Mr. Christensen reported that the Water Meter installation would begin on Tuesday, March 28th, 1961.

He further reported on the status of the North Suburban Sanitary Sewer Bill. He stated that because of the reversal of the Minneapolis stand on the sewer that the chances for passage of our bill were much better than they were a few weeks ago.

The Engineer recommended the following water rates be established for all home and present commercial uses:

\$6.75 per quarter for the 1st 10,000 gallons,
less .75¢ if payment is made by the 25th day
of the month of billing.

For usage in excess of 10,000 gallons per quarter:

For the next 10,000 to 20,000 gallons .35¢ per thousand.

For the next 20,000 to 30,000 gallons .30¢ per thousand.

For the next 30,000 and all additional gallons .25¢
per thousand.
