Your material on Gary Searle has been reviewed and discussed with Dr. Richard Bartman here. We recommend commitment in mental illness rather than either mental deficiency or epilepsy. This is on the basis that Dr. Bartman feels that mental illness is consistently diagnosed throughout the record and could account for the greatest number of symptoms shown by this man. Epilepsy is not a current problem, and mental deficiency cannot be the determining factor in Mr. Searle's problems.

- USE AND PROCEDURE: This return will be used in all estates to report all transfers from deceased persons to heirs or beneficiaries which are not included in the inventory in a Minnesota probate proceeding.
 - If there is a Minnesota probate proceeding (general administration, special administration, summary distribution, or petition for decree of descent), the return will be filed with probate court. If a tax may be due, or if a waiver of inheritance tax lien from the commissioner is needed, prepare the return in duplicate.
