Anticipated Tenant Programming for 2016

In its agreement with Minnesota Landmarks, the managing arm of Landmark Center, Ramsey County requests that its nonprofit tenants provide public programming, as programming-in-lieu-of-rent, free or low cost events (defined by the Minnesota Landmarks Board as under \$10 per person) for the enjoyment of Ramsey County residents. The nonprofit tenant organizations, along with Minnesota Landmarks, contribute low-cost programs and services.

Events that are considered "public programming" must be advertised and promoted to the general public. Please remember that the following are not considered public programming by the Board of Minnesota Landmarks and do not fulfill programming requirements within the lease:

- Fundraisers
- Conferences or private workshops
- Private events or lessons
- Auditions
- Events not taking place within Landmark Center

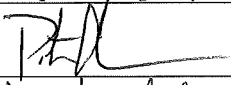

The deadline for this report is March 15, 2016. Please submit your response as soon as possible. Please contact Alicia Wiesneth, Programs and Marketing Manager at 651.292.3063 or awiesneth@landmarkcenter.org with questions.

Please list programs you plan to complete and the anticipated date for the event (add additional sheets as necessary):

Event	Date
