '39.

Also in 1936 Yankoff punched out a draw with Bill Thompson, Olympic middleweight champion, and later that year he slugged his way to a win in Chicago over the Golden Gloves middleweight title holder.

Sgt Yankoff also ran in the 880, his best time being slightly over two minutes. And his standing broadjump attempt is just three-quarters of an inch from the best mark set in 1912.

Twice Boris pitted himself against the Japanese in judo-boxing bouts, in which he knocked two of the Japanese judo champs flatter than the deck of a carrier.

In between times, the Sgt found time to keep in condition and pose for what he calls "pin-up" pictures, which show his remarkable physical development.

As for the Army, in which Boris has been a regular for over 12 years, he likes it more than 130 points worth, and he intends to stay with it the rest of his life.

He has seen plenty of action from Pearl Harbor 7 December through Guadalcanal and the Georgia Islands, and now he is looking forward once again to matching wits and brawn with the Japs.

In the meantime he is doing 100 pushups a day, just in case.

"I'll bet it won't do me any good either."

A well-dressed woman walked into a bank and glanced about her with such a commanding air that the president of the bank came to wait on her. "Is there anything I can do for you, madam?" he inquired.

Sgt Chapple: "Well, there's no law against that."

A Private's Prayer  
The Sarge is my shepherd, I shall not want. He maketh me pick up burnt puddles; he restoreth my step. He guideth me on the course of obstacles for my health's sake. Yea, though I walk through the valleys, I must run up the hills. He annointeth my head with abuses and my cup runneth over. Surely cadence and KP will follow me all the days of my Army life and I shall dwell in the hair of my sergeant forever.

An American Prayer  
Our father who art in Washington, Harry be thy name, Thy orders will be obeyed in China, as well as in the Solomons; Give us this day our daily spam and beans.

And forgive our commissioned officers, as they have forgiven us; Lead us not into the coconut plantations.

But deliver us our daily mail, For this is the Army, and Navy, and the Marine Corps.

For four more years. . . Oh men!

## YANK Tells How GI's Get Along With Frauleins

NEW YORK—When the Allies invaded and defeated the Nazis, the brass hats laid down some rigid rules about non-fraternization, but they overlooked one statistical joker, according to an article in YANK, The Army Weekly. Many of the Germans were girls and almost all the Allied soldiers were boys, and since boys like girls and Allied soldiers liked all girls, regardless of nationality, the American and British Armies had to accept human nature and recently modified the rules.

Now, three months after V-E Day, GIs may walk arm in arm along the streets of German cities with German girls. They may go to the beach with German girls. With lunch baskets under their arms, GIs and German girls may go into the fields together on picnics. Sometimes they go into the fields without lunch baskets, reports YANK.

YANK's complete story on changes in the non-fraternization laws in Germany, is featured in the 31 August issue, now on sale at the Post Exchanges.

## Headquarters

Tec 4 Walt Fassinger

Newly created "38 Club" . . . as a result of the recent War Dept Directive reducing the ceiling for discharges based on age, has created an organization known as the "38 CLUB." Activities of the club so far has been confined to handshaking, congratulations, and suggestions on how to be non-essential (due to the 90 day clause—in small print). Requirements for membership—just 38 years of age.

Latest neon stripe additions: S/Sgt McElroy and Kaaro to T/Sgt; Sgts McDonald and Stoyoff to S/Sgt; Cpls Barton and Oberg to Sgt; and Pfc Kevilus and Woodhead to Cpl—the Supply Room is all set for the rush on stripes, so come and get them.

O. B. Ward (baby ward) . . . Sgt Norm Nelson had a big week end—on Friday night he paced the Hospital corridors until AM Sunday morning—then proudly announced the news—he was a "papa" to a big bouncing baby boy. Cpl George (guard) Smith announced Boy No. 2. Now if there are any more proud fathers, report your progress to the column and we'll give those pointless rascals a writeup.

New arrivals. . . Pfc Paul Peters and Pvt Rudolph Doering. . . both are overseas EM—welcome to Hq Detachment.

CLANG! CLANG! Pfc Paul (Cymbals) Moseley hands in resignation to TW Club in order to join the Fort Snelling Band.

(Ed.—The truth is that S/Sgt Raniele begged Moseley on his knees.)

Sgt George A. Lorch  
Veterinary Detachment

The acting first sergeant of the Vet detachment began his Army career over four years ago and it wasn't long after his basic training that Sgt Lorch found himself with the 37th Infantry in Dutch Harbor where he put in 17 months. Later he was transferred to Post Headquarters at Dutch Harbor where he worked for 11 months. Finally he got back to the states where he was sent to Fort Bragg and spent a year with a medical outfit and at Bragg's Headquarters as a special order clerk.

Before entering the service Sgt Lorch was a commercial collector and after he gets out (he has 80 points on 12 May) he expects to be a "salesman of some kind."

Brief reviews of some of the new library books:

YOUNG MAN, ARE YOU NORMAL—by Ernest Hooton

Hooton sets forth observations based upon a Harvard study of what the normal man is like, how he reacts.

HAPPY TIME—by Robert Fontaine

Fun in a French Canadian family; it is written as reminiscence of the familiar sort begun with Life with Father.

## Suggestion Makers Asked To Report To WO Larsen

Holders of stubs No. 6313 in Co E, No. 5371 in Co I and No. 6057 whose company is unknown, were asked this week to report to WO Clifford Larsen in the Personnel Procurement office for prizes in last month's suggestion contest.

Facilities for washing won five dollars for the holder of stub No. 6313, suggesting laundry sinks and washboards be made available. Stub No. 5371, worth three dollars, suggested English transition be made of the Japanese speeches at the commencement ceremonies. The third prize of one dollar will be awarded to the person suggesting that enlarged shelves be placed under the mirrors in the shower rooms.

A total of 45 suggestions were turned in last month, of which 13 were new.

However, WO Larsen stated that many have turned in ideas previously submitted but revised with a more practical slant.

## HEARD THIS FISH STORY?

Sgt-Major Mihata, instructors T/Sgt Y. Goto and T/Sgt Charles Akiyama with WACs Chito Isonaga, H. Kanda, Harriet Hiraakawa, "Mothballs" Kojima, Florence Kanashiro, Toshi Kawamura and Linda Tanaka spent their furloughs on a fishing trip to Armstrong Lake, Ely, a few miles from the Canadian border.

All reported that it was the best vacation they ever had, for fishing was very good; everyone had no trouble in pulling in his limit of walleyes, northerns, and bass. Sgt Mihata commented that it was so good a fishing trip that he did not mind spending one more year, just to be able to look forward to another similar trip next summer.

The sergeants remarked that they lived like "kings" for the WACs did all the cooking, even the KP. They reciprocated, however, by teaching the WACs the indoor games of Blackjack and Poker. The WACs had it over the sergeants when it came to fishing, however, for Pfc H. Kanda caught the largest fish, an eight pound walleye, and Chito Isonaga pulled in two large (four pounders) bass on one trip.

Sgt Goto got so excited one time when WAC Hiraakawa hooked a large bass that he fell into the lake. Sgt Mihata came back with a super fish story. He hooked one so big, he snapped his rod trying to bring it in (he brought back his broken rod as proof).

Fishing was so good, the party reported, that they used 38 dozen minnows as bait, besides trying plugs and frogs.

## SCHOOL LT MARRIED IN CHICAGO AS JAPS QUIT

A Nisei couple became man and wife in Chicago last week with the announcement of Japan's surrender as a wedding present.

Lt Joseph Hashishaki, 28, Joliet, Mont., in Chicago on an eight-day leave from Fort Snelling, and the former Mary Jane Kinoshita, 20, Seattle, Wash., were married at the Holy Name cathedral.

The couple met last March while Mary Jane was studying at the St. Catherine's College in St. Paul. Not long after that they decided to get married on 14 Aug., never anticipating the significance of that date.

## Japs Revere Hirohito As 'God on Earth'

By Camp Newspaper Service

A man named Hirohito is the Emperor of Japan. But—in the eyes of the Japanese he is neither a man nor a ruler. To his subjects, he is a spiritual symbol in which center the energy, loyalty and morality of the people.

To the fighting Chinese, Hirohito is a war criminal. To most Americans he is an ineffectual little man on a white horse. But to 100 million Japs he is "God on Earth," the high priest of Shinto and the subject of a reverence incomprehensible to the western mind. The soldiers who assaulted Pearl Harbor, Manila and Singapore fought in his name. The soldiers who killed themselves over Atto, Saipan and Iwo Jima did so with a "Banzaï" for him on their lips. He is the physical incarnation of their state, he is Japan.

Who is this man?  
In the first place, he's the latest in line in the oldest continuous dynasty in the world.

## Joseph Grew's Views Are Reflected In United States Attitude Toward Emperor

Much of the pro-emperor attitude in the Truman administration can be traced to former Under-secretary of State Joseph C. Grew, whose views were reflected in the negotiations of unconditional surrender.

He is convinced the emperor was against the war on the United States. "It is my belief, a belief not subject to proof, but based on long experience among the Japanese people, that the emperor did his best to restrain his high command, the admirals and the generals, from incurring war with the United States and Great Britain. He did not want war. I am aware of this from intimate knowledge," the former Ambassador to Japan stated.

Meanwhile, here at Ft Snelling, Colonel Kai E. Rasmussen declared that to maintain effective control of conquered Japan, retention of the emperor is both "desirable and necessary."

"Without the emperor, we might have to keep an occupational force in Japan for 25 to 50 years," he asserted. "Language and other difficulties would make it extremely difficult for us to maintain contact with the Japanese people and set up the sort of government we want unless we use the emperor."

## KING COMPANY NEWS

By The Jester

After spending another two years in Mississippi, the Shelby boys were anticipating a "cool" summer in Minnesota, but after the sizzler over the weekend, well, we just don't know what to expect.

With the announcement of the acceptance of peace terms, many beer sessions blossomed out in the company and elsewhere on the Post. However, the fellows just couldn't get as excited as the civilians in town, but great quantities of that brown milk or amber water were consumed anyhow. Wednesday evening and Thursday brought the Company to school with those enormous heads and no will to study.

By the way, who was that S/Sgt we saw who was waving his way up the company street at the early hour of 0700?

New personalities are discovered every day and this Company is no exception. This is a warning to all you ladies and all you lady-killers. We have a SUPER wolf in our company. He's not the ordinary type you find around the "Y" in Minneapolis or the Prom in St. Paul—he can be anywhere (and usually is), and operates alone with a clever baiting device. His name: "SAIPAN SAM"; description: when placed beside Van Johnson, you can't tell the difference; characteristics: slow, silent type; found wherever there are women; bait: one large box of Kleenex. This reporter has seen him operate and decided that you all had better know about him.

JUST IN PASSING: Now that the "Sen-says" have moved right close to the Company, we'll have to get on the ball. Wonder when "Walt" (Des-ne) will apply for Section VIII? Seems like K Company is being jilted out of its dance; and with things the way they are, it looks as if we won't get to show our stuff—how about that?

Distinguished visitor over the weekend was Private Min Norikane of the 442nd Combat Team who was visiting brother George of this Company.

By Pfc Wallace Hiral

What a set-up for back-slapping, the Gobblers calling their shot on a vitally important event, and seven "Dog-Housers" winning their spurs as staffs.

Even before they left on the last break, the Gobblers urged their fellow "soljers" to dream beautiful dreams because "The war's over!" They scooped the Winchells and Pearsons and other first-rate reporters on the armistice news by exactly four days.

Now on their way to Tokyo proudly wearing the chevrons of staff sergeant are Masami Hayashi, George Horie, Kenzo Kanemoto, Satoru Kanzaki, Key Kobayashi, Henry Masuda and Yukio Okimoto, all pledged to do good work.

And of course there's

## Sports a-la-moise

Pasting the pellet has taken on new significance as time draws near for the 36 hole Post Golf Championship playoff, today and tomorrow.

Incidentally, Cpl Wally Mund (tournament charge-d'affairs) says the cup is a beauty, is about 24 inches high, and is silver.

Being champ, warrant officer Sal Jio doesn't have to qualify to be eligible for the championship flight, but a couple little worms in the fairways say the "King" is still sinking the pelota as accurately as ever.

Biggest threat to Jio's re-ascendency comes from the accurate shooting of Tec 5 Tad Takakura, and Sgt George Kayama, both of whom posted 77s.

However, certainly not to be overlooked are S/Sgt Vern Scott, Captain H. S. Anderson and Tec 3 H. A. Erickson, all of whom stroked neat 79s.

Also in the running is S/Sgt Jerry Simmons, with an 80 and Pfc James Nakamura with an 83. These seven golfers, together with warrant officer Jio, make up the championship flight.

Major Davies, Post Judge Advocate, may not be a Charley Paddock, but at one time he says he had a faster start than Danneker going down to second base.

And it was that start that made the major the North Dakota Intercollegiate 100-yard dash champion from 1925 to 1930.

The major admits having ground out that distance in 10 seconds flat, or nearly flat, anyway, he says.

And while we are in a reminiscing vein, you might be interested to know that S/Sgt John Miller, I&E office, has rubbed shoulder pads with the great, and has had nothing but bruises and amnesia to show for it. When Miller was in Texas in the fall of '42 his battalion team slugged it out with the Corpus Christi 11 which included Minnesota's Bruce Smith and several other All-Americans not to mention four or five pro players.

In the third quarter, Miller, who was playing end, pulled back to cover his safety man on a punt return. His back fumbled and the next thing Miller knew the entire Corpus Christi line and Bruce Smith was pounding down on him. Miller had no alternative but to pile into the Navy boys, and vice versa, because when John came to he was downtown in a San Antonio bar, imbibing some of that sudsy stuff. Miller had played the rest of the game out of his head, and didn't know until hours later that the Corpus Christi had beaten his battalion team by just one touchdown.

Being as the baseball season is still with us here's a little item which seems timely. The Camp Lee Traveler nine has an outfield which includes Johnny Lindell, former Yank pitcher turned slugging outfielder; Pete Reiser, former National League batting champ and the apple of Leo Durocher's eye; and bandy-legged George Stumpf who toiled so valiantly with Columbus, Kansas City and St. Paul in the Association. Sitting on the bench is Henry Steinbacher of the White Sox and St. Paul. That's a better outfield than any now playing in the big leagues.

## MEDICAL BRANCH

By Pfc F. L. Harper

Items of varied importance... comments for the press by the great and near great of the Medical Branch on no specific subject ran something like this. "Today I am without words," said S Sgt Erickson; Sgt Burt, "Peace is wonderful"; S Sgt Admiral Stinson, "After this we go to 11 o'clock chow" (he just missed out on that extra tender steak); Cpl Courtney, "Some-day I won't wear my green glasses"—and to conclude—Pfc Howard Kolb remarked that "There's high water in the low lands and bugs in the bogs."

Personal nomination for one of the cheeriest of the Medical Men—Capt B. I. Sliterman of heart and lung... Pfc Neil Woods took a strange gal to the movies the other night and fell asleep—must be the local stuff is better—at least it keeps him awake.

Pfc Rex (Sportsman) Snyder darn near drowned Sunday while matinee-ing at the USO picnic at White Bear—seems like he got in up to his shoulders and somebody pushed him—Pics Spino and Woods were the heroes... Cpl Howard Kuhn now is the new head of the Dispensary since Martin Farkas is no longer with rank and uniform.

## FINANCE Office

By We Three

There's been news galore (real news) since last we went to press—'bout Russia's entry into the Pacific war, the atomic bomb, and the Japanese acceptance of the Potsdam terms—but knowing you have read and re-read such news, we reporters of A.D.M. I.N. (use your imagination) have interviewed, made observations and overheard a few "local" items—to-wit:

FLASH!! Bob Blewett has returned to the fold looking none the worse for his three-week grind in ole Indiana. At present the \$64.00 question is whether or not he graduated. To date he hasn't gotten his "grades" so we don't know if he's Quiz Kid competition or not.

CONGRATULATIONS are being sent (herewith) to Post Fiscal Officer next door on his new shining armor, half-tracks, or whatever you call 'em—anyway Captain Haggerty, we hope you'll be very happy.

RETURNEE from over a month's leave spent with her hubby who'd been away for sooooo long, is Adele Hofmeister of enlisted men's pay. Nice to have you back, A. H., but is that the way you feel about it?

WHAT COULD BE NICER?—Shortly after the news of the war's end, Eileen Flohr received word from her husband, Captain Flohr, who had arrived at Camp McCoy, Wisconsin, from Italy. She joined him there last Thursday and after his leave plans to accompany him to his new station at Sioux Falls, South Dakota. More husbands coming home!—these lucky girls.

Lauretta Akerson is still on the vacationers' list. First the house-hunting problem took up most of her time, but now—house found—and husband Ed returned, well... we think her time is being well taken care of.

CAROLE IS BACK at the old grind this week, a "Sunnier" Swanson than she was before her two weeks at Yellow Lake. We're referring to the new glow of her skin with that Wisconsin tan. If you've noticed a brighter glow to her sunny disposition lately could be 'cuz a very special friend is back in the states.

LATEST WAR-TIME MENU—pork tails and beef brains. Strictly a meal from beginning to end!

WELL, no more can we students of French trot gaily around rolling glib "c'est la guerre's" from our tongues. What'll we do now??? And how will the clerks in our local department stores feel about things now, we wonder. No gum-chewing gal can come back with "What's the matter with youse, don'cha know there's a war on?"

A DOUBLE-HEADER of a vacation is being enjoyed by Ginny Combs this week as she relaxes at Rutters' Lodge in Northern Minnesota. Personally, we think this second vacation is just a much-needed rest after that strenuous week in Chicago. But it's fun, isn't it, Ginny?

QUOTE Rolie Neutzling as he walked into the office at 1100 bells Tuesday morning, grinning from ear to ear in a new (we must admit) plenty snappy striped sweater, "Isn't this the best ever?"

THEY SAY—"No news is good news," so we'll leave it up to you—was it—or is it??

## Motor Pool Passes Inspection

Shown are members of the Post Motor Pool which passed its quarterly first and second echelon activity Ordinance inspection 31 July and 1 Aug. with a 93 out of a possible 100 points. This is a rise of 6% over the last quarterly inspection, according to Captain Noel Schutz, motor pool officer. Captain Schutz went on to say that last quarter the Post Motor Pool placed tenth in the Seventh Service

Command and hopes to place even higher this time.

The Motor Pool is on 24-hour service, and a monthly report typical of the past few months would show 108,072 miles driven, 81,831 passengers transported, and 3,994,141 pounds of baggage hauled. Captain Schutz is standing sixth from the left in the second row.

## MEDICAL DETACHMENT

By Pfc Russ Carlson

First of all we wish to congratulate six men of the detachment who have been promoted this week. Clarence Wollt has been appointed staff sgt, Costos Poulos and Stewart Werksman have been made technicians fourth grade, and Donald Johnson, Alphonse Spier and Milus Kerby are now technicians fifth grade.

The headlines in the paper about the surrender of Japan meant less to nine men of the hospital than the smaller letters that appeared a few days later announcing that men over thirty eight were eligible for discharge within ninety days of their application for it. The nine old men here are S/Sgt Roy Lange, Tec 3 Harold Erickson, Sgt Earl Schmeck, Tec 4 Tokumi Hamako, Tec 5 Reinhold Schwartz, Pfc Ralph Gentry, Pfc Maurice Hillstad, Pfc Marion Peterson and Pfc Andy Ulmer. Most of them have withstood the gaff for two or three years but it appears that the last three months are the hardest.

A formal proclamation was tacked on the door of the room in the barracks occupied by T/Sgt Hassell Short and S/Sgt Lester Bendix notifying whom it may or may not concern that a small portion of Minnesota's soil had been annexed in the name of the Lone Star Republic. The order read "Ye who entering these portals are now entering a bit of Texas". A couple of days later it disappeared and when Short was asked what happened to it he said (with rebel accent of course) "Bendix filed it in our archives along with the Texas Declaration of Independence and other documents associated with our history."

Our war with Japan lasted 1,346 days after the Pearl Harbor attack on 7 Dec. 1941. The European war lasted 2,075 days after Hitler's legions struck Poland on 1 Sept. 1939.

## Civilian Personnel

DIS-N-DAT

Fred Heywood, Post Hq, is attending a Wage Classification course at Omaha this week. Maybe it is the food and floor shows (?) at "Babes" that made Fred so anxious to travel to Omaha via Des Moines, but rumor has it that she's blonde!

Military and Civilian Personnel of Post Hq extend their sympathy to the family of Louis Madland in their bereavement. Louis was employed as a maintenance worker in Post Hq and died suddenly of a ruptured appendix on Friday morning, 17 August 1945.

Marge Pinger, Sonja Beckstrom, Lucille Schultz, Mary Heinz and Laverne Hanson, Post Hq, are planning a "big time" at Lake Minnewashta this weekend. The girls have their fingers crossed on account of this unpredictable Minnesota weather—and especially on weekends. Here's hoping it's sunny and warm.

The ordnance division reports two new faces in the persons of Eli Levensohn, who came to them from the signal corps in Philadelphia, where he spent his time climbing in and out of tanks inspecting radio equipment, and Mary Tosney, who joined them after three years with the Army engineers and ordnance office at the Gopher Ordnance works. However, Mary is no stranger to the Post, as she has been singing with the Post Catholic Choir since April, 1942, when it was organized.

Those newspaper photographs have been a great aid in the ordnance division's program of recruiting shop personnel—but we haven't decided whether it was that glamour picture of Bill Tuft and Ernie Taylor or the picture of ordnance's photogenic parts clerk, Luella Bergman, that did the trick!

The end of the war and gasoline rationing resulted in the transfer of Gladys Marlow to her old job in the Salvage Office. Gladys was formerly employed as Ration Clerk, QM Division.

Jane Johnson, commissary branch, is a happy girl these days. Jane's husband is home on a 15-day leave and Jane is having a two weeks vacation.

We have a brand new bride in our midst. E. Irene Lockrem, purchase and contracting, QM division, became the bride of Lt Jerry Hoffneger at Our Savior's Lutheran Church, Minneapolis, on Tuesday, 21 August 1945. Miss Della Frascini, purchase and contracting, was Irene's maid of honor. Jerry formerly worked in the commissary before he went into the service. Irene received some lovely gifts from the girls of the QM division at a surprise shower last week. Congratulations Irene and Jerry!

Margaret Giles (nee Memmer), who is greatly missed in Post Hq, is basking in the California sunshine (?). However, owing to the "unusual" heavy "dew" around San Francisco lately, Margaret hasn't been able to acquire a suntan. Margaret is working at the Presidio in the claims section—once a court reporter always a court reporter! The new bridegroom is stationed at Treasure Island which makes it very convenient.

## HOW TO DO THE HULA IN ONE EASY LESSON

First, you put on a crop of grass; then you put on another crop of grass; then you rotate the crops!

## Don't Pack Yet

Washington (CNS)—You may be in for the "duration plus 6," but that doesn't mean you'll be discharged within half a year of Japan's surrender. The war will be officially over upon conclusion of a peace treaty, upon a Presidential proclamation, or by a joint Congressional resolution. World War I didn't end officially until almost 3 years after the last shot was fired. Meanwhile, the draft will continue.
