Dear Judge Weis:

In reviewing the last accounting in the matter of the guardianship of Lawrence F. Schaefer I realize that my bond is approximately \$10,000.00 above the present assets over which we have and exercise authority. We would therefore request a reduction in bond to approximately \$25,000.00 the present value of the guardianship assets over which we exert authority. After a review of the file if you would please advise us of your willingness to reduce this bond.

Yours truly,

IN RE: The Guardianship of:

Lawrence F. Schaefer,

AFFIDAVIT OF LAWRENCE F. SCHAEFER

STATE OF MINNESOTA)
COUNTY OF RAMSEY) ss.

LAWRENCE F. SCHAEFER, being first duly sworn under oath
states and says,

That he is the Ward in the Guardianship of Lawrence F.
Schaefer.

That a Guardian was first appointed for me on or about
July 24, 1958. The Guardian was appointed for me because I was intem-
perate, when drunk I would occasionally lose my money. I was a real
bother to my family. At the time they, especially my brother-in-law
Peter R. Thomas said that it would be over his dead body that I would
squander the money that the family had worked so hard to get.

It has been years since I have had a drink of alcoholic
beverage. In February 1981 I was diagnosed as diabetic by Dr. Karen
Kleinman at the Hennepin County Medical Center. I have been taking
insulin by self-administered injection since that time. I have also
controlled my diet very closely to alleviate the problem. I have not
touched a drop of alcoholic beverage since that time. My mother had
diabetes and I understand that it is hereditary and so therefore I expect
that is why I got it.

My last job was Busch Incorporated, 701 South 1st Avenue,
Minneapolis, MN as a security guard. Primarily I was on duty at North
American Life and Casualty and various other business places throughout
the Metropolitan Area.

My job with Busch was terminated shortly before my diagnosis

00010241

as a diabetic. I also have arthritis. I believe that my illnesses which prevented me from going to work were responsible for the loss of the job. My present illnesses of diabetes, arthritis and the effects of the heart attack I suffered December 7, 1981 prevent me from working at this time.

While I was working I saved my money. Also I was getting an allotment of approximately \$400.00 per month from the Guardian. Attached hereto and made a part hereof by reference as Exhibit A are ledger sheets showing my bank account records from March 1978 until January 1982. These records show that as of January 1982 I had accumulated \$6,333.21 starting from a beginning balance of \$300.00. As of this time I have \$5,713.90 in the bank. If one compares my track record in investments with the track record of my Guardian as revealed in his annual accounts, especially when one considers his outrageous charges for what little he has done, I believe that I am doing much better with my money-than he has done. I'd be money ahead without him.

I have lived at 2000 Elliot Avenue South, Apartment 6, Minneapolis, MN for several years now. I pay my rent promptly and I live alone.

Over the last several years I have irregularly attended the University of Minnesota to take audit courses for my general education. Attached hereto and made a part hereof by reference as Exhibit B are my receipts for courses taken and audited in the CLA division.

From the last Annual Account of my Guardian furnished to me by Peter Donahue, a copy of which is attached hereto and made a part hereof by reference as Exhibit C, it appears that Mr. Donahue has charged me \$1,001.10 for legal fees and expenses and \$800.00 for guardian fees. I don't know what these legal fees and expenses are for but I think that when the combined legal fees and guardian fees amount to more than 10 percent of the total value of the assets it is time to make a change.

I believe that I am fully competent to manage my own affairs. My track record over the last four years demonstrates my abilities.

This Affidavit is made for the purpose of terminating my Guardianship.

FURTHER AFFIANT SAYETH NOT.

FINDINGS OF FACT,
CONCLUSIONS OF LAW
AND ORDER

The hearing on the Petition for Restoration to Capacity was heard by the Honorable Richard J. Ahles on November 9, 1982, in Courtroom #2 of the Stearns County Courthouse.

Petitioner was represented by John H. Martin, Attorney at Law. Guardianship was represented by Peter S. Donohue, appearing pro se.

Based upon the testimony adduced at the hearing, the exhibits received into evidence and the arguments of counsel, the Court now makes the following:

FINDINGS OF FACT

I.

Petitioner is no longer incapacitated, as that term is defined in Minnesota Statutes 525.54 Subd. 2 and 525.54 Subd. 3.

II.

The Petitioner is able to make provisions for his care and to manage his property.

CONCLUSIONS OF LAW

That the Petitioner be fully restored to capacity forthwith.

Now therefore IT IS HEREBY ORDERED:

1. That the Guardianship herein be terminated.
2. That the Guardian turn over all assets in the Guardianship to Petitioner within 30 days hereof.
3. That the Guardian file his Final Account with the Court within 30 days hereof.

Dated at St. Cloud, Minnesota, this 10th day of November, 1982.

MEMORANDUM

In a Petition for Restoration to Capacity the Petitioner must prove by a preponderance of the evidence that he is no longer incapacitated, as that term is defined in Minnesota Statutes 525.54, and further, that he is able to make provisions for his care and/or to manage his property. It is the judgment of the Court that Petitioner has proved each of these elements of his Petition by a preponderance of the evidence.

Minnesota Statute 525.54, Subd. 2, defines an incapacitated person as "any adult person who is impaired to the extent that he lacks sufficient understanding or capacity to make or communicate responsible decisions concerning his person and who has demonstrated deficits in behavior which evidence his inability to meet his needs for medical care, nutrition, clothing, shelter or safety". At the hearing the Guardian himself testified that Petitioner's behavior over the past year and a half has been exemplary, at least in comparison to Petitioner's behavior over the previous 20 years of the Guardianship. In fact, there was no evidence that there have been any recent "deficits in behavior" affecting Petitioner's ability to meet his needs for medical care, nutrition, clothing, shelter or safety. On the contrary, Petitioner has been living by himself for at least the past two years in an apartment in Minneapolis and has been paying rent by himself and has been feeding and clothing himself. (Petitioner appeared in Court in a well-dressed business suit.) There was some testimony by the Guardian that the Petitioner has refused to undergo some recommended treatment, but there was no testimony as to what treatment was recommended or how essential it is that Petitioner undergo this treatment. There was testimony that the Petitioner is receiving medical treatment for diabetes and other medical conditions. Finally, it appears that Petitioner has overcome any problems caused by his drinking that he has experienced from time to time during the many years of the Guardianship in that he has not experienced any difficulties caused by drinking for the past year and a half and has apparently maintained sobriety during the past year and a half. Petitioner

himself testified that he knows he cannot drink alcoholic beverages without doing damage to himself because of his diabetic condition, which has only been diagnosed within the past year and a half. On balance, if there was a time when Petitioner was not able to care for his person, it does not appear that such is the case today and that he has demonstrated over the past two years his ability to care for himself.

M.S. 525.54, Subd. 3, defines an incapacitated person as "any adult who is impaired to the extent that he lacks sufficient understanding or capacity to make or communicate responsible decisions concerning his estate or financial affairs and who has demonstrated deficits in behavior which evidence his inability to manage his estate." Petitioner has handled a checking account for several years and kept the account with a positive balance. Petitioner was perceptive enough a few years ago to switch his checking account from "checking-free" to "interest-plus", which allowed him to earn interest on the money in his checking account. Petitioner was also perceptive enough to request his Guardian to give him \$5,000.00 so that he could add that sum to the \$5,000.00 plus he had in his checking account so that by adding the two sums he could then take out a Certificate of Deposit or other type of investment which would return a much higher yield than the $5\frac{1}{4}$ per cent he was receiving on the \$5,000.00 in his checking account. By his calculations, the Petitioner would be able to "double" the $5\frac{1}{4}$ per cent he was receiving on the \$5,000.00 in his checking account if he could take that sum and a like sum from the Guardian and place it in some kind of account yielding a higher rate of interest. If in fact Petitioner at one time was not able to handle financial affairs, by reason of intemperance or other reasons, it now appears that he is able to manage a checking account and to put his money to good use by placing it in the highest yielding investment.

Finally, even if Petitioner is impaired to some extent by a mental condition (and there has been no proof adduced at the hearing to this effect), this shall not preclude his restoration to capacity if he has "the functional ability to care for himself or for his

property". M.S. 525.61, 2d Par., 2d Sen. It is the specific finding of the Court that the Petitioner has the functional ability "to care for himself or for his property" and therefore the Court has granted the Petition for Restoration to Capacity.

Dear Mr. Martin:

Enclosed find correspondence letters between my health insurance company and myself over the company's claim of a refund to me of which I didn't recall receiving.

My encircled figure of \$21.70 found listed on my financial guardian's probate court report may have been a refund from company which of likes I did pay for prescribed drugs and sent my claim to Blue Cross And Blue Shield Of Minnesota.

The check of mine of which I've enclosed is of a similar amount but different date to checks of mine that I have used to pay for an arthritic pain easer called "tolectin". I suppose this alledged mistake by company of remitting refund of which I had paid to some other party, Pete Donohue, was a natural one for company to be making, but it irks me to be finding that the refund of an item which had been paid for by me and insurance claim filled by me was not refunded to me.

Because of the smallness of explained occurance I had about forgotten matter, and it is only because of this most recent probate court report sent to me that revived event in my memory. It, also, might have been due to my lack of waste removal that whatever record of my correspondence be left to be showing to you.

If this could be of any help to your effort to be helping me in the elimination of my need in the court's eyes of maintaining a financial guardian let me know and I will, or you may, see on my banking activity record if I did so write a check of similar amount closer to dates of discused refund in question.

Yours truly,

Larry F. Schaefer

How are you? Fine I hope. I am fine except for a minor cold.

I have been working now for Hiner Properties and Thomas P. Balyk & Associates since September 20, 1982. I'm getting use to it now, and am beginning to like it. At least all that tuition money is paying off!

Here is the copy of the letter Mr. Peter Donohue sent Pat.

Am at work right now; I get off at 5:00. I will write again later.

RE: The Guardianship of Larry Schaefer

Dear Pat:

I have been advised that Larry Schaefer is going to bring an action in our local probate court to undo his guardianship and have himself restored to capacity. If I were sure that Larry would continue in a responsible performance in the future as he has evidenced in the past couple of years, I would agree with his request. However, I am afraid that the last few years may be just a temporary circumstance. On frequent occasions several years ago, I called Larry into my office to advise him that his manner of life including his drunken behavior and getting himself in jail periodically was resulting in the substantial diminution of his assets. I therefore informed him that he had to moderate his behavior substantially in order to have his assets live out his life. I believe this may have had a sobering effect on him and aided in his responsible behavior. However, I am concerned that if I am removed as his guardian the reason for his sobriety may likewise be removed. Therefore, I believe I will fight his effort.

I am writing you to find out what your feelings are as you are one of the few people who has had contact with Larry over the years. You have seen him at times of irresponsible behavior as well as, I believe, times when he seemed to moderate his irresponsible behavior. Do you believe he should be in control of his own assets? If you feel that he should not be in charge of his own estate, I believe it would be of assistance if you would put this in writing addressed to the local probate Court here in Stearns County, St. Cloud, MN.

Thank you for your consideration of this request.

Yours very truly,

PETER SALK DONOHUE

RE: The Guardianship of Lawrence F. Schaefer

Dear Judge Ahles:

Incident to the termination of the Lawrence Schaefer guardianship will be the reregistration of the various assets presently in my possession into the name of Lawrence Schaefer alone. The costs of certified copies to effect this transfer amount to \$31.50.

As of today's date the basic final account has been prepared and at the present time there remains unpaid fees owing the undersigned for preparation for and attendance at the probate hearing incurred during the month of November and fees for the preparation of the accounting amounting to \$587.50. Application is hereby made for authorization to expend the aforementioned sums in effecting the final accounting and termination of the guardianship. These fees and expenses will then be set forth on the final account in the guardianship for final approval of the court incident to the order discharging me as guardian.

Thank you for your attention to this request for authorization to pay the aforementioned expenses incurred to date. I do not anticipate substantial expenses beyond those referenced herein, but there will obviously be some additional time involved in concluding this matter which will be included in the final account as a paid expense by separate check.
