

LANDMARK C E N T E R

2017 Anticipated Tenant Programming

In its agreement with Minnesota Landmarks, Ramsey County requests that its nonprofit tenants provide public programming, as programming-in-lieu-of-rent. All nonprofit tenant organizations, along with Minnesota Landmarks, are asked to contribute free or low-cost programs and services within Landmark Center for the enjoyment of Ramsey County residents. "Low cost" is defined by the Minnesota Landmarks Board of Directors as under \$10 per person.

Events that are considered "public programming" must be advertised and promoted to the general public. Please remember that the following events are not considered public programming by the Board of Minnesota Landmarks and do not fulfill programming requirements within the lease:

- *Fundraisers*
- *Conferences or private workshops*
- *Private events or lessons*
- *Auditions*
- *Events not taking place within Landmark Center*

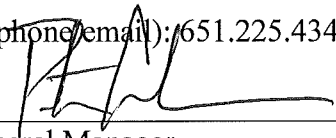

The deadline for this report is March 1, 2017. Please contact Judy Brooks, Director of Community Programs at 651.292.1239 (jbrooks@landmarkcenter.org) with questions.

Please list programs/activities you plan to complete and the anticipated date for the event (add additional sheets and information as necessary):
