Additional comments:

Swan Samson was born January 13, 1866 in Ljungby, Smaland, Sweden. He immigrated to the United States at the age of 18 years and settled in St. Paul and other localities before coming to Milaca. On December 17, 1896, he married Anna Maria (Mary) Anderson, a cook, whom Swan met at a logging camp. On April 13, 1897 he became a United States Citizen.

Besides farming for many years, he also worked for the Burnhelm Sawmill near Bock, Minnesota. Swan traveled to the North Dakota harvest fields in the fall to work and earn money to help pay for the farm.

While helping on the farm, Swan's son Theodore, picked potatoes at Odegard's potatoe bog near Princeton. He then went to work for the Pullman Car Company in Chicago, Illinois and came home to help on the farm with the spring planting and the fall harvest. When Swan could no longer keep up with the farm work, Theodore discontinued his employment with the Pullman Car Company and came home to farm full time until his death, August 22, 1964.

From whom was the farm purchased? U.S. Land Office at Crookston, Minnesota on March 11, 1905

How many acres were in the original parcel? 160 acres

What was the cost of the land per acre? Homesteaded for \$4.00 per acre

Where was the first family owner born? John Nels Swanson was born in Loma, Sweden. Anna Lind was born in Nebraska and is of Swedish decent also.

Did he/she engage in any trades or occupations other than farming? Yes

If so, please list: Some Logging and Carpentry work

Was this a homestead? Yes, homestead filed on March 11, 1905 and Final Commutation Proof made on November 8, 1911

Is the original home, any portion of it, or any other original buildings still standing? Yes, the main part of the original house makes up the kitchen and dining area of Ernest's present house.

When was the present home built? Ernest's house has been added onto and remodeled several times over the years. Alan and Deb live in a home built in 1998.

What were the farm's major crops or products? Cream, milk, eggs, oats, flax, wheat, hay, cattle, pigs, chickens in early years. Beef cattle, alfalfa, wheat, barley, canola, sunflowers and soybeans more recently.

Additional comments:

My grand parents, John and Anna Swanson homesteaded in Section 3 of Highlanding Township, originally Red Lake County, now Pennington County, in 1905 and raised 10 children there, Robert, Alice, Ethel, Mabel, Laura, Eugene, Emma, Ernest, John, and Marjorie. My parents, Ernest and Lois Swanson, purchased the farm in 1943 after renting it for a few years. They raised 5 children on the farm including Sharon, Lowell, Anita, Linda and me, Alan. Lois was an active 4-H leader and all of us won numerous trips to the State Fair. I began renting the home quarter in 1975 and along with my wife, Deb, purchased it in 1983. Ernest sold the east and north quarters to Lowell who continues to farm them. Ernest has a life estate on the original house and at 88 years of age actively helps with field work. Alan and Deb purchased a new home in 1998 and have 3 children, Kari, Aaron and Michael. They are also very active in 4-H activities and look forward to the State Fair every year. Alan and family have a 320 acre 50 cow-calf operation with some small grains and Lowell farms 1200 acres of small grains. A family reunion was held on the farm in July 2004 with 6 of the 10 2nd generation children of John and Anna in attendance.

PLEASE SEE ATTACHED SHEET.	

From what I currently know, John Fillenwarth was a land agent living in northern Iowa with his wife Louisa. Section 7 was one of the tracts of land in Polk County designated as railroad land for the use and benefit of the St. Paul and Pacific Railway Company and was sold to John in 1901 by the Central Trust Company of New York, Trustee, reserving to the Great Northern Railway Company a strip of land for railroad purposes. John sold the land to Thomas Way, who in turn sold it to D. J. Stewart, who in turn sold it to John Myers, who in turn sold it to Edward Wright; and from Wright to Wiley Phillips, carrying a mortgage from John to one of the first owners. In short, the land was sold by the Sheriff of Polk County in foreclosure, and in 1905 the land reverted to John Fillenwarth again.

× , , ,

The land was rented out, and in 1916 it was deeded to his daughter, Clara Fillenwarth Zuehl who lived and farmed with her husband, Fred, at Britt, Iowa. Clara continued to lease the land out, and in the early 1930's Clara and Fred's daughter, Esther Zuehl Bonnette, and her husband, Lewis A. Bonnette moved to Minnesota and to the Section 7 land. An Iowa-style farmhouse, granary, and barn had been built on Section 7 many years prior, and this farm became the home for the Bonnette's and their daughter, Betty. Daughter, Marlene was born in 1940.

In 1944 Section 7 was deeded to Esther L. Zuehl Bonnette. The Bonnette's continued to live on Section 7 until Esther's death in 1984. Lewis died in 1988. Section 7 was sold to Mylo and Marlene Bonnette Carlson on a Contract for Deed in 1975. The Carlson's son, Michael (great, great grandson of John Fillenwarth) and his wife, Diane, and their children, Zachariah, HollyAnn, and Maison, live on Section 7 at this time.

Any partial prepayment shall be applied first to payment of amounts then due under this contract, including unpaid accrued interest, and the balance shall be applied to the principal installments to be paid in the inverse order of their maturity. Partial prepayment shall not postpone the due date of the installments to be paid pursuant to this contract or change the amount of such installments.
- 6. REAL ESTATE TAXES AND ASSESSMENTS. - (c) NOTICE OF DAMAGE. In the event of damage to the Property by fire or other casualty, Purchasers shall promptly give notice of such damage to Seller and the insurance company.

8. DAMAGE TO THE PROPERTY.

- (a) APPLICATION OF INSURANCE PROCEEDS. If the Property is damaged by fire or other casualty, the insurance proceeds paid on account of such damage shall be applied to payment of the amounts payable by Purchasers under this contract, even if such amounts are not then due to be paid, unless Purchasers make a permitted election described in the next paragraph. Such amounts shall be first applied to unpaid accrued interest and next to the installments to be paid as provided in this contract in the inverse order of their maturity. Such payment shall not postpone the due date of the installments to be paid pursuant to this contract or change the amount of such installments. The balance of insurance proceeds, if any, shall be the property of Purchasers.
- PURCHASERS' ELECTION TO REBUILD. If Purchasers are not in default under this contract, or after curing any such (b) default, and if the mortgagees in any prior mortgages and Seller in any prior contracts for deed do not require otherwise, Purchasers may elect to have that portion of such insurance proceeds necessary to repair, replace or restore the damaged Property (the repair work) deposited in escrow with a bank or title insurance company qualified to do business in the State of Minnesota, or such other party as may be mutually agreeable to Seller and Purchasers. The election may only be made by written notice to Seller within sixty days after the damage occurs. Also, the election will only be permitted if the plans and specifications and contracts for the repair work are approved by Seller, which approval Seller shall not unreasonably withhold or delay. If such a permitted election is made by Purchasers, Seller and Purchasers shall jointly deposit, when paid, such insurance proceeds into such escrow. If such insurance proceeds are insufficient for the repair work, Purchasers shall, before the commencement of the repair work, deposit into such escrow sufficient additional money to insure the full payment for the repair work. Purchasers shall complete the repair work as soon as reasonably possible and in a good and workmanlike manner, and in any event the repair work shall be completed by Purchasers within one year after the damage occurs. If, following the completion of and payment for the repair work, there remain any undisbursed escrow funds, such funds shall be applied to payment of the amounts payable by Purchasers under this contract in accordance with paragraph 8 (a) above.

9. INJURY OR DAMAGE OCCURRING ON THE PROPERTY.

(a) LIABILITY. Seller shall be free from liability and claims for damages by reason of injuries occurring on or after the date of this contract to any person or persons or property while on or about the Property. Purchasers shall defend and indemnify Seller from all liability, loss, costs and obligations, including reasonable attorneys' fees, on account of or arising out of any such injuries. However, Purchasers shall have no liability or obligation to Seller for such injuries which are caused by the negligence or intentional wrongful acts or omissions of Seller.

(b) LIABILITY INSURANCE. Purchasers shall, at their own expense, procure and maintain liability insurance against claims for bodily injury, death and property damage occurring on or about the Property in amounts reasonably satisfactory to Seller and naming Seller as an additional insured.

- 10. INSURANCE, GENERALLY. The insurance which Purchasers are required to procure and maintain pursuant to paragraphs 7 and 9 of this contract shall be issued by an insurance company or companies licensed to do business in the State of Minnesota and acceptable to Seller. The insurance shall be maintained by Purchasers at all times while any amount remains unpaid under this contract. The insurance policies shall provide for not less than ten days written notice to Seller before cancellation, non-renewal, termination or change in coverage, and Purchasers shall deliver to Seller a duplicate original or certificate of such insurance policy or policies.
- 11. CONDEMNATION. If all or any part of the Property is taken in condemnation proceedings instituted under power of eminent domain or is conveyed in lieu thereof under threat of condemnation, the money paid pursuant to such condemnation or conveyance in lieu thereof shall be applied to payment of the amounts payable by Purchasers under this contract, even if such amounts are not

then due to be paid. Such amounts shall be applied first to unpaid accrued interest and next to the installments to be paid as provided in this contract in the inverse order of their maturity. Such payments shall not postpone the due date of the installments to be paid pursuant to this contract or change the amount of such installments. The balance, if any, shall be the property of Purchasers.

- 12. WASTE, REPAIR AND LIENS. Purchasers shall not remove or demolish any buildings, improvements or fixtures now or later located on or a part of the Property, nor shall Purchasers commit or allow waste of the Property. Purchasers shall maintain the Property in good condition and repair. Purchasers shall not create or permit to accrue liens or adverse claims against the Property which constitute a lien or claim against Seller's interest in the Property. Purchasers shall pay to Seller all amounts, costs and expenses, including reasonable attorneys' fees, incurred by Seller to remove any such liens or adverse claims.
- 13. DEED AND MORTGAGE REGISTRY TAXES. Seller shall, upon Purchasers' full performance of this contract, pay the deed tax due upon the recording or filing of the deed to be delivered by Seller to Purchasers. The mortgage registry tax due upon the recording or filing of this contract shall be paid by the party who records or files this contract; however, this provision shall not impair the right of Seller to collect from Purchasers the amount of such tax actually paid by Seller as provided in the applicable law governing default and service of notice of termination of this contract.
- 14. NOTICE OF ASSIGNMENT. If either Seller or Purchasers assign their interest in the Property, a copy of such assignment shall promptly be furnished to the non-assigning party.
- 15. PROTECTION OF INTERESTS. If Purchasers fail to pay any sum of money required under the terms of this contract or fail to perform any of their obligations as set forth in this contract, Seller may, at Seller's option, pay the same or cause the same to be performed, or both, and the amounts so paid by Seller and the cost of such performance shall be payable at once, with interest at the rate stated in paragraph 4 of this contract, as an additional amount due Seller under this contract. If there now exists, or if Seller hereafter creates, suffers or permits to accrue, any mortgage, contract for deed, lien or encumbrance against the Property which is not herein expressly assumed by Purchasers, and provided Purchasers are not in default under this contract, Seller shall timely pay all amounts due thereon, and if Seller fails to do so, Purchasers may, at their option, pay any such delinquent amounts and deduct the amounts paid from the installment(s) next coming due under this contract.
- 16. DEFAULT. The time of performance by Purchasers of the terms of this contract is an essential part of this contract. Should Purchasers fail to timely perform any of the terms of this contract, Seller may, at Seller's option, elect to declare this contract canceled and terminated by notice to Purchasers in accordance with applicable law. All right, title and interest acquired under this contract by Purchasers shall then cease and terminate, and all improvements made upon the Property and all payments made by Purchasers pursuant to this contract shall belong to Seller as liquidated damages for breach of this contract. Neither the extension of the time for payment of any sum of money to be paid hereunder nor any waiver by Seller of Seller's rights to declare this contract forfeited by reason of any breach shall in any manner affect Seller's right to cancel this contract because of defaults subsequently occurring, and no extension of time shall be valid unless agreed to in writing. After service of notice of default and failure to cure such default within the period allowed by law, Purchasers shall, upon demand, surrender possession of the Property to Seller, but Purchasers shall be entitled to possession of the Property until the expiration of such period.
- 17. BINDING EFFECT. The terms of this contract shall run with the land and bind the parties hereto and their successors in interest.
- 18. HEADINGS. Headings of the paragraphs of this contract are for convenience only and do not define, limit or construe the contents of such paragraphs.
- 19. ASSESSMENTS BY OWNERS' ASSOCIATION. If the Property is subject to a recorded declaration providing for assessments to be levied against the Property by any owners' association, which assessments may become a lien against the Property if not paid, then:
 - (a) Purchasers shall promptly pay, when due, all assessments imposed by the owners' association or other governing body as required by the provisions of the declaration or other related documents; and
 - (b) So long as the owners' association maintains a master or blanket policy of insurance against fire, extended coverage perils and such other hazards and in such amounts as are required by this contract, then:
 - (I) Purchasers' obligation in this contract to maintain hazard insurance coverage on the Property is satisfied; and
 - The provisions in paragraph 8 of this contract regarding application of insurance proceeds shall be superseded by the provisions of the declaration or other related documents; and
 - (iii) In the event of a distribution of insurance proceeds in lieu of restoration or repair following an insured casualty loss to the Property, any such proceeds payable to Purchasers are hereby assigned and shall be paid to Seller for application to the sum of secured by this contract, with the excess, if any, paid to Purchasers.

TITLE DEFECT. Seller and Purchasers acknowledge that a portion of the above-described land is actually in the name of Diane Nathe, £/k/a Diane Brown, and further acknowledge that Seller has advised that he in fact agreed with Diane to pay her in full for the land but no deed was ever prepared and executed to convey the land to Seller. Seller agrees that he will make all good faith efforts to either obtain a Quit Claim Deed from Diane Nathe, £/k/a Diane Brown, or have the Court determine that Seller is the actual owner of the said land, either by going through a quiet title action and showing that he has been possession of the land under a claim of right and paid all taxes on the said land for the past 15 years or by seeking to amend the Judgment and Decree of Dissolution to provide that title will be in Seller's name. The parties hereto further agree that the title defects will be corrected within one (1) year from the date of this Contract for Deed and if any of the title defects are not so corrected, Purchasers herein shall have the right to incur all expenses reasonably necessary to cure the title defects and deduct any amounts so spent, including but not limited to reasonable attorneys fees, from amounts owed in the future on this Contract for Deed.
