Re: Deceased, Julian F. DuBois
Date of death, March 31, 1963

Dear Mr. Paterick:

Enclosed you will find a Report of Income and Dividends for the year 1962, relative to the First State Bank of Sauk Centre.

I am not furnishing you with all the material requesting as I felt by clarifying the discrepancy in the value of the stock of the First State Bank as set forth in your letter of October 24, additional information may be unnecessary and repetitious.

Your letter of October 24 no doubt refers to the stock which was appraised in the Estate of Laurel L. Kells at \$400.00 a share.

Subsequent to that time the stock split two for one. So a fair comparison would be \$400.00 a share in the estate of Laurel L. Kells and \$422.00 a share in the estate of Julian F. DuBois.

I also capitalized the earnings of the First State Bank over a period of nine years and by using a multiple of ten, which is well accepted, I arrived at a figure of \$176.62, as the value of the stock, by capitalizing the earnings.

Julian F. DuBois was a minority stockholder, which is most important in considering this matter of value.

There have been no other changes in the corporation except for the fact there are now 1,000 shares of stock outstanding as compared to 500 shares outstanding when Mr. Kells died.

If you have any questions or need any other information will you please let me know. I feel this information will enable you to approve the values set forth in this estate.

Thank you.

Yours truly,

John W. Meyer
