On reading and filing the foregoing petition IT IS ORDERED That H. A. Fink, the guardian above named, be, and he hereby is, authorized and empowered to accept interest at the rate of three per cent (3%) on the fifty six hundred dollar (\$5600) mortgage note referred to in said petition in full payment and satisfaction of the annual interest on said note that became due by its terms on February 5, 1935.

In the Matter of the Guardianship
of LaMont L. Fink, Minor ward.

Your petitioner, H. A. Fink, respectfully states:

That he is the duly appointed, qualified and acting guardian of the above named ward; that among the assets of the estate of said ward is a promissory note for five thousand six hundred dollars (\$5600) executed by Florian Fink to your petitioner as guardian, which said note is secured by a mortgage on real estate situate in the County of Carver; that the interest rate on said note is five per cent (5%); that the maker of said note and mortgage lives on the land described in said mortgage and operates the same as his farm; that because of existing economic conditions and specially because of last summer's drought said mortgagor is not in position to make payment of interest at the full rate of 5%; That he is ready and willing to make payment of the annual interest that became due on February 5, 1936, at the rate of three and one-half (3½) per cent; that under existing conditions 3½% is a fair rate for interest for that year; and petitioner prays that the court make its order permitting him to accept interest at the rate of 3½% in full settlement of the interest that became due on February 5, 1936, under the terms of said note.
