

Tenant Report on Programming - 2019 year-end

In its agreement with Minnesota Landmarks, Ramsey County requests that its nonprofit tenants provide public programming, as programming-in-lieu-of-rent, in the form of free or low-cost programs and services within Landmark Center for the enjoyment of Ramsey County residents. "Low cost" is defined by the Minnesota Landmarks Board of Directors as under \$10 per person.

In the form below, please discuss in narrative and/or bulleted form the programs your organization sponsored and/or produced between **January 1, 2019 and December 31, 2019**. Please remember that the Board of Minnesota Landmarks does not consider the following to qualify as public programming and do not fulfill programming requirements within the lease:

- *Fundraisers, Conferences or private workshops*
- *Private events or lessons*
- *Auditions*
- *Events not taking place within Landmark Center*

Please list each event that was held at Landmark Center and provide a description of the event, including type of event (concert, exhibit, performance, etc.), list the date, hours, title/name of event, admission (if applicable). If a series, please list series as one event with total attendance and number of installments. **Add program events on additional sheets as needed.**
