THE NONPAREIL COMPOSITION PAD

NUMBER TWO

FOR HIGH-SCHOOL GRADES

(Adapted for Use with Any Standard Textbook)

ON the back cover are listed the chief errors made by high-school students in their written English compositions. These errors have been classified into five groups and numbered. Scientific investigations have shown that the *first four or five errors* in each group are responsible for most of the errors made in that group.

By using the numbers on the back cover as symbols for the errors to which they refer, the Nonpareil Composition Pad provides a method for handling the classroom work in composition that will greatly reduce the work of both teacher and student and yet greatly increase its effectiveness.

HOW TO USE THE NONPAREIL COMPOSITION PAD

1. *To the Student:* Write your composition on the left-hand page *only*, leaving a one-inch margin on the left side of the page. Hand your Nonpareil Composition Pad to your teacher, who will read and mark your composition.

2. *To the Teacher:* Put the extension flap on the back cover over all the unwritten pages, so that the printed list of Correction Symbols will be readily accessible to you during the critical examination of the student's composition.

When an error is found in the composition, place the proper correction symbol on the left-hand margin directly opposite the line or lines containing the error. (This procedure will make it necessary for the student to scrutinize the line in order to locate and identify the specific error.)

Return the Pad to the student after each composition has been read and its errors indicated. He will then make the necessary corrections, as directed in what follows.

3. *To the Student:* The numbers on the left-hand margin refer to errors that have been made by you in your composition. You can tell what each number means by noting what is printed after it on the flap of the back cover. For example, if your teacher has placed the figure 7 on the margin of your composition, you will see that 7 means "Period omitted after abbreviation." This means that you have omitted a period after an abbreviation somewhere in the line against which your teacher placed the 7. Examine that line carefully; locate the error and then *write the necessary word or words correctly on the right-hand page directly opposite* the line containing the error. Do this until you have corrected every error that you have made.

When you have completed your corrections, *be sure* to turn to the Diagnostic Record Chart inside the back cover and place in the square below each correction number that was placed on your composition by your teacher a number that will show how many times that particular correction number was checked against your work for the day. (The chart provides a column for each kind of error, except that in a few columns, like Spelling 61-70, several kinds of error have been grouped together to economize space.) Use one horizontal row of squares for each composition. This Record Chart will then show you at a glance which difficulties and how many of them you are meeting in writing English and what improvement you are making from day to day.

4. *To the Teacher:* Check over the student's corrections of errors. This task is quickly performed, inasmuch as the written composition, its indicated errors, and the student's corrections are all in full view on the two facing pages.

Insist that the student keep up to date the Diagnostic Record Chart inside the back cover. If this be done, a mere glance at the Chart will show the exact status of the student in his written English work, and a simple tabulation will permit quick and accurate comparisons among students, classes, or schools.

Have the student enter in the brackets [] after each Correction Symbol the number of the page or paragraph in the textbook being used to which he can refer for help on the error in question.

Use the blank correction numbers in each group (like 37 to 39 under Grammar) to add other types of error if the printed list seems inadequate.

June 3, 1938

Korfhage To Talk At Baccalaureate

Exercises To Be Held Sunday
In Auditorium.

The Rev. W. A. Korfhage, pastor of the Marshall Methodist Church, will deliver the Baccalaureate sermon Sunday night to the Marshall High School class of 1938 and to their parents, relatives and friends.

Baccalaureate exercises will start at 8 p. m. in the high school auditorium. The Rev. W. H. Wiener, minister of the Evangelical Church, will pronounce the invocation and bestow the benediction.

The program will include two vocal selections by the Senior High School Mixed Chorus.

Commencement exercises will be held Tuesday, June 7 in the High School auditorium. George P. Conger, professor of the faculty of the University of Minnesota, will deliver the address.

June 6, 1938

Korfhage Talks At Baccalaureate

Urges Seniors To Enrich
Personalities Through Life.

Just as we need a balanced diet to build firm and healthy flesh, so also must we develop our souls along with the body and the mind, to achieve the richest life.

This was the theme of the sermon given to the members of the Marshall high school graduating class by the Rev. W. A. Korfhage at Baccalaureate exercises held last night in the high school auditorium.

The Rev. Korfhage began his sermon with a statement from John in the New Testament to the effect that in his vision of the City of God, he had seen men of equal dimensions; that is, they were men of balanced personalities. They had length, breadth and height.

Micah, in the Old Testament, said the speaker, declared that the Lord requires of us to do justly, to love mercy, and to walk humbly before God.

June 2, 1938

Commencement Here Tonight

Dr. George P. Conger of the University of Minnesota will deliver the commencement address tonight in the High School auditorium.

Ninety-one members of the class of 1938 will receive their diplomas, including Helen Snyder, valedictorian, and James Bailey, salutatorian.

The invocation and the benediction will be given by the Rev. J. Thurlow Baker, rector of the St. James Episcopal Church here.

Music will include two selections

by the Senior High School Mixed Chorus.

Prizes, awards, and honors to be bestowed tonight, will consist of the following:

The Mr. and Mrs. James H. Hall Awards; the Bud Rose Trophy awarded by Mr. and Mrs. A. P. Rose; the Dr. and Mrs. C. E. Persons Awards; The Dr. F. D. Gray Award; the American Legion Citizenship Award; The Josten Citizenship Award; The Bosch and Lomb Science Award.

June 4, 1938

Length, declared Mr. Korfhage, refers to duty toward one's self; to do justly.

Breadth, implies the duty toward one's fellows; to love mercy.

Height relates to one's duty to God; to walk humbly before God.

By constantly trying to develop these three dimensions, the individual brings his personality to its highest point; to the development where the man and woman are a source of great joy to their fellow men and to themselves.

As for our duties to ourselves, said the minister, what good are we to others unless we first are something to ourselves? We cannot help others unless we can help ourselves. We must continue to develop our personalities all the days of our lives. Keep developing and pushing out; observe, study, read, discuss.

Duties toward our fellows means the extension of our personalities to others — neighborliness, kindness, mercy, service, making many friends. The Boy Scout motto of a good deed a day is a fine precept to follow for all of us.

In regard to the individual's duties to his God—the third dimension of his personality—the Rev. Korfhage declared the well-developed, lives demand this love of God; many of us, he said, become lopsided in the development of our personalities; some of us develop our bodies at the expense of our love of God; some develop the mind and neglect the soul and the body; we tie up the spirit too many times in favor of the mind and the body.

But this love of God must be present in our personalities to reach the highest nobility of character.

Assisting the Rev. Korfhage at the Baccalaureate was the Rev. W. H. Wiener who gave the prayer and bestowed the invocation.

The 91 seniors marched into the auditorium in their grey caps and gowns to the strains of a processional played by the high school orchestra directed by George Wingert. Mr. Wingert also directed the singing by the Mixed Chorus of "Turn Thee Again, Oh Lord," and "In Heaven Above," by F. Melius Christian. The audience joined in the singing of two hymns: "Come, Thou Almighty King," and "Rock of Ages."

June 23, 1938

Adams Leaves For NEA Meet

Marshall Superintendent
Is National Delegate.

Superintendent F. R. Adams left this morning to attend the national convention of the National Education Association in New York City.

Mr. Adams will be present at the conference in the capacity of president of the southwest division of the Minnesota Education Association, and as consultant of the National Education Association board on policy.

H. N. Harmon accompanied Mr. Adams. They will be absent from Marshall for two weeks.

July 1, 1938

MAGICIAN

Birch, the Magician, one of the world's most famed legerdemainists, will play an engagement in the Marshall High School auditorium on July 4. His appearance here is sponsored by the Marshall Columbian Squires.

June 23, 1938

Swimming Pool Price Schedule Is Changed

Season Tickets For Children Range From \$1.50 Downward — Two Hours Free In Morning.

The schedule of prices and hours for the Marshall Municipal swimming pool at Legion Field have been revised as follows, it was announced today:

Schedule of Prices
Free hours for children—9 a. m. to 11.30 a. m.

Single adult admission—20c.
Single admission of child up to 16 years—10c.

Season Tickets
Children under 6 years—50c per season.

Children from 6 to 14—\$1.00 per season.

Children from 14 to 18—\$1.50 per season.

Adults over 18 years—\$3.00 per season.

Rental of suits—10c.
Rental of towels—5c.

Schedule of Hours
Sundays—1 p. m. to 5.30, and 7 to 10.

Wednesdays — Pool closed during band concerts.

Celebration days—No free admissions.

Mornings—9 to 11.30 (free hours for kids); 9 to 10 (instruction).

Afternoon—2 p. m. to 5.30 p. m.
Evening—7 p. m. to 10 p. m.

Miscellaneous information regarding use of the pool is as follows:

Season swim tickets must be used by the purchaser. They are not transferable.

Ladies will receive swimming instruction one hour on two days of each week. Times will be announced later.

One day will be set aside for the opening and dedication of the pool

which will be a free day for the public. The date will be set and arranged by a committee from the city, the school and the American Legion Post.

July 1, 1938

Tigers Again Adopt Accident Plan

Aids In Paying Injury Costs.

Marshall High School will again become members this year of the Accident Plan of the Minnesota High School League.

The plan in operation during the 1937-38 season was not entirely satisfactory, but it was a step in the right direction taking care of the larger injuries received in athletics. The premium is small, 75c for each boy for the school year, and as a result benefits are limited.

The business men of Marshall have for the past few years put out a football poster at the beginning of the year. The proceeds from this poster have been placed in a special fund known as the injury fund, and this takes care of most of the minor injuries received from athletics.

While the high school is improving its equipment all the time, making for fewer and less severe injuries, there are a few that need medical attention during the year.

All boys taking part in athletics in Marshall High School must carry this insurance. For all sports other than football a charge of 25c per boy is made. For sports including football a charge of 75c is made. Athletics pay 40c of the charge for boys out for football together with a blanket charge for all athletics.

All boys entering Marshall High School Athletics are given physician's certificates and permit cards, and they must be returned with insurance payment before being allowed to take part in athletics.

It is hoped that all boys going out for football will take care of this matter promptly so that football practice may start as soon as possible.

July 1, 1938

Girl Scouts Go For Weeks Outing

Leave For Camden Sunday Afternoon.

Fifty-one Girl Scouts registered for a week's camping trip at Camden and left for there yesterday afternoon. 10 senior leaders and three junior leaders also left for camp.

Miss Patricia Rochester of Minneapolis is the director and Mrs. Lawrence Kienholz is assistant director. The directors, senior and junior councillors registered Saturday morning for a two day pre-training camp at Camden.

The camp will be operated on a unit system and every day is scheduled and organized before the girls moved in. However, the program is elastic to allow the girls to work out their own ideas.

Packed picnic supplies furnished the lunch for the opening of camp with a Scouts Own program on top of one of the hills of Camden at

7.30 o'clock. A Scouts Own is an evening get-together just for Scouts and the program last evening was songs, learning of new songs, and stories by the director.

July 15-18, 1938

NOTICE OF ANNUAL SCHOOL MEETING

NOTICE IS HEREBY GIVEN That the Annual Meeting of Independent School District No. 8 of Lyon County, State of Minnesota, will be held on the Third Tuesday in July, being the 19th day of July, 1938, at Seven (7) o'clock P. M. Polls open from 7:00 to 9:00 P. M., at the High School Auditorium in said district, at which the following business will be transacted.

The election of two members of the School Board for the term of three years to succeed James H. Hall and A. J. Hardy for which offices 3 applications have been filed by or in behalf of candidates as follows:

- James H. Hall
- A. J. Hardy
- A. J. Osweiler

M. C. STANWOOD,
School District Clerk.
Dated July 7, 1938.

July 26, 1938

Red Cross Describes Ways To Keep From Drowning

With 7,000 death-by-drowning warrants signed and sealed, delivery awaits only the right combination of sweltering days and careless swimmers, according to the American Red Cross life saving service, which has done more than any single agency to reduce the annual occurrence of water accidents. Last year approximately this number of drownings were reported in the United States.

Mr. F. R. Adams, chairman of the Red Cross life saving service in Lyon county, suggests the following tips to prevent drownings during summer months:

"Do not dive into water that is muddy or of unknown depth without first exploring the bottom with your feet.

"To keep the feet from sinking in a vertical position when floating, relax elbows and knees and open arms and legs to the sides. As the arms are brought sharply to the side and held there, the legs should be pressed together, forcing the water out. If this is done slowly and smoothly, it is possible to stay afloat for hours.

"When wading breast-deep in a stream, go against the current and not with it to avoid being swept into

deep holes. If you lose your footing, swim with the current, making for the shore at an angle, instead of fighting the stream.

"If you come up beneath a float, hold your breath and open your eyes. There is probably ample air space there, and if you don't give way to panic you will be all right."

"It is best to wait at least an hour and a half after eating before going into the water, to insure against cramp.

When boat or canoe overturns, stay with it. Any rowboat has the buoyancy to support its regular load of people whether rightside or bottom up. Bottom up it furnishes a floating air chamber that will sustain the heads of more people above water than could have possibly been in the boat before it capsized. Right side up and full of water the boat will sustain the heads of its passengers above water if they will sit on the floor and not try to rise as the water creeps toward their chins.

"Do not try to show off skills which you do not possess. Statistics show men and boys are usually at fault here. About ten males drown for every female. No one is superior to safety regulations.

"Do not use a large water play

July 18, 1938

Annual School Election Tuesday

The annual school election in District No. 8, Marshall, will be held in the high school auditorium Tuesday evening. Terms of two directors expire, A. J. Hardy and J. H. Hall. Three candidates have filed for the two posts, Mr. Hardy, Mr. Hall and A. J. Osweiler. The voting place will be open from 7 to 9 p. m.

Polls Open 7 To 9 In School Election

The annual school election of District No. 8 will be held tonight in the High School auditorium from 7 to 9 p. m.

Candidates for the positions of two directors are: A. J. Hardy, incumbent; James H. Hall, incumbent; and A. J. Osweiler.

August 23, 1938

Marshall Public Schools To Open September 5

Registration Begins Next Week — Only One New Teacher On Staff This Term.

The Marshall Public Schools will open Monday, September 5, and registration will be held next week, it was announced today.

There will be only one change in the Marshall Public School teaching staff this term, said Superintendent F. R. Adams today.

Miss Gladys Korsmo will teach First Grade in place of Mrs. Emma Staley, who resigned this spring to enter business.

Miss Korsmo, whose home is at Crookston, has been teaching in the

public schools of International Falls.

The complete personnel of the Marshall Public Schools, is as follows:

F. R. Adams, superintendent; Merrill Olson, principal; Mrs. Evelyn Hand, secretary to the superintendent.

School Board—G. G. Lowe, Dr. J. L. Anderson, M. C. Stanwood, A. J. Hardy, Attorney James H. Hall, and Dr. F. D. Gray.

Marie E. Alsaker, Renville, junior math and geography; Myrtle Bell, Big Lake, third grade; Myrtle Benson, Lowry, fifth grade; Eleanor Biebl, New Ulm, math and biology.

Adeline Brobeck, Kenyon, library, American history, and Latin; Senora Charlson, Cannon Falls, general science and business training; Bernard E. Cole, Granite Falls, English 12, history and coach.

Grace Dahle, St. Hilaire, junior high English; Vivian Erickson, Red Wing, English 9 and music; John Fuhlbrugge, Winona, modern history and manual training.

Alice Funfar, Glenville, second grade; Edra V. Gray, Spirit Lake, Iowa, social science; Richard Hallen, Langford, S. D., sociology and modern history.

Cecelia Hellebo, Mankato, third grade; Gladys Iverson, Lamberton, physical education, math, and general science; Evelyn Jackson, St. James, fifth grade.

Alice Johnson, Wheaton, English 10 and French; Lawrence Kienholz, Minneapolis, industrial arts and coaching; Dorothy Kunz, Red Wing, commercial; Vieno Lammi, Virginia, sixth grade.

Mary McEniry, Baraboo, Wis., English 2, American History and dramatics; Marian McNelly, Hutchinson, kindergarten; Joseph Nowotny, Arlington, physical education and general science.

June Perkins, Minneapolis, sixth grade; Lillian Riedesel, Crookston, first grade; Fay B. Ross, Minneapolis, second grade.

Susan Schmidt, Glencoe, home economics; Marguerite Schneider, St. Cloud, fourth grade; Cecil Smith, Manly, Iowa, chemistry, bookkeeping, and business principles.

Gladys Korsmo, Crookston, first grade; Francis Taylor, Appleton, fourth grade; Julian Waller, Osseo, Wisconsin, math and art; Allan C. Weber, Marshall, agriculture and general science; George Wingert, Minneapolis, music and business training.

Building caretakers—Henry Serlet, James Fostvedt, and Howard Elliot.

Aug. 23, 1938

All Classes To Open For New School Term On Monday, September 5.

The Marshall Public Schools will open for the school year on Monday, September 5. Registration days for Senior High School and the ninth grade of the Junior High School are listed below.

All new students in the grades and high school are urged to register during registration week. New students should bring with them their last year's report cards or certificates of promotion.

Children entering school for the first time must be five years of age by the first of January, 1939, in order to be admitted to the kindergarten. First grade children must be six years of age before January 1, 1939. If there is any question regarding the age of children beginning school, parents will be asked to furnish a birth certificate.

There will be two kindergarten sessions, the morning from 9.30 to 11.30 o'clock and the afternoon from 1 to 3 o'clock.

Registration in the Junior and Senior High School for the school year will begin Monday, August 29. All Seniors are asked to come to the Little Theatre between 9 a. m. and 4 p. m. to check their registration and pay their deposit fees.

Eleventh grade students will register Tuesday, August 30; tenth grade students, Wednesday, August 31; and ninth grade students Thursday, September 1, between the hours of 9 a. m. and 4 p. m. in the Little Theatre.

For registration a complete check of each student's records will be made, and the department they are registered in. The various departments include General course, College Preparatory course, Commercial course, Vocational Agriculture, and Vocational Industrial Arts. Every student in Marshall High School is urged to make a choice of the department in which they expect to graduate as soon as possible. By making this choice it is possible to arrange students' work so that they will be best fitted for their needs on the completion of their high school training.

Aug. 25, 1938

Registration In High School Here Scheduled to Begin Monday Morning

Aug. 23, 1938

7 Games On Tigers' 1938 Football Schedule

Season Opens With Slayton — Two More Games Wanted — Drill Starts Thursday.

Coach Larry Kienholz will meet all boys going out for the Marshall high school football team Thursday at 2 p. m., at Legion Field.

They are asked to report in light clothing for conditioning exercises.

Physicians' certificates and permit cards will be handed out Thursday, and the boys are urged to have them filled out as soon as possible.

The Marshall high school football season opens September 23 with Marshall playing Slayton. Seven games are on the schedule, four at home and three away.

The schedule is as follows:

- September 16—Open.
- September 23—Marshall at Slayton.
- September 30—Open.
- October 7—Pipestone at Marshall.
- October 14—Marshall at Luverne.
- October 21—Minneota at Marshall.
- October 28—Redwood Falls, at Marshall.
- November 4—Marshall at Springfield.
- November 11—Tracy at Marshall.

Marshall high school would like to schedule one additional game for either open date, making a full schedule of eight games.

The Marshall Tigers turned in a record of high scoring honors in the state last season with 249 points to their opponents' 12, and won the championship of the Southwestern and Little Ten conferences.

Twelve of the 22 lettermen were members of last year's class, and Coach Bernie Cole and Coach Lawrence Kienholz will have some big holes to fill.

Aug. 29, 1938

Tenth Grade To Register Next

Ninth Graders Will Report Thursday.

On Wednesday, August 31, the 10th grade will register in the Little Theatre, starting at 9 a. m., and continuing until 4 p. m.

All 10th graders are urged to register Wednesday. In their first year, in senior high school it is important that their programs be gone over carefully, and their work outlined for the coming year.

New students in all grades are asked to register this week.

The 9th grade will register Thursday, September 1.

Members of the seventh and eighth grades, excepting new students, will not be required to register.

All four upper grades will be required to pay a deposit fee of \$1.50 to cover damage or lost books. No rental is charged on books. Part of this amount may be applied to student activities if the student desires. Any balance will be refunded at the close of the school year.

If a student desires to become an activity member and wishes to pay the entire amount at once, he may do so. This amount is \$1.40 plus the \$1.00 taken from the deposit fee or a total of \$2.40 for the entire activity program.

A posted list of members of the seventh and eighth grades, indicating their home rooms, will be printed in the Messenger next week.

Aug. 27, 1938

12th Grade To Register Monday

Students Should Take Deposit, Activities Fees.

Registration for the 12th grade of Marshall High School will take place Monday, August 29, starting at 9 a. m.

The student's record will be checked against the department that he or she is registered in, to see that they have all the subjects necessary for graduation in that department.

For those intending special courses which includes college preparatory courses, courses will be checked against the requirements necessary for this type of a course.

The various departments listed at Marshall High School include the general course, college preparatory, commercial, vocational agriculture, and vocational industrial arts. Every student is urged to choose a department in which they hope to register, as soon as possible.

Registration days include 11th grade on Tuesday; 10th grade on Wednesday, and 9th grade on Thursday. All new students are urged to register during registration week. Registration will take place in the Little Theatre between the hours of 9 a. m. and 4 p. m.

At the time of registration, students are asked to pay their deposit fees, amounting to \$1.50, which includes damage to any text books during the year. If there is no damage, the money is returned at the end of the school year, unless the student intends to become an activity member. There is no rental charge on books.

If a student wishes to become an activity member, they may pay \$1.40 at the time of registration, or they may pay it at the rate of ten cents a week.

A posted list will indicate the members of the seventh and eighth grades and the home rooms they are assigned to. This list will be published later in the week in the Daily Messenger.

Aug. 24, 1938

Tiger Coaches Face Difficult Problem

Must Make Up Loss Of 12 Lettermen.

Coach Bernie Cole and Coach Larry Kienholz will open the 1938 football season with a real problem confronting them, replacing 12 lettermen from last year's championship team.

Brull, Gag, Gervais, Charles Healy, Adrian Knutson, Edward Longtin, Neil Marcotte, Tracy Mercer, Roy Weidauer and Charles White all turned in their suits after three great seasons at Marshall high school.

With it they earned championship rating in the Little Ten and Southwestern conferences and high scoring honors in the state, 249-12.

Coaches Cole and Kienholz developed some dependable reserves and while the same type football will be displayed, the 1938 team will not have the reserves and speed the 1937 club had.

Coach Cole has Bloome, Cool, Gilbert, Donald Healy, Lee, Marks, Neill, St. Aubins, Senden and Wiener, all lettermen, to build his eleven around.

Every indication points toward one of the most interesting seasons Marshall has ever had with enthusiasm at the same high pitch.

Aug. 30, 1938

Who Will Fill Their Jobs This Season?

Edward Longtin

William Brull

Charles White

From last year's championship Tiger football team, Coaches Bernie Cole and Larry Kienholz will have to replace Chollie White, end, and Bill Brull, guard; Edward Longtin, guard; and Adrian Knutson, tackle. All four boys were towers of strength on defense, playing havoc with opponents' starting plays. With this quartette in the lineup, the ball carriers seldom got past the line of scrimmage, and the plays were often stopped before they were fully started. White at end will be hard to replace this season. His ability to snag passes will be particularly missed.

Adrian Knutson

Aug. 31, 1938

STARTING 10th YEAR AS TIGER COACH

Coach Bernie Cole will begin rebuilding his Tiger eleven on September 5. Coach Larry Kienholz has worked out with the boys the past 10 days, and Coach Cole will have a well-conditioned group of boys ready to begin scrimmage the first day they report.

Bernie starts his tenth year at Marshall High School with an excellent record of 48 victories in 63 games played. Last year he put out one of the best high school squads in the state.

The squad has increased in size to double the number reporting for football 10 years ago. Sixty boys reported for football last season, and coach Cole and Kienholz were able to put two balanced teams on the field during any of the games.

Although a championship team is not expected again this year, the coaches are expected to have a team possessing the hard-fighting, clean-playing, headsup qualities of Marshall football tradition.

Aug. 31, 1938

Some 1938 Grads To Enter College

25 Make Applications To Various Institutions.

The following graduates of the Class of 1938 of Marshall High School have made application to attend the various colleges listed below:

Saint Thomas College: Fred Blum, James Bailey, James McGuire.

University of Minnesota: Charles White, Gordon Forbes, Muriel Freese, Richard Ullery, Norma Bjerke.

Mankato Teachers College: Lula Carrow, Cecil Doyle, Catherine Erickson, Virgil Peniston, Betty Simon, Elson Herrick.

Saint Theresa College: Edith Struthers.

Saint Catherine's College: Helen Snyder.

Carleton College: Betty Rinehart.

Saint Olaf College: John Schneider.

Macalester College: Elizabeth Silver.

South Dakota State at Brookings: Charles Healy, Adrian Knutson, Tracy Mercer, Howard Gag.

Miss Woods Kindergarten School: Adene Fitts.

Iowa State College at Ames: Pauline Henderson.

Aug. 31, 1938

More Shoes To Fill!

Chollie Healy

Eddie Van Dorin

Three members of last year's Tiger backfield must be replaced this season by Coaches Cole and Kienholz. They are Chollie Healy, Roy Weidauer, and Eddie Van Dorin. Chollie, backfield ace, punter, and signal caller will be the most sorely missed. He had the knack of calling the right play at the right moment. His punting was something to watch. In addition he could carry the ball, and it was not often that he did not gain five or more yards. Moreover, Chollie was an excellent defensive back, able to diagnose the play and then to stop it. Roy Weidauer earned his starting position by his ability to block, and block hard. His tackling on defense, made his side of the line strong.

Roy Weidauer

Half-Day Of School Monday

Marshall High School will open Monday, Sept. 5, with a half-day session. Grades 12, 11, 10, and 9 will report to the main auditorium where home room assignments will be made. The seventh and eighth grades will report directly to their home rooms. Members may get home assignments by reference to lists in The Messenger today and tomorrow, or to the lists posted on the third floor of the grade building.

Only a half-day session will be held on Monday; school being dismissed at 12.30 p. m. The schedule for Monday, Sept. 5, is as follows:
Auditorium—8.30-9.30.
First Period—9.30-10.00.
Second Period—Omitted.
Third Period—10.00-10.30.
Fourth Period—10.30-11.00.
Fifth Period—11.00-11.30.
Sixth Period—11.30-12.00.
Seventh Period—12.00-12.30.

Aug. 31, 1938

Eighth Grade Home Room List

The following Eighth Grade students will report directly to their home rooms Monday morning, September 5. This list will also be posted in the upper halls.

8th Grade Section I
Home Room 210
Miss Alsaker, Teacher
Nola Ruth Ahlers, Robert Ahman, Harold Baert, Eugene Bartlow, Mildred Ann Bohlman, Shirley Fae Christensen, Harry Coon, Marcella Edberg, John Fontyn, Eileen Ford, Donna Galbraith, Paul Gilbert.
Lenore Gravely, Kenneth Grimes, Oroin Hassert, Virginia Hermann, Ronald Hummel, Donald Johnson, Mary Kathryn Johnson, Thomas Klippstein, Eleanor Kugler, Doris Lanoue.
Bud McGuiggan, Beverly Meyer, Katherine Minnick, Charles Mitchell, Gordon Nielsen, Joyce Nyhus, James Ponwith, Patricia Ann Reber, Dwane Ribordy.

Alfred Schwan, LeRoy Stegner, Margaret Stelter, Loren Telford, John Ullery, Louise Van Den Broeke, Dorothy Thompson, Ribert Wieggers.

8th Grade Section II
Home Room 218
Miss Erickson, Teacher
Eugene Adler, Dorothy Anderson, Roy Ausen, Fred Bailey, Marjean Carrow, Rose Dettmer, Elaine Eatros, LeRoy Eibs, Eleanor Ann Gag, Edgar Gamm.
Norbert Gooden, Eileen Green, Alvin Harris, Inezruth Heim, Marilyn Hess, Leland Holland, Everett Jensen, Howard Johnson, Ethel Jones, Jacqueline Kelly, Howard Kiel, Marjorie Larson.
Marjorie Moat, Carol Marks, James McGandy, Mederice Musch, Howard Neal, Kathleen Pangburn, Edward Paradis, Leo Rankin.
Robert Rogne, Billy Sheffield, Angeline Sorenson, Helen Steffin, Arne Telford, Donald Torgerson, Phyllis Uecker, Dale Whitney.

Aug. 31, 1938

Aug. 31, 1938

Music Students Asked To Report

George Wingert Will Meet Them Friday, Saturday.

George Wingert, director of the Marshall High School Band, orchestra, and chorus, returned to Marshall today and launched immediate plans for the development of these organizations for the forthcoming school term.

Mr. Wingert requested that all former members of his organizations, and all other children interested in trying out for them, meet with him Friday or Saturday mornings of this week between 10 o'clock and 12.

The pre-school conferences are desired in order that effective work may get underway during the first week of school. Otherwise, practically a whole week is lost on organization work alone.

Aug. 21, 1938

Kindergarten Dates Given By School

Children entering the kindergarten do not need to register before Monday morning. Registration in the kindergarten room at 9 o'clock. It is not necessary to have the kindergarten children be there at 9 o'clock. They may register at any time during the morning. It will be easier for the teacher if all do not come at one time. Children must be five years old before January 1, 1939, to enter the kindergarten.

Students in grades, one through six, should report to the teacher in the room they were in last year. She will have a list giving the room assignment of pupils promoted from her room. There will be only a half day session on Monday.

Aug. 21, 1938

Ninth Grade To Register Thursday

Members of the Ninth Grade will register Thursday between the hours of 9 a. m. and 4 p. m., in the Little Theatre.

It is important that all students who will be in the Ninth Grade register Thursday so that their cards may be completed and assignments made to classes.

All new students in the Junior and Senior high school are asked to come in and register during the week, so that their credits may be secured as early as possible.

School opens Monday, September 5th with a half-day session.

Sept. 3, 1938

School Days Arrive--- With Opening Monday

First Classes Begin At 8.30 In Morning On Labor Day.

Marshall High School will open Monday, September 5 at 8.30 a. m., students were reminded again to-day. Kienholz will make their first call for football at the morning convocation.

Pupils in grades 12, 11, 10 and 9, are asked to report directly to the auditorium, where home room assignments will be made, and a short program held.

The 7th and 8th grades will report to home rooms in the grade building, going to the third floor where posted lists will inform them of their home rooms. When they are assembled they will come to the study hall.

The first session will be only one-half day, with school dismissed at 12.30.

Coaches Bernie Cole and Larry

Sept. 17, 1938

Seventh Grade Home Room List

The following 7th grade students will report directly to their home rooms Monday morning, September 5. This list will also appear in the upper halls.

7th Grade Section II
Home Room 211
Miss Gray, Teacher
Shirley Adler, Anette Anderson, Leon Anderson, Frank Backlund, Cheryl Booth, Esther Carlson, Rozetta Castle, Kathryn Cross, LeRoy Eischens, Bernice Engler, Dolores Fleming, Verna Harmening, Dean Haynes, Gloria Howery, Donna Mae Jensen, Charles Killius.

LaVonne Kjenslee, Coramary Korfhage, Edna Lund, Pat McGuiggan, Marvin Manke, Ardy Marks, Abigail Murphy, Clarence Noga, Caroline Osweller, Douglas Peterson, Lois Rasmussen, Kenneth Rasmussen, Leona Severson, Katherine Shrader, Ted Sliter, Patricia Walsh, Louisa Wetherbee, Robert White.

7th Grade Section I
Home Room 219
Miss Dahle, Teacher
Marilyn Anderson, Charles Ausen, Ruth Barrett, Henry Benson, Jacquelyn Cameron, Charles Carlson, Phyllis Coequet, Douglas Davis, Lucille Davis, Jeanette Engler, Melvin Fishman, Myrna Gilbertson, Fern Herring, Blanche Jacobson, Merna Jones, Clarence Kiel.

Vivian Knutson, Donna Lande, Milan Lien, Phyllis Madden, Donald Manguson, Jane Mitchell, John Molle, Candance Nuese, Earle Ogle, Donna Pochardt, Clinton Rasmussen, Evelyn Rockman, Maurice Sandquist, Robert Taylor, Oritha Weingartner, Ruth Wiener.

Sept. 6, 1938
End To Backfield

Ken Marks

Introducing members of last year's Tigers, who held regular berths on the championship eleven: Kenneth Marks rated as the best end in the conference, worked out in the backfield this spring and fall. Ken-ny has one specialty, blocking, and if he continues to improve, he should rate as one of the best ball carriers in the conference this season.

Sept. 6, 1938

Record Enrollment Made In Public School Here

35 More Students In High School, 20 More In Grades — Total Is 1,025.

Although registration at the Marshall Public Schools is incomplete, present figures indicate that it will be the largest enrollment in the history of the school, superintendent F. R. Adams said today.

Approximately 595 students are enrolled in the Junior-Senior High School; that is, from the Seventh Grade to the Twelfth Grade. This is about 35 more than last year.

Enrollment in units from Kindergarten to the Sixth Grade totals approximately 430 pupils, which is from 20 to 25 more than had registered at the opening of school last year.

The approximate total of students this year for the public schools, including kindergarten, is 1,025.

The student population in Junior-Senior High School has increased about 200 in the last five years, said Mr. Adams, and the enlarged classes have brought about a condition which may necessitate the engagement of another teacher.

Of the 130 students registered in the Ninth Grade, 50 are from outside the district in communities where there are only eight grades.

It is interesting to note, too, said Superintendent Adams, that of the 430 pupils in the lower grades, 50 are children of families which have moved to Marshall since last Spring.

Sept. 6, 1938

Student Council Members Named

Class Officers Also Take Up Duties.

Officers of the Marshall High School, elected last term, and who will function this year, are as follows:

Student Council

Donald Ullery, John Silvius, and Bruce Olson, ex-officio members.

Robert Harmon, Harriet Eaker and John Garry, appointed members.

Jeanne Blanchette, Agnes Gervais, Clair Ryan, and Warren Whitney, Senior representatives.

Gordon Brantman, Alice Johnson, Betty McCready, and Robert Shourds Junior representatives.

Paul Bailey, Donna Feyereisen, Betty Jefferson, and Richard O'Connell, Sophomore representatives.

Senior Class

Donald Ullery, president; Donald Lee, vice president; Exine Anderson, secretary; Charles Gilbert, treasurer.

Junior Class

John Silvius, president; Donald Healy, vice president; Robert Ohlsen, secretary; Ardith Whitney, treasurer.

Sophomore

Bruce Olson, president; Richard O'Connell, vice president; Mary Johlf, secretary; Ruth Brenner, treasurer.

Sept. 6, 1938

BACK AGAIN

Wiener

Introducing members of last year's Tiger eleven who held regular berths on the championship squad: Chet Wiener, elusive half back and safety man.

Sept. 6, 1938

Football Schedule

- September 16—Open.
- September 23—Marshall at Slayton.
- September 30—Open.
- October 7—Pipestone at Marshall.
- October 14—Marshall at Luverne.
- October 21—Minnesota at Marshall.
- October 28—Redwood Falls at Marshall.
- November 4—Marshall at Springfield.
- November 11—Tracy at Marshall.

Sept. 7, 1938

Pupils may join Many Activities

Help To Develop Abilities And Personality.

For the student enrolled in the Marshall High School there exists a wide variety of extra-curricular activities, participation in which will enable him or her to develop their abilities and talents to a great extent.

These organizations consist of the following:

Clubs—Future Farmers, "M" Club, M.W.F. Club, Home Economics Club, Physical Education Club, Extempore Club, Girls League.

Music—Band, beginners' band, orchestra, beginners' orchestra, senior high mixed chorus, junior high mixed chorus, senior girls' glee club, junior girls' glee club, junior boys' glee club.

Dramatics—One act plays, junior class play, senior class play, drama club, exchange plays, exchange programs, declamation.

School paper—The Tiger Herald.

Service clubs—Junior high cheerleaders, senior high cheerleaders, ushers, stage crew, library club student council, finance board, class officers, homeroom officers, school patrol.

Physical education—Intramural football, intramural basketball, intramural sports, G.A.A.

Athletics—varsity basketball, cubs basketball, junior high basketball, football, hockey, track, student manager, baseball.

Sept. 8, 1938

Kerkvliet

Tackle Returns

Introducing members of last year's Tiger eleven, who held regular berths on the championship squad: Norbert Kerkvliet, veteran tackle, will try out for his old position on the Tiger machine for 1938.

Sept. 9, 1938

ROSECRACKS

by apr.

Each year at the graduating exercises of the Marshall high school several awards are made to students who have been outstanding in different lines of endeavor. The donors of these awards are private individuals who are not directly connected with the school. Please listen while I give the list of winners.

The Hall Award (established in 1923). Winners selected by the faculty. Two winners each year from seniors and two from other class members. Points: Attitude, scholarship, loyalty, cooperation, activities, leadership.

The Winners: Frances Finch, Helen Hoagland; Helen Hoagland, Vernon Christianson; Kenneth Rydeen, Morris Johnson, Vernon Christianson, Rosalie Cartier; Bruce Pierard, Vernon Christianson, Rosalie Cartier, Mary Lou Chamberlain, Ann Chalmers; Mary Lou Chamberlain, Duane Rose, Thomas Raine, Genevieve Van Dorin; Prudence Foster, Millard Ehlers; Horace Chamberlain, Millard Ehlers, Meddie Longtin, Mabel Johnson; Vincent Osweiler, Evelyn Holley, Wilbur McLaughlin; Dorris Stretch, Wilbur McLaughlin, Gordon Chalmers; Wilbur McLaughlin, Evelyn Holley, Lillian Irelan, Donald Rose; Lillian Irelan, Lorraine Searle; Rita Van Sadlehoff, Dolores Brady, John Snyder, Louise Shrader; Arthur Melvin, Charlotte Struthers, Verna Verdoorn, James Bailey; Verna Verdoorn, Orvis Fitts, Robert Harmon, Ursella Waldorf; Edith Struthers, Audrey Ahlers.

The Persons Award (established in 1933). Winners selected by the junior high school faculty. Boy and girl each year from the seventh and eighth grades. Same points considered as in the Hall award.

The winners: Robert Aanestad, Louise Shrader; Lionel Gervais, Helen Snyder; Robert Harmon, Ursella Waldorf; Kenneth Marks, Betty Robson; Richard Hardy, Betty Jefferson; Jack Hiller, Marjorie Rose Wetherbee.

The Bud Rose Award (established in 1933). Winners selected by secret vote of high school students. Outstanding athlete. Points: athletic performance, loyalty, sportsmanship, leadership, cooperation.

The winners: Wilbur McLaughlin, Ronald Van Dorin, Donald Rose, Richard Osweiler, Teddy Todnem, Charles Healy.

American Legion Citizenship Award (established in 1936). Winners selected by the faculty. Points: Character, courage, service, companionship, scholarship. Senior boy and girl selected each year.

The winners: George Jorgenson, Bernice Neisen; Bert Hasbrouck, Patricia Tegels; Richard Ullery, Muriel Luick.

Dr. Gray Award (established in 1936). Winners selected by the faculty. Best essay on: "The Effects of the Use of Tobacco on the Individual." Two awards each year.

The winners: Louise Shrader, Yvonne Gervais; Robert Ohlsen, Ursella Waldorf; Elizabeth Jane Silver, Elizabeth DePover. Honorable mention: Richard Ullery, Nancy Adams, Ethel Peterson, Charles Gilbert, Kathleen Ahmann.

Josten's Citizenship Award (established in 1936). Winners selected by secret vote of senior class. One senior boy and one girl selected each year.

The winners: John Snyder, Betty Regnier; Edward Marcotte, Louise Shrader; Charles Healy, Lulu Carrow.

Bausch & Lamb Science Award (established in 1936). Winners selected by science teachers. One award each year. Points: Best record in science courses.

The winners: Warren Bamford, Richard Ullery.

Sept. 19, 1938

School Engages Another Teacher

Increased Enrollment Requires Addition.

Due to the increase in the enrollment in the Junior and Senior high school it has been necessary to add another teacher to the faculty. At the beginning of the school year the enrollment was 40 students greater than at the beginning of the 1937-1938 school year.

Miss June Perkins, who has taught in the sixth grade in Marshall for several years and who has had considerable experience teaching in the junior high school, has been transferred to junior high school work. She is now teaching two classes in Business Training and one each in seventh grade Geography, eighth grade Citizenship, eighth grade History and eighth grade English.

George Wingert, who formerly taught two classes of Business Training in the junior high school, has been transferred to the senior high school where he teaches two sections of Modern History in addition to his music work.

Miss Irene Ramsland of Sacred Heart, Minn., has been secured to fill the vacancy in the Sixth grade. Miss Ramsland is a graduate of the Mankato Teachers' College and has taught in International Falls, Minn., and Bismarck, N. D.

Sept. 13, 1938

School Music

Program Changed

Smaller Ensembles Will Be Tried Out.

The music department of the Marshall Public Schools is launching a new program in the development of smaller ensembles this year with the hope that more students will be able to participate in public performances.

There will be 16 groups in high school which will rehearse during regular school hours for 30 minutes each week. The groups will vary in size from a mixed octet to a string trio and will be evenly divided between the instrumental and vocal departments.

Duplication in membership of the various ensembles will be avoided as much as possible in order that as many students as wish may participate in some group. As it will be necessary for students, in some cases, to miss class recitation once every four weeks, they must maintain a "C" average or better in their academic work in order to be a member of a small ensemble group.

Tryouts for membership in these various groups will be held this week so that rehearsals may get under way next week.

The junior high school will also work out a program of small ensembles this year, but due to difficulty in scheduling, they will meet outside of school hours. Miss Vivian Erickson will have charge of the vocal ensembles and Julian Waller the instrumental ensembles. Tryouts for these organizations will be held in the near future.

It is the hope of the music department that these small groups and soloists may have the opportunity of playing for various civic and social groups during the school year and a bulletin listing these groups and soloists, plus the numbers they have ready for performance will be issued periodically throughout the school year to anyone desiring a copy. Anyone, wishing musical entertainment at any time during the school year may make arrangements by calling Mr. Wingert at the high school building.

Sept. 16, 1938

63 Tigers Trying For Squad Positions

Coach Bernie Cole Expected To Pick Starting Lineup Soon For Slayton Game.

The Marshall high school football squad is working daily in preparation for the coming football season.

Sixty-three boys have drawn equipment and are hard at work. The squad of '38 has a task cut out for it in filling the shoes of the '37 squad.

The first two games of Marshall at Slayton and Pipestone at Marshall should indicate what is to be expected from this year's team. With good nights in the offing the largest crowd ever to witness a football game is expected to be on hand for the Pipestone game. Most of Pipestone will travel north in support of its team and it's a dead cinch most of Marshall will be on hand.

Colorful entertainment before the game and between halves will be provided.

Coach Bernie Cole is expected to pick his starting lineup within the next few days for the opener just one week away.

A list of the boys out for the squad include:

Aldrick, Anderson, Blake, Bloome, Bot, Chapman, Christianson, Henry Cool, Donald Cool, Coyle, Cowan, Currie, Dugas.

Eatros, Ehrreich, Feyerisen, Ford, Gervais, Geske, Robert Gilbert, Charles Gilbert, Greenwood, Gregoire, Hardy, Harmon, Ed Hasbrouck, Joe Hasbrouck, Haynes, Healy.

Henle, Hoiland, Jorgenson, Don Kerkvliet, Norbert Kerkvliet, Krute, Kugler, Larson, Lee, Lindstrom, McGandy.

Marks, Markell, Neill, North, O'Connell, Olson, Paradis, Peltier, Ross, St. Aubin, Tony Senden, George Senden, Shourds, Silvius, Snyder, Speybrouck.

Stevens, Tearlinck, Uecker, Van Robays, Chester Wiener, Robert Wiener, Weingartner, Wharton, Young.

Sept. 16, 1938

Public School Enrollment Largest In Its History

Marshall high school started the 1938-1939 school year with the largest enrollment in the history of the school. Five hundred and ninety-eight students have registered to date, of this group 283 are boys and 315 girls.

The enrollment of grades follows: 12th, 103; 11th, 98; 10th, 105; 9th, 132; 8th, 79; 7th, 73; Post Graduates 8; Total 598.

The senior class will for the first time in its history number over the 100 mark.

Sept. 19, 1938

Tigers To Meet Tough Opposition

Pipestone Given High Rating This Year.

Marshall is again becoming football minded. Go out to Legion Field any night now and anywhere from 10 to 50 fans are on hand watching the Tigers in their daily workouts. Last Friday in a practice game between squads it looked like a game was in progress by the number in attendance. What does it all lead up to and the the question asked what about the 1938 football season.

How will the Tigers face with the best opposition they have encountered for a good many years? Where are the Tigers strong and where weak? Are fans expecting too much from the 1938 football machine.

The opposition will be above average this year. Pipestone had a good team on the field in 1937 when they held the powerful Blacks Raiders to a 33 to 0 score. The Pipestone team at that time were a young team with a lot to learn. They had plenty of spirit and while the Tigers scored a decisive win the lads from down state indicated spirit and a desire to win. This year they have grown up, a team as large as the Marshall Tigers all with experience and the addition of the best boy from the Luverne club make their entry into the Southwestern Conference a deciding one. The Tigers will have only one game under their belt while Pipestone will have two, a factor to the advantage of Pipestone.

What is more, the Marshall-Pipestone game will be the biggest event in southern Minnesota. Fans from both teams will flock to see this game, expecting the early season classic. Both Marshall and Pipestone will be football minded towns during the next two months.

How do the teams stack up? Pipestone has its original line and backfield and the addition of Dressen, flashy halfback from Luverne, gives them the edge in Conference rating this year. Lets analyze the Tigers tomorrow.

Sep. 20, 1938

Tigers Strong In Line, Backfield

Experience Needed, However, By Both Units.

Starting in the line the Tigers have known quality at Center. Chuck Gilbert handled the Assignment last year in such a way that no fear need be indicated about the center position. And to make it doubly sure Bucky Neill did not weaken either the offense or defense when he went in. Both lads back up the line in great style, being hard tacklers.

On the left side of the line George Senden and Norbert Kerkvliet have their usual assignments as guard and tackle. Both played regular on the Black Raiders of '37 and flanking them is Tony Senden, a Sophomore with no experience. Both George and Norbert will have to cover a lot of extra ground til Tony gains the necessary experience. Tony a willing worker could be called the silent one because of never saying a word during practice or games.

On the other side of the line Henry Cool and August Geske from last years reserves hold the starting post. Both boys played last year, but that was after the first string had softened the opposition and the job was not nearly so hard. This year they are on their own and the biggest game of the season, the second one they play.

Coco Healy holds the end position. Another letterman from last years Raiders. Along around the last of the season Coco will be as strong an end as Marshall has ever had, but until then experience counts.

On the backfield Marks and Wiener played as starters last year with St. Aubins and Lee coming up from the reserves.

Granting that Marks and Wiener will carry on from last year, there are two posts filled by boys starting their first year as regulars.

With a couple of games experience we would say the backfield would be equal to last years Raiders with the exception of the punting department which has a long ways to go.

In addition last years Raiders had reserves. The first team could go in and soften the opposition, come out for rest and return to score at will. This year this will not be the case. Coach Cole will have to use fewer men not substituting the entire lineup. Maybe 15 or 16 men will be ready for this first game.

At all adds up to the Tigers playing a hard ball game against a team in much the same position as Marshall was in last year playing Pipestone. With positions reversed its going to be a ball game worth watching.

Cont.

Another fact that will enter in is team leadership. The Tiger team of 1937 had what every team needs to be a winner fine leadership. While the squad of 1938 indicates it will have fine leadership, only time will tell.

Sep. 20, 1938

Public School Activities Go Into Full Swing This Week

Convocations Have Been Held For Past Three Weeks, And Program Mapped For Year.

Activities moved into full swing with the start of the third week of school. Every group has completed its organization and will be hard at work.

In Athletics Coaches Bernie Cole and Lawrence Kienholz are working with a squad of 63 boys. There are 144 boys registered in Senior High school and of this group 63 boys have drawn equipment. In the physical education department Mr. Nowotny has 5 teams signed up for the intra mural football, this group of boys being drawn from Junior High School. Fifty-five boys out of an enrollment of 139 in Junior High School. Of the 283 boys registered in Junior and Senior High school, 118 are taking part in football this fall.

In Music, the High School band composed of 60 pieces and Senior High Mixed Chorus of 65 pieces are in their third week of rehearsal. Mr. Wingert in charge of the band and mixed chorus expects a great deal from these two organizations this year. The first appearance will be the marching band at the football games this fall.

Music organizations in Junior high school begin intensive work with the formation of Junior High Mixed Chorus, Boys Glee Club, and Girls Glee Club. Small group will work out as time is provided. Miss Erickson has charge of Junior High Music.

A beginners band in operation last year provided replacement for the

Senior High School band. Fine work was accomplished by this group as noted by the replacements made in the regular band this year. Meeting twice a week the beginners band starts out students in instruments of their choosing. Mr. Waller has charge of the beginners band.

The Girls Athletic Association has already started their fall work with the planning of teams in various sports. Miss Iverson handles the Girls Athletic program at Marshall High School.

The Home Economics Club under the direction of Miss Schmidt plan a busy year. Meeting after school last year, the time of meeting has been changed to the Activity period to allow more students to join.

The Tiger Herald will issue the first number September 20, the staff newly formed have been making preparation for its appearance all last week. The Tiger Herald has won high national rating the past two years, under the Supervision of Miss Johnson.

The Drama Club having for its purpose the bettering of Diomatics in Marshall High School will have its first meeting Thursday of this week, taking in new members in preparation for a busy year. Miss McEniry and Miss Dahle are in charge.

The library club a group of girls trained to give service in the library have been at work since the beginning of the school year. Miss Brobeck acts as sponsor of the library club.

SCHOOLS

(Continued From Page One)

ning of the school year. Miss Brobeck acts as sponsor of the library club.

The Future Farmers sponsored by Mr. Weber plan their organization meeting for Wednesday. They too will meet during the activity period. Last year their work included a fathers and sons Banquet. Again this year they plan to serve another banquet.

One of the most pushed departments the first week of school is the Student Activity group, which has charge of all deposit fees, student activity books and tickets. Their work consists of getting out all deposit fee receipts and activity books. Miss Kunz has charge of this department.

Sep. 22, 1938

Tiger Grid Squad Opens Season

Cole Announces His Starters Today

Tickets Available At Bulowski Drug Store.

Friday, September 23, Marshall football team travels to Slayton to play the Slayton football team in the feature event of their dedication program of their new field. Slayton has recently completed its new athletic plant and has a lighting capacity of 48 thousand candle power.

Coach Bernie Cole indicated a starting line up for the Slayton game will be: ends, Coco Healy and Tony Senden; tackles, Geske, Bloome, and Cool; guards, Kerkvliet and Senden; center, Gilbert. In the back field he will have Lee at quarter, St. Aubins and Wiener at ends, and Marks at full back.

This game will probably be the biggest event of its kind, and all of Slayton will be out in force, and a good delegation is expected to attend from Marshall. According to the reports from Slayton, in spite of the loss of several letter men, they expect a better team than the one that held the Marshall Tigers early in the last season, so a good game is in store.

Slayton has sent a batch of tickets to be sold here in Marshall, and all adults will be able to purchase tickets at Bulowski's Drug Store, so adults wishing to purchase their tickets are advised to go to Bulowski's to secure them. Student tickets will be sold at the local high school for that game.

Preparations are being made now to handle the largest crowd ever assembled to see a football game at the Pipestone-Marshall encounter on the local field, October 7. Although the Tigers are not expected to be nearly as strong as they were a year ago, they are expected to produce a team to uphold the Tiger tradition. Not nearly as much strength is evident in the line or back field as last season's team possessed.

On the other hand, the team from

Pipestone will have plenty of experience and have at least two games under their belt before the Marshall encounter. The game will attract the attention of the entire Southwestern part of Minnesota.

Against Slayton There

Friday Night

Sept. 21, 1938

Tigers To Play At Slayton Friday

Large Group Of Marshall Fans To Follow Team.

The Marshall Tigers open against Slayton Friday night at Slayton.

Slayton is all set to receive the Tigers in a big way. Opening their new field under the lights a record crowd is expected to view the dedication.

A year ago Slayton presented as well a balanced a ball club as the Tigers met all season.

While they lost, the score was no indication of the game. The Slayton boys were big and liked their football tough. With a veteran team and dedication the Slayton team would like to beat the Tigers in the opener. In fact they will be twice as hard to defeat.

A good sized Marshall delegation is expected to be on hand to see the Tigers in their opener.

Sept. 21, 1938

High School Revises And Improves Vocation Course

A revised and improved educational and vocational guidance course is being used in Marshall high school this year.

One of the first schools in the state to use guidance of any type the whole program has been gone over carefully, with the intention of improving the guidance of the students in high school.

Educational guidance starting in the seventh grade goes on through the ninth grade. All include correct methods of study, finding of faults in study habits, conferences with students concerning marks received and how to better them, correct action for various situations, and adjustments made for new environ-

ment. A great many situations are taken up and discussed in the hope that students will receive beneficial guidance from contacts so secured.

In the tenth grade a start is made in vocational guidance. Here the foundation is laid for the study of individual vocations in the 11th grade. General facts about groups of vocations, what one should look for in the vocation and themselves are set before the student. In the eleventh grade, it is hoped to start the individual study of vocations and in the 12th continue as in past years.

With this plan in operation from the 7th through the 12th grades, it is hoped that students may find it easier to choose their right place in society.

Cont.

Sept. 24, 1938

Marshall Tigers Defeat Slayton Grid Squad, 13 to 0, In Opening Game

Polished Ball Handling Lacking, And Too Much Fumbling Will Be Remedied.

By MEL HARDY

In a hard fought battle on Slayton ground last night, Marshall put the damper on the dedication ceremonies by downing Slayton by a score of 13 to 0.

Slayton won the toss and chose to receive. Healy kicked to the Slayton 5 yard line where the ball was taken by Kolander, who returned to the 39 where he was tackled by Wiener.

On the first play George Senden threw Slayton for a five yard loss. Another play resulted in no gain and Slayton kicked to Marshall where the ball was downed on the 50 yard line.

On the first play Marks fumbled but recovered after a loss of 3 yards. Marks again carried the ball for a first down on the Slayton 40. St. Aubin made seven to the 33 and on a spinner Marks was held for no gain. Wiener on a reverse picked up 8 yards making it first down on the Slayton 25.

The next play showed no gain and then St. Aubin on an end run carried the ball to the 9 yard line. It was here that Marshall's first touchdown hopes were shattered because on the next play Wiener fumbled and an alert Slayton team recovered on the 11 yard line.

Two small gains and a penalty against Marshall for offside gave Slayton but a half yard to go for first down. Here again George Senden threw Slayton for a 6 yard loss. Slayton in attempting to punt missed the ball and Marshall recovered on the Slayton 12. A bad pass from center resulted in an 8 yard loss and an offside penalty put Marshall on the 25 yard line. At this point Wiener on a fake reverse went around end for 25 yards and Marshall's first touchdown. The point was no good. Score: Marshall 6, Slayton 0.

After an exchange of punts Marshall took the ball on the Slayton 40. Here St. Aubin picked up 7 yards to the 33 as the quarter ended. On the first play of the second quarter a bad lateral pass rolled to the 50 where Marshall recovered.

Wiener made a yard around end and then Marks kicked to the Slayton 25. After a couple of plays Slayton kicked to Wiener on the Marshall 35 and with the help of some good blocking brought the ball back to the Slayton 29, return of 36 yards. Marks added 10 yards to the 19, Lee spun for 2 more to the 17.

St. Aubin held for no gain and then a pass Wiener to St. Aubin was declared incomplete because St. Aubin was out of the field of play when he caught the ball.

The half ended with both teams unable to do anything with the other defense. Score at the half: Marshall 6, Slayton 0.

Healy kicked off for Marshall to Kolander on the Slayton 10 yard line who returned to the 49 where he was tackled by Wiener. After 2 plays Slayton's fumble was recovered by Marshall on the 49. Marks made a yard on a spinner. Wiener's pass intended for Healy was incomplete.

Wiener on an end run made a first down on the 35. Marks added 7 and Lee made it first down on the 21 yard line. Lee added 12 more to make it first on the 9. Marks

smashed to the 4 and then Wiener on an end run went over for the second Marshall touchdown. The attempt for point was good. Score: Marshall 13, Slayton 0.

The remainder of the game was featured by passes by Slayton in which they completed several for nice gains. Slayton was never a serious threat but was a hard fighting ball team all the way.

The consensus seems to be among the cognoscenti that while the Tigers lacked a certain polish in their ball handling, this condition will be remedied all in good time. There was a bit too much fumbling, also, but this fault, too, it is believed will dissipate after another week of practice, topped off, of course, with one of Coach Cole's gentle admonitions when the gang gets together again Monday afternoon.

Sept. 23, 1938

Tigers Play At Slayton Tonight

The Marshall Football machine goes to Slayton tonight practically as much of an unknown quantity as was last year's champions.

Spies report, however, that Coach Bernie Cole, who would rather coach football than eat, lay awake nights all this summer figuring out intricate plays to pass onto the boys.

It is said on good authority that his brainstorms this year will be even more complicated than last year (Remember the Redwood game play last year, when even the officials ran the opposite way from the ball).

Instead of the ordinary hipper, dipper, razzle-dazzle, Sturm-Und-Drang stuff the boys played last year, they have been coached a new brand of puzzling plays, which for lack of a better name, have been termed "Hotcha-Mogotcha."

Sept. 26, 1938

M.H.S. Ag Students At Marshall School

Boys Study Problems In Marketing.

Four vocational agriculture students from Marshall attended the Tri-state Livestock Marketing School held at South St. Paul on Thursday and Friday of last week. The local boys marketed sheep and hogs.

The purpose of the school was to enable agriculture students to study the marketing process. They were enabled to watch the entire process from the grading and selling of live animals to the storage and selling of meat.

Students from three states numbering about 1200 attended the school. The boys from Marshall who attended were Roi Kiel, Harold Maxwell, Hubert Vandeputte, and Elias Soenen.

Sept. 27, 1938

Tigers Drilling For Pipestone Tiff

Green Wave Expected To Shoot The Works.

Bernie Cole and Larry Kienholz were not any too well pleased with the Tiger machine which opened the 1938 football season against Slayton last Friday.

Weakness in the line was evident with a number of Slayton boys coming through to smear the plays before they could get well underway.

This weakness will have to be corrected before the battle with Pipestone's Green Wave on October 7, or they will fall by the wayside. They will meet better lines than the one at Slayton, but they will not meet one with a better spirit.

The Slayton lads were a determined, well-coached outfit, and every inch they gave was given only after determined resistance. They will have a dandy ball club before the season is over.

Runs which were intended to spring Wiener and St. Aubin through for long gains were stopped by rushing linesmen, indicating that the Marshall blocking assignments were not being taken care of in the customary fashion.

Coach Cole did not get much of an opportunity to give his reserves a tryout in the Slayton game, and with Pipestone coming up all set to knock off the Tigers, a lot of work will be done this week in giving them a polish.

After their 13 to 0 beating by Tracy last week, the Pipestone club, with everything to gain, will probably shoot the works against Marshall, and the Tigers will need everything in the books for this important game.

Sept. 29, 1938

Tigers Drill Hard For Big Green

Field In Readiness For 1,500 Fans.

Coaches Bernie Cole and Larry Kienholz have two weeks to prepare for the invasion of the Big Green Team from Pipestone.

Every report from Pipestone indicates that the Green Team is the team to beat this year. Big, fast and with a lot of experience, the Pipestone lads are bound to begin to click very soon—and then watch out.

Coach Harvey Ring, a graduate of Minnesota, will feature the Minnesota attack again this year and with the double wing system used by our own Bernie, the Pipestone-Marshall game should be something to watch.

No serious injury has been reported this season, so the Tigers will be at full strength. Both coaches have been working hard to take the jitters out of the boys and improve line play before this all-important game.

The field is being put in readiness for the game, bleachers to accommodate 1500 people are up, and with good weather a crowd which will take the full seating capacity is expected.

In the two years of use the Marshall field has never been used to capacity.

Sept. 29, 1938

See Successful Activities Year

Series Starts Next Week With Two Programs.

Marshall High School activities appear headed for their most successful year, if membership in Student Activities is any indication of success.

Activity books are sold to all students in high school who wish to go to the various activities. By working together it has been possible to keep the cost of students books very low and at the same time build up the membership to such a point that 90 per cent of all the boys and girls registered belong to activities.

Sept. 28, 1938

Little 10 Names 1939 Officers

League Plans Changes In Schedules.

Superintendent F. R. Adams attended the Little 10 football conference in Redwood Falls yesterday, and made the following report:

Paul Wilson of Glencoe was elected president; and R. R. Sorenson of Tracy, secretary-treasurer.

There will be several changes in the schedule next season, because of the fact that some of the smaller schools feel it is unequal that they play some of the larger schools.

A committee of Little 10 coaches will work out a tentative schedule for 1939 at the next meeting in Redwood on November 1.

There is a strong possibility that Marshall will play Glencoe.

Mr. Adams also stated that the Southwestern Minnesota Conference will organize Thursday night at Worthington, and efforts will be made by Marshall to secure 1939 football games with Worthington or Windom, or both.

The Little 10 conference is composed of the following schools: Glencoe, Hutchinson, New Ulm, Sleepy Eye, Springfield, Tracy, St. James, Fairmont, Redwood Falls, and Marshall.

The Southwestern Minnesota Conference includes these towns: Pipestone, Luverne, Jackson, Windom, Worthington, Lakefield, Mountain Lake, Slayton Tracy and Marshall.

Senior High School holds the average of 94 per cent for the upper three grades with the 12th grade leading the entire school with a 96 per cent membership. Junior High has a membership of 85 per cent with the 9th grade leading with 89 per cent of the students registered Activity members.

During the year Marshall boys and girls will have their own lyceum numbers selected by the Student Council, print their own paper, and go to all school functions including basketball and football games, only accomplished by funds from Activities.

A greater and more far-reaching result is the keeping together of our boys and girls, all working toward a single cause, making their activities just a little better because the entire student body is interested in each activity.

Two programs next week will begin the series. Jessie Rae Taylor, impersonator, will appear October 5, and the Marshall-Pipestone football game will be the second Activity number scheduled for October 7 at Legion Field.

Sept. 30, 1939

Tigers To Watch Scrappers Tonight

Will See Tracy In Redwood Game.

The Marshall Tiger squad will be the guests of the Scrappers tonight at Tracy when the Scrappers play the Redwood Falls team under the light. Coach Bernie Cole said today.

In return, the Tigers will be hosts to the Scrappers on October 28 when Marshall plays Redwood Falls.

Tracy, with a victory over the touted Pipestone team in the bag, is reported to have plenty of stuff on the ball. Redwood is a kind of an unknown quantity, but the game is sure to be a revealing battle to the Tigers, and will give them pointers on the strength and weaknesses of both future opponents.

Other games scheduled for tonight in this section will be:

- Minnesota at Granite Falls.
- Canby at Clarkfield.
- Pipestone at Worthington.
- Slayton at Windom.

The big game of this section next week, will of course be the Marshall-Pipestone battle on Legion Field.

Pipestone, eager for revenge after the 1937 Tiger victory, and plenty irked by the Tracy upset last week, is out for gore, and will most probably shoot the works, for the Tiger's scalp would mean plenty of prestige even for the whole state.

The first half will probably be conservative football played by both sides. Then if Pipestone cannot advance, Coach Ring will probably give the word to open up, and the air will be full of pigskins.

Oct. 3, 1939

Pipestone Victory Spurs On Tigers

Game Will Be Played Here Friday Night.

Pipestone 43, Worthington 7! If that score doesn't sound a note of warning to the Marshall Tigers, nothing will. The Pipestone Green have started to click after their defeat in the hands of Tracy, and indications are that this encounter will be everything promised.

The big Green team from Pipestone has everything, including smartness and physical bigness, and the Tigers had better get over their jitters for this battle.

Furthermore, Pipestone is just as rabid for victory as Marshall's championship team was last year, and they are pointing for the Tigers.

The Tigers will be in good physical shape for the Pipestone game Friday night, having had two weeks to prepare for it, but at the same time lacking a tough game to give them experience and playing spirit.

Coach Cole will make only one change in his starting lineup against Pipestone. Ehrreich will play end along with Healy; Cool and Geske, the tackles; Senden and Kerkvliet, the guards; Gilbert at center; Marks will call signals, with St. Aubin, Wiener and Lee carrying the ball.

Oct. 4, 1938

Tiger Game Friday Promises Thrills

Everything Ready To Handle Big Crowd.

Friday night, the Marshall Tigers will play host to Pipestone in what promises to be the biggest game for both teams.

That night the price of victory will run high, for both teams will shoot the works in an attempt to stay in the race for southwestern Minnesota honors.

Pipestone did lose to Tracy, but that makes Pipestone twice as good—they will be more than ever determined to do something about the conference race.

Every attempt will be made to handle the football fans with the utmost speed and efficiency Friday night. Both roads will be blocked by order of the city, except to cars of football fans. Cars will be admitted to the grounds where there are convenient parking spaces at either end. Cars may also be parked near the swimming pool, and fans may walk over the bridge where a ticket stand will be available.

In all there will be nine ticket sellers and as many ticket takers. Tickets will be sold up to the final quarter of the game.

Upon entering the parking spaces there will be men on hand to direct the placing of the cars. Past the end zones are parking spaces for those fans who wish to watch the game from their cars.

Uniformed girls will help to seat all spectators and will hand out programs.

Oct. 6, 1938

Record Crowd Seen For Game

Green Wave Set For Great Battle

Everything Arranged For Their Convenience.

Pipestone, with a slow start but with potential power they have never fully used, swings into action against the Marshall Tigers Friday night in one of the biggest games ever to be played on the Legion Field.

The Pipestone lads bounced back from a 13 to 0 beating at the hands of Tracy, to roar through with a 43 to 0 win over Worthington, which gives indications of the boys in green having made up their minds to do something about the advance notice that they were going to be a great team.

The Tigers on the other hand were unfortunate enough to have only one game under their belts and in that game the jitters were in evidence. While Slayton presented a well balanced club of hard fighters, the Pipestone Club is really expected to present a solid line which will be better than ever, playing the orange and black of Marshall.

The Green from Pipestone are going to do something about winning only one game against Marshall in the past ten years and they think this is their year.

The Tiger backfield looks equal to coping with the situation. Their pass defense was satisfactory and with half a chance, there are backs that can really lug that ball, which puts it directly up to the line. Is there enough power and speed in the line to stop the attack of the Green Wave from Pipestone and after Friday night's game, will the Tigers still be working for a second straight Southwestern Conference football championship?

Friday

Oct. 5, 1938

Date For Redwood Game Is Changed

Luverne Will Be Played In Daytime.

On the eve of the game with Pipestone Friday night, it was announced at the school house today that several changes have been made in the football schedule this season as follows:

Because the Minnesota Education Association will conflict with it, the Marshall-Redwood Falls battle here will be fought on the evening of October 26 instead of October 28, as originally scheduled. There will be no school Thursday and Friday, and the game was therefore moved up to Wednesday night.

This Redwood Falls game has also been designated by the Student Council as Homecoming. Because it is being played on a week day, a large delegation of fans from other towns will be on hand to witness the encounter. Most of these are loyal to their home teams, and being unable to attend on Friday, will be on hand Wednesday, October 26.

The other change on the 1938 gridiron schedule is concerned with the Luverne game there originally scheduled for the night of October 14. Instead, it will be an afternoon game on the original date.

The reason for this change is because Luverne has not yet installed lights on the football field. The revised Tiger schedule follows:

- October 7—Pipestone here.
- October 14—Luverne there, (afternoon.)
- October 21—Minnesota here.
- October 26—Redwood Falls here.
- November 4—Springfield there.
- November 11—Tracy here, (afternoon).

Oct. 5, 1938

Band To Entertain Football Crowds

60-Piece Organization Will Play This Season.

Marshall's 60 piece band will have an important part in football games this fall. Working the past month on marching, the band has several new formations which will appeal to the fans during the half, when the team is not on the field. These formations are intricate ones and require a good deal of preparation.

The band will open every football game and have the entire half intermission for its special prepared program. Last year due to bad weather the band did not have a chance to do full justice to its program.

This season with good weather hoped for, the parts played by the marching band will be of great interest to the fans.

Oct. 6, 1938

Best Handling Of Fans Promised

High school officials expect the largest crowd ever to watch a Tiger football game on Legion Field here Friday night when Marshall plays the Pipestone Green Wave.

Everything is in readiness for the crowd and for the convenience of the fans in getting to and from the game quickly.

Programs carrying the player list and squad members are completed, and will be handed out by the ushers before the game.

Every precaution has been taken to increase the speed at which fans may get to the game by placing additional members of the ticket sellers at the gates.

Oct. 4, 1938

PTA To Get Proceeds Of Lot At Tonight's Auction

Proceeds of the sale of one lot sold tonight at the lot auction will be turned over to the milk fund of the Marshall Parent Teachers Association, it was announced today.

Paul Bockelman of the Bockelman Sales Company, which has charge of auctioning off lots at the Whitney 80 adjoining Liberty Park, said today he had conferred with Charles Gilbert, president of the PTA, and had made the offer, and that Mr. Gilbert had accepted it.

The milk project was conceived

seven years ago by the PTA, and has been carried out each year since that time. Its object is to better community health by furnishing underweight and undernourished children from Kindergarten to the Fourth Grade with a free half pint of milk daily from the first of each January to the first of each April.

With the additional funds from the lot added to the treasury, the PTA may extend the number of months during which the children are given the milk.

Oct. 5, 1938

To Welcome Teachers Tuesday

Speaking at the get-acquainted party for the teachers of the Marshall Public Schools Tuesday night will be the president of the Marshall Parent-Teachers Association.

Who is he? asks Pat Rogers, in general charge of the event. Come and see, he adds.

The time is October 11, at 8 p. m. The place in the Marshall school-house.

Oct. 8, 1938

Tiger Lightfoot Lads Ride Roughly Over Pipestone Gridders, 32 To 6

Coach Bernie Cole's Squad Displays Power, Speed, Deception In Pipestone Crush.

A Marshall football team that in some ways resembled the championship squad of 1937, drubbed the Pipestone Green Wave here last night by a score of 32 to 6.

First quarter. Coco Healy kicked over the Pipestone end zone, and the ball was brought to their 20. Pipestone, on a powerful thrust through center made 10 and first down.

Pipestone made one through center. Pipestone fumbled. Erreich recovered for Marshall on Pipestone's 30. After two plays, Marshall fumbled and Pipestone recovered on their 20. Pipestone's ball. Tried right tackle for no gain, St. Aubin smearing the play.

Pipestone tried center, but Senden stopped it for no gain. Marshall was penalized five for offside. Pipestone on third down and 11 to go, kicked to Marks on Marshall's 49-yard line.

Marks made one through center. St. Aubin made 12 in two smashes over left tackle. Marks cracked center for another first down. St. Aubin slashed over left tackle for 25 yards. Marks pounded center for two.

On the next play Marks passed to Don Lee, who lateralled to Chet Wiener, who scampered for the touchdown.

The score: Marshall 6, Pipestone 0. Coco Healy's place kick was blocked.

Healy kicked to Pipestone's 10 and the ball was returned to Marshall's 30. St. Aubin and Healy stopped the play after it had gained 5 yards. Coco Healy stopped a long Pipestone run around Marshall's right end, after it had gained 18 yards.

In the next two plays, Pipestone made 4 yards around Marshall's right end with Healy making both tackles.

Pipestone made 1 around right end with Gilbert making the tackle. St. Aubin tackled the Pipestone runner on the next play after he had made 6 around right end.

Senden smeared the next Pipestone play around left end for a 2-yard loss. Kerkvliet and Senden smeared the next play through center for a yard loss.

Pipestone's pass was no good as the first quarter ended.

Pipestone fumbled and recovered, with Kerkvliet smearing the play. The ball went to Marshall on downs on Marshall's 36. Chet Wiener on the next play scurried from the Marshall 36 to the Pipestone 29 over right end.

On the next play Wiener passed to St. Aubin who went over for a touchdown. Coco Healy's place kick was good. The score: Marshall 13; Pipestone 0.

Marshall kicked to Pipestone's 10 and the ball was carried to their 25, with Marks, Cool and Healy making the tackle. Pipestone's ball. Erreich smeared a right end run for a loss of three. Pipestone made 3 around right end. Pipestone punted to Marshall's 30. Marks crashed through center for first and 10. Marshall passed and the ball was intercepted by Pipestone on Marshall's 31.

Pipestone made 4 around right end, and then 3 more on the next. Pipestone failed to gain around right end. Pipestone tried a lateral for no gain around right end. Pipestone ran right end for 6. Pipestone later-

alled left for first down on Marshall's 6 yard line. Pipestone's pass over the goal line was complete for the touchdown. Pipestone's pass for the point was incomplete. The score: Marshall 13, Pipestone 6.

Pipestone kicked off to Marshall, with Marks receiving the ball on the 20 whence his dodged to his 31. Wiener made 2 around right end. St. Aubin scurried over left tackle for 10. Marks failed to gain over right tackle. St. Aubin was stopped for no gain over left guard. Marks passed to Erreich who lateralled to Don Lee who hotfooted for a 25-yard gain.

St. Aubin knifed through left guard for a touchdown. The try for point failed. The score: Marshall 19, Pipestone 6.

Marshall kicked off to Pipestone. Don Ressmyer took it from his 10 to his 29, with Buckie Neill making the tackle. The half ended. Marshall 19, Pipestone 6.

The second half started with Pipestone kicking off to Marshall, and the ball was carried to the 29. A shovel pass to Chet Wiener netted first and 10. Marks picked up 6 over right tackle, and St. Aubin 5 more over left tackle for first down.

Marks crashed over right tackle for 10. St. Aubin smased center for 5. St. Aubin made 4 over left tackle. Wiener scooted right end for 11. Marshall failed to make first down and kicked to Pipestone.

Pipestone kicked back. Wiener received it on his 22 yard line and ran it back for a touchdown. The try for point failed. The score: Marshall 25, Pipestone 6.

Marshall kicked off to Pipestone. From their 30 yard line Pipestone passed but it was incomplete. Pipestone ran left end for 5. Pipestone gained 25 yards around Marshall's right end. Pipestone lateralled around right end for 3. Pipestone's pass was incomplete.

Pipestone had the ball as the fourth quarter began. Pipestone made 1 around right end. Pipestone fumbled but recovered on their 49 yard line, where the ball was given to Marshall on downs. Marshall picked up five yards on the next two plays. St. Aubin Aubin gained 10 over left tackle. Marks picked up 7 through center. Lee sneaked through center for first down. Marks cracked center for 6. A play around left end failed to gain.

Lee ran right end for 7. Marks cracked center for 4. The ball was now on Pipestone's 20. Marks went through center for 4. Marks picked up 10, to make it first down on Pipestone's 10. Two plays through the line netted only a yard and a half.

On the next play Marks passed to Erreich over the goal line for the touchdown. Lee lateralled to Robert Gilbert for the point. The score: Marshall 32, Pipestone 6.

Marshall kicked off to Pipestone, who returned it to the 35. Pipestone's pass was incomplete, slapped down by Coco Healy. After two more plays failed, Pipestone kicked to Lee on the 30 yard line.

Coach Cole sent in his entire second team.

Bob Gilbert tried right end for 2. Aldrich picked up 4 over left tackle. Gilbert tried center for no gain. Marshall took a 5 yard penalty for offside. Krute failed to gain around right end. Gilbert kicked to Pipestone's 40. Pipestone fumbled and Marshall recovered on Pipestone's 25. Wiener ran for 13 yards. Marshall's pass was incomplete. Harmon tried left end for no gain, as the final gun sounded.

Oct. 10, 1938

Public Invited To Get-Together Tuesday

Wide Variety Of Entertainment Arranged, Including Barbershop Quartet And Free Lunch.

Plans are practically completed for the public "Get-Together" party arranged for teachers of the Marshall Public Schools Tuesday night.

Officers of the Marshall Parent-Teachers Association and of the Marshall Civic and Commerce Association, who jointly are sponsoring the affair, said again today that everyone is cordially invited, and there will be varied entertainment, and a free lunch served.

The officers believe that this public get-together presents the best possible method of getting the people of Marshall acquainted with the teachers, and also an opportunity for new residents to meet their fellow townsmen.

Pat Rogers, in charge of publicity for the party, said today there is going to be a lot of good entertainment for the event, including the efforts of a barbershop quartet.

"The school board will make its first public appearance as a body, in

Marshall history," declared Mr. Rogers. "Come and see the men you voted for."

Oct. 10, 1938

Quarterback Club Convenes Tonight

50 Enroll For Tiger Football Confab.

Mel Hardy, chairman of the Downtown Quarterbacks Club which will dine and talk tonight at 6.30 in the Marshall Cafe Blue Room, said today that 50 men have joined the club and more are expected.

Coach Bernie Cole and Coach Larence Kienholz have been invited to be guests at each Monday night session, and they have accepted.

Five questions on the Marshall-Pipestone game have already been submitted by members. Members are advised that questions must be written out and signed and submitted before each meeting starts.

Food will be served sharply at 6.30. Members may leave at any time during the meal or discussion in case they have other engagements. In the event a member does not attend, the money for his meal will not be refunded, but will be turned into a fund for future use.

Oct. 7, 1938

Kienholz Nose Wins Admiration

Busted For Nth Time In Grid Practice.

The public which will attend the community get-together for the Marshall teachers Tuesday night will be treated to the sight of one of the faculty with a broken nose and a couple of shiners.

The possessor of these fascinating facial mishaps is Coach Lawrence Kienholz, and he sustained them one night this week during line practice, when he was showing some of the lads something new in the line of using your dukes.

As he was demonstrating the play, something went wrong with the timing, and he crashed into Bill Haynes slight and wiry gridster who weighs about a third as much as the six foot, six inch, 250-pound Mr. Kienholz.

Haynes escaped without a scratch. Mr. Kienholz is used to broken noses, though, for in the course of his prep and college football career, his nose has been broken several times.

Oct. 7, 1938

Meet Your Teachers!

Every adult from 19 to 90 in the community is cordially invited to attend the "get-together" for the teachers of the Marshall Public Schools Tuesday night, the committee in charge said today.

The "get-together" is being sponsored by the Marshall Parent-Teachers Association and the Marshall Civic and Commerce Association.

A grand program of entertainment has been planned and the whole will be topped off by a free lunch.

The committee said today: "Get acquainted with the teachers, meet your neighbors, and learn to know new residents who have lately moved to Marshall. Let's all be present to prove to the teachers and the new residents of Marshall that this is a friendly town."

Oct. 11, 1938

Parents Meet Teachers Tonight

Large Attendance Seen For Get-Together Party.

The Get-Together arranged by the Marshall Parent-Teachers Association in conjunction with the Marshall Civic and Commerce Association for the purpose of acquainting the teachers with the general public, will be held tonight in the school house starting at 8 o'clock.

A wide variety of entertainment is in order, and the public is cordially invited to come and enjoy the fun, and meet the teachers and fellow townfolks.

Mrs. G. H. Shippee is chairman of the luncheon committee, which is composed of the following:

Mrs. Walter Galle, Mrs. Charles Gilbert, Mrs. H. J. Haynes, Mrs. F. A. Ohlsen, Mrs. Wesley Kugler, Mrs. Frank Backlund, Mrs. W. A. Korfhage, Mrs. Wallace North, Mrs. B. Nelson, Mrs. Arthur Hardy, Mrs. Sam Adler, Mrs. Charles Booth, Mrs. W. B. Feyereisen, and Mrs. C. O. Pitts.

Oct. 12, 1938

Tigers Go To Luverne Friday

Game To Be Played In Afternoon.

With one man out because of ineligibility, and several players with minor injuries sustained in the Pipestone battle, Marshall's chances against Pipestone Friday afternoon do not seem so good as last week at this time.

However, the Messenger guesser is going to take a long shot in the dark, and prognosticate a score something like this:

Marshall—30 something
Luverne—6
A better known guesser, and a wiser one in the ways of football says this:
Marshall—14
Luverne—0

He adds, also that he figures the game will be a cat and dog fight something like the Minnesota-Purdue game last Saturday.

Here is comparative dope, and if you can draw any conclusions from it, you're a mathematical genius:

Marshall defeated Slayton. Lakefield defeated Slayton. Lakefield beat Lakefield.

The game will be played in the afternoon Friday at Luverne, instead of under the lights as first announced, the lights not having been installed yet.

Oct. 15, 1938

Tigers Grab 3 Scores In 1st Quarter To Defeat Luverne Gridders 20 to 9

Luverne Counts On Safety And 3rd Period Touchdown. Many Fans Attend.

By MEL HARDY

In a thrilling football game for both Marshall and Luverne fans, the Marshall Tigers defeated Luverne by a score of 20 to 9 yesterday afternoon at Luverne. Many Marshall fans made the trip to see the Tigers win.

Captain Gilbert won the toss and chose to defend the north goal, which had a slight wind advantage. Luverne kicked off to St. Aubin on the Marshall 20 yard line. He returned to the 30 and in two plays Marks made 1 yard. Then on a fake, Lee carried the ball from the 31 to the 50 yard line. Two more plays resulted in a 1 yard loss. Then St. Aubin, on a reverse and behind nice blocking ran 51 yards for Marshall's first score. Wiener added the point to make it 7 to 0 for the Tigers.

Luverne kicked again, this time to Healy, who returned to Marshall's 38. Marks spun for a yard, Wiener lost 5. A pass, Wiener to St. Aubins, was good for a first down on the Luverne 20 yard line. Marks made 4 and a pass from Wiener intended for Erreich was incomplete. St. Aubins was held for no gain and then a pass, Wiener to St. Aubins, was good for Marshall's second touchdown. The point try was no good and the score stood Marshall 13, Luverne 0.

Up to this point Luverne had not had the ball except to kick off. Now they chose to receive.

Healy kicked to the Luverne goal, but the return was short as the ball carrier was stopped on the Luverne 9 yard strine. George Senden and Herb Kerkvliet threw Luverne for a yard loss and Healy stopped the next play, throwing the runner back to the 3 yard line. Luverne punted to their own 33, and Wiener returned to the 20. A lateral, Marks to Lee, was good for 2 yards to the 27. Marks added 5 through center.

Marks repeated on the next play to make a first down on Luverne's 15. Lee was held, but St. Aubin then went around end for Marshall's third touchdown. Healy's placekick for point split the uprights. Score, Marshall 20, Luverne 0.

Luverne kicked to Marshall's 10 yard line, where Wiener took the ball and brought it to the 15 as the first quarter ended.

Wiener made 7 yards to Marshall's 22. Lee added 5, making it first down on the 27. Marshall was penalized 5 for offside. St. Aubin fumbled, but recovered on the 21. Bob Gilbert kicked to the Luverne 46 where Cowan downed the punt. Luverne went around end to the Marshall 30. A pass was good for another 10 yards. Charles Gilbert stopped Luverne after 3 yards. Then in two plays, Luverne took the ball to the Marshall 5 yard line. DeLapp added 3 yards on two plays and then was held without gain, and Marshall took the ball on its own 2 yard line on downs. Silvius replaced George Senden who was hurt on the play. Lee made a yard. On a punt formation Marks fumbled behind the goal line, picked up the ball, but was tackled for a safety by Wilding, a guard who played an outstanding game all afternoon. Score, Marshall 20, Luverne 2.

Healy kicked off from Marshall's 20 to Luverne on the Luverne 45, where the ball was returned to the

Marshall 38. The next play was good for 17 yards and put the ball on Marshall's 21. Marks stopped Luverne for no gain. The whole line then held for a yard loss. Marshall was offside and after the next play the Tigers took the ball on downs. From the 12 yard line, Marks was held for no gain. St. Aubin lost 3 on a fumble, Lee added 3.

Marks punted to Marshall's 40, the ball being returned to the 18. Marks intercepted a pass, giving Marshall the ball on the 18. Wiener lost 6, and his quick kick was partially blocked, the ball being downed on the Marshall 20. Luverne tried a pass, which Wiener knocked down over the goal as the half ended, with the score Marshall 20, Luverne 2.

Third Quarter.

Bucky Neill replaced Healy and Senden was back in a guard. Luverne kicked to St. Aubin on the 18 and he returned to the 22. Lee made 9 around end. Bob Gilbert made 11 to the Marshall 42. The next play lost 6 yards and a pass was no good. Gilbert kicked to the Luverne 33, where Marks downed the ball carrier. Wiener intercepted a pass on Marshall's 46 and returned to the Luverne 49.

Failing first down, Gilbert kicked to Luverne on the 15, the carrier being downed on the 18 yard line. Helling made 2 for Luverne, and the next two plays netted 8 yards and a first down. A pass to Helling from DeLapp put the ball on Luverne's 36 yard line. Three plays gave them another first down, and two more netted still another. Two line plays failed, and a pass from DeLapp to Ryan then gave Luverne their only touchdown. Prah's kick was good. Score, Marshall 20, Luverne 9. The quarter ended in one play after the next kickoff.

Fourth Quarter.

From the Marshall 22, Lee made 9 yards to the 31. Luverne took an offside penalty. B. Gilbert added 5 in 2 plays. A lateral lost ground and Gilbert kicked to the Luverne 23, with DeLapp returning to the 30 where he was downed by Marks. Senden stopped the next play, and Marshall recovered a fumble on the Luverne 29. A pass, Wiener to St. Aubin was good for 17 yards.

Marshall advanced to Luverne's 20. From then on both sides used passes freely, but neither team threatened seriously to score. The final account was Marshall 20, Luverne 9.

The Marshall line perhaps deserves more credit than anyone else in the ball game, being up against one of the hardest charging lines we have seen so far this year. Senden and Kerkvliet did a very good job, both on offense and defense. Ehrreich at end showed a great deal of advancement from the Pipestone game. Charles Gilbert did a swell job of backing up the line. Healy's kick-off's were probably the best seen on a Tiger team for sometime.

Bloome showed himself to be an alert tackle, being in on line plays, end runs, and still more alert in recovering fumbles. Neill proved himself to be an able replacement either at center or end. Mention must also be given to Wilding of Luverne, who is probably as good an opposing guard as Marshall will see all year.

Oct. 12, 1938

Get-Together Is Great Success

400 Present To Greet Teachers Last Night.

An audience estimated at over 400 persons was present last night at the "Get-Together" sponsored jointly by the Marshall Parent-Teachers Association and the Marshall Civic and Commerce Association.

The purpose of the affair was to bring teachers and townfolks together, and to acquaint new residents with their neighbors.

Charles Gilbert, Sr., president of the Marshall Parent-Teachers Association, introduced the members of the Marshall Public Schools teaching staff to the audience.

Other speakers were Superintendent F. R. Adams and A. L. Soucy, secretary of the Marshall Civic and Commerce Association.

H. S. Simons, attired in a very fetching cap and gown, conducted a Professor Quiz section with his usual wisdom and aplomb.

Miss Eleanor Biebl, spoke on behalf of the teachers, at the conclusion of Mr. Gilbert's introductions.

Music numbers were presented as follows:

Vocal solo by Merlin Powell; trumpet solo by James Hand; vocal solo by Miss Vivian Erickson; and songs by a quartette consisting of George Wingert, the Rev. W. A. Korfhage, Arthur Raine, and Julian Waller.

It was announced last night that the PTA milk project will again be the main concern of the organization.

Mrs. George Shippee was chairman of the lunch committee.

Oct. 13, 1938

Juniors Choose Their Class Play

The Junior Class has chosen as its class play, to be given during November, "Big Hearted Herbert."

"Big Hearted Herbert," a comedy playing a full evening, has been a decided success wherever produced.

The play will be under the direction of Miss Mary McEniry and has the following cast:

Robert Ohlsen, Betty McCready, Douglas Juhl, Shirley Silver, Harold Maxwell, Robert Shourds, Marjorie Porter, Gordon Brantman, John Gary, Margaret Melvin, Betty Persons, Bette Mae Farrell, John Silvius.

Oct. 13, 1938

Tigers Primed To Halt Luverne Victories Again

Marshall Plays At Southern City Friday Afternoon — Lineup Same As Last Week.

The Marshall High School Tigers journey to Luverne Friday afternoon to play the up and coming Luverne team.

Luverne was slumped last year after a winning streak of 21 games over a three year period. The Tigers turned the trick and stopped the streak 32 to 6. Only one more game they lost and that to Pipestone in their annual struggle. Luverne then started another winning streak, which they are on at the present time. Two games lost in the past four years—anyone that sells that sort

of a club short doesn't know their football.

Luverne still has DeLapp, who was considered better than the famous Dressen. They have a fine line and a set of backs just as great as the one presented by Pipestone. While the Tigers rate the edge in the Luverne game, that edge is not nearly as great as one would expect. Luverne is moving forward very rapidly and if they are an inspired team for the Tiger game, anything can happen.

Coach Bernie Cole and Larry Kienholz will present the same lineup as the one that started for Marshall against Pipestone. While the usual fine crowd that attends Marshall's out of town game will be lacking due to the game being played in the afternoon, a good sized delegation is expected to attend.

After the Luverne game the Tigers will be at home for two weeks ends, the Minnesota game, October 21, and the Redwood game, October 28.

Tigers To Play Redwood October 26

Date Changed Because Of MEA Convention.

The Luverne game was the second game away from home for the Tigers this season, with one additional game to play away from home. Luverne proved a perfect host to the Tigers and the many Marshall fans which followed the team.

Coaches Bernie Cole and Larry Kienholz now can turn their attention to the last part of the season realizing that the worst is yet to come and there is a lot of work to be done.

Minnesota will play here Friday and Redwood Falls on October 26.

The center of the line looked strong enough in the Luverne game but the ends need a great deal of bolstering. Healy will handle the end play on his side without help unless injury forces him out, but in football played as it is today reserve strength is needed badly. The teams Marshall is playing from here in on the home stretch have made their entire gains on long end sweeps.

Redwood is still a little upset by the beating administered last year and will come to Marshall a mighty serious team intent on a revenge. They have another fullback that lives up to the traditions of Bob Paffrath now at the University. And this Redwood team is big and fast, while they are not a high scoring team they make their opponents get their scores the hard way—in other words they have a defensive team the equal of the Luverne team and then some.

All in all the following four weeks are going to see a lot of good football on Legion field and any fans that miss any of the games from here in will miss some real football.

Oct. 18, 1938

Tiger, Minnesota Game Here Friday

Defeated Pipestone Indians
By Lop-Sided Score.

Within ten days Marshall High School will play two football games, playing Minnesota on Legion field on Friday followed by the Redwood encounter the following Wednesday, also on Legion Field.

After the Luverne game the Tigers realize they have a job cut out for them Minnesota, Redwood Falls, Springfield, and Tracy following in order. The three touchdowns in succession didn't do the Tigers any good in the Luverne game except that it did sew up the game for them.

A letdown after the three scores, followed by great defensive play on the first two times the Luverne team had the ball, convinced the Tigers they had nothing to worry about. A letdown which was hard to bring back followed and an inspired Luverne team went to work. For two periods the game was all Luverne and in the final quarter the Tigers again took control and started to work as the Tigers of old.

The game will help the Tigers to realize the job they have ahead in trying to stop Redwood and Tracy and at the same time it will make Marshall opponents realize that the Tigers can be beaten will result in no more first quarter runaways like the Luverne game.

Luverne had a guard and halfback that were class in themselves. Without these two boys the Tigers would have scored at will. However this big guard was in on every play and spent much time in the Tiger backfield. To block this boy out of the play seemed next to impossible.

Minnesota came up fast to take the Pipestone Indians by a lopsided score while Redwood indicated that they were on their way at last by blasting out a win over Glencoe. Glencoe losing its first game in two years. Redwood is big and fast this year and after a slow start, they really are beginning to move. Any team that can stop Glencoe has something on the ball and Redwood turned the trick 12 to 2. They will be doubly anxious to win this year after the defeat handed them last year by the Tigers.

Coaches Bernie Cole and Larry Kienholz will try this week to bolster the end play, which was none too strong in the Luverne game. Luverne swept the ends for consistent games during the second and third periods.

Oct. 19, 1938

Tigers Drill For Minnesota Friday

Cole Concentrates On
Polishing Reserves.

Many fans believe the Minnesota game to be a setup, but such may not be the case. Minnesota did lose to Granite Falls by a 38-0 score, but Granite has one of the best teams in this section of the country this year. They ran over Montevideo to score touchdowns winning the first game in the history of the school from Montevideo. Minnesota came back after the loss to Granite to blast the Pipestone Indians by a 66 to 0 score which indicates they are moving forward.

The Luverne game indicated the Tigers weakness in lack of reserves. Last season it was possible for Coach Cole to insert a complete new team without apparent weakness. This however is not the case this year, there appears a sudden drop from the regulars to the reserves. This seems to be the coaches' problem in the coming ten days. Ten days total preparation must be made for both games as little can be accomplished the Monday and Tuesday following the Minnesota game.

One of the most interesting games to be played Nov. 11 will be the Luverne Pipestone encounter, a rivalry that is just as great as the Marshall-Tracy feud. While Marshall took Pipestone by a greater score than they did Luverne anything can happen when these two teams meet. The question asked at Luverne after the game was for a comparison between the two teams, which one was the stronger.

Of course that brings up the Tracy-Marshall game and everything is pointing toward increased interest in that game. Southwestern Conference championship will be at stake—that is already assured by virtue of the Tigers three wins in the conference and Tracy will also have a perfect record to stake on the outcome of this battle.

Oct. 20, 1938

Two More Tiger Night Games Left

Minnesota Tomorrow, And
Redwood On Wednesday.

Only two more night football games are in the offering for Marshall fans, Friday night, October 21, and Wednesday, October 26.

The kickoff for the Minnesota game will be at 8 p. m. just after the band has marched on the field to open the game.

Minnesota has been coming rapidly and they face Marshall with a determined squad ready to shoot the works. After an early season loss to Granite, which has one of the best teams in this section, the Minnesota team has been gaining strength steadily.

The Tigers will have to depend to some extent on reserves for this game due to sickness and injury slowing the black raiders down in their attack.

While Marshall's fans may regard the game as a setup, such is not the case, Minnesota having come fast and the Tigers will be without the service of some of its regulars.

Oct. 20, 1938

5 Of Tiger Staff Go To Meeting

Attend Session Of
School Press Association.

Miss Alice Johnson, Tiger Herald advisor, and four members of the staff left yesterday for Duluth, where they are attending a meeting of the Minnesota High School Press Association.

Students present at the sessions which started this morning are Robert Ohlsen, Nancy Adams, Kathleen Herman, and Shirley Silver.

Educational features of the meeting will include a tour through the iron range, and trips through the Duluth Herald and News Tribune. A banquet and dance will top off the meeting Saturday night.

Oct. 21, 1938

Tracy Pointing For Tiger Game

Wins From Slayton
Team 30 To 0.

Tracy — Tracy's Scrapper Eleven, undefeated and untied this season, are rolling along toward the last half of the season with all the tough games behind them, with the exception of the last game of the season on Armistice Day with the Tiger squad of Marshall, who also have been playing heads up football and a good game is expected that day.

Last Friday night on the Tracy illuminated field, the Scappers took the Slayton eleven into camp, to the tune of 30-0 in a very easy and slow game. The first squad were just too much for the Slayton eleven so the second squad were sent in to get some very much needed playing practice and during the last quarter the third string were sent in all still holding the Slayton boys from scoring. The second and third groups played very good ball considering that this was the first time some of them had ever played in a real game at all.

This coming Friday night, Tracy will play Springfield here on the local field. The teams of St. James, Canby and Marshall are left on the schedule to meet before the season ends.

According to dope the Springfield and St. James games should not be as difficult as the Pipestone and Redwood Falls games, already played by the Scappers, but a lot of improvement can be made before the Scappers meet these teams. Large crowds are always present at the games to give the boys plenty of cheering. Night games enable the working people to attend who otherwise could not. There are only two away from home games and they are both day time games, the one with Canby and the regular Armistice game at Marshall this year.

Oct. 21, 1938

Minnesota Plays At Marshall Tonight

Neighboring Town Team
Has Developed Rapidly.

Minnesota's football team comes here tonight for a game with the Marshall Tigers on the lighted gridiron at Legion Field.

The Minnesota eleven has come ahead rapidly the past couple of weeks and the Tigers will find it no set-up.

The game is to begin promptly at 8 p. m., and will be preceded by an appearance of the big Marshall High School marching band.

All arrangements have been made to take care of a good-sized crowd of fans, and with fine weather prevailing an entertaining evening is expected.

Teachers To Go To M.E.A. Session

12,000 Expected At
State Convention This Week.

Twelve thousand teachers are going to be in Minneapolis Thursday, Friday and Saturday of this week, and there will be no school for the children. These thousands of Minnesota Education Association members are going to study intensively professional problems at the general and sectional meetings of the association in the municipal auditorium and in numerous other meeting places in the city.

F. R. Adams, superintendent of the Marshall Public Schools, and president of the southwest division of the MEA, said that all Marshall teachers will attend the sessions. He reminded the public that the Redwood Falls game has been advanced to Wednesday night because there will be no school Thursday, and Friday on account of the convention.

Forty section programs have been arranged for late Friday morning and afternoon by officers of the special subject sessions, according to an announcement by Walter E. Englund, executive secretary. These will include groups dealing with adult education, art, agriculture, biology, commercial, English, geography, handwriting, higher education, history, home economics, industrial education, social science, speech, and audio-visual subjects.

Special meetings have also been arranged for classroom teachers, consolidated school principals, county superintendents, deans of women, elementary and kindergarten teachers and principal, librarians, student personnel workers, rural education and teacher placement officers.

Oct. 22, 1938

H.S. Girls Attend Meeting In Austin

Is Conference Of Southern
Minnesota Members.

Four Marshall high school girls are representing their school at the Southern Minnesota High School Girls' League Conference, which was held today at Austin.

The girls are Betty Aldrich, Ardith Whitney, Ursella Waldorf, and Alice Johnson.

Miss Eleanor Biebl and Miss Susan Schmidt accompanied the girls to Austin.

Speakers today were: Miss Margaret M. Doty, Dean of Women at Macalester College; Miss Ruyve Belle Ingils, world traveler, president of the Minneapolis College Women's Club, and co-author of the book, "Adventure in American Literature" and Mr. Park Dougherty, one of Austin's well-known business men, who holds a high position in the Hormel Packing Company.

Oct. 24, 1938

Redwood Plays Here Wednesday

Homecoming Games Promises Hard-Fought Battle.

Redwood Falls plays Marshall this Wednesday in what promises to be one of the best games of the season. The guess on who will win is wide open, with it looking like a dead even game.

The Marshall Tigers started fast, and looked like a repetition of last year's championship outfit. In the past two games the same drive has been lacking and they don't look as impressive as in the two earlier games.

Redwood, on the other hand, started slow, losing their first game by coming back to win from Montevideo and Glencoe, two of the best teams in this section of the country. They have piled up a two touchdown victory over Montevideo.

The Redwood team will be doubly hard to beat because of the shellacking handed them by the Marshall team last year when the score was run to 52 to 0 on their home field, and homecoming at that.

The Red team has another Lauterbach who is a football team in himself, according to reports from Redwood.

If Redwood sends the number of rooters to Marshall that traveled to Redwood last year from Marshall, the largest number of people will attend that ever attended a football game at Marshall.

The Tigers should be at full strength in a game against Redwood, and the prediction that it will be the best game of the season is made without hesitation.

Oct. 25, 1938

Tiger Homecoming To Attract Large Crowd

Pepfest And Parade Arranged For Afternoon —Redwood Out To Avenge 1937 Defeat.

Coaches Bernie Cole and Larry Kienholz tapered off work today in preparation for the Redwood Falls game here under the lights tomorrow night.

This last night game of the season points to the best encounter since two years ago when a great Redwood team came to Marshall to defeat an equally great Marshall team by a score of 12 to 7.

Redwood led 12 to 0 at the end of the half. On the first play in the second period, Fitts ran 80 yards for a touchdown, and the Tigers spent the rest of the half within the Redwood 40-yard line, but failed to push the ball over.

Every year a great team develops, and this battle promises to top them all, Redwood, on their way back, will be after the scalp of the Tigers after the beating they took a year ago.

Coach Cole will rely on his same starting lineup, with the exception of end where Bob Gilbert is expected to get the call.

Homecoming goes underway at 3.15 Wednesday afternoon when the annual pepfest is scheduled. There will be talks by the coaches, stu-

dents, and fans.

At 3.45 the parade will form at the High School building and the line of march will be through the business district, with most of the student body taking part. The Marshall High School Band will lead the parade, followed by various floats of the different organizations in school.

Tickets have been placed on sale at the Bulowski Drug Store for the convenience of the fans.

The order of parade follows:

1. Drum major.
2. Band.
3. G. A. A. float.
4. Physical Education Club.
5. Junior Class float.
6. Cheer leaders and pep club.
7. Senior class float.
8. Sophomore class float.
9. Industrial Arts Club float.
10. F. A. A. float.

Oct. 25, 1938

Tigers And Minneota Both Score In 6 Minutes

Fans Get Money's Worth In Hurry—Marshall Defeats Valiant Purple Team 33-6.

There was 60 minutes of football on Legion Field last night, but the fans got their money's worth in exactly six minutes.

All the real thrills of a game that saw a smart, powerful, Tiger team smash to victory over a dogged Minneota eleven, 33 to 6 were in that first six minutes.

For in that first six minutes, a touchdown was made by both teams.

Minneota kicked off to St. Aubin on the Tiger 20 yard line, and in a long run he returned to the Minneota 22 in what looked like a sprint for a touchdown. Marks then crashed to the Minneota 3. St. Aubins added a couple more, and Marks then found a big hole at right tackle for the touchdown, Wiener following with the point.

Then it was Minneota's turn, and they did it as nicely as any football crowd could ask for.

The Tigers kicked off and the ball was returned to the Minneota 35 yard stripe. A sleeper laid down out on the sideline, and a moment later caught a forward at full speed 20 yards down the field to romp all the rest of the way across the goal line untouched. It was a perfect pass and a perfect catch, and while the try for point failed Minneota had a precious 6 points chalked up against those smart, powerful Tigers.

The good-old sleeper play wouldn't work a second time, and from then on it was all Tiger so far as scoring was concerned, but let it be said that Minneota fought the clawing, charging Orange-clad eleven with true spirit until the final whistle.

Marshall received on the next kick-off, and with St. Aubin, Marks, Lee and Wiener carrying the ball marched without being stopped from its own 32 yard line on down the field to the Minneota 3, and from there Wiener took the ball on a beautifully executed double lateral to step across the line for the second Tiger touchdown. Marks heaved a short pass to Bob Gilbert for the point, to make the score Marshall 14, Minneota 6.

The Tigers then kicked off, but Minneota fumbled and Marshall recovered, to advance on line plays to the Minneota 7. A forward failed there and Minneota took the ball on the 20 yard, but failing to gain more than 2 yards punted against a strong wind to their own 38.

Marshall then started its third touchdown march, pressing ahead to the Minneota 12, from where Wiener took the ball on a reverse and again went over for the score. Krute romped free around right end for the point, but a penalty was called and the score stood Marshall 20, Minneota 6.

Coach Cole now sent reserves into the game in plentiful numbers, and there was no further scoring in the first half.

The third quarter opened with Marshall hanging up another count—on a single play. St. Aubin received the kickoff and tossed it over to Healy who sped up to the Minneota 47 yard line. From there, Wiener went around right end, with the Tiger line and other backs furnishing fine blocking, to put the ball over the goal again. Bob Gilbert made the point, and it then stood Marshall 27, Minneota 6.

Marshall's final touchdown was

Football Scores

- Marshall 33, Minneota 6.
- Wood Lake 39, Cottonwood 14. (Six man).
- Glenwood 13, Litchfield 12.
- Milroy 26, Lynd 14.
- Renville 56, Fairfax 14.
- Morris 6, Wheaton 0.
- St. James 14, New Ulm 0.
- Tracy 33, Springfield 0.
- Fairmont 20, Estherville, Ia. 0.
- Redwood Falls 13, Montevideo 0.

also made in the third period, after Lee intercepted a Minneota forward and tore along 20 yards to the Minneota 40 yard stripe. St. Aubin then crashed for 7 yards, and Marks sped around end to the Minneota 10. Gilbert added 3 and once more Wiener flashed around for the score, which then continued through to the end of the game at Marshall 33, Minneota 6.

Reserves, into third string, were going in from then on. Marshall advanced to the Minneota 5 yard line in the fourth quarter and kept the play in Minneota territory the remainder of the game though without serious scoring threat.

But the real story of the game was in those first six minutes when the admittedly weaker Minneota team rose to the heights to match the brainy Tiger—those two touchdowns gave the fans their big entertainment of the evening.

Marshall players who saw service last night included:

Howard Aldrich, Leo Bloome, Albert Bot, Clifford Chapman, Virgil Christianson, Henry Cool, Donald Cowan, George Ehrreich, August Geske, Robert Gilbert, Charles Gilbert, Robert Harmon, Joe Hasbrouck, Donald Healy, Donald Jorgenson, Donald Kerkvliet, Norbert Kerkvliet, Melvin Krute, Donald Lee, Kenneth Marks, Dellard Peltier, Gerald St. Aubin, Tony Senden, George Senden, John Silvius, Vernon Snyder, Joseph Speybrouck, Vernon Van Robays, Chet Wiener.

Oct. 26, 1938

Everything Ready For Homecoming

Redwood Game Here Tonight Will Start At 8.

The Marshall Tigers go into action against the Redwood Falls team starting at 8 o'clock tonight under the lights on Legion Field.

The Redmen come to Marshall a rather unknown quantity, for spies from their camp say they have developed immeasurably since their early season defeat at the hands of Tracy.

Marshall's starting lineup is as follows: Bob Gilbert and Coco Healy ends; Kerkvliet and Geske, tackles; George Senden and Cool, guards; Charles Gilbert, center; Don Le quarterback; Chet Wiener and St. Aubin, halfbacks; Kenny Marks fullback.

The Tigers play Springfield there November 4. The final game is the Armistice classic with Tracy here on that holiday.

Oct. 27, 1938

Marshall Scores 21-6 Victory Over Redwood Falls

The Marshall Tigers tucked away another victory in their poke last night by winning handily from Redwood Falls, 21 to 6.

The Redmen's lone score came late in the fourth quarter after a Tiger fumble.

Marks' pass had been intercepted by Redwood on their 28 and after a loss of three yards in three attempts, Redwood punted to Marshall's 40, where it was grounded by one of their own men. Krute tried right end for a yard, then Marshall fumbled and Redwood recovered on Marshall's 35 yard line.

Redwood then heaved a long, long beauty of a pass over the goal line to a waiting receiver with Marshall backs many feet away from him. An attempt was made to kick for the point but it failed.

Marshall's first touchdown came shortly after the game started. Marshall kicked to Redwood's 10 and it was returned to the 20. Five Tigers smothered the Redwood runner on a try over left guard. Redwood punted center for 3 and then for 1. Redwood kicked to their own 47 yard line out of bounds. Kenny Marks crashed over left tackle for 17 yards on the first play and then zipped a pass over center to Bob Gilbert, who downed it on the 3 yard line. Wiener tried right tackle for no gain, but Marks twisted over

right tackle for the touchdown. St. Aubins floated over left end standing up for the extra point.

Marshall's second touchdown came a few minutes after the first. Marshall kicked to Redwood's 10, and it was returned behind fine blocking to the 25. Redwood went around right end for 5, but on the next play fumbled, and Geske recovered for Marshall on the Redwood 27.

Wiener gathered 3 yards over right tackle. Don Lee sneaked over the same spot for 1. On the next play Wiener dashed wide around right end for a touchdown. Norb Kerkvliet blocked out the safety man, and it was a block that will be talked about around Marshall for many a day. As the old professor said, "it was executed with incomparably vicious finesse."

Coco Healy's educated toe made the point good, and the score stood: Marshall 14, Redwood Falls 0.

Marshall's third touchdown came in the third quarter. It was Marshall's ball on their 42 yard line as the quarter started. With third down and two yards to go, Chet Wiener circled right end for 15 yards. Lee picked up 3 over left guard for 4. St. Aubins failed to gain after taking the ball on a re-guard. Marshall smashed right verse around left end. Redwood was

(Continued on Page Seven)

Redwood Falls

Redwood in the next two plays gained but 1 yard, then kicked to Marshall's 15. The Marshall receiver fumbled, but Wiener scooped it up and reversed it to Coco Healy who dashed to the 40 yard line.

Behind some nice blocking, Chet Wiener gained 22 yards around right end. St. Aubins picked up 15 around left end. The blocking was great in this play, also. Wiener was smeared for a yard loss on the next play. Redwood was penalized 5 for offside.

Marks tried a lateral around right end, but Marshall was penalized for illegal passing. St. Aubins tried left tackle for 3, and then swooped over left tackle for a touchdown.

Coco Healy kicked the point, and the score stood Marshall 21, Redwood 0. Redwood's score was made in the fourth quarter. The final score: Marshall 21, Redwood Falls 6.

George Senden's presence in the line was greatly missed after a painful shin injury took him from the game in the first half.

SIDE LINES

Those rabbit foos practically everyone in Marshall has been wearing the past two weeks were not in vain—but let no one speak a dirty crack by saying that all those rabbit foos couldn't help but win.

Eleven boys in Orange sweaters and Black pants won that 21 to 6 game, in as pretty a display of football as anyone could wish to see.

It took just four plays, the first time the Tigers had the ball, to put it over for the first score—four plays from the Redwood 47 yard line.

Henry Cool, by the way, sprung a swell tackle on the kickoff.

The Tigers smashed hard and fast on the second touchdown also, and Norbert Kerkvliet's block taking out the last man in front of Wiener as he tore for the goal was simply perfect.

Marshall's blocking and tackling, with a few exceptions, was something to watch all the way through. Give credit to Redwood, too—the Cardinal boys got a good many Tigers right down around the claws.

Cont. next page.

Oct. 27, 1938

On the try for point after the second touchdown, Healy split the goal posts square in the middle.

Kerkvliet also turned in a perfect tackle when he dropped a Redwood man attempting a forward for a 22 yard loss.

Donald Lee evaded a hard block at several points to bring down the ball carrier.

In the first half, mark down these other boys also for as good tackles as you'll find anywhere on the gridiron—Healy, Neill, and St. Aubins. They sure were coming in there.

Bob Gilbert did a nice job grabbing a shovel pass shortly before

(Continued on Page Seven)

the half ended, with the score 14 to 0.

Healy returned the second half kickoff 30 yards.

Wiener soon brought it up to the Redwood 39, and St. Aubins then turned in two fine runs, the second one 20 yards for the touchdown. And Healy's toe was again good.

Aldrich made a nice interception of a Redwood forward in the last half.

Both times the reserves, nine of them, went in, they encountered tough luck—two fumbles. And the second one lead directly to the Redwood touchdown, which was made on a long forward.

Marshall's line, Bob Gilbert, Kerkvliet, Senden, Chuck Gilbert, Cool, Geske, and Healy, took a lot of pounding from the big Redwood full-back but was seldom fooled, and delivered a dandy job against what looked like a heavier line.

The heaviest penalty on either side was 5 yards, and very few of those.

The crowd was big, colorful, and noisy, as it should be at homecoming.

Between the halves, Marshall's band appeared first, saluting the Redwood section and playing the Tiger song while sending in a big "M."

Redwood's band was also there, some 55 of them, and received a fine hand in forming both an "M" and an "R."

It's an impressive sight before the game when the Marshall band marches on the field and plays "The Star Spangled Banner," with all the

crowd standing.

Give a hand, too, to the boys who do the parking and unparking. It's nicely handled.

Springfield is next for the Tigers, then on Armistice Day. Two more victories? Not if Springfield and Tracy can help it!

Oct. 26, 1938

Big Time In Store At Halloween Party

Annual Entertainment To Be Repeated Monday Night — 72 Prizes Are Set Up.

The Halloween party for Marshall young folks which will be held Monday night will be the largest and most elaborate ever held here, M. C. Stanwood, chairman of the festivities, said today.

The party is sponsored by the Marshall Civic and Commerce Association, and in return for the fun, the kids pledge that they will not commit any harmful acts on Halloween night.

In keeping with Halloween, all boys and girls are urged to start making costumes right away, wear them during the big party next Monday evening and compete in the costume contest. Prizes will be given for the best costumes that night.

In general here are the main events for the party Monday night. Free movies for children up to Grade Eight, starting at 5 p. m. Monday.

A big parade starting from the school building at 7.30.

An athletic program for boys and girls on Legion Field starting at 8 p. m. (72 prizes will be given away).

A varied program of games, music, boxing, contests, tumbling, and other entertainment in the high school auditorium starting at 9.45 p. m. Lunch will be served at 11 p. m.

Free movies for senior high school students starting at 11 p. m.

There really are some grand prizes for the girls' and boys' athletic events at Legion Field and they may be seen in the window of Simons and Gregoire. They have been donated by the Marshall Civic and Commerce Association.

Boys and girls are reminded that there will be two age divisions in each of their groups participating in the athletic program on Legion Field, as follows:

Boys up to 13 years; boys 13 years old and over.

Girls up to 13 years; girls 13 years old and over.

Boys will meet at the north end of the football field.

Girls will meet at the south end of the field. Girls are advised to wear snow suits or slacks.

Both groups are urged to start organizing their teams for the athletic events immediately.

The free movies scheduled for Halloween night will be Mickey

Rooney in the feature picture "You're Only Young Once," and a Gang comedy and several other shorts.

Oct. 27, 1938

Football Scores

Marshall 21; Redwood Falls, 6.
Austin, 26; Winona, 0.
Hackensack, 24; Walker, 20.
Jackson, 46; Lakefield, 0.
Renville, 48; Buffalo Lake, 6.
Blooming Prairie, 33; St. Augustine's (Austin), 0.
Benson, 13; Morris, 0.

Oct. 26, 1938

Homecoming Opens, Game Is At 8

Marshall's Homecoming program opened this afternoon with a pep-fest at the auditorium, followed by a downtown parade of band and floats. Tonight's game with Redwood Falls at Legion Field will start at 8.

FOOTBALL

(Continued from Page Four)

penalized 5 for offside, which made it first and 10 for the Tigers. St. Aubin tried left tackle for 4. Marshall fumbled, but recovered after losing two yards.

Wiener then passed to St. Aubins, but it was incomplete. Healy circling left end lateralled to St. Aubin for two. The ball went to Redwood on the fourth down.

Redwood tried right end for no gain, but on the next play dashed around left end and picked up 15 yards by fooling the Tigers with a lateral. Don Lee did a sweet tackling job on this play.

Redwood crashed over center for 5, then over right guard for first and 10. A lateral around right end picked up 6. A smash over left tackle gave them 2. On the next play Redwood punted to Marshall, out of bounds on the latter's 5.

Wiener scooted around right end for 8. Lee collected 4 around the same position. Marks pounded right tackle for 3. Marks passed to Bob Gilbert over center for 10 yards. His next pass was incomplete. Marks tried center for 1. Wiener tried that spot for 2. Marshall punted to Redwood's 30 yard stripe.

Oct. 27, 1938

75 Prizes Are Offered For Halloween Party

Flashlights, Knives, And Pencils Await Winners Of Races And Other Events.

Young folks of Marshall will have lots of nice prizes to compete for at the annual Halloween party here Monday night—75 of them in all. Donated by the Marshall Civic and Commerce Association, which is

also sponsoring the party, these prizes are displayed in the Simons and Gregoire window.

The athletic program will start on Legion Field as soon as the parade reaches there. There are four possible groups for the children to enter in these events. Boys up to 13; girls up to 13; boys 13 and older; girls 13 and over.

The boys will meet at the north end of the field, and the girls at the south end. Girls are advised to wear snow suits or slacks.

There will also be prizes offered in the costume competition. One division will be girls under nine years; the second is girls over nine; and the third is boys over nine.

The festivities will start Monday at 5 p. m. with free movies for children through the eighth grade. The children are asked to bring their signed cards as admission tickets.

At 7.30 the big parade will start from the school building.

At 8 o'clock the athletic events will be held on Legion Field.

At 9.45 the indoor program will start in the high school auditorium.

This will supply a lot of entertainment including music, tap dancing, cornet solo, four bouts of boxing, pie eating contest, apple bobbing, more music, tumbling, and most important of all, the eats.

At 11 o'clock there will be free movies for all senior High students.

Oct. 28, 1938

HALLOWEEN PROGRAM

5 p. m. Movies for children through Eighth Grade. Children bring their signed cards as admission.

7.30. Parade of all children leaves school building for Legion Field.

8. Program of boys' and girls' Athletic Events at Legion Field with 72 prizes for winners. (See Daily Messenger Saturday for complete list of events).

9.45. Leave Field for school house.

AUDITORIUM PROGRAM

W. J. Osborne, Announcer

9.15-9.45, Band.

9.45, Costume Award: Children under 9 years, Girls over 9 years, Boys over 9 years.

9.55, Tap Dance by Dennis Grogan.

9.58, Girls' Tap Dance.

10.02, Cornet Solo by Clair Ryan.

10.05, Boxing (4 bouts), R. E. O'Connell, Referee.

10.20, Little German Band.

10.25, Pie Eating Contest.

10.40, Girls' Tap Dance.

10.43, Apple Bobbing.

10.48, Instrumental Music.

10.53, Accordion Solo by Thomas Murphy.

10.56, Boys' Tumbling.

11.00, Eat.

11.00, Little German Band.

11.00, Movies for all Senior High students.

Nov. 2, 1938

Intramural Sports Off To Good Start

Football Shows 25 Per Cent Increase.

The intramural program of athletics at the Marshall High School is out to set a new high in participation this year.

The program is operated for students not participating on the high school teams, and for those too young to try out.

The wide range of activities is sponsored by the Department of Physical Education and Health, under the direction of Joe Nowotny, who is assisted this term by intramural managers Marvin Lemburg and Van Robays.

A brief summary of activities and games played last year is as follows:

Registration 475 boys, football 48 games, basketball 181 games, handball 338 games, ping pong 383 games, hockey 18 games, tennis 127 games, golf 39 games, badminton 122 games, kittenball 84 games, horseshoe 89 games, paddle tennis 36 games, track meets 6.

Teams formed last year were:

Kittenball 20, track 8, basketball 32, football 4, handball doubles 14, handball singles 24; ping pong doubles 16, ping pong singles 21, hockey 9, horseshoe doubles 12, horseshoe singles 18.

If the football season this year is an indication of an expanding program, then there is certain to be another upswing in athletic participation. Last year 48 football games were played, while this year the figures show that 60 games were played, an increase of 25 per cent.

Last year's program under the direction of Mr. Nowotny was one of the largest ever sponsored by Marshall High School.

Nov. 5, 1938

Tigers Set Up Sixth Straight Win By Defeating Springfield 32 to 6

Starters Have Little Difficulty In Scoring; Replacements Show Weakness Of Squad.

The Marshall Tigers extended their season's string of wins to six straight last night by defeating Springfield 32 to 6.

Scoring on their first play from scrimmage, the starting Tigers had little difficulty with the small Springfield team.

Their replacements, however, ran into no end of difficulty, failing to register a single first down, and permitting Springfield to push over a touchdown.

Healy kicked off to Springfield, Krueger returning the ball to the 30-yard line. Three plays left them short of first down, and when they attempted to punt, Cool broke through to block the kick, the ball rolling out of bounds on the 15-yard line.

On the first play, Lee spun inside tackle, lateralled to Wiener, who scampered over for Marshall's first counter. Healy's place kick was good for the extra point.

The second touchdown came at the start of the second quarter. Kerkvliet recovered a Springfield fumble on their 40-yard line. St. Aubin picked up 5. Lee made 25. St. Aubin blasted through center for the score. Healy's placement was blocked.

The third touchdown followed almost immediately. Springfield received, was held for no gain on three plays, and punted to Wiener.

Wiener slipped the ball to Marks, who behind good blocking raced 60 yards for the touchdown. The try for the extra point was no good.

The entire second team entered the ball game here and bungled away the remainder of the period.

Starting the second half, Marshall received, St. Aubin being downed on the 33 yard line. Marks hit the line for 4, St. Aubin 13, Marks 10, Lee 5, and Wiener 25, to score. Healy's kick was again blocked.

Marshall's last touchdown came in two plays. Springfield unable to gain following the kickoff, punted to Marks, who was downed on the mid stripe. Marks hit the line for 17, and St. Aubin crashed the remaining 33 yards for the touchdown. Healy's kick was good.

From this point on, the second and third string team carried on more or less ineffectually to the end of the game, permitting Springfield to score early in the fourth quarter.

Starting lineups—Marshall: R. Gilbert, N. Kerkvliet, Senden, C. Gilbert, Cool, Geske, Healy, Lee, Wiener, St. Aubin, and Marks. Springfield: Sellner, Sandman, V. Potter, Spaeth, L. Krueger, Jennings, W. Potter, E. Krueger, M. Potter, and Peters.

Substitutes: Springfield—Domeier and Mussle. Marshall—T. Senden, D. Kerkvliet, Van Robays, Silvius, Neill, Cowan, Speybroeck, Bloome, Bot, Ehrreich, Teerlinck, Chapman, Aldrich, Krute, Peltier, and Harmon.

Nov. 2, 1938

Tigers Play Next At Springfield

Final Local Game Is With Tracy On Armistice Day.

Another year of football is just about finished. Only two more games are to be played—Marshall at Springfield November 4, and then the Armistice Day clash with Tracy.

Seldom has a team come up to the final game, with such a setting as faces the Tigers of 1938. Intent on carrying on a winning streak set up last year, the Tigers have marched through the season with five victories to date against no defeats. This same club has faced opposition which were pointing toward them, intent on knocking them off. Clubs that wilted under the pressure of a team which had enough reserves to send in a second team without loss of strength, have fought at times even games with the Tiger machine.

What will the answer be November 11th when Tracy's great team of Scrappers play the Marshall Tigers in the Southwestern Championship fray? Both teams—natural rivals—have knocked over all opposition in the conference and stand alone at the top. The game looks like an event where all attendance records will fall by the wayside, and the game itself the hardest fought battle in the long, colorful Tracy-Marshall series.

Conference Standings, Nov. 1.

	W.	L.	Pct.
Marshall	3	0	1.000
Tracy	3	0	1.000
Luverne	4	1	.800
Windom	2	1	.666
Jackson	1	1	.500
Pipestone	1	2	.333
Lakefield	1	3	.250
Worthington	1	3	.250
Slayton	0	5	.000

Nov. 3, 1938

Intramural Boys Are Future Tigers

Work Leads Up To Varsity Goal.

From the boys in intramural sports come the Tigers of the future.

Last year's intramural football champions were the Juba Neversweats. Members of the team were Lambert Juba, captain, Robert Wiener, Bud Olson, Robert Kugler, Ray McGandy, Andrew Weingartner, Alex Eatros, William Osborne, Jr., Harold Greenwood, Douglas Juhl, Jerome Juba, and Donald Jorgenson.

Of these boys, eight are now out for the varsity team and giving a good account of themselves, verifying the fact that their I-M training helped them get there. Captains of other last year's teams were Donald Cool, Henry Meyers, and Merrill Edberg.

The all-school home championship in basketball was won by a Junior High team from Home Room 211. The boys on this team were Layton Ausen, Calvin Mercer, Donald Cool, Robert Wiener, Howard Ross, Thomas Ucker, and Cecil Anderson.

They won the Union High home room championship and then went out to win the all-school title by defeating the Senior High champs 21-15. Several of them went on to win positions on Junior High School basketball team, and this year will take another step up to battle for positions on the high school second team.

In the seventh grade basketball

league, Harry Coon's Zephyrs won the title. Members of the team were Harry Coon, Ray Ausen, Ronald (Speed) Hummel, Bob Rogne, Duane Ribordy, and Gordon Niel Nielsen. Other captains were Jack Ullery, Jim McGandy, and Paul Gilbert.

The all-star team from this group was composed of Coon, Nielsen, Hummel, Gilbert, Ullery, and McGandy. On the second all-star team were Bud McGuiggan, Leroy Stegner, Jim Pontwith, Fred Bailey, Ray Ausen, and Howard Johnson. Joe Nowotny, director of I-M sports, has the boys all lined up for this year's schedule, and sharpening their shooting eyes by practicing after school.

Nov. 3, 1938

Future Farmers Entertain Dads

150 Expected Tonight At Banquet Here.

About 150 guests are expected to attend the Marshall Future Farmers banquet tonight in the Little Theatre, Allan Weber, agricultural instructor, said today.

A unique feature of the banquet is that members will furnish all the food products. They will be prepared and served by the Home Economics course girls under the supervision of Miss Susan Schmidt.

The banquet, which is the second one in the two-years' history of the organization, will be a father-son event, with the sons playing hosts to the dads.

Nov. 3, 1938

Junior Comedy Has Had Long Runs

To Be Presented Here November 18.

The Junior Class of Marshall High School will present "Big Hearted Herbert" Friday, November 18 as its annual class play.

"Big Hearted Herbert," a comedy in three acts, rates as one of the most successful comedies ever staged. Because it has been a big sale in professional and amateur circles, the play appeals to everyone that enjoys fine entertainment.

The cast, under the direction of Miss Mary McEniry, has been at work the past three weeks preparing for the play.

A policy carried on at Marshall High School whereby all plays have their setting correspond to the play will be carried out with the production. Interesting staging adds to any play; every attempt will be made to make "Big Hearted Herbert" a truly great comedy.

The humor resulting from a sweet tempered mother trying to corral a bull-headed father in an effort to see her children following their own bent, is deep and rich and full in the swift moving plot of the play.

The cast includes: Herbert, Sr., Robert Olson; Elizabeth, Betty McCready; Alice, Shirley Silver; Herbert, Jr., Douglas Juhl; Andrew, Bob Shourds; Mr. Goodrich, John Garry; Mrs. Goodrich, Margaret Melvin; Robert, Harold Maxwell; Martha, Betty Farrell; Jim, Gordon Brantman; Amy, Marjorie Porter; Mr. Havens, John Silvius; Mrs. Havens, Betty Persons.

Nov. 7, 1938

Adams To Speak On Mankato Radio

Superintendent F. R. Adams will speak Wednesday night over KYSM in Mankato in an American Education Week program over that station.

Mr. Adams is president of the Southwestern division of the Minnesota Educational Association. His address will be broadcast at 6.30 p. m. The title of the talk is "Attaining Values and Standards."

Accompanying Mr. Adams will be four students who will present musical solos over the station. They are:

Robert Harmon, flute solo; Betty Jefferson, saxophone solo; Clair Ryan, concert solo; Exine Anderson, vocal solo.

Nov. 5, 1938

PTA Meeting Is Set For Tuesday

Program Includes Speaker, Social Period, Lunch.

The November meeting of the Parent-Teacher Association will be held Tuesday, November 8, in the high school auditorium.

The High School Mixed Chorus will give several numbers. Rev. Parish of St. Paul will give the talk of the evening on "American Standards." Mr. Parish is engaged in work with the underprivileged children in the poorer part of St. Paul through funds provided by the Community Chest of that city.

The week of November 7 to 11 has been designated as American Education Week, and all parents are urged to visit their schools during this week.

There should be a large attendance at this meeting of the Parent-Teacher Association. The entertainment committee will have a short social period after the formal part of the program, and refreshments will be served.

Nov. 7, 1938

Kerkvliet Injury May Hurt Tigers

Bad Hand May Keep Star Tackle Out.

That dark cloud hovering over the Marshall football horizon today was generated by the fact that Norb Kerkvliet, smart Marshall tackle, injured his hand in the Springfield game, and probably will not be able to lend his fighting assistance against the Scrappers Friday in the annual Armistice day gridiron classic.

Another spectre that is haunting the Marshall fans is the Tracy victory over the hitherto unbeaten St. James team last Friday night.

Nevertheless, the Tigers themselves are taking things in their stride, and there is a strong determined sentiment on the part of every man jack to keep the Scrappers back on their heels during all four quarters.

The game will start at 2.30 Friday afternoon, on Legion Field. Plenty of bleacher space and parking room is guaranteed for the crowd, which is expected to exceed all previous records, given good weather.

Nov. 3, 1938

Tigers Dominate Springfield Series

Have Won Every Game In Eight Years.

Marshall's Tiger football team goes forth again Friday evening to uphold its undefeated season.

The Orange and Black plays at Springfield tomorrow night in the next to the last game on its 1938 schedule.

There follows only the Tracy game on Armistice Day. (The "only" there means "just one game," not just an ordinary game.)

Marshall and Springfield have had an unbroken series now since 1930 with the Tigers on the long end of the score each year.

The record has been:

- 1930 Marshall 26, Springfield 0.
- 1931 Marshall 40, Springfield 0.
- 1932 Marshall 14, Springfield 0.
- 1933 Marshall 14, Springfield 7.
- 1935 Marshall 28, Springfield 6.
- 1935 Marshall 20, Springfield 2.
- 1936 Marshall 33, Springfield 0.
- 1937 Marshall 53, Springfield 0.

From that record, you may choose your own ticket for the game tomorrow night.

We also wish to congratulate Assistant Coach Larry Kienholz on the important part he has taken in producing champions for Marshall.

We hope you win, but win, lose or draw, your jobs have been well done and the product of your endless efforts in producing the type of teams Marshall wants meets with the approval of every Marshall fan. CONGRATULATIONS!

TIGERS PLAY TRACY

Veteran Teams To Stage Armistice Day Classic Here

Huge Crowd Expected For Game—Southwest Championship At Stake.

The biggest football game of the year, and probably of a great many seasons, appears to be in the offering for Friday, November 11, at Marshall.

Marshall's undefeated, untied football team will try to gain their second Southwestern Conference championship by defeating the untied, undefeated Tracy eleven. The victory means a great deal to both clubs, placing them in the undefeated class for the season, a record every team strives to attain.

Both clubs have shown great offensive teams this season, and also great defensive clubs. Tracy undoubtedly has the greatest number of reserves, using as many as 33 in some of their games.

The attacks will be somewhat different, Coach Chet Raisch depending on long passes matched with end runs, while Bernie Cole's double wing back attack depends entirely on deception and down field blocking.

Both teams appear to be evenly matched as to weight.

Marshall has the advantage in ground gaining over the hard way, while Tracy has resorted to aerials to gain yards, although they have been extremely successful also in skirting the ends.

Both teams will have veterans, Tracy having an all senior team, and Marshall also having a senior team.

Of Marshall's starting eleven, and the number that will probably see the greatest amount of service during the game, only Bloome, Healy, Bob Gilbert, St. Aubin, and Wiener will return for another year, leaving Cool, Geske, Charles Gilbert, Norb

Kerkvliet, Donald Lee, Kenny Marks, William Neill, and George Sender playing their last game for the Tigers.

This group of boys has carried

Nov. 9, 1938

FOR TITLE FRIDAY

Nov. 9, 1938

the Tiger banner for two years without a defeat, having gone undefeated last year with the aid of 10 seniors from last year's club.

The only cloud on Marshall's horizon in the Tracy game is the injury sustained by Norb Kerkvliet in the Springfield game. Norb is probably the best blocker in the club. Whether or not he will be available is questionable.

Mr. Olson stated today that every effort will be made to handle a capacity crowd. Tickets will be on sale at Bulowski's Drug Store. Fans may purchase them there before the game. However, three ticket sellers will be stationed at every gate, with

the gates opening at 12.45. There is no additional charge for bleacher seats, although only one ticket is sold at the gate, and that is adult ones. Plenty of parking space will be available for all cars with men there to park the cars.

DONALD HEALY

Nov. 9, 1938

Congratulations: Bernie and Larry

We congratulate you, too, Coach Bernie Cole, for another of the many fine teams you have produced in your years of coaching here. We commend you not only for the unusually high calibre of football you have provided, but also for the sportsmanship and clean play you insist upon.

Nov. 9, 1938

Marshall 13	Slayton 0
Marshall 32	Pipsetone 6
Marshall 20	Luverne 9
Marshall 33	Minneota 6
Marshall 21	Redwood Falls 6
Marshall 32	Springfield 6
Marshall	Tracy

Congratulations: Tigers

We are proud of the record Marshall's football teams have established during the past years, and proud that this year's squad has upheld the reputation established only in years of clean and sportsmanlike athletic competition.

Members of this year's squad play hard and with a competitive spirit that succumbs to neither overconfidence nor surrender. Yet throughout seasons of keen hard-fought contests there has never been a trace of anything but good sportsmanship.

Thus, with the final game before them, Bernie Cole's 1938 squad meets Tracy knowing well that win, lose or draw, they have the wholehearted acceptance of all Marshall.

Nov. 12, 1938

Adams Appointed Director Of State Teacher Personnel

St. Paul—(P)—The State Board of Education today appointed Floyd R. Adams, superintendent of schools at Marshall, as director of the state division of teacher personnel at a salary of \$3,600. He succeeds James Bailey of Litchfield, who died last spring, and was selected from more than 50.

The state division of teacher personnel has charge of teacher certification and placements.

Nov. 12, 1938

Tough Spots And Bright Spots In Game Of Football

The Tracy-Marshall game yesterday had its tough moments and its bright moments.

It was tough for Tracy in losing the game, tough for the boys of both teams in the gruelling play, and tough for Vernon Van Robays in suffering a broken arm his first play of the game.

Nov. 12, 1938

Betty McCready Has Difficult Role

Plays The Mother In "Big Hearted Herbert."

Elizabeth, Herbert's intelligent, resourceful and charming wife, is an expected compliment to this "plain" man. She is played charmingly by Betty McCready who will make her initial appearance on the Marshall High School stage.

Betty's concept of the part is a fitting match to the actors playing opposite her. She has renounced her everyday life in favor of this clever, patient, understanding mother of three children and a difficult husband. To leap in imagination from sixteen to forty-five is no easy task, but Betty's persistence, willingness, native ability, and love of pretense has taken her into the world of "make-believe" where she is Elizabeth Kolness mechanically, physically, mentally.

Betty will please every mother who hears her deal with the every-day household duties so familiar in the lives of all women who have families.

"Big Hearted Herbert" will be presented by the Junior Class of Marshall High School, under the direction of Mary E. McEniry Friday evening, November 18 at 8 o'clock in the high school auditorium. Reserved seats will be on sale at Bulowski's Drug Store beginning November 15th.

In the West Highland museum, Fort William, Scotland, is one of the strangest portraits ever painted. It looks like nothing but a mess of colored paint; but when a metal cylinder of the right size and shape is placed at a certain spot on the canvas, the reflection mirrored on the cylinder becomes a portrait of Bonnie Prince Charlie, pretender to the British throne in the 18th century.

It was brighter when Jim Van Dusen of Tracy after the game rolled a peanut with a nose a block up the street from the New Atlantic Hotel in paying off a bet to George Davis.

Maybe Van Dusen thought it tough, too, before he completed the roll.

For Marshall, it was definitely bright, in victory—an undefeated season and the championship of the Southwestern Minnesota Conference.

Nov. 12, 1938

Marshall Defeats Tracy 20 to 0 Before Record Armistice Day Crowd

Tigers And Scrappers Stage Hard Battle For Conference Title.

A record crowd of more than 3,000 persons saw the Armistice Day football game here yesterday afternoon. It was approximately 1,000 larger than any previous crowd.

Using liberal doses of the well-known Bernie Cole strategy at important points during the hard-fought battle, the Marshall Tigers defeated the Tracy Scrappers yesterday afternoon in the annual Armistice Day classic by a score of 20 to 0.

The first touchdown came in three plays after Tracy had kicked off to Marshall—a surprise drive that would demoralize even a national League professional team made up of all-Americans.

Tracy kicked to Marshall's 10, and it was returned to Marshall's 37. Marks eased off tackle for 2. On the next play, Gilbert, the center took his position on the right, and all of the six other linemen lined up on his left. The ball went to Marks who was directly behind Gilbert, and Wiener scampered to the 5 yard line. Don Lee then sneaked through center for the touchdown. On the try for the point Coco Healy's pass to Lee was incomplete. The score: Marshall 6, Tracy 0.

Neither team threatened seriously for the remainder of the first quarter although at times it appeared that the Scrappers thrusts through center and dashes around the Marshall ends would result in touchdowns.

Tracy opened up a passing attack at an early moment in the first quarter also, gaining 5 yards on one and 8 yards on another. Near the close of the quarter a long Tracy pass was intercepted by Wiener. St. Aubins then tried center for 3 yards. On the next play, Wiener passed, but the ball was intercepted by Tracy on the 50 yard line. Tracy attempted a smash over center for 1 yard as the quarter ended.

Tracy made its most serious scoring threat on the Tigers shortly after the second quarter started. The ball was Tracy's on about the 50 yard line. Tracy picked up 4 through center. On the next play a pass was incomplete. Tracy then punted beautifully into coffin corner at about the one yard line. Marshall punted out of it, but the kick was bad and went out of bounds on the Marshall 11 yard line. Tracy tried center for no gain, and lost 1 yard on an attempt around left end. Marshall intercepted Tracy's pass on the 10 yard line. On a fake punt play, Lee scooted around right end for 9 yards. Out of danger now, Marks kicked, the ball going out of bounds on Tracy's 45 yard line.

The play leading up to Marshall's second touchdown was as follows: Tracy tried three passes from their 45 yard line, two of which were incomplete, and the third one intercepted by Wiener on Marshall's 45 yard line. Marks picked up 10 yards in two crashes off right tackle. St. Aubin tried left tackle for no gain. Marshall fumbled and recovered for a loss of 1. Marks punt, partially blocked was grounded on Tracy's 31 yard line.

Tracy tried center twice for no gain, then passed, the ball being intercepted by St. Aubin on Tracy's 40 yard stripe. It was a beautiful interception on the part of St. Aubin, he leaping high in the air on a dead run to snag it.

Lee attempted to sneak off tackle and picked up 3. Lee was stopped behind the line for a loss of 1. Wiener, on the next play, which is known as "Bernie Cole's Special," and is a secret formula, zipped off right tackle, then cut left sharply for the touchdown, standing up. Coco Healy placekicked for the extra point. The score: Marshall 13, Tracy 0.

Tracy again seriously threatened to score at the close of the half, but the gun saved the Tigers. Tracy chose to receive after the Tigers' second touchdown. Healy booted the ball to the Scrappers' five yard line, where it was picked up and returned in a beautiful run behind some slick blocking to the Tracy 30.

Tracy cracked center for 2, right end for 3, center for 6, center for 5, center for no gain, then right guard for 6. Healy rushed the scrapper passer so hard on the next play that his heave was incomplete. Tracy then shot a beautiful pass which was complete from their 15 to their 15. On the next play Catlin shot another beauty to his five yard line, as the half ended: Marshall 13, Tracy 0.

All the Scrappers played their usual hard-fighting, courageous game, but if there was a standout among them it was Catlin, who did most of the passing. He took a tremendous amount of physical punishment in his capacity as passer, but he hung in there every minute, despite the fact that he has been ill, and was not in top physical shape.

Marshall's third touchdown came in the third quarter. Healy kicked off for Marshall, the ball going to the 20, from whence it was returned to Tracy's 37. Tracy cracked center for 8 yards in three tries. Tracy's punt was blocked by George Senden, and recovered for Marshall by Cool on Tracy's 41.

Lee picked up a yard through center. Wiener passed to Marks for 8 yards. St. Aubins cracked right guard for 3. Marks hiked around left end for 3. Wiener tried right tackle for 1. St. Aubin was stopped for no gain through center. Wiener made no gain over right tackle and the ball went to Tracy on their 20 on the fourth down.

Tracy's smash over center was good for a yard. George Senden smeared the next Tracy play behind the line for a loss of a yard. After another try around right end for no gain, Tracy kicked to Marshall's 40, where a Scrapper grounded it.

Lee lost a yard on a try through center. Wiener's pass was incomplete. Wiener caught Tracy back on their heels, and quickkicked to Tracy's 2 yard line.

Tracy kicked out of danger to their 35 yard line, where Wiener received it, then reversed it to Marks, who dashed it back to Tracy's 15. Lee tried center for 3. Wiener's pass was incomplete. Wiener up 2 off right tackle. St. Aubin cracked over left tackle for the touchdown. Coco Healy placekicked for the extra point. The score: Marshall 20, Tracy 0.

The fourth quarter was marked by some beautiful passing on the part of Tracy and some excellent defense on the part of the Tigers.

The Marshall squad was in tiptop shape physically and from the standpoint of fighting alertness. Norb Kerkvliet was out with a badly bruised wrist, but Leo Bloome took his place at tackle and performed in an excellent manner.

Although Norb's bad wrist is exceedingly painful, he wanted to get in the game so bad that Bernie Cole let him take his old position for six or seven plays. He came out of the game with a grin as wide as the distance between the goal posts, and amid plenty of applause from the bleachers.

Nov. 16, 1938

Final Little Ten Standings:

Team	W.	L.	T.	Pct.	tp.	op.
Marshall	3	0	0	1.000	73	12
Fairmont	2	0	0	1.000	27	0
Tracy	3	1	0	.750	71	20
Glencoe	3	1	0	.750	40	19
St. James	3	2	0	.600	33	38
Redwood	4	3	0	.571	81	59
Sleepy Eye	2	3	0	.400	38	39
New Ulm	2	4	0	.333	87	67
Hutchinson	1	3	0	.250	6	81
Springfield	0	6	0	.000	12	135

Commenting on the Marshall-Tracy game Armistice Day, Hiebert writes:

"Marshall, one of the state's few unbeaten and untied preps, went on to win the Little Ten by trouncing Tracy, 20 to 0, before 3,000 persons in one of the Armistice Day's biggest games.

"Tracy, called a favorite by us on the day before the game, took on a baffled appearance as the Tiger's illuminated the field with razzle-dazzle, scoring early on a freak play and then marching down for two more."

Nov. 18, 1938

Class Play Curtain Rises At 8 Tonight

Directed By Miss Mary McEniry.

"Big Hearted Herbert," a three act comedy, will be presented tonight by the Marshall High School Junior Class under the direction of Miss Mary E. McEniry.

The curtain rises at 8 p. m. in the high school auditorium. Reserved seats are available at the Bulowski Drug Store.

Six weeks of painstaking rehearsal combined with really funny plot and characters will assure the audience of an evening of pleasant enjoyment.

The cast of characters follows:

Robert Ohlsen, Herbert Kalness; Harold Maxwell, Robert Kalness; Elizabeth McCready, Elizabeth Kalness; Elizabeth Farrell, Martha; Douglas Juhl, Herbert Kalness, Jr.; Shirley Silver, Alice Kalness; Robert Shourds Andrew Goodrich; Marjorie Porter Amy Lawrence; Gordon Brantman, Jim Lawrence; John Garry, Mr. Goodrich; Margaret Melvin, Mrs. Goodrich; John Silvius, Mr. Javens; and Elizabeth Persons, Mrs. Havens.

Incidental music will be played by the High School Orchestra under the direction of George Wingert.

"Big Hearted Herbert" was authored by Sophie Kerr and Anna Steese Richardson.

Nov. 16, 1938

Class Play Has Humor And Drama

Gordon Brantman Takes Part Of Jim Lawrence.

He's tall, supple, tanned. It is with an air of confidence that he strides pleasantly into one's life and an air of mastery when he strides out. He's brilliant, capable, successful as an engineer; he's the idol of his nephew's heart, and he captivates again his charming young wife. Here is Jim Lawrence! Big Hearted Herbert's wife's name is Elizabeth. Elizabeth has a sister Amy, whose husband is none other than Jim Lawrence.

Lawrence is played genially, wholesomely, casually by Gordon Brantman, a boy with a good deal of native ability and genuine love of a play.

Amy Lawrence, social minded fascinating and clever, reads the title line of the play. It is she who refers to Herbert as "big hearted". The long war waged between Amy and Herbert has left each with its bitter feelings. Their repartee is not gay but spirited. The result is effect upon effect of the most enjoyable type of comedy.

Marjorie Porter, in a sudden, swift conception of the role from the beginning has added to her portrayal until at the present rehearsal she has almost perfected the countless, little pieces of business that so definitely point up and project a character in the theatre.

"Big Hearted Herbert", a three act comedy by Sophie Kerr and Anna Richardson, will be presented by the Junior Class under the direction of Mary McEniry, on Friday, November 18, at eight o'clock in the High School Auditorium. Reserved seats are on sale at Bulowski Drug Store on and after November 15.

Nov. 17, 1938

Tigers Among 27 Undefeated Teams

Ties Mar Several Records In State.

Minneapolis—Only 27 of the approximately 300 high school football teams in Minnesota were able to survive turbulent gridiron schedules undefeated in the fall campaign and of these many have tie games marking records.

In 1937 25 schools completed schedules undefeated, but this year found 50 or more additional schools playing the sport, this by reason of the increasing popularity of the six-man team type of competition.

Indications are that well over 300 schools will be playing football in 1939 and plans already are under way for formation of many more six-man leagues throughout the state. The new sport is particularly adapted for schools with small enrollment.

Five schools playing the six-man type of football are included among the state's 27 undefeated teams. They are:

Ada, Hendricks, Milroy, Lester Prairie, New London.

Only two schools in the state to wind up with perfect records were St. Paul Cretin and Barnum. Neither had a point scored against it in winning all games. Cretin made 159 points in winning eight games, while Barnum had 189 points for its total in six games.

Winner of the most games was Fairmont, which in chalking up nine straight victories scored 222 points to its opponents' 1a. Victors in eight straight games, in addition to Cretin, were Chatfield, Blooming Prairie, and Le Center.

Eight of the undefeated schools have unbeaten records extending back two or more seasons. They are Ada, Barnum, Brainerd, Hopkins, Lester Prairie, Marshall, Minneapolis Blake, and St. Paul Cretin.

Nov. 19, 1938

Class Play Has Plenty Of Laughs

Cast Ready To Present Comedy Friday Night.

"Colleges—we don't have colleges any more—we have big athletic institutions!" "And is the brilliant young lawyer a college man also?" "Harvard—deah ole' Harvard!" So Herbert, a non-collegian, raves madly. He dislikes all colleges, but he despises Harvard with a greater hatred because his brother-in-law was graduated from this school.

When his daughter, Alice, sobs that young Andy Goodrich, her lover is a Harvard graduate, his fury knows no bounds. Andy, so genial, yet so abashed; so brilliant yet so speechless; so polite, yet so hot-headed, loves and laughs and finally speaks his mind. The curtain cue for Act Two of "Big Hearted Herbert" is Andy's high scene. Bob Shourds, with a determination to succeed in the role has put something of himself in this part at last. He is Andy the lover, Andy the protector, Andy the denouncer, Andy the apologist, and Andy the happier when our final curtain rings down.

The Goodriches, Andy's parents, are wealthy, quiet, unpretentious people who thrill to Andy's choice of a wife. Mr. Goodrich is especially fond of Alice's qualities of womanhood. He is quick in a charmingly complimentary fashion to say to Elizabeth on their first meeting, "We can see now from whom she inherits these qualities."

John Garry plays Goodrich in the deepest tone he can reach with an almost butter-like lock of the arms. He intercedes for his son but hesitantly. John will be colorful in a dinner suit and white mustache.

Margaret Melvin plays opposite Garry in the role of Mrs. Goodrich. She's charming and poised and funny too at times. It is upon her suggestion that everyone goes home when Herbert hurls insults at the end of Act 11. She manipulates the scene very nicely. Margaret will please her audience.

Rehearsal witnesses reported today that the Junior class play will be one of the most entertaining plays ever presented here.

The cast has been working at top speed the past six weeks in preparation for the presentation, and they seem to live their parts rather than act them, witnesses said, and plenty of laughs are promised.

Tickets are on sale at the Bulowski Drug Store, and by members of the Junior Class.

"Big Hearted Herbert" will be produced by the Junior Class under the direction of Mary E. McEniry, Friday in the high school auditorium at 8 o'clock.

Nov. 17, 1938

Intramural Track Season Success

Good Program Run Off This Past Year.

This is the third of a series of articles reviewing last year's intramural track program, and describing the wide variety of healthful activities sponsored at Marshall public schools by the department of health and physical education under the supervision of Joseph A. Nowotny.

The Seventh Grade track program included four teams captained by Ronald Hummel, Bud McGuiggan, Paul Gilbert, and Ray Ausen. The championship was won by Bud McGuiggan's team with a point total of 39 1-6 in the final track carnival last Spring; Ray Ausen's team was second with 27 5-6 points; Ronnie Hummel's third with 24 1/2 points; and Paul Gilbert's fourth with 19 1/2 points.

Champions of various events with their record performances are:

Gamm and Gilbert tied on the pole

vault with 6 feet, 8 inches; Gilbert, high jump, 3 feet, 10 inches; Gamm, broad jump, 12 feet, 8 inches; McCandy, 220, 29 seconds; 75 yards, McCandy 11 seconds; Neilsen, shot-put, 29 feet, 9 inches; 50 yard low hurdles, Gilbert, 12 seconds.

Members of Bud McGuiggan's winning team were such stellar performers as LeRoy Stegner, Gordon Neilsen, Eugene Adler, Dale Whitney and Harold Baert.

Nov. 18, 1938

Four Tigers On All-Little Ten

Healy, Marks, Gilbert, Wiener, Picked At New Ulm.

Four Marshall football players were awarded places on the All-Little Ten Conference team announced yesterday by the New Ulm Daily Journal.

Nov. 18, 1938

The Tigers on the mythical best team of the Conference are Healy, end; Gilbert, center; Marks, quarterback; and Wiener, left halfback.

Fairmont, also unbeaten and untied, was given three places on the All-Little Ten selection of Gareth Hiebert, the Journal sports writer. Tracy, which lost only one game, had two men on the team.

The Journal choice was as follows:

- L. E.—Healy, Marshall.
- L. T.—Nybo, Tracy.
- L. G.—Fitz, Fairmont.
- C.—Gilbert, Marshall.
- R. G.—Norton, Tracy.
- R. T.—Keckeisen, New Ulm.
- R. E.—Westagaard, Fairmont.
- Q. B.—Marks, Marshall.
- L. H.—Wiener, Marshall.
- R. H.—O'Hara, Glencoe.
- F. G.—Lautherbach, Redwood.

Nov. 19, 1938

Large Audience Sees Class Play

Laughter Greets "Big Hearted Herbert."

"Big Hearted Herbert," a comedy about an insufferable old grouch who reformed in the last three minutes of the play, thereby permitting everyone to live happily ever after, was presented by the Junior Class last night in the high school auditorium before an appreciative audience of some 1,000 persons.

Miss Mary McEniry must have done a tremendous amount of work with her cast, for the long comedy rolled smoothly along through the three acts with scarcely a hitch, save when the laughter of the audience halted action at intervals, which were quite frequent.

Robert Ohlsen, as Big Hearted Herbert, and Betty McCready, as his wife, did themselves proud in their very difficult parts. It must have been difficult indeed for Robert to sustain the irascible explosiveness of Herbert, but he carried the character well in hand through all three acts, then in the end did a neat job of changing from the irate, petty tyrant to the frightened and chastened old man afraid his wife and children were going to leave him to a life of loneliness.

The outstanding performance of the play, it seems to this reporter, was that of Betty McCready as Mrs. Kalness. She had a difficult part not only in conveying the character of the wise and patient mother, but also in that she had so many lines to remember. But she did an excellent job consistently during the whole showing. One of the finest bits in the play was the point where her daughter, played by Shirley Silver and her fiance, Robert Shourds, were attempting to tell her that they were in love.

Cont. top

Cont. next page

Nov. 19, 1938

All of the other characters carried their parts very well, indeed. Harold Maxwell as the perky young son, who had his dad's number even before the older members of the family had; Elizabeth Farrell as the comic hired girl, with a grand Hibernian accent; Douglas Juhl, the son who wanted to study engineering and was ready to defy his father to accomplish his ends; Marjorie Porter, the acid-tongued friend of the family; Gordon Brantman as her commensense husband; John Garry and Margaret Melvin, the courteous parents of the hero, Robert Shourds; and John Silvius and Elizabeth Persons as the guests of the Kalnesses at their plain dinner of Irish stew and apple pie.

Between the second and third acts, John Silvius called Miss McEniry to the curtain and presented her with a gift on behalf of the cast. Another gift was given to those who assisted with the makeup.

The production staff consisted of the following:

Prompter, Kathleen Herman.
Stage crew—Marvin Lemburg, Joe Hasbrouck, Richard Stevens, John Regnier, Dick Hardy, John Garry, Don Cowan, John Ford, under the direction of Richard Hallen.
Property committee—Ardith Whitney, Alice Johnson, Hazel Jones, Dorothy Como, Helen Spong, and Kathryn Thompson.
Costume chairman — Dorothy Struthers.

Makeup committee—Miss McEniry assisted by Miss Myrtle Benson, Miss Vivian Erickson, Miss Alice Johnson, Miss Susan Schmidt, and Miss Fay Ross.

Hair styling was done by Jo's Beauty shop; Merrill Olson had charge of advertising, and Miss Eleanor Biebl was business manager.

Music was by the Marshall High School Orchestra under the direction of George Wingert.

Additional credit is due the following:

Julian Waller for his portrait, done in the Victorian manner, of Big Hearted Herbert's booze fighting pappy.

Jack Whitney for about three hours work spent in polishing up the brass cuspidor. Incidentally, Robert Ohlsen and Ardith Whitney spent several days searching for a suitable spittoon. They finally located the one used on the stage in the K. C. hall.

Cage Schedule Given, Also 1939 Football

Basketball Season Opens December 9—Willmar And Monte On New Gridiron Program.

The 1938-39 Marshall basketball schedule was completed today. In addition to the regular District 9 opponents which Marshall meets, Pipestone, a Southwestern Conference team, will appear, and Granite Falls and Clarkfield, two new additions to the 1938-39 schedule. The games are as follows:

- December 9, Tyler, here.
- December 13, Minneota, there.
- December 16, Ivanhoe, here.
- December 22, Redwood, here.
- January 1, Granite Falls, there.
- January 13, Balaton, here.
- January 17, Canby, here.
- January 20, Hendricks, there.
- January 27, Tracy, here.
- January 21, Pipestone, there.
- February 3, Minneota, here.
- February 7, Clarkfield, here.
- February 10, Pipestone, here.
- February 17, Tracy, there.
- February 21, Balaton, there.
- February 24, Hendricks, here.

The 1939 football schedule was announced today by Mr. Olson as completed.

Two new opponents will appear on the Marshall schedule after a lapse of years. Willmar will fall in the September 29 date, and Montevideo the October 20 date.

The schedule calls for four home games and four away from home, making an eight game schedule for the next two years.

These games make Marshall's schedule one of the most attractive ever to be offered at this school. The games are as follows:

- September 15, Open.
- September 22, Slayton at Marshall.
- September 29, Marshall at Willmar.
- October 6, Marshall at Pipestone.
- October 13, Luverne at Marshall.
- October 20, Montevideo at Marshall.
- October 27, Marshall at Redwood Falls.
- November 3, Canby at Marshall.
- November 11, Marshall at Tracy.

Nov. 21, 1938

8th Grade Track Records Aimed At

Four Teams Competed Last Session.

Four teams competed in Eighth grade intramural track the last school term according to Joe Nowotny of the Physical Education department, a review of intramural activities in the 1937-1938 school term.

Captains of the various teams were Kennie Meyers, Howard Ross, Jack Hiller, and Barney Gervais of the St. Joseph's Academy.

The big meet of the year was won by Jack Hiller's team with a total of 42 points. Henry Meyer's team took second with 36; Howard Ross' third with 32; and Barney Gervais fourth with 30.

Records set by the boys for this year's boys to shoot at are:

50-yard dash, 6 seconds, Meyer; 100, 13 seconds, Meyers; 440, 72 seconds, Don Cool; 60-yard low hurdles, 12 seconds, Robert Wiener; pole vault, 7 feet, 4 inches, Wiener; high jump, 4 feet, 10 inches, Meyers; broad jump 13 feet, 2 inches, Ross; shot put, 43 feet, 3 inches, Howard Samuels.

Members of Hiller's team were: Wiener Glenn Jacobson, Roger Anderson, Owen Clark, Gordon Hummell, and William Paul.

Touchball Game Planned Tomorrow

What is believed will not be the battle of the century will take place Thanksgiving afternoon on Legion Field when two high school football teams will battle at 3 p. m., to decide some title or other.

The teams are: the Ancient Order of the Seniors, or the D-6, and the recently formed Junior Clan, or the E-6.

Both teams emerged from the grueling intramural gridiron conferences undefeated, neither having played a game.

Proceeds, if any, will go to swell the detention fund.

(What is a detention fund?—editor).

(They wouldn't tell me; no spik englis.—Reporter).

This game will be rather remarkable in many respects, and it will also be the first time the fans will see six-man football game on Legion Field.

Regular touchball regulations will govern the conflict, and referees will consist of members of another secret fraternity of the class of 1937—the "Hems."

The lineup of brawny gridiron heroes follows: D-6—Lee, Ullery, Stevens, Harmon, Whitney and Young. E-6—Silvius, Shourds, Healy, Peltier, Brantman, and Juhl.

Nov. 21, 1938

Tigers Pick All-Star Team From Opponents

Marshall Boys Rate Luverne And Pipestone Tough Teams, Redwood Falls Best Fellows.

What does the Marshall high school football team think of its opponents? The Tigers spoke out on that subject today by selecting an all-star opponents' team, and also naming other "bests" among the teams they played this season.

The best line, according to the Tigers, was Luverne's.

The Redwood Falls boys were named as the best group of fellows.

Pipestone was voted as having the best backfield.

Luverne had the best tacklers, the Tigers decided, and Pipestone the best blockers.

The Marshall boys named Dick Wildung of Luverne, a guard, as the best lineman they faced.

They chose "Pootch" Lauterbach of Redwood Falls as the best back.

Incidentally, Wildung and Lauterbach were named to the outstate all-star team by the Minneapolis Star Saturday night. The Tigers, it should be mentioned, made their selection, however, before the all-state was announced.

For the all-star opponents team, the Marshall Tigers selected the following:

First Team

- R. E.—Barrett, Luverne.
- R. T.—Hanson, Luverne.
- R. G.—Wildung, Luverne.
- C.—Argetsinger, Pipestone.
- L. G.—Ford, Slayton.
- L. T.—Nybo, Tracy.
- L. E.—Ralph, Pipestone.
- B.—Kolander, Slayton.
- B.—Ressmeyer, Pipestone.
- B.—Lauterbach, Redwood.
- B.—Stone, Tracy.

Second Team

- R. E.—Lang, Redwood.
- R. T.—Hicks, Pipestone.
- R. G.—Steele, Redwood.
- C.—Bisbee, Tracy.
- L. G.—Barrett, Luverne.
- L. T.—Coubal, Redwood.
- L. E.—Slayton.
- B.—DeLapp, Luverne.
- B.—Kreuger, Springfield.
- B.—Catlin, Tracy.

B.—Prah, Luverne.

The name of the Slayton left end was not available here, since the players know their opponents by number rather than name.

Star's All-State Mentions Senden

Wildung And Lauterbach Win Places On Team.

Two players on southwestern Minnesota football teams played by the Marshall Tigers this year were named Saturday night on an outstate all-star eleven chosen by the Minneapolis Star with the cooperation of coaches, officials and sports writers over the state.

Dick Wildung of Luverne was named to a guard position on the all-star, and Pooch Lauterbach of Redwood Falls to the left halfback position.

To George Senden, Marshall's right tackle, went honorable mention as a lineman, and similar honor to A. Kressmeyer of Pipestone and Bob Catlin of Tracy as backfield men.

The Star's outstate all-star eleven was as follows:

Ends—Delos Wilcox, Bemidji, and John Vugelich, Virginia.

Tackles — Charles Scott, Pelican Rapids, and Pat Cudd, Red Wing.

Guards — Dick Wildung, Luverne, and Harold Majerus, Willmar.

Center—William Hunt, Fairmont.

Quarterback—Don Young, Moorhead.

Left Halfback—Pooch Lauterbach, Redwood Falls.

Right Halfback—Bill Luskoskie, Hibbing.

Fullback—Gene Bierhaus, Brainerd.

Nov. 22, 1938

22 Of Tigers Letter Winners

13 Seniors Lost To Squad For 1939.

The Marshall High School football squad had 22 letter winners for the championship season of 1938. Of the 22 winners, 13 were Seniors and nine under classmen. The nine leave a nucleus for Coaches Cole and Kienholz to start for the 1939 season, but of the 13 boys graduating many are lettermen of two and three years experience, and will be sorely missed in another year's campaign.

Such names as Cool, Geske, Gilbert, Norb Kerkvliet, Don Lee, Marks and Senden played their last football game for Marshall in two brilliant seasons in which they turned in three championships and undefeated seasons, earning high score in the state in one of their seasons. Geske and Cool moved up to regular starting positions this year after playing in the reserve lineup last year, and played brilliant ball.

Charles Gilbert, Norb Kerkvliet, Kenny Marks, and George Senden had the honor of being regulars on last year's team and carried on in much the same manner they did last year. Both defensively and offensively these boys were brilliant ball players. No one, however, came fast-

er than Don Lee, who became outstanding in his position.

Coach Bernie Cole will have Aldrich, Bloome, Ehrreich, Gilbert, Healy, St. Aubins Tony Senden, John Silvius, and Chet Wiener around which to build his next year's club.

The letter winners and the number of years of service are indicated below:

Howard Aldrich, 1 bar; Leo Bloome, 2 bars; Henry Coole, 2 bars; Donald Cowan, 1 bar; George Ehrreich, 1 bar; August Geske, 2 bars; Robert Gilbert, 1 bar; Charles Gilbert, 2 bars; Robert Harmon, 1 bar; Donald Healy, 2 bars; Donald Kerkvliet, 1 bar; Norbert Kerkvliet, 3 bars; Melvin Krute, 1 bar; Donald Lee, 2 bars; Kenneth Marks, 3 bars; William Neill, 2 bars; Gerald St. Aubin, 2 bars; Tony Senden, 1 bar; George Senden, 2 bars; John Silvius, 1 bar; Vernon Van Robays, 1 bar; Chester Wiener, 3 bars.

Graduating Seniors:
Henry Cool, Donald Cowan, August Geske, Charles Gilbert, Bob Harmon, Norbert Kerkvliet, Donald Kerkvliet, Melvin Krute, Donald Lee, Kenneth Marks, Wm. Neill, George Senden, Vernon Van Robays.

Nov 23, 1938

Tigers Officially Named S.W. Champs

Top Conference With 4 Victories And No Losses.

In a final report O. E. Knutson, secretary of the Southwestern Conference, said Marshall was given official recognition of the Southwestern Conference football championship, and awarded the championship trophy for 1938.

As part of the report issued by Mr. Knutson of Pipestone, "Marshall again tops the Conference with four wins and no losses, and to them goes congratulations of the entire Conference."

A crowd of 3,000 saw the championship game between Marshall and Tracy. This indicates a lot of interest, not only on the part of the two teams competing, but also on the part of nearby towns.

Mr. Knutson's report continues, "Jackson's strong run at end of the season is also worthy of comment. At the middle of the season they were at the bottom with no wins, but by winning their last three games they moved up into a tie for third place with Tracy. Luverne steps into second place because of playing more games than Tracy, and Jackson. It was Marshall that knocked Tracy and Luverne out of first place, whereas Luverne was the only team in the Conference to defeat Jackson."

From this report, it indicates clearly that the Marshall team clearly won the Conference championship by knocking off teams two and three in the final standard. The championship is the second one in as many years won by Marshall, and makes another nice addition to the Marshall trophy case.

The Conference final standings are as follows:

Conference Standings (Final)			
	W.	L.	Pct.
Marshall	4	0	100%
Luverne	5	1	83%
Tracy	3	1	75%
Jackson	3	1	75%
Windom	3	2	60%
Pipestone	1	3	25%
Lakefield	1	4	20%
Worthington	1	4	20%
Slayton	0	5	0%

Nov. 26, 1938

Tiger Hockey Plans Announced

First Practice Monday, Good Season Expected.

By ROBERT HARMON

With cold weather at hand, attention turns to the first official Marshall high school hockey schedule and team that the Tigers have ever had.

Teams have been formed in the past two years, but neither has had the cooperation that will be afforded the pucksters this winter.

Losing only two men by graduation, Bud Johnson, versatile center, and Virg Peniston, defensive sub, the Tigers look forward to an exceedingly bright initiatory season.

Five of last year's starting sextet will be back: Owen Paul, Bob and Charlie Gilbert, Harmon and Goalie Ford.

Returning squad members who only lacked experience last year are Haynes, Stevens, and Fosvedt.

Incidentally, a large squad is anticipated due to the major attention given hockey this year, and the schedule that faces the squad.

Tentative dates for games have been sent to Tracy, Balaton, Cottonwood, Dawson and Granite Falls, with Worthington requesting games if a rink at Slayton can be made for a midway meeting place.

Letters have also been written asking about puck teams, to Redwood Falls, Montevideo, Canby, Slayton, Pipestone, and Hanley Falls.

This year for the first time, letters are being awarded to the players, with nine periods required for an award. Minor letters will be given if a six game schedule is made up, and major letters (as in football, basketball and track) if an eight game or large schedule is drawn.

A new and larger hockey rink has been built on the school grounds this season, with the first flooding done this past Wednesday.

The first call for hockey will be Monday, when Coach Joe Nowotny, will distribute plays to the squad and plans will be made for systematic practices. With the large squad expected, varsity and reserve practice will be necessary during definite practice hours.

Financial backing for this year's team has come from the athletic fund of the Activity system, providing for transportation and hockey equipment that the school does not already possess. Goals were made last year by squad members, and these steel wire and pipe nets will be in good shape for many hockey seasons to come.

Student interest in hockey was manifested last year by the large crowds that saw the home games. In cold weather, spectators may watch from the auditorium and from rooms in the building.

In two years of unofficial competition, Tiger hockey teams have played five games, winning three, tying one, and losing one. However, all the games have been against one opponent, Granite Falls, which, with Tracy, will be among the tougher teams on the schedule.

Nov. 18, 1938

Physical Ed Boys Work For Letters

Two Kinds Awarded, On Point Basis.

Letters are awarded in Physical Education on the basis of points earned for entering various activities, games and tournaments.

For 500 points the physical education emblem is awarded, and for 1,000 points the chenille sports letter is given.

Points are awarded for entering various activities, for winning team championships, team runnersup, individual championships, individual runnersup, winning elimination tournaments, being picked on a first all-star team, second all-star team, home room championship, and runnersup on all-star home room selections, service as squad leaders, membership in a physical education club, interclass championship or runnersup, interclass all-star teams, and winter sports activities.

Intramural managers automatically receive a chenille letter as a reward for their services in administering the intramural program.

All points earned are transferred from year to year on permanent record forms.

Awards made last year were: Chenille letter—Don Stassen, Virgil Peniston, Kenneth Marks, Dan Jones, Lambert Juba.

Emblems—Don Cool, Jack Hiller, Bob Wiener, Don Jorgenson, Bernard Bisbee, Don Cowan, Harold Greenwood, Vernon Van Robays LeRoy Shellum, and Roy Johnson.

Records of all entries, results and points, are kept on file by Joe Nowotny, director, in the Physical Education office.

Nov. 29, 1938

Intramural K Ball Popular

18 School Teams Played Last Season.

Another interesting sport sponsored by the Physical Education Department of the Marshall Public Schools is intramural kittenball.

Last Spring for example, director Joe Nowotny organized 18 teams—four in the seventh grade captained by LeRoy Stegner, John Fonteyn, Jim Ponwith, and Gordon Nelson.

Four in the eighth grade captained by Kelvin Mercer, Glenn Jacobson, Jerry Wharton, and Roger Anderson.

Six in the ninth grade captained by Kenny Saepard, James Fosvedt, Gordy Lindstrom, Bob Gilbert, Gerald St. Aubin, and Ray Henle.

Four in the tenth grade captained by Don Healy, Francis Teerlinck, Edward Hasbrouck, and Virgil Christiansen.

The kittenball teams involved the activities of 193 boys at least two times a week.

Nov. 30, 1938

Tiger Cage Squad Drilling Hard

Season Opens Here Week From Friday.

With the Tiger basketball squad scheduled to open the 1938-1939 cage season on December 9 against Tyler here, Coach Bernie Cole is busy these days whipping the squad into shape.

A glance at the Tiger schedule indicates that the Marshall team will play Pipestone, Granite Falls, and Clarkfield in addition to their regular District 9 opponents.

The schedule follows:

- December 9, Tyler, here.
- December 13, Minneota, there.
- December 16, Ivanhoe, here.
- December 22, Redwood, here.
- January 1, Granite Falls, there.
- January 13, Balaton, here.
- January 17, Canby, here.
- January 20, Hendricks, there.
- January 27, Tracy, here.
- January 31, Pipestone, there.
- February 3, Minneota, here.
- February 7, Clarkfield, here.
- February 10, Pipestone, here.
- February 17, Tracy, there.
- February 21, Balaton, there.
- February 24, Hendricks here.

Nov. 30, 1938

Interest Growing In Archery Work

12 Bows, 120 Arrows, Made By Boys.

Although only seven boys signed up for spring archery, a tremendous interest was apparent. A limited supply of equipment meant a limited program, but this summer the boys got busy, and with the aid of the Recreation department, made 12 more very good bows and 120 arrows.

Boys who signed up last year were Ed Traxler, Tom Murphy, Leo Istar, R. Anderson, C. Anderson, Robert Weigers, Howard Ross, and Paul Bailey.

Spring golf was played by Richard Hardy MacDonald Henderson, Luther Halvorson, Tom Murphy, George Lowe, Jack Hiller, Neal Nash, and Bob Harmon. Jack Hiller won the championship from Dick Hardy in the finals.

Jack Hiller also won the tennis championship over Tom Murphy, Mac Henderson, Luther Halvorson, while in the doubles, Hiller and Henderson teamed up to win the honors.

These activities are sponsored by the Boys' Physical Education Department, directed by Joe Nowotny.

Dec. 1, 1938

Local Students To Broadcast

Will Entertain At Sioux Falls Scout Meeting.

Dr. J. L. Anderson of Marshall and Attorney Ben Heinzen of Ivanhoe will attend the annual meeting of the Sioux Area Council which will be held in Sioux Falls Friday night.

Both men are members of the Council, Dr. Anderson through election, and Mr. Heinzen by virtue of the fact he is chairman of the Gopher District.

Any persons interested in attending the meeting and banquet are asked to contact Dr. Anderson.

eGorge Wingert of the Marshall Music department will take five student musicians to the meeting: The Girls' Trio consisting of Exine Anderson, Jeanne Blanchette, and Ursella Waldorf; Warren Whitney will accompany the trio on his guitar; Clair Ryan will play trumpet numbers, and Mr. Wingert, the piano.

They will broadcast over KELO in Sioux Falls at 3.15 p. m. Friday, and will play and sing at the banquet in the evening.

Ping Pong Experts Preparing For Play

Game Proves Popular In Past Year.

Students in both junior and senior high schools enjoy the game of ping pong, and it proves to be a good game for indoors during the winter, and outdoors during the summer, and at Legion Field in the recreation program.

Junior High players last year were Bob Krute, R. Cowan, Lee Barnett, Clayton Currie, Jack Hiller, Gordon Nissler Robert Weigers, Harry Grogan, Gene Blair, Carl Hilton, and Mac Henderson. The singles championship was won by Jack Hiller with Lee Barnett as runnerup.

In Senior High School, the boys who took part in the final all-senior play were: Don Cowan, J. Speybrouck, G. Miller, M. Edberg, C. Wiener, F. Teerlinck, D. Stassen, R. Harmon, D. Doyle, C. Doyle, V. Butson, P. Regnier, C. Jannis, D. Regnier, A. Knutson, C. White, William Haynes, G. Brantman, J. Juba, and Dan Jones. Don Regnier and C. Jannis emerged the doubles champions and Don Cowan and J. Speybrouck were runnersup.

Play will soon be underway again this year under the supervision of the physical education department.

Dec. 1, 1938

Four Cage Games Before Christmas

Tigers Base Power On Five Veterans.

Coaches Bernie Cole and John Fuhlbrugge are preparing for a busy season in basketball, with four games before Christmas Vacation.

Coach Cole has five veterans around which to build this year's Tiger machine, all having earned letters in past seasons. The Tigers open with Tyler at Marshall on December 9, followed by Minneota at Minneota on December 13.

Coach John Fuhlbrugge will have to build from new material for his Cubs. Few members of last year's Cubs are available for this year's team. He does, however, have the Junior High quad intact from last year and they will play an important part in this season's cubs campaign. Just one week away, both the Tigers and Cubs swing into action in what promises to be the most interesting season in many years.

From indications last year, Hendricks and Tracy will be rated as favorites to carry the honors of District 9, with the Tigers in the position of an unknown quantity, but with a veteran team.

Dec. 1, 1938

School Picks 'Nativity' For Its Christmas Play

20 Speaking Parts Assigned, Mixed Choruses Working — Date Is December 18.

The Marshall High School annual Christmas play will be held in the high school auditorium Sunday, December 18, at 5 p. m.

This year's play, "The Nativity," is a production written by one of our own faculty members, Miss Mary McEniry, and is produced for the first time at Marshall High School.

Both the Senior High Mixed Chorus and the Dramatic Department are co-operating in making this year's play one of the biggest to be produced at Marshall.

Twenty speaking parts make up the cast, carrying the important events leading up to the birth of Christ. The mixed chorus, also on the stage during the entire program, will play its part with beautiful Christmas carols.

Lighting and staging will play an important part in this year's production. The action will be continuous with only curtains indicating changes.

Miss Mary McEniry will have charge of the dramatic production, George Wingert the choruses, and Richard Hallen staging and lighting.

The cast is as follows:

- Herod, King of Judea — Richard O'Connell
- Lackys — Lee Barnett, Pat Farrell
- Chief Priests — Victor Verdorn, Owen Paul, Alfred Paradis
- Scribes — Dellard Peltier, Charles Bruce, Glenn Olson
- Councillor to Herod — Vernon Tubbs
- Melchior, King of Arabia — Dean Thul
- Belthasar, King of Saba — George Lowe
- Choir of Heavenly Voices — Mixed Chorus
- Shepherds — William Osborne, James Blanchette, Jack Wharton, Alfred Wyffels, Dan Jones
- Angels of the Lord — Audrey Ahlers
- Angels — Dorothy Struthers, Elizabeth De Pover and Jeanne Blanchette
- Recorder of Tribes — Levi LaJesse
- Assistant Recorder — James Paul
- Merchants — Henry Hanson, George Goltz, Donald Lindstrom
- Peasants — Ellen Grandpre
- Peasant Boy — Douglas Davis

- Tetrarchs — Roger Anderson, Charles Bruce
- Landowners — Dwight Drown, Dellard Peltier, Owen Paul
- Governors — Victor Verdorn, Alfred Paradis
- Immkeeper — Glenn Olson
- Inn Boy — Donald Manguson
- Joseph — Charles Gilbert
- Mary — Agnes Gervais

Dec. 2, 1938

Paul S. Wilson Named School Superintendent

Glencoe Man To Come Here First Of Year— Chosen From 105 Applicants.

Paul S. Wilson of Glencoe is Marshall's new superintendent of schools. Mr. Wilson was elected by the Board of Education last night, and will assume the position the first week of January. Until that time, Principal Merrill W. Olson will be acting superintendent.

The new superintendent succeeds F. R. Adams, who resigned on appointment as director of teacher personnel in the State Department of Education.

Mr. and Mrs. Wilson and their 14-year-old son will move to Marshall shortly after Christmas.

Mr. Wilson, who is 39, was chosen for the superintendency position here from a field of more than 105 applicants. He met with the Board in person last night, after a committee had interviewed him earlier in the week at Glencoe.

For the past 15 years, Mr. Wilson has been superintendent at Milaca, Medford and Glencoe. Previous to that he was high school principal for two years. He is a graduate of Carleton College with a B. A. degree, holds an M. A. degree from the University of Minnesota, and has taken extra graduate work at Columbia University.

At Glencoe, Mr. Wilson was the motivating force in that city's recent \$215,000 school building program.

He is a member of the American Legion, a member of the State Board of Control of the Minnesota State High School League, president of the McLeod County Health Association, and a member of the Board of the McLeod County Red Cross.

Of all the applicants considered, he was one of the three most highly recommended by the dean of the College of Education at the University of Minnesota, and also by the State Department of Education. In every instance, Mr. Wilson's work and capabilities were declared outstanding.

Since Mr. Adams' resignation, the

local Board of Education has spent a busy three weeks considering and investigating the many applicants' qualifications. All applications were gone over thoroughly, and committees personally interviewed the final ones on the list.

On this Board are George Lowe, president; M. C. Stanwood, clerk; Dr. F. D. Gray, Dr. J. L. Anderson, A. J. Hardy, and Attorney James H. Hall.

Mr. Wilson's election was unanimous.

Grid Banquet December 20

Dec. 2, 1938

The annual Marshall high school football banquet in honor of Coach Bernie Cole and his undefeated Tigers will be held in the Little Theatre Tuesday, December 20, starting at 6:30 p. m.

Twenty-two letter winners will receive the coveted "M", headed by Norbert Kerkvliet, Kenneth Marks, and Chester Wiener, who will each receive three bars on their letter.

Talks by members of the coaching staff will feature the get-together.

The annual event will this year be limited to 160 and be held in the Little Theatre. Tickets will be sold by members of the Ushers Club.

Mrs. Russell and the home economic girls will have charge of food preparation; Miss Alsaker and Mr.

Waller, table decoration; Miss Charlson and Miss Gray, serving; Miss Kunz, the program.

The 22 boys receiving letters include:

Howard Aldrich, 1 bar; Leo Bloome, 2 bars; Henry Cool, 2 bars; Donald Cowan, 1 bar; George Ehrreich, 1 bar; August Geske, 2 bars; Charles Gilbert, 2 bars; Robert Gilbert, 1 bar; Robert Harmon, 1 bar; Donald Healy, 2 bars; D. Kerkvliet, 1 bar.

N. Kerkvliet, 3 bars; Melvin Krute, 1 bar; Donald Lee, 2 bars; Kenneth Marks, 3 bars; William Neill, 2 bars; Gerald St. Aubin, 2 bars; Tony Senden, 1 bar; George Senden, 2 bars; John Silvius, 1 bar; Vernon Van Robays, 1 bar; Chester Wiener, 3 bars; Glenn Olson, manager, 1 bar.

Handball Proves Popular Sport

Dec. 3, 1938

Sponsored By Intramural Program.

Another of the widely played sports sponsored by the Physical Education department in the intramural program is handball.

The game is a fine body conditioner, and develops fine coordination between eye and muscle. Players enjoy the game in a room the regular size of which is 34 by 20 feet and 16 feet high.

They must play easy shots on the front wall, and be on the alert to return hard smashes to the ceiling and rear wall.

Some of last year's doubles champions were: Paul Inden and Bud Johnson; William Brull and Virgil Peniston; Joseph Speybrouck and Leroy Shellum; Don Regnier and Clarence Jannis.

The all-school champions are Bill Brull and Virgil Peniston, with Inden and Johnson having given them a lively battle all the way.

The boys played a total of 338 games last year. Other boys who enjoyed the game regularly and played in tournaments were: B. Bisbet, D. Cowan, George Davis, E. Walker, Bill Neill, D. Peltier, C. Wiener, P. Teerlinek, K. Marks, Vern Van Robays, V. Butson and M. Lemberg.

Superintendent F. R. Adams and Principal Merrill Olson and several of the faculty also enjoyed the game regularly, and last year on three occasions proved their prowess by subduing ambitious intramural champions.

Joe Nowotny has charge of handball.

Students Finish Activity Payment

Dec. 2, 1938

Membership Is High This Year.

Marshall High School students have completed their Activity payments for the year and will be admitted to all future athletic contests and attractions on Activity tickets.

This year's Activity membership is very high, varying from 95 per cent in Senior High School down to 82 per cent in the Junior High School with a school average of 89 per cent. The membership is reduced in the Junior High due to the number of students taking the bus and smaller children who cannot attend night attractions.

This year's program will contain 26 programs, at an average cost of about 8 cents for each boy and girl in Senior High School.

The value, beside being a financial bargain, leads to the united support of the Activity program. The student body back of each program helps make it a little better than with support which was not united.

Events before the holidays include: December 9—Tyler vs. Marshall at Marshall.

December 13—Minnesota vs. Marshall at Marshall.

December 16—Ivanhoe vs. Marshall at Marshall.

December 18—"The Nativity", Christmas play.

December 19—"The Nativity", Christmas play.

December 20—Annual High School Football Banquet.

December 22—Redwood Falls vs. Marshall at Marshall.

December 23—Annual Christmas Convocation.

Wiener Placed On All-Southern

Dec. 3, 1938

Healy On Third Team, Marks On Fourth.

Chet Wiener, speed; Tiger half-back, was placed today on the all-southern Minnesota high school football team of 1938 in an announcement by radio station KYSM at Mankato.

The team was selected by coaches of southern Minnesota schools through a poll conducted by the radio station.

Donald Healy of Marshall was placed at end on the third team and Kenneth Marks of Marshall as captain and back on the fourth team. Charles Gilbert, Tiger center, received honorable mention.

The four teams were as follows:

First Team
Dunlevy, Jackson, e; Nuboy, Tracy, t; Wildung, Luverne, g and (Co-C); Hunt, Fairmont, e; Fitz, Fairmont, g; Musser, Fairmont, t; Westegaard, Fairmont, e; Rithmeier, St. Mary's, b and (Co-C); Neitge, Mankato, b; Weiner, Marshall, b; Welch, St. James, b.

Second Team
Truax, Northfield, (C) and e; Welch, Fairmont, t; Steele, Redwood Falls, g; Havel, Montgomery, e; Lund, New Ulm, g; Wulff, Albert Lea, t; Hanson, Faribault, e; Kolander, Slayton, b; Lauterback, Redwood Falls, b; N. Hannigan, LeCenter, b; Gustavson, St. Peter, b.

Third Team
Healy, Marshall, e; Jaeger, LeCenter, t; Ruskell, Jackson, g; Moe, St. James, Hicks, Pipestone, g; Dawley, St. Peter, t; A. Hannigan, LeCenter, e; Misbach, Fairmont, (C) and b; Roswall Blue Earth, b; Steiner, Mankato, b; Lippert, Northfield, b.

Fourth Team
Rucks, Truman, e; Schick, Olivia, t; Keckiesen, New Ulm, g; Heide-man, LeCenter, e; Duzan, Le Sueur, g; Pinski, Arlington, t; Rasmussen, Northfield, e; Marks, Marshall (C) and b; Eastling, Faribault, b; Van Nest Windom, b; Stone, Tracy, b.

Dec. 3, 1938
Marshall's New School Superintendent

This is Paul S. Wilson, Marshall's new superintendent of schools, who comes here after a very successful superintendency at Glencoe for the past 11 years. Mr. Wilson will take up his duties here just after the first of the year.

Dec 5, 1938
Tigers Drilling For Tyler Game

Cole Builds Around Nucleus Of 5 Veterans.

The Marshall high school basketball teams, figured as one of the stronger teams in the ninth district, will open its season's schedule here Friday against Tyler.

Coach Bernie Cole has Kenneth Marks, Chester Wiener, Donald Healy, Donald Ullery and William Neill back from his squad of a year ago.

Other outstanding prospects include George Ehrreich, Lawrence Lambert, Henry Cool, Edward Hasbrouck, Virgil Christianson, and Donald Lee.

The schedule: December 9 Tyler here; December 13, Minneota there; December 16, Ivanhoe here; December 22, Redwood Falls here; January 6, Granite Falls there; January 13, Balaton here; January 17, Canby here; January 20, Hendricks there; January 27, Tracy here; January 31, Pipestone there; February 3, Minneota here; February 7, Clarkfield here; February 10, Pipestone here; February 17, Tracy there; February 21, Balaton there; February 24, Hendricks here.

Dec. 7, 1938
Tyler Is Tigers First Cage Foe

Dec. 7, 1938
Season Here Opens Friday Night.

The first basketball game of the season finds the Marshall Tigers playing Tyler Friday in the high school auditorium. The 1938-39 basketball season promises to be one of the most interesting held in this district, with the teams appearing more evenly divided as to strength.

The "Wise Boys" in the district are mentioning Hendricks and Tracy for the championship. Tracy, of course, would hold the No. 1 spot, having most of their veterans back from a year ago when they were considered a "dead cinch" to annex the district championship, but lost to Lynd in a thriller which made history.

Coach Raasch of Tracy has four of the same boys back, around which he is building this year's team. Hendricks has the identical team which they had last year, and which finished the season in the runner-up spot.

Not much has been said about the Marshall club, but Coach Bernie Cole has five boys who appear to be about even as far as strength is concerned. Who Coach Cole will start Friday night is not known, but some indication will be given on the season play Friday night.

Coach John Fuhlbruegge will start probably an entirely new line-up for the Cubs in the first game, which will be called at 7:30. The several members of last year's club have entered on competition as far as the Cubs are concerned. They may develop a little slow, but they should arrive before the season is very old.

Three games before the holidays at home provide a busy time for Coach Cole and his basketeers, and also the student body, which is anxious to see what the coming season has to offer.

Dec. 7, 1938
PTA To Meet December 13

The regular meeting of the Marshall P.T.A. will be held December 13 in the Little Theatre.

The program will be of interest to every resident of Marshall, the main topic being the discussion of adult education by Arthur Miller. The general phases of adult education will be taken up in a general discussion.

Other features of the program include a solo by Mr. Steenhoven, community singing led by Mr. Wingert, and a dental puppet show.

Entertainment is provided by Rev. Korfhage and committee.

Dec. 9, 1938
PTA To View Puppet Show

Three Schools In County Also On Schedule.

The Morrey Fowse Dental Health Puppet Show will be presented to the Marshall Parent-Teachers Association at the high school auditorium December 13 through the arrangement of Dr. E. L. Traxler, chairman of County Dental Health, and Dr. Vern D. Irwin, superintendent of State Dental Health.

The show will be presented for children here Monday morning at 11 o'clock.

This visual education to the better mouth health conditions of public school children is given by the Good Teeth Council, Inc., and is staged by two puppeteers, Miss Cleo Stephans, a graduate of Marmouth College, and John Hamilton Beck, a graduate of the school of speech, Northwestern University.

Puppetry is used to arouse the interest of the boys and girls in the care of the teeth and to teach them that general health is very often attendant upon a healthy mouth. Surveys have shown that the school attendance and individual scholastic records can often be traced to the student's mouth health conditions.

Within the last four years the puppet shows have been shown to one-half million elementary school children in 21 states.

The Lyon County Dental Health Committee has made arrangements through Dr. Irwin and school superintendents for showing in Marshall, Tracy and Minneota, and Dr. Traxler as county chairman, requested the return for Tuesday to favor the Parent-Teachers organization as the show will be given for children elsewhere in the morning. Dental health education is as necessary for the parent as the child, the committee feels.

Dec 9, 1938
Tigers To Play Tyler Here Tonight

The Marshall Tigers open their 1938-1939 cage season tonight against the strong Tyler squad.

The Cubs will lplay the Tyler seconds starting at 7:30.

Marshall's starting lineup is composed of Coke Healy, Ullery, Wiener, Marks, and Buckie Neill.

The Marshall High School Band, under the direction of George Wingert will play at the games this season.

Dec 8, 1938
Five Lettermen Named As Starters Against Tyler

South Dakota State Coach Named Referee.

The 1938-1939 basketball season will open Friday night with the darkhorse Tigers meeting the strong Tyler team here on the auditorium floor.

Coach Bernie Cole said today that Marks, Healy, Neill, Ullery, and Wiener will make up the starting lineup. All are lettermen.

Reserves on Coach Cole's squad of 10 players are Hank Cool, Virgil Christiansen, George Ehrreich, Don Lee, and Edward Hasbrouck.

Everything is in readiness for a big cage season, acting superintendent Merrill Olson said today. The west bleachers will be reserved for adults, with the East bleachers for students.

The Marshall High School Band will add its share to the gantes, this season, playing between halves of both games and between games. A musical novelty is promised for each game.

Against Tyler

On the other hand, both Kennie Marks and Buck Neill had a bead on the bucket last night. Kennie sank six buckets and a free throw for 13 points and high man. Four of these were made the hard way, close in, but two of them were long beauties sunk from no man's land.

Neill tried six shots from near the middle of the floor and sank four of them, which is pretty good shooting on any man's basketball team. Buck amazed the fans with his improved shooting, floorwork, and ball handling.

Coach Bernie Cole said that Marks' and Neill's long shots weren't happenstance, because both lads have been spending plenty of time on this long distance work.

Naturally enough, these lettermen's ball handling and floorwork lacked polish and snap, it being the first of the season, but there is a hunch in the air that they will have a shot at the district cup if they mind teacher carefully and do their homework.

The other five men on Coach Cole's first string all saw quite a lot of service last night. Christianson, Cool, Ehrreich, Hasbrouck and Don Lee, all show promise. Christianson, a big rangy fellow, copped himself a nice bucket.

The Tyler seconds nosed out the Cubs 18 to 16.

MARSHALL (34)	FG	FT	PF	TP

Dec 9, 1938
School Vacation To Start December 23

Christmas vacation for the Marshall Public Schools will start on December 23, acting superintendent Merrill Olson said today.

School will open again on January 9, which is on Monday, giving the children a little more than two weeks of vacation.

Dec 9, 1938
Wilson Praised By Glencoe Paper

New Superintendent Here Stands High There.

The high standing in the Glencoe community of Paul S. Wilson, Marshall's new superintendent of schools, was described yesterday as follows in the Glencoe Enterprise:

"Glencoe has been fortunate in having an educator of Supt. Wilson's calibre at the head of its schools for the long tenure of service he has given this city and, while his resignation is regretted, nevertheless the public generally appreciating his splendid administration believes he is deserving of the advancement offered him in his chosen profession.

"Supt. Wilson came to Glencoe when its inadequate school plant was decaying with the years. His advice in consultation with the District School Board and the Stevens Seminary Board when Glencoe's imposing and splendidly arranged modern \$250,000 school plant was under consideration, which was erected in 1932, was measurably responsible for the exceptional interior convenience that can be boasted of.

"It may be said without fear of contradiction, that aside from the high standing Supt. Wilson enjoys as an educator, he uses tact and diplomacy in handling questions that arise, and that he possesses admirable administrative and executive ability.

"The people of this school district are not unmindful of his excellent work here, nor the interest he has taken in civic affairs."

Tigers Honored At Hall Banquet

Dec 12
1938

Coaches And Players Accorded Praise.

Members of the 1938 Marshall football squad, Coaches Bernie Cole and Lorence Kienholz, and others were guests Saturday night of Attorney and Mrs. James H. Hall at their annual football banquet.

Mr. Hall was toastmaster and introduced the following speakers:

Mayor W. W. Cook, who welcomed the guests and spoke his admiration of Mr. and Mrs. Hall for their interest in school affairs.

Coaches Cole and Kienholz, who spoke a few words about the team, and their appreciation for Mr. Hall's interest in the boys.

Former Superintendent F. R. Adams who congratulated the boys on their undefeated season and the fact they had such fine coaches as Mr. Cole and Mr. Kienholz. He wished the boys success, saying he hoped they got out of life just exactly what they wanted.

Acting superintendent Merrill Olson, who praised Mr. Hall for the active interest he has always taken in all school activities. He reminded the assembly that this was the ninth banquet given by the Halls, and 465 boys had been their guests.

Paul Wilson, the Marshall superintendent who will assume his duties the first of the year was unable to be present, but he wrote his regrets to Mr. Hall, and congratulated the squad on their successful season and on their excellent coaching.

The two main speakers of the banquet were H. J. Tillemans, president of the Farmers and Merchants State Bank at Minneota, and the Honorable Mathew M. Joyce, judge of the Federal district Court in Minneapolis.

Mr. Tillemans spoke on "The Will To Win". This will to win, said Mr. Tillemans, is what made Mr. Hall win out in a period of hard times and scarce money. His competition when he first started to practice was some of the toughest legal talent in Minnesota—Attorney Matthews and Attorney V. B. Seward. But he persisted and worked, and he is now one of the ablest lawyers in the state.

Harking back to his own beginning, Mr. Tillemans said that when he was made cashier of the bank, he knew nothing of legal forms: so when a farmer came in and wanted a chattel mortgage, he put him off saying he was too busy, but if he would return the next day, he would help him out. Then at night, under the kerosene lamp, he studied the form and acquainted himself thoroughly, and until he was able to duplicate it, and thus impressed the farmer with his smartness.

Mr. Tillemans' advice to the boys was to keep plugging in the face of adversity, and they would win out in the end.

In his introduction of Judge Joyce, Mr. Hall informed the assembly that he was a country boy, got to be a very successful lawyer, then was appointed by President Hoover to his present federal judgeship. He is a cultured gentleman and a jurist, was Mr. Hall's summation of the character of the speaker.

Judge Joyce began his talk by quoting "A speech in order to be immortal does not need to be eternal." He stated he was very much impressed with Mr. Tillemans' talk, and characterized it as the story of America.

The Marshall High School football team's 14 successive victories certainly show coaching, brains, and perseverance.

He was glad, the jurist stated, that he had the opportunity to meet with the boys at the Hall banquet. It reminded him, he said, of a recent banquet he had been to which was in

honor of George Bar... sponsor... of the Minneapolis Tribune. Mr. Barton, he declared was a sweet, kindly loveable character.

"You boys reflect one of the most glorious things in American life—our public school system."

Football, said Judge Joyce is the coordination of unified effort—you depend on your eleven fellows, and they depend on you.

The jurist admonished the boys on the importance of law and order, and their duty to preserve them. The United States Constitution, he told the boys was one of the most wonderful documents ever written. It has been tried and tested for 150 years, and it permitted the group to meet there that night secure in the knowledge of free peaceful meeting and free speech.

Whistle To Blow 15 Minute Warning

Dec 14, 38

The Student Council of Marshall High School requested that the municipal plant whistle be blown at 12:45 each school day as a signal for school children that school starts in 15 minutes.

The request was granted by Superintendent Charles Healy and the whistle will now be blown in two short blasts every school day at 12:45.

December PTA Here Tuesday Night

Dec 18
1938

Dental Puppets To Be Shown Then.

The regular meeting of the Marshall Parent-Teacher Association will be held in the Little Theatre Tuesday evening.

The meeting will start at 8 o'clock and will be featured by a dental puppet show, which will be repeated for the second time in Marshall. The puppet show is very interesting and worthwhile.

Following the puppet show an interesting discussion on adult education is being planned. In this discussion those interested are asked to put forth their ideas on whether a movement for adult education should be started in Marshall. There are numerous fields that can be covered in this group.

Persons interested in adult education and problems relative to it, are asked to prepare their questions before Tuesday night.

Christmas carols will be sung under the direction of Miss Vivian Erickson.

Mrs. Ralph Stevens' committee will have charge of the service, and everyone is invited to attend.

Tigers Play At Minneota Tonight

Dec 13, 1938

Back On Home Floor Again Friday.

Both the Cubs and the Tigers go to Minneota tonight to play the basketball teams of that town. Both teams have come along rapidly, and an excellent game is expected.

The Tigers and Cubs usually have a difficult time winning on the Minneota floor due to its size and shape. A narrow floor seems to halt the Tigers attack.

If the Tigers move through to win tonight on the Minneota floor, and again Friday when they play Ivanhoe, the Marshall fans may look forward to a fairly promising season.

Again on Friday the Tigers will play a team that is rated fairly high in the District after their showing at the district tournament last year. The same procedure will be used as last Friday, whereby the period between the halves will be used for a music specialty. Taking care of the intermission gives the fans straight intermission gives the fans straight the game ends, which is about 10 o'clock.

The Cubs game proved to be very entertaining in last Friday's game. From all indications it will continue to be so.

Christmas Play Cast Announced

Dec 13, 1938

Chorus Of 57 Voices To Sing Sunday.

With simple presentation and emotional restraint "The Nativity," a sacred pageant of the birth of Christ, will be presented in the high school auditorium on the evening of December 18 at 5 o'clock.

The story heralds a season glorious and unequalled in the course of human events—that of the birth of He who is Christ, the Lord, King of Men. Beginning with the plot of Herod, King of Judea, to kill the new born babe and ending with an adoration tableaux, the pageant is at once eternal and everlasting in the hearts of men for its familiarity and its unspeakable splendor in Biblical revelation.

A chorus of sixty-seven voices will accompany the entire pageant and is directed by eGorge F. Wingert, head of the Music Department.

The dramatic cast is under the direction of Miss Mary E. McEniry. It includes the following:

- Herod, King of Judea ----- Richard O'Connell
- Lackeys ----- Pat Farrell, Lee Barnett
- Chief Priests ----- Victor Verdorn, James Feyereisen, Alfred Paradis.
- Scribes ----- Glenn Olson, Levi LaJesse, Edward Hasbrouck, Del-lard Peltier.
- Counselor to Herod ----- Vernon Tubbs
- Melchior, King of Arabia ----- Dean Thul

Intramural Grid Season Success

Dec 13, 38

Eight To Try For Varsity Next Year.

The intramural football season at Marshall High School this year ended a successful season as well as an expanded schedule.

The season officially closed Tuesday when the first and second all-star teams were selected and had

their pictures taken.

The boys played a series of 60 complete games, and they learned plenty of good football. Eight of last year's intramural players were out for varsity play this year, and at least eight more will be out for varsity next year.

Murnane Maenhouts Panthers won the championship with 12 victories, two losses, and one tie. Jerome Juba's Tigers were second with seven wins, seven losses and one tie. James Blanchette's Blackhawks were third with six runs, six losses, and three ties. Bill Osborne's Flyers fourth with two wins, 12 losses, and one tie.

The Panthers were a well-balanced and defensive team scoring 198 points to their opponent's 72. They held opponents scoreless in seven games, and they themselves scored 18 or more points per game in seven games.

The novelty team of the year were

the Blackhawks. They played two scoreless ties, lost six games by a score of 6-0; their other loss also ended in a low score. These records are kept by boys of the Physical Education department.

F. R. To Talk Foreign Affairs With Garner

Dec 17, 1938

Washington—AP—President Roosevelt arranged today to devote much of a scheduled conversation with Vice President Garner to a discussion of foreign affairs.

White House attaches said Mr. Roosevelt would give Garner a complete outline of recent international developments.

Garner returned to Washington today from his Uvalde, Tex., home and was invited to lunch with the President.

Prior to his talk with Garner, the President summoned Secretary Wallace and various Agriculture Department officials for a talk on the farm situation.

Intramural All Star Teams Named

Dec 14, 38

Two Elevens And Alternates Are Chosen.

The following boys were placed on the all-star selections of the intramural football teams Joe Nowotny, director, said today:

Layton Ausen and Stanley Young, ends; Glenn Jacobson and Harold Samuels, tackles; Gordon Nielsen and Robert Weingartner, guards; Paul Gilbert, center; Harry Grogan, quarterback; Jim McGandy and William Osborne, halfbacks, Walter Souell.

Second team—Roger Anderson and Jack Hiller, ends; Isadore Andrew-jewski and Lee Barnett, tackles; Ronald Hummel and Ray Ausen, guards; Lee Holland, center; Teddy Souell, quarterback; Pat Farrell and Dean Thul, halfbacks; Jack Ullery, fullback.

First team alternates — Paul Ver-couture, Charles Carlson, Jerome Juba, James Blanchette.

Second team alternates — Ronald DeBaets and Donald DeBaets.

Members of Murnane Maenhout's champion Panthers were L. Ausen, J. Ponwith, L. Holland, C. Carlson, G. Jacobson, M. Lein, H. Baert, K. Hummel, E. Ogle, T. Souell, M. Fish-man, R. Green, P. Ver-couture, and E. Juba.

Tigers Engage Ivanhoe Tonight

Dec. 16
1938

Polish Boys Always Play Smart Game.

Ivanhoe comes to Marshall tonight to battle the Tigers in the first engagement of these teams of the 19-38-1939 season.

The dope on the Ivanhoe quintet is extremely ephemeral, but you can put this in your pipe and smoke it, that the Polish lads are never a poor team, nor just a fair one.

They have a basketball tradition there, just like Balaton, and the boys come out for the team. The coaching is always sound.

The game tonight looks like it will bring out all the good—and the weaknesses—of the Tigers, who to date have not met really exacting competition.

Christmas Play Upholds Tradition

Eighth Year Of Religious Production Here.

For seven years the annual high school Christmas play has been a tradition at Marshall, and huge crowds always attend the production.

The plays have been varied, but always featured by a religious theme dealing with the Christmas spirit. This year is no exception. Only the play goes a little further this year, in that it combined the work of the dramatic department and the music department in a single production.

The "Nativity," to be presented Sunday, deals with the birth of Christ, and the songs which have been written in honor of his birth for years will be sung by the mixed chorus consisting of 65 members.

At the close of the program a collection will be taken at the doors to help defray the expense of production, which usually amounts to quite a deal, and any balance is used to purchase Christmas baskets for the needy.

Last year Marshall High School took care of eight families with supplies and provisions to last them for two weeks or more. This year it is hoped that they may take care of as many.

Over 100 Attend PTA Entertainment

Group Hears Adult Education Discussion.

Over 100 persons were present last night at the December meeting of the Marshall Parent-Teachers Association.

A part of the meeting was devoted to a showing of dental puppets loaned through the offices of Dr. E. L. Traxler, chairman of the Lyon County Dental Health. This interesting presentation showed the importance of dental health.

At the close of the puppet show, a discussion of adult education held the interest of the listeners.

In keeping with the pre-Yule season, Christmas carols were sung under the direction of Miss Vivian Erickson, instructor of vocal music in the Marshall High School.

The lunch committee, under the chairmanship of Mrs. Ralph Stevens, consisted of the following members:

Mrs. R. T. Keith, Mrs. Ben Weiner, Mrs. A. L. Soucy, Mrs. Ruth Daniels, Mrs. J. L. Anderson, Mrs. Paul DePover, Mrs. S. L. Hammond, Mrs. J. M. Shrader, Mrs. Harry Gregoire, Mrs. Henry Johlfs, Mrs. J. W. Pike, Mrs. Melvin Abbott, Mrs. Charles Volk, Mrs. W. H. Welner, and Mrs. I. Steenhoven.

Mr. I. Steenhoven opened the meeting with two songs, "Over the Billowy Sea," and "Without a Song."

Teacher Wrote School Yule Play

Will Be Presented Sunday At 5 p. m.

"The Nativity," the Marshall High School's annual Christmas play which will be presented Sunday night, is specially interesting because it was written and is being directed by Miss Mary McEniry of the teaching staff.

The play will begin at 5 o'clock in the afternoon Sunday, and the doors will open at 4.30.

The play tells the story of the three wise men who came bearing gifts for the Christ child born that night in the manger of a stable in Bethlehem.

In connection with the play there will be sacred Christmas music by a chorus of 65 voices, under the direction of George Wingert.

This program, with its sacred drama and its beautiful Christmas singing is really something extra for the public is urged to attend. There will be ample seating room with seats available on the floor and in the galleries.

No charge will be made for admission, but there will be a free offering taken by the ushers.

Public Invited To School Yule Play

Was Authored By Miss Mary McEniry.

Marshall folks are invited to attend the Christmas Play to be held in the high school auditorium on Sunday, December 18, at 5 p. m. The doors will be opened at 4.30 p. m.

This year's play deals with the story of the Three Wise Men coming to honor the new-born babe, Christ. Led by a star, the Three Wise Men first go to see King Herod, who then tries to find Christ.

This year's play is of special interest because it is written by Miss Mary McEniry, one of the faculty members of Marshall High School.

The chorus of 65 voices will have an important part in the program, singing the beautiful Christmas carols and anthems which become more beautiful every year. George Wingert will have charge of the chorus.

Staging and lighting will also play an important part in the program as the lighting effects will create conditions on the stage necessary to produce the desired effects. In all, some 100 students will take part in this year's production.

Due to the size of the production and the number of people usually attending, grades and Junior High of the Marshall Public Schools and St. Joseph's Academy are asked not to attend Sunday, as a special matinee will be given for them on Monday. Only the Senior High students and adults are invited to attend the performance on Sunday.

There is always a great deal of expense connected with a program of this kind. But the program has been guaranteed by the Student Activity of Marshall High School, and no charge will be made at the door. However, a free-will offering will be taken by the ushers which will help defray the cost of production. Any amount over the actual cost of production will be used to help purchase Christmas baskets for the needy. Everyone is invited to attend.

Tigers Take Win Over Minneota

Score Is 33-18—Cubs Drop Another Game.

Continuing the high scoring set last week in the Tyler game, the Marshall Tigers scored an impressive 33 to 18 win over Minneota there last night.

The pace set by both teams was too fast for the size of the floor and resulted in much ragged play, resembling oftentimes a football game with its numerous scrambles for loose balls and pile-ups. For all of that it was an exciting game, with Marshall unable to establish a decided lead until late in the game.

Fast breaks led to most of Marshall's baskets in the first quarter, with Minneota retaliating with the same method. The score at the end of the quarter found Marshall leading 14 to 8.

After taking three time-outs, Minneota found a way of stopping the Tiger attacks, holding them to 3 points the second period while scoring 6 themselves. The half ended with Marshall ahead by a slim margin, the score being 17 to 14.

The fast pace held by both teams during the first half began to show in the second half. Both teams attempted a more deliberate style of play, with Marshall having a decided advantage in this style. They scored 6 points while holding Minneota scoreless the third quarter, giving them a 23 to 14 lead as they went into the fourth quarter.

In the last quarter the Tigers added 10 more points to their total while yielding a field goal and 2 free-throws to Minneota.

Thorsteinson was the big offensive star for Minneota, getting 5 field goals for a total of 10 points. D. Christianson was close behind him with 7 points. Haugejorde, although scoring only a free-throw, was the defensive star of the evening, his rebound work being particularly good.

For Marshall the work of the entire starting five consisting of Marks, Wiener, Healy, Ullery, and Neill was impressive, each man denting the scoring column. Marks was again high point man with 13 points, closely followed by Wiener with 8 and Healy with 6.

The Cubs lost another, close one 10 to 13.

The score:

MARSHALL (33)	FG	FT	TP
Marks	4	5	13
Lee	0	0	0
Wiener	4	0	8
Hasbrouck	0	0	0
Healy	3	0	6
Cool	1	0	2
Ullery	1	0	2
Christianson	0	0	0
Neill	1	0	2
	14	5	33

MINNEOTA (18)	FG	FT	TP
Thorsteinson	5	0	10
Fanson	0	0	0
Caristenson, D.	3	1	7
Haugejorde	0	1	1
Christenson, L.	0	0	0
Wiensess	0	0	0
Simning	0	0	0
	8	2	18

Referee: Hayden (Montevideo).

Marshall Tigers To Battle Ivanhoe

Coach Cole To Use Same Starting Team

Cubs Take On Seconds Starting At 7.30.

The Marshall Tigers and Cubs engage in their third cage battle of the season tomorrow night when they meet with the Ivanhoe team here in the Marshall auditorium.

The Cubs will take on the Ivanhoe Second team starting at 7.30, and the main event follows.

To date, the Tigers have defeated Tyler 34 to 13, and Minneota, 33 to 18.

The Marshall starters will probably be Marks, Wiener, Coke Healy, Don Ullery, and Buck Neill. Other men likely to see service will be Christianson, Hank, Cool, Don Lee, Ed Hasbrouck, and Ehrreich.

Cagers Here Friday Night

Intramural Cage Season Swinging

12 Teams Formed In Three Divisions.

The intramural basketball teams are in full stride, playing games every night except Tuesday.

At present 12 teams are competing in three divisions. Play is exceptionally even as the leaders are being defeated by the underdogs thus shifting positions from week to week.

The greatest spurt was made recently by Doug Peterson's Flyers, who, after four previous defeats, came back to score three victories to reach again the top flight.

Teams in the junior division are—Doug Peterson's Flyers, Robert Severson's Neversweats; Charles Ausen's Cardinals, and Robert Carlson's Sooners.

In the Intermediate division are—Edgar Gamm's Comets, Ronnie Hummels Sweatsacks, Harry Coon's Panthers, Ray Ausen's Aces.

Junior standings: Cardinals and Sooners tied for first; Flyers, second; Neversweats, third.

Intermediate standings: Comets and Sweatsacks tied for first; Panthers second; Aces, third.

Each of these teams have already played eight games supervised and refereed by Joe Nowotny and the intramural managers. Fundamentals are learned and practiced in physical education classes under squad leaders, with the intramural program as laboratory period to practice these fundamentals.

Tiger Five Wins From Ivanhoe

Dec 17 1938

Score Is 30 To 21 — Cubs Gain First Victory.

The Marshall Tigers tallied another victory last night when they defeated the Ivanhoe team 30 to 21.

While the Poles put up a strong fight, they never threatened the Tigers, and the latter team, failing to meet stout competition in their first three games of the season, still remains an unknown quantity. Their first two victories were over Tyler and Minneota by large margins.

Kemie Marks was again high point man, scoring five field goals and a gift for 11 points. M. Faulds of Ivanhoe made nine points, to reach second place. Chet Wiener hit third place with three buckets for six points.

The score by quarters:

	1	2	3	4
Marshall	8	16	24	30
Ivanhoe	5	11	14	21

The Cubs took their first victory of the season last night, defeating the Ivanhoe seconds 13 to 9. Uecker was high man with 10 points.

High School Christmas Play Enjoyed By Large Audience

Dec 19 1938

Production Is Excellent From Every Standpoint — Many From Neighboring Towns Attend.

An audience of more than 1,600 persons Sunday afternoon saw one of the best Christmas plays ever staged by Marshall High School.

The story (written by Miss Mary McEniry of the faculty) the singing, and the staging were all excellent.

The story was presented in a series of episodes portraying the birth of Christ, starting with the announcement to Herod and climaxing in the scene at the manger where the three wise men present their gifts and the humble shepherds offer their adoration.

In order, the scenes were as follows: Room of state in Herod's palace; fields near Judea; a rocky Hillside near Bethlehem; a public street in Bethlehem; a Bethlehem inn; a plain near Bethlehem; and a manger in Bethlehem.

The parts were all well-taken, and the students played their roles with restraint and in keeping with the character of the sacred pageant.

The singing of the mixed chorus under the direction of George Wingert was especially beautiful; and the

effect of the figures in the chorus fading from view at the rear of the stage at times, and gradually emerging into view at other times, added greatly to the beautiful tone of the ensemble.

The chorus sang all of the grand old sacred songs and Christmas carols which have touched the heart for many years, including:

"Silent Night", "The First Noel", Gounoud's "Shepherd Song"; "Hark, The Herald Angels Sing", "Gloria In Excelsis Deo", "Adeste Fidelis"; Clokey's "Two Kings", "It Came Upon A Midnight Clear", "O, Little Town of Bethlehem", Tschaiakowski's "Coventry Carol", "Joy to the World", "We Three Kings", and Christiansen's "A Cradle Song".

The stage effects and particularly the lighting was exceptionally fine, and Richard Hallen and his stage crew deserve special congratulations for their skillful choosing of colors and application of lighting.

Many in the audience were from other towns, one observer counting citizens of six neighboring communities.

Redwood Falls Here Thursday

Dec 21 1938

Tigers Expected To Get First Test.

The Marshall High School Basketball team winning in three straight games, get their big test of the season against Redwood on Thursday.

The game is expected to tell the story of what to expect from the Tigers this season.

Redwood is supposed to have a good team coming up, and from the looks of the names on the eligibility, such should be the case.

The Tigers have not been impressive in their early season wins over Tyler, Minneota, and Ivanhoe.

They will get a big test when they meet Granite Falls during the holidays—Granite hasn't dropped a game and are supposed to be the big shots in their district. Their game will be played at Granite.

Coach Bernie Cole took his club to Brookings to see Carleton in action against the Brookings Club.

Carleton was supposed to have another victory five coming up, but has not lived up to expectations in dropping several of their games. The boys reported a fine game.

Tiger Football Squad Honored At Banquet

Dec 21 1938

22 Boys Awarded Letters, 19 Of Whom Never Played In Losing Game.

Marshall High School honored 57 members of this year's championship football squad and their coaches, Bernie Cole and Larry Kienholz, at a dinner last evening.

The dinner marked the tenth annual get-together after the football season. Each year the squad is thus honored and given the opportunity to

try their luck at an after dinner speech.

All in all it was a very enjoyable banquet, and speakers who helped to make it so were Acting Superintendent Merrill W. Olson, W. J. Osborne, Mel Hardy, Bernie Cole, Larry Kienholz, Don Lee, Charles Gilbert, Henry Cool, Chet Wiener, Ardith Whitney and Exine Anderson. Dorothy Jefferson acted as mistress of ceremonies.

Bernie Cole and Larry Kienholz have led their boys through 14 games, two seasons, without a defeat, the longest winning streak Marshall has ever known. Since Legion Field was dedicated the Tigers have been defeated only three times on their home field.

Coach Cole's record is as follows:

Year	Won	Lost
1938	7	0
1937	7	0
1936	4	3
1935	5	2
1934	5	2
1933	6	1
1932	6	1
1931	5	2
1930	5	2
1929	5	2
Totals	55	16

In addition, the Tigers have won three championships and a 1000 per cent rating in the Little Ten Conference.

Out of the 22 boys earning letters this year, 19 boys have never played in a game that Marshall lost. Due to the size of the squad, most boys do not make the club until they are Juniors in high school. Three boys, however, have the distinction, Norbert Kerkvliet, Kenneth Marks, and Chester Wiener.

Of the 22 boys receiving letters, 13 are Seniors and have played their last game at Marshall. In addition to the regulation letter with bars indicating the years of service, each boy received a gold medal indicating the year won and the sport. The medals are for watch chains.

The following boys received the regulation "M", indicating years of service:

Howard Aldrich, Leo Bloome, Henry Cool, Donald Cowan, George Ehrreich, August Geske, Charles Gilbert, Robert Gilbert, Robert Harmon, Donald Healy, Donald Kerkvliet, Norbert Kerkvliet, Melvin Krute, Donald Lee, Kenneth Marks, William Neill, Gerald St. Aubin, Tony Senden, George Senden, John Silvius, Vernon Van Robays, Chester Wiener.

In charge of this year's banquet were:

Food Preparation, Home Economics Classes, Mrs. Calvin Russell; Table Decoration, Miss Alsaker and Mr. Waller; Tables and Serving, Miss Charlson and Miss Gray; Programs, Miss Kunz.

Bernie Cole Wins Gluek Sport Award

Dec 22 1938

Selected In Recognition Of His Fine Record.

George Higgins, sports announcer over WTCN, informed Tiger Coach Bernie Cole today that he has been selected as winner of the Gluek Sports Award given by the Gluek Brewing Company of Minneapolis.

Mr. Higgins' letter follows:

"It is my pleasure to notify you that you were selected as the winner of the Gluek Sports Award as announced on WTCN this evening during my Sports Review.

"You were selected in recognition of your fine record at Marshall and your efforts to promote interest in athletics, and the Gluek Brewing Company joins me in extending heartiest congratulations and best wishes for your continued success.

"You will receive a Lee Water-Bloc Hat and in a few days instructions for obtaining your hat will be forwarded to you".

School Christmas Party Tomorrow

Dec 21 1938

Art Classes Arrange Beautiful Windows.

A Christmas party Thursday afternoon, just before school recesses for a two weeks' vacation, will climax a busy holiday season in Marshall high school.

The Christmas season opened on Sunday with the presentation of "The Nativity" to the Marshall public. The annual Christmas play included around 100 of the boys and girls in high school. A special matinee was held for the grade children on Monday.

Christmas trees in both buildings and in each grade room, together with decorated windows in the new building, are some of the indications that the Christmas season is here. Mr. Waller's art class is responsible for the beautiful windows in the library and art room.

In both Junior and Senior high school, boxes are in evidence. These boxes contain the gifts of students to others less fortunate than themselves, and will be divided among families in need. Last year, a two-weeks' supply of food was distributed to the eight needy homes.

A Christmas party, the combined effort of every homeroom in high school, will be staged tomorrow afternoon in the main auditorium.

One act from each homeroom makes up the entire program, with boys and girls being given the time after the program for a Sunlight Dance in the Little Theatre.

Due to the fact that Christmas Eve is on Saturday, it was decided to move the day of closing up one day so that students might take advantage of the extra day before Christmas and teachers could get home for Christmas Eve.

School To Close Day Earlier!

Dec 20, 1938

Here's good news for all the boys and girls—and also the teachers.

The public school here will close on Thursday afternoon of this week instead of Friday as originally planned.

Meeting last night, the Board of Education decided to start the Christmas vacation a day earlier to give teachers an opportunity to reach their homes before Christmas eve

and to permit children a full day Friday for church and other out-school Christmas activities.

Most churches have scheduled children's Christmas programs for Friday night and the change will give more time during the day Friday for preparation.

So school closes Thursday at 4 p. m.—the pupils are glad, and the teachers, too.

Tigers To Meet Redwood Tonight

Redmen Come Here As Dark Horses.

The Tigers really haven't had a cage battle yet this season to make them stretch themselves, but they meet up with tough foes when they tackle the Redwood Falls quintet tonight in the High School auditorium.

Concerning the Redmen's ability, very little is known, but they always put on a good basketball show, and it will be worth two-bits to find out what stuff they have on the ball.

The Tigers have won from Tyler, Minnesota, and Ivanhoe, but because this competition was not severe, their performances were not exactly anything to write home about.

Coach Bernie Cole's starters will be Coke Healy, Kennie Marks, Don Ullery, Chet Wiener, and Buckle Neill.

On January 6 the Tigers journey to Granite Falls. This promises to be a nice melee, for the lads from there haven't taken a beating yet.

The Tiger schedule follows: January 6, Granite Falls there; January 13, Balaton here; January 17, Canby here; January 20, Hendricks there; January 27, Tracy here; January 31, Pipestone there; February 3, Minnesota here; February 7, Clarkfield here; February 10, Pipestone here; February 17, Tracy there; February 21, Balaton there; February 24, Hendricks here

Redwood Bows To Marshall, 35-30

Fast Game Thrills Large Crowd.

The Tigers tangled with Redwood Falls last night, coming out ahead 35 to 30, and surely giving the cash customers their money's worth.

As a matter of fact, the fans got a baker's dozen, for the Marshall Band, under Maestro George Wingert dished out some swing that raised the roof.

This latter statement is mere hearsay, your correspondent being out for a smoke, and anyway being too old and settled to enjoy anything more lively than "Turkey in the Straw", or maybe John Fuh-bruegge's favorite, "O, My Pretty Quadroon".

But that basketball game in its quiet way was a honey. Both teams broke fast and set a terrific pace from the start and maintained it to near the final gun. If anything, the Tiger seemed in a bit better physical shape than the Redmen (a characteristic of Bernie Cole's teams), for they came out at the half looking fresher than the lads from the East.

Taking a quick look at the credit sheet, it would appear that the Tigers won that game because they took advantage of their gift shots. They missed only one out of 10 tries, while Redwood missed most of theirs. The score, remember, was 35 to 30.

The Redwood boys were out for blood, and they so played. There is plenty of guessing among the local Grantland Rices that they will be in the regional playoff. They have a boy named Lang who sank five buckets last night, and another named Duer who shows he can plank them in from land's end. Furthermore, they have three good reserves.

As for Marshall—Kennie Marks was doing business at the old stand, and garnered himself 15 points for high man. Kennie was the sickest man on the floor last night after zooming down the floor on a beautiful setup, and then kneeling the ball just as he was about to shoot a sure one.

Chet Wiener got a little absent minded last night on several occasions—a couple of times when he must have thought he was playing blocking back for Marks, and once when he threw a body check into Duer of Redwood Falls. If our information is correct a body check is a term used in hockey (a somewhat bloody game). On the other hand, Chet showed the other nine players how to handle a basketball.

Ullery played a nice game all around and especially his guard work. In addition he made two baskets and two free throws for six points.

Russell's First Team Wins

Russell—The first and second teams played Lynd Friday evening on the home floor and the second team lost to Lynd by a score of 15-9. However the first team were victorious by a score of 18-17. The first team was very much elated because this was the first time they had beat the Lynd basketball team in years. The first team game

The score as follows:

Christianson	1	0	1	2
Totals	12	6	7	30

Buck Neill and Coke Healy accounted for five points each, and showed flashes of brilliant floorwork.

The game was nip and tuck most of the periods. Shortly after the half started, Redwood tied the score at 17-all. But Kennie Marks broke this up with a quick trip down the floor and a ball in the basket. A second later Ullery duplicated this and the Tigers kept this lead for the rest of most of the tussle.

Both quintets played fast breaking games, and exhibited some tricky ball handling, which was spectacular, but showed a need of polish and further practice.

Tigers To Play At Granite Friday

Yellow Medicine Lads Are Undefeated, Also.

The Marshall Tigers move in on Granite Falls Friday night for their second out of town cage melee of the 1938-1939 season.

Granite Falls, like Marshall, has a clean slate for the season.

The Tigers have trimmed Tyler, Minnesota, Ivanhoe and Redwood Falls.

The starters Friday against Granite Falls will be Kennie Marks, Chet Wiener, Coke Healy, Don Ullery, and Buckle Neill.

The Tiger schedule follows: January 6, Granite Falls there; January 13, Balaton here; January 17, Canby here; January 20, Hendricks there; January 27, Tracy here; January 31, Pipestone there; February 3, Minnesota here; February 7, Clarkfield here; February 10, Pipestone here; February 17, Tracy there; February 21, Balaton there; February 24, Hendricks here.

Plan Reception For Superintendent

PTA Arranges Meeting For Next Tuesday.

The January meeting of the Marshall Parent-Teacher Association will be held in the high school auditorium January 10. The meeting will be in the form of a reception for Marshall's new superintendent, Paul S. Wilson.

On the program there will be a talk by Mr. Wilson, pictures of the Minnesota football games during the 1938 season and a debate.

The pictures of the Minnesota football games show all of the games played by Minnesota this year, both at home and away. While the pictures do not show the complete games, they do show the most interesting parts of each of the various Big Ten and non-conference games. Two years ago the pictures were shown at Marshall and were received with a great deal of enthusiasm. Lunch will be served.

Tigers Get First Test At Granite Falls Friday

Both Teams Are Undefeated To Date— Granite Under New Coach This Year.

The Marshall Tigers resume their basketball campaign this Friday when they engage the undefeated Granite Falls quintet at Granite Falls.

The Granite Team is under a new coach this year—Vince Wells—whom Marshall fans will remember as an all-district man from Tyler in 1934.

Matriculating at Gustavus Adolphus, Wells starred for three years in basketball, and in his senior year captured the state championship team. His brand of basketball has caught the fancy of the Granite sports fans, and has them talking of their chances for the district championship. Their decisive victories over Maynard, Montevideo, and Madison stamp them as an early favorite in the district.

The Granite Falls team is built around Baker, rugged left-handed boy, whom local basketball fans will remember for his two, ringing triples against Bennie Baumgartner in last year's basketball game with Marshall. Baker maintained 14 points a game average by scoring 15 points, although covered by Cholly Healy.

Granite's scoring, however, is not confined this year to Baker. To date the scoring has been equally divided among Curtis Berg, Tommie Keegan, and Elmer Volstead, who have outscored Baker slightly.

Although Marshall has been maintaining a high scoring average of over 30 points a game, Granite has maintained a remarkable defensive average by holding all opponents to an average of less than 15 points a game. Madison could only score

Balaton To Play Tigers Here Tonight

Cubs And Seconds Tangle At 7.30.

Balaton comes to Marshall tonight to try to break the Tiger cage squad's record of five victories in five starts.

The evening starts at 7.30 with the Tiger Cubs playing the Balaton Seconds, and the first team game will start at 8.30 or after.

Marshall's starting lineup will consist of Marks, Wiener, Coke Healy, Don Ullery and Buck Neill.

The Tigers schedule for the next two weeks will include Canby here Tuesday; Hendricks there January 20; and Tracy January 27.

13 points, and Montevideo, only one better.

The game should be of real interest to basketball addicts in settling the old question: "Can a good offense whip a good defense?"

There will be two games in Granite Friday night, the first battle starting at 7.15 instead of the usual starting of 7.30.

Tigers To Face Battle At Granite

Falls Team Best In Several Years.

Coach Bernie Cole's cage squad moves over to Granite Falls on Friday of this week, playing the best team Granite has had in years.

Under a two year agreement Marshall plays at Granite Falls this year and Granite Falls at Marshall in 1940.

Coach Bernie Cole's boys had a perfect record before the holidays, winning every game played, taking Tyler, Ivanhoe, Minnesota and Redwood Falls in stride.

Redwood looked like a powerful team, and the game developed into a rough and tumble contest, but again the Tigers proved they could take care of themselves.

One point worthy of consideration is that the boys are scoring from outside their free throw line and have not as yet found their eye for the set-up baskets. If they can continue to score this way and get their set-up shots, they may be classed as the dark horse of the district.

Tracy and Hendricks, the pre-season favorites, are evidently everything that has been said for them. Hendricks lost the decision to Tracy, 17 to 20.

The Cubs, a complete Freshman team, are getting a taste of basketball this season. With three years more of playing this ninth grade team should be heard from plenty their last two years.

Marshall Maintains No. 2 Spot As

Jan. 5, 1939

Iron Range Only One Ahead

Marshall Also High On
Return To Region.

Marshall again holds the No. 2 spot in the state as a basketball center on figures from the Minnesota State High School League. It is surpassed by only the range region which holds and has held the No. 1 spot over a period of the past nine years. On the range the cities are close together and the tournament is held in auditoriums with a great seating capacity.

Over a period of eight years the figures in Region No. 3 are interesting, showing the place Marshall holds as a basketball center. They appear in an adjoining column.

Over an eight year period the Region three tournament has been held at Marshall three times as compared to five in adjacent cities. Forty-six per cent of the total income during the eight year period has been taken in at Marshall, and 53 per cent of the net gain to the region registered here at Marshall.

A seating capacity record was set here at Marshall last year with 1,998 people in the auditorium.

Tigers To Play At Granite Tonight

Jan 6, 1939

First Engagement Will
Start At 7.15.

The Marshall Tigers journey to Granite Falls tonight to play a team which, like themselves, has not suffered a defeat this cage season.

The Granite Falls quint is built around Baker, a left hander, and a sensational basket maker.

This team also has a strong defense, and with Marshall unleashing their powerful offense, it would seem that the fans will see a smacking good game.

The time has been upped for the Cubs-Granite Seconds battle. It will start at 7.15 instead of the usual 7.30.

Basketball Center

Tigers Defeat Granite 29-22

Jan. 6, 1939

Marks Again High Man
With 11 Points.

The large following of Marshall fans who made the trip to Granite Falls last night were rewarded with a thrilling game of basketball that saw the Tigers pressed to the limit to win 29 to 22.

Both teams started somewhat slowly, with Marshall holding a 4 to 1 advantage until a few minutes before the close of the first quarter when both teams went on a scoring spree to make the score 9 to 8.

The second quarter was a repetition of the first and ended in a 14 to 14 tie.

As the pace increased in the second half, Granite enjoyed at one time a 21 to 18 lead—the first decided lead of the game.

But at this point the Tigers threw into operation their long-range guns. Marks connected on two and Buck Neill on one in almost successive shots, and the Tigers were out in front for keeps.

The last few minutes found the Tigers freezing the ball effectively to prevent any counterattack.

Granite's attack was led by the speedy Keegan, who garnered four field goals in addition to playing a strong floor game. Berg, hampered by an injured knee, failed to maintain his 8-point game average, but he impressed Marshall fans with his smooth play.

Kennie Marks again led the scoring for Marshall. Each member of the starting five, however, contributed to the evening's scoring.

The box score follows:

MARSHALL, 29	FG	FT	PF	TP
Marks	5	1	1	11
Wiener	2	3	2	7
Healy	1	0	2	2
Lillery	2	0	2	4
Neill	2	1	2	5
Cool	0	0	0	0
Totals	12	5	9	29

G. FALLS, 22	FG	FT	PF	TP
Dalton	1	1	2	3
Wolstad	0	0	0	0
Baker	1	2	0	4
Keegan	4	0	3	8
Volstead	1	2	2	4
Berg	1	1	3	3
Brook	0	0	0	0
Totals	8	6	10	22

Referee—Plotnick, state tournament official.

Tigers To Face Balaton Friday

Jan 10, 1939

Clash With Canby
Following Tuesday.

The Marshall High Cage Squad with five victories in as many starts take on two games in rapid succession, playing Balaton on the Marshall floor Friday and Canby the following Tuesday.

Both will be two-game affairs, giving Marshall fans the opportunity of watching the Cubs in action. For interesting basketball, Marshall's future hopes depends on this Cub team and to date, they look like they had it. All underclassmen, they play scrappy ball, the type the fans like.

Coach Bernie Cole's squad was tested against two good teams in both Redwood Falls and Granite Falls. While the margin was not too great, it did indicate the boys had the game under control. Tracy beat Redwood with about the same margin so it looks like the Tracy game should be everything fans expect it to be. Cole's men have a good Balaton Club, always hard to beat, and an up and coming Canby Club to dispose of before the Tracy game.

Canby has a new coach this year in Joern, formerly of Tyler and they are rapidly coming to the front. Canby is the third largest school in the district in size and not very far behind Marshall in number of students attending.

Balaton, brings a team of youngsters that Coach Olson expects a lot of in another year, and he has coached at least three district winners.

PTA Greet New H.S. Superintendent

Jan. 11, 1939

Audience Also Sees
Golden Gopher Movies.

The January meeting of the Marshall Parent-Teachers' Association was held last night in the high school auditorium, with more than 250 persons present to welcome Paul S. Wilson, the new superintendent, and to see the motion pictures of Minnesota football games.

The new superintendent was introduced by Charles Gilbert, president of the Marshall PTA, and in response, Mr. Wilson declared he was greatly impressed by the fine sense of cooperation and sense of civic responsibility shown by the people of Marshall. He added that he looked forward with a great deal of pleasure and interest to his duties as superintendent of the Marshall Public Schools.

Mr. Wilson comes to Marshall from Glencoe where he was superintendent for the past 11 years, during which time a new building was constructed.

The meeting last night started at 8 o'clock with the filming of the Gopher football games, at home and out of town. The movies were excellently edited to bring out the significant plays of each game, and the audience showed great pleasure during their projection.

Music was furnished by the Marshall High School Girls' Trio, and George Wingert at the piano, Clair Ryan on the trumpet, and Warren Whitney on the guitar. Members of the Girls' Trio are Ezine Anderson, Ursella Waldorf, and Jeanne Blanchette.

C. O. Fitts was chairman of the lunch committee, which was composed entirely of men. He said today that he had yet to receive a complaint from any member of the "unfair" sex regarding the luncheon put up by his male co-workers.

He did, however, have to make a change in his starting lineup. This occurred when H. T. Haynes, in charge of the coffee brewing, became so fussed by the public's attention being called to his new necktie that he burned the water.

Coach Fitts then sent Haynes to the bench and substituted F. J. Patten as coffee brewer.

George Chamberlain presented Superintendent Wilson with a beautifully-inscribed testimonial containing the names of the faculty and the school board. The testimonial was hand-printed and decorated by Mr. Chamberlain.

Tigers Meet Balaton Here Friday Night

Braves To Come Against Marshall With Young, But Fast And Sharpshooting Quintet.

Marshall fans are assured of plenty good basketball in the next few days, for Balaton comes here Friday, and Canby next Tuesday.

The Tigers and the Balaton Braves always turn in a whale of a good fight just like the Tigers and Tracy. One thing is certain with Balaton, and that is they always have a bunch of deadeye shots. Also in Coach Olson, they have one of the best prep cage coaches in the state.

The Braves are young, but fast and with potential shooting ability. They will probably not reach their peak until next year, but they are sure to give the Tigers a good scrap.

The Canby game Tuesday is also sure to be an interesting fight, primarily because Joern, formerly coach at Tylor, is now at Canby. His teams are always well-coached in the tricks of the game, and they are always dangerous shots.

The Tigers have five victories to date under their belts, and the last two — against Redwood Falls and Granite—were tough ones, and seemingly prove that Coach Bernie Cole this year has a good solid squad with plenty on the ball. A lot of fans still think, however, that the lads haven't had a tough test yet.

This will probably take place when they meet the Tracy Scrappers on January 27 here in Marshall.

Prior to that, on January 20, the Tigers will go to Hendricks.

Coach Cole's starters will be Ken Marks, Chet Wiener, Don Ullery, Coco Healy, and Buckie Neill.

While Balaton did not live up to advance notice in its 41 to 7 defeat by Marshall, Lynd was taking a 61 to 19 shellacking in the hands of Tracy.

The Tigers will play Hendricks there Friday night.

Tigers Play Canby Here Tomorrow Night

May Prove Test Of Marshall's Strength

Cubs, Seconds Play In Opener At 7.30.

When the Tigers meet the dark-horse Canby basketball team on the local floor tomorrow night, there is a possibility that Marshall fans will see the big test they have been waiting for this season.

Here is a bit of dope, what there is of it, and much as it is, basketball dope being as fickle as it is:

Tracy beat Hendricks, 20 to 17.

Hendricks defeated Canby 25 to 24.

Tracy is reputedly the strongest team in the district outside of Marshall, the real strength of which little is known, since the Tiger lads haven't yet had a hard bitter game which might show their stuff under pressure.

It would appear though, according to the dope that Canby is practically the equal of Hendricks, which lost to Tracy by three points.

Coach Joern of Canby, and former coach of Tyler, always developed fighting, well-drilled squads there, and his Canby team this year surely will be no exception.

The Cubs will play the Canby Seconds in the opener which will start at 7.30.

Tigers Swamp Balaton, 42-7

Canby Squad Comes Here Tuesday.

The Marshall Tigers swamped the Balaton Braves last night by a score of 42 to 7.

The Braves, all of whom are said to Sophomores could do nothing against the tall, heavy, fast Tigers. They showed plenty of spirit, however, and never once accepted defeat lying down.

The game was remarkable for its dullness, and if anything can be duller than a dull basketball game, why write us a letter.

A lot of fans still haven't made up their minds about the Tigers—are they a mediocre team in a district of weak teams, or have they really got something there?, they ask.

The answer to the question will most probably will be given on January 27 when the strong Tracy Scrappers come here for the first Tiger-Tracy engagement of the current season.

At times last night the Tigers seemed to be handling the ball kind of sloppily. This can be explained on the score that they were playing a fast-breaking game, and still need a bit of polishing.

Kennie Marks was plopping the ball in at will last night, getting himself 15 points with six field goals and three on the house, and all these in three quarters.

Wiener, Healy, Neill and Ehrreich each made two, and Hasbrouck surprised everybody, including himself, by swishing the nets for four very neat buckets. Ullery was off his eye last night, despite the fact that his mates tried to set up some easy ones for him. But he played his usual dependable floor game.

Don Lee, Cool, and Christianson also saw considerable service, but failed to connect with the basket.

Canby comes here Tuesday night, and the Tigers journey to Hendricks next Friday.

Harking back to the Tigers—one group of followers believe that if they continue to develop and reach their peak by district time, as Bernie Cole's teams always do, they will take the District.

They base their reasoning on these guesses, that Tracy is definitely the only team that will offer them any competition; Tracy has practically the same lineup as last year; The Tigers, with Ken Marks and Chet Wiener back again, are far better than they were last year.

Ergo: all other things being equal, Tracy has about the same team as last year, and Marshall has a much better team, and therefore will probably take them in the district.

Majority Of Students Join Activities Program

25 Numbers Comprise Plan This Year—Payments Concluded Two Weeks Before Christmas.

By MERRIL W. OLSON

Every year a report of this type is made up so that the people of Marshall who support and make our activities possible may know the standing.

For no activity given in the local high school is a charge of more than 35 cents made, and that for the football games which are played in the evening. All basketball games are 25 cents regardless of the importance of the game. The above prices are adult prices, students who belong to activities pay in the Junior High School 6 cents per attractions and Senior High students 7 cents for each attraction. We know that it will be impossible to carry on the various activities without the help of the adults of our community, but we have reduced the price for students so that everyone may be a member.

The Senior High membership of Student Activities again this year runs very high, with 95 per cent of the students registered in Senior High School. The Junior High percentage of 85 is lower, due of course to the number of smaller children in the seventh and eighth grade. However, the entire school membership amounts to 90 per cent of the student body.

Their program this year consists of 25 numbers which include 4 football games, 10 basketball games, 6 lyceum numbers, Dramatic production, physical education production, music production, one program to be determined, and the Tiger Herald for one year. This would amount in single admission prices to \$6.50, Marshall Senior High students paying \$2.40; Seventh and Eighth grades \$1.90. The amount taken in is then split between the activities according to their need, service to the school, and number of programs given. This year's division was made on the following basis: Lecture 13½ per cent, drama club 2½ per cent, Phy. Education 5 per cent, Tiger Herald 24 per cent, emergency 5 per cent, and athletics 42 per cent.

Two weeks before Christmas Marshall students had completed their payment of activities for the year and only eleven of the activity numbers had been presented. This, of course, means they have tickets to all attractions for the balance of the school year.

Athletics report their best financial year with the event of a championship football team, and a winner in basketball. All football and basketball equipment have been purchased for the school year 1939-1940, all equipment cleaned and repaired. Last year the squad enrollment in high school athletics, football, basketball, track, hockey, and baseball numbered 175 out of 283 boys registered in school and this year the membership will be increased. At present there is, enough equipment in the stock room to care for 65 boys in football and in addition 24 game suits.

Three complete squads in basketball are in operation, the Tiger, Cubs, and Junior High team. Twenty boys have reported to Coach Nowotny for hockey and it is expected that 40 more will report to Coach Larry Kienholz for track.

Ten home basketball games will be played this season. Marshall again plays host to the District No. 9 basketball tournament in March. The track will need to be in perfect shape this season for two big meets—the Southwestern and the Region will be held here in addition to District No. 9.

A hockey schedule of four games has already been set up with hopes for additional games.

Last season over 90 per cent of the boys enrolled in high school took part in athletics on the regular teams or in the intramural program. The average number of times each group worked out was three times per week.

The Junior Class has the one big project during the school year, the Junior-Senior dinner dance. The Junior play, together with stands at the various games, have proved adequate to finance the project. This year, from all indication, they should complete their fund earlier than in previous years.

Marshall business men who support the injury fund, will want to know that all injuries for the past season were taken care of through this fund.

This year's Library Club project was the purchase of several volumes for the library. As noted on the statement, this has already been accomplished.

The Student Council fund is used each year to take members of the Council to the Council convention where they meet and talk with students from other schools. This year the convention was held in Minneapolis with Marshall sending four representatives. A great deal is gained by the exchange of ideas and students come back more satisfied with their own school. Funds are made by the Homecoming button sale and one program.

Several one-act plays are staged each year to give Marshall boys and girls stage experience. Exchange plays with other towns and the annual Christmas play are handled through this department. Their project this year was the purchase of the large transparent curtain for the stage used in the Christmas play and available for future plays.

The High School Music Department in past year has set aside the money they make at their annual carnival for music instruments and transportation. This year, with about half of their budget taken care of, new uniforms is the project of the group.

The Physical Education Department spends its money for the purchase of new equipment for the department. Taking care of the largest number of boys and girls of any department in school it is necessary that a larger percentage of funds be raised by this department.

The Tiger Herald, supported by Student Activities, is working for the All-American rating this year after having received first class rating the past years. Devoted entirely to school news, the Tiger Herald has accomplished much the past year, and is the source of school news and school opinion.

With half the year gone all school accounts appear to be in good shape financially, and able to carry out the projects started during the school year.

Cage Tiff Starts At 7.30 Tonight

Cubs Play Seconds In Opener.

The basketball game between the Canby and Marshall teams will start tonight at 7.30 with a preliminary battle between the Canby Seconds and the Tiger Cubs.

Coach Bernie Cole's starting lineup will be made up of the following men: Don Ullery, Buck Neill, Ken Marks, Coco Healy, and Chet Wiener.

Other squad members who will most probably see service will be: Christianson, Lee, Ehrreich, Hasbrouck, and Cool.

Tiger Pucksters Going To Granite

Play First Game
Tomorrow Night.

The Black Raiders of the football field, of the basketball floor, and of the cinder track, have become the black raiders of the ice, in the form of the first official hockey team in the history of Marshall high School.

Friday, January 20, is the day that the long-awaited schedule gets under way, when the local Tiger sextet travels to Granite Falls and takes on the ice boys of that city.

This year, the Tigers have a starting lineup of six veterans of previous unofficial competition. Losing only two men by graduation, the Marshall team has a bright outlook on the season.

In the forward line, Owen Paul is at center, Bob Gilbert at left wing, and Bob Harmon at right wing. The defensive trio is composed of Chuck

Bisbee at left defense, with Jack Ford starting his third year in the nets at the goalie position.

The reserve strength is by no means weak, though there is a lack of experience. The forward line reinforcements are in the persons of Bill Haynes, Don Jorgenson, and Doug Juhl; Dick Stevens and Howard Aldrich completing the squad at defense.

Facing a team that has already shellacked a strong Montevideo team, 4-1, the Tigers open with a tough assignment in the Granite outfit. Also, with a veteran team, a battle royal is expected. Last year's games between the two schools gave Marshall two victories to Granite's one.

Five, and possibly seven more games face the hockey squad during the months of January and February. Next week, Walnut Grove and Tracy face the locals on the Marshall rink, Tuesday and Friday, respectively. Tracy has a newly formed team this year while Walnut Grove has supported a squad in former years and always presents a strong aggregation.

Uniformed in flashy combination orange and black outfits, the team presents another of Marshall's outstanding and noted athletic squads.

No admission is charged to these games and the hockey public and other interested sport fans are assured of plenty of action in this newly established sport, along with hockey's typical and famous "rough and tumble."

Tigers Defeat Canby 43 To 16

Chet Wiener Tops
With 12 Points.

The Marshall Tigers ran away from Canby last night 43 to 16, in a game that was played largely on the floor, for starting with the second half, it seemed more like a wrestlers' battle royal, than a basketball game.

This sounds as though it were a dull, dirty game. It wasn't really. There was no deliberate roughing on the part of either team. The Tigers were playing a tremendously fast breaking game, and the Canby men made frantic but futile efforts to break up the plays. Consequently spills were frequent, and there were plenty of floor burns.

The game was exciting, despite the lopsided score because Marshall really poured on the power last night, and at times, flashed some brilliant play that was hard to follow, it was so fast and tricky.

It was Chet Wiener's night to howl last night, and he so did, collecting himself 12 points with five baskets and a pair of gifts.

The game started with Canby taking the ball on the center jump and running it way down to Marshall's basket. There it was taken by Marshall, and a long heave down the floor nested it in Chet's hands as neat as you please. A split second later Chet eased it into the net.

Chet repeated this procedure twice more before Canby managed to figure out the setup. Wiener's two other buckets were long angle shots made at later moments during the melee.

Play like this demoralizes any team, and Canby was no exception. The Tigers, on the other hand were inspired, and had hung up a 16 to 1 lead at the first quarter's end.

The following chart of score by quarters shows the trend of the game:

	1	2	3	4
Marshall	16	24	34	43
Canby	1	5	10	16

A significant point about the game last night was the obvious improvement of Coach Bernie Cole's reserves, Ed Hasbrouck, a sophomore, and a dangerous shot, has gained a lot of poise the last two games, and shows he has plays of possibilities.

Cool, a tall fast lad, has taken on considerable polish in the last two battles, and he has improved his floorwork and ball handling.

Ehrreich and Christianson, two other tall men, and Lee, not so big, but a tenacious fighter, all have bettered themselves in the last few starts, and only need more experience to make them reliable substitutes for Don Ullery, Ken Marks, Co-co Healy, Buck Neill, and Chet Wiener.

Thompson played a grand game for Canby last night, plunking four baskets in under considerable difficulties. Anyone who can sneak baskets under the Tigers' tight guarding, has got to be good.

If big Sammie McGorman of Canby hadn't been on hand last night, the fray would have been just another one of those lopsided basketball games. But Sammie is a real showman, and when he is on the floor, all eyes are focussed on him. For one, he is such a big, serious looking fellow, that the eye can hardly miss him. And for another, he plays his basketball with such ferocious concentration and desperate eagerness, that sometimes he forgets where he is going, and frequently he

is on the floor with a couple of opponents on top of him.

He isn't deliberately rough—he is just eager; and everybody likes to see a man play basketball who really is crazy about the game.

Sammie did right well for himself last night, sinking two baskets and taking one on the house for five points, besides all the laughs and applause he got from the cash customers for his play and his acrobatics.

Also playing a nice game for Canby under big odds was Billington.

Tiger Cubs Win From Canby Seconds By 22-10 Score

The Marshall High School Cubs chalked up another victory last night, winning from the Canby Seconds 22 to 10.

The Cubs showed some improvement in their floorwork and shooting over their performance in the Balaton game last week, but they still lack scoring drive.

The Tiger babies have shown improvement in their games, and should be in top form for the Tracy game on January 27. But it will be necessary for them to make some of the setup shots they have been missing to date.

Hiller was high man last night with seven points.

Tiger Cagers Face Hendricks Next

Expected To Get First
Real Test Tomorrow.

The Marshall high school basketball team goes into the difficult part of their schedule this week with the Hendricks game. Fans have been asking to have the Marshall Tigers have a ball club this year. The next few weeks will tell the story and the game on Friday opens the test.

Marshall plays at Hendricks, and the only game that Hendricks has lost is to Tracy, and that by the 17 to 20 verdict. Following the Friday date, January 27, Marshall meets Tracy at Tracy, and then moves to Pipestone for a game with Pipestone.

Following the Pipestone encounter, Minnesota plays at Marshall and Clarkfield. Clarkfield has one of the best teams in the district, and it is conceded to be the team to beat in their district. Last year they were a favorite, only to lose a close game to Appleton who represented the district and went on to win the regional.

Pipestone is conceded to be the strongest team in the district to the south, so that the Tigers' showing from here on should give a fair indication of what to expect in the district tournament to be held at Marshall early in March.

Following the Pipestone encounter on February 10, the last three games are Tracy, Balaton and Hendricks.

Of the remaining nine games, five are scheduled for the Marshall floor, giving the fans some mighty interesting basketball for the balance of the year. Of course, the most important game, and the game which will draw every fan in the vicinity, is the Tracy encounter on Friday, January 27. It is odd that for the second time this year, these two teams should meet with clear records—Tracy not having dropped a game in their campaign to date, and neither has Marshall.

Both teams have some nice scores to their credit, and the outcome of this game will stamp the winner as the No. 1 team in the district.

Sioux Falls Beats Pucksters, 4 To 1

Brookings Hockey Team
Comes Here Friday Night.

The Marshall puck team lost to a speedy Sioux Falls squad last night in that place by a score of 4 to 1.

Thursday night, the Marshall hockey team will tangle with the North Mankato pucksters.

Friday night, a Brookings, S. D., squad will tackle the locals under the lights here.

Junior Cagers To Play Lynd Here

Go To Granite

January 28. Jan. 20, 1939

The Junior High School basketball squad swings into action Saturday at 10 a. m. against Lynd.

Actually the Cubs are the Junior High team, but because of the progress they have made, they have earned their starting places as members of the second team.

Two games will be played by members of the Junior High team each Saturday for the next six weeks.

The schedule:
January 21—Lynd here.
January 28—Granite, there.
February 4—Tracy, there.
February 11—Granite, here.
February 18—Lynd, there.
February 25—Tracy here.

The Junior High games are used as feeders for future High School teams. The same eligibility rules govern them as the regular teams.

Tigers Play At Hendricks Tonight

Expected To Be One Of
Crucial Games Of Season.

The Marshall Tigers will play the Hendricks basketball team at Hendricks tonight, in what is believed will be one of the crucial cage fights of the Tigers' 1938-1939 season.

On its outcome fans may decide whether or not the Tigers will be in the thick of the district tournament.

Coach Bernie Cole will take his varsity ten to play the Hendricks first squad, and Coach John Fuhlbruegge's Cubs will meet the seconds.

Marshall Wins From Hendricks 31 to 21

Jan. 21, 1939

Cubs Drop Heart-Breaker In Overtime Game After Maintaining Lead Most Of Game.

Playing what was probably the strongest opposition met so far in the season, the Marshall Tigers came through again to take a 31 to 21 victory over Hendricks there last night.

The Cubs dropped a heart-breaking overtime game 24 to 21 to the Hendricks Seconds after leading them most of the way.

Although the Tigers took an early lead, and led 19 to 7 at the half, the determined Hendricks team caused them no end of worry the second half as they continued to press them to the very end of the game.

Going into the last quarter with a 25 to 12 lead, the Tigers found themselves forced to the limit to preserve this lead. Fast breaks and frequent interceptions of poor Tiger passes gave Hendricks numerous scoring opportunities. Only poor shooting on the part of Hendricks kept the Tigers from breaking their run of eight consecutive wins.

The Tigers appeared rattled and tense, although getting away to a good lead. Passing was particularly sloppy and resulted in the loss of the ball far too much for a team of the Tigers' experience.

Marshall fans, and there was a large delegation of them, left the game with misgivings as to the Tracy encounter next Friday night. "If the boys show the same lack of poise against Tracy as they did tonight", they thought, "it won't be so good."

Defensively the Tigers were at their poorest. Time after time, Digre, Ronning, or Erickson, faked the guard out of position to go in for good shots.

On the other hand the Tigers continued to shoot well, making good their few good shooting opportunities.

Marshall Puck Team Beats Brookings, 3-0

Jan. 21, 1939

Canby Comes Here Sunday At 2:30—North Mankato Here Tuesday Night.

A crowd of 200 persons last night saw the Marshall hockey team defeat a squad from Brookings by a score of 3 to 0.

This was the first time night hockey has been played at Marshall, and the cash customers seemed to like it.

Waldemar Anderson made the first score, zipping the puck into the net with an assist credited to Don Bourgeois.

Bob White was given credit for the second score with no assist.

Anderson duplicated his first score late in the last period. Bud Johnson was given credit for the assist.

Players who saw service last night were White, Anderson, Bourgeois, Bud Johnson, Mel Fifield, Sweet Fifield, Arthur Palmer, Everett Palmer, Elmer Smith, Irving Reishus, Bill Van Hee, Virgil Johnson, Howard Schultz, Ralph Smart, Alf Nordli, and A. Lue Robinson.

Lue, who on his own admission, will never see 45 again, was in plenty of the game and showing the younger generation some smart tricks of the gentle game of hockey.

Young Nordli was goalie, and while he didn't get much of a chance to

show his stuff, the chances are he will in the games scheduled for next week. These are:

Sunday at 2.30—Canby here.

Tuesday at 8.15 p. m.—North Mankato.

This latter team is tops in their league, and the fans are certain to see some tough, exciting hockey. They have tied Albert Lea. Young Nordli will be Marshall's goalie in this tussle, and fans are advised to keep their eye on him.

The public is kindly asked to be a little less forgetful about leaving their purses home in the coming games. It costs money to bring teams here, and the Marshall squad can use every cent they can get their hands on.

Granite Pucksters Defeat H. S. Team

Jan. 21, 1939

Game There Yesterday Ends 1-0.

Jan. 26, 1939

It might be a bad omen, though it shouldn't be, but the Marshall High School pucksters took it on the chin from Granite Falls yesterday afternoon by a small count of 1-0, at Granite, in the first hockey game of the newly inaugurated schedule.

With temperatures well above the freezing point, the ice was virtually impossible to play an offensive game; dribbling or passing was out of the question.

Granite's lone score, the only goal of the afternoon, came in the initial period when a high puck slipped through goalie Ford's mitts, following a scramble in front of the Tiger cage.

A contested Tiger score would have indicated a tie game, but the referee's ruling was that Don Jorgenson had kicked the puck into the net, despite the fact that the puck did not enter the net, after which Chuck Gilbert pushed in the goal. However, Jorgenson's kicked goal, as it appeared to the referee, which is illegal in hockey had it been done, necessitated a face-off and the final score remained at 1-0.

Marshall's starting lineup consisted of Paul, B. Gilbert, Harmon, in the forward line; C. Gilbert, Bisbee, and goalie Ford on defense. The reserves to whom Coach Nowatny gave the most service were Haynes, Juhl, Stevens, and Jorgenson.

Tiger Skaters Shutout Tracy

Take Easy Victory, By 8-0 Score.

Jan. 21, 1939

Playing on rather sloppy ice before a crowd of some 300 students and hockey fans, the Marshall high school pucksters won their second straight game yesterday afternoon when they easily shut out the visiting Tracy sextet, by a score of 8-0.

The Tigers did most of their scoring on long shots from the Tracy blue line, Bob Gilbert starting the fray with a long goal from that point. The locals held a 3 to 0 margin at the close of the first period, and then sent it to 7-0 at the end of the second period. Only one shot got through the Tracy goalie in the final period, leaving the score Marshall 8, Tracy 0.

The scoring was well divided among the Tiger players, all of the starters scoring at least one goal. Paul and Bob Gilbert led the shutout with two scores apiece, while Harmon, Chuck Gilbert, Jorgenson, and Haynes each made one goal.

Jack Ford, Tiger goalie, played a fine game in the nets, getting credit for six stops and not once letting the puck even get near the net. In three games so far this season, Jack has made 14 stops, and only once did the puck get past him for a score; that being the lone goal made by which Granite Falls defeated the Tigers in their first game.

It was Tracy's first game, and, like Walnut Grove, they also lacked experience. The Tigers had a whole host of reserves to take the place of the first team on the ice and gave them quite an advantage due to the warm weather. Tracy lacked substitutes and it made the game much more strenuous on them. The Scrapper goalie played a commendable game in the nets, considering it was his first game, and got credit for three stops.

Fourteen players saw action for the Tigers yesterday, Bob and Chuck Gilbert, Paul Harmon, Bisbee, Ford Weingartner, Bot, Haynes, Stevens, Aldrich, Jorgenson, and Henderson.

Next Friday, February 3, the Tiger hockey squad goes to Walnut Grove for an afternoon game. The Tigers have already defeated Walnut by a score of 16-1, but the Grovers have different plans for the locals in this next game. The undefeated Granite Falls team comes to Marshall the following Friday for the last home game of the season.

Physical Ed Puck Teams Organized

Streaks And Silver Flashes First Winners.

The Boys Physical Education department has organized four hockey teams. Several more teams could be organized but the playing of games on Saturday mornings prevents boys out for Junior High basketball from enrolling for the sport.

The teams are as follows:
Streaks—Bob Weingartner, captain, Jerome Juba, Jim Patros, Morry Sandquist, Marvin Manke, Kenneth Rasmussen, Owen Clark and Doug Davis.

Silver Flashes—Ted Wilson, captain, Lee Larnett, Paul Gilbert, Gene Blair, Alfred Schwann, Chas. Mitchell, Thos. Klippstein, Leo Rankin, and Dean Haynes.

Eskimos — Cecil Anderson, captain, Murnane Maenhout, Robt. Cowan, Glenn Bjerke, Robt. Sæversen, Melvin Fishmann, John Molle, and Frank Backland.

Zephyrs—Richard O'Connell, captain, Bud Benson, Duane Serlet, Bernard Juba, Neal Nash, Robt. White, Ted Sliter, Earl Ogle, Eugene Baertlow and Pat Farrell.

The first round of games played Saturday morning, Jan. 21st, found the Streaks defeating the Eskimos 3-1, and the Silver Flashes winning from the Zephyrs 3-2.

Two Home Games For Tiger Skaters

Jan. 23, 1939

Walnut Here Tuesday, Tracy On Friday.

After losing a close decision to Granite Falls last Friday afternoon by a count of 1-0, the Tiger hockey team opens its home schedule this week with two games.

Tomorrow afternoon, Walnut Grove comes to Marshall, and the last memory of a Walnut Grove hockey team is still fresh in the minds of many, for three years ago in an intramural game, the Grovers dumped Marshall about 8-0. An equally good team is expected tomorrow from Walnut as they have a new coach there and indications point toward another tough game for the orange and black.

Friday afternoon, the same day that the Scrapper basketball team plays Marshall, the Tracy hockey squad plays here on the local rink. Tracy has a newly formed team this

year, so nothing is known, but if they possess the same calibre of material as their football and basketball teams, they will present a real threat.

Tomorrow's game starts at 4 o'clock promptly and the same lineup will again start: Paul, B. Gilbert, and Harmon in the front line; C. Gilbert and Bisbee on defense, and Ford is the goal.

There is no admission charged and the public is invited to see Marshall's first high school hockey team in action.

Jan. 25, 1939

Tiger Hockey Team Beats Walnut Grove

Game Ends, Marshall 16, Walnut 1.

Games like this should be seen and not heard, but the Marshall Tiger hockey team really went to town on the Walnut Grove opposition yesterday afternoon. It took a lot of calculation to finally conclude as to the final score, but it was totalled at Marshall 16, Walnut Grove 1. True, it does sound more like a basketball game.

Owen Paul, veteran Marshall center, led the shellacking with six goals, most of them being on solo drives. Jorgenson and Haynes each garnered three goals, and Juhl, Bob Gilbert, Chuck Gilbert, and Harmon each chucked in one.

It took the Tigers the whole of half the first period before they opened up their bombardment of scoring, Paul finally springing in the initial score. They held a 3-1 lead at the end of the first period, a 7-1 margin at the second period time, and then ended with a finale of nine points in the last period to ring down the curtain at 16-1.

On one occasion, three Tigers had been sent to the penalty box, leaving but two on the ice, not counting the goalie. Believe it or not—those two gents on the front line, Juhl and Haynes, scored a goal apiece during the time that their mates were off the ice.

With the score at 3-0 for Marshall, the Grovers' center sent a slow goal through the Tiger goalie, Ford, which just prevented a shutout. Incidentally, it was the only goal shot attempted by the Walnuts all afternoon.

As to the Walnut Grove sextet, it was a matter of inexperience, especially in the goalie position. They have had little chance to practice and were generally out of shape, but they assured the Tigers a different outcome in their return game.

Anyhow, the entire Tiger squad saw action: the first six, Paul, the two Gilberts, Harmon, Jorgenson, and Ford; and Haynes, Juhl, Bot. Stevens, Henderson, Aldrich, and Weingartner.

So, the newly organized Tiger hockey team with one victory and one defeat to their credit, take on the Scrappers from Tracy this Friday afternoon at 4 o'clock on the local high school rink. Nothing is known of the Scrapper six, but a good, knockdown, drag out game is again promised the fans.

Jan. 26, 1939

Tracy And Marshall, Both Fans Promised Thrilling Game Winner Likely To Take District Honors.

Undefeated, To Clash Here Friday Evening

Marshall sport fans, and most probably Tracy's too, are all in a dither of expectancy over the Tiger-Scrapper basketball battle here Friday.

Three factors contribute unusual interest to the game:

A keen, long-time natural rivalry between Marshall and Tracy teams. Neither team has suffered defeat this season.

The winner of Friday night's contest, will most probably be the District 9 winner, when the tallies are totalled at the end of the district tournament here in the springtime.

Indications point to a very big crowd for the game Friday night, and tickets will be sold at both entrances.

The fans will enter their seats in the galleries by way of the stairs to the second floor to facilitate handling of the crowd, and to insure rapid seating.

The Marshall School band will play, besides the regular music, a special number between halves.

Hendricks provides dope on the comparative strength of the two squads. Here it is Marshall 31, Hendricks 21; Tracy 31, Hendricks 21. So what?

Although the Tigers are still a bit sloppy in their ball handling, they are in fine physical shape, and their shooting is good.

Jan. 27, 1939

Capacity Crowd To See Scrappers And Tigers Tonight

Game Is Highlight Of Current Season, With Both Undefeated.

Tonight, in the High School Auditorium, the most important game of the Tiger season will be played when the Tracy Scrappers and the Marshall Tigers play for the sport spotlight in District 9.

Whichever team wins will gain the rating of the No. 1 team in the district and rightly so. Both teams have stopped all opposition for the entire year.

The Tigers have hung up eight straight wins, and the Scrappers that many or more probably, due to the fact that they play a greater number of games during their schedule than Marshall. Comparative scores near little when these two teams play. They both would rather lose several games during the season than to lose to their traditional rivals. Tracy has practically the same team that represented them in the district tournament last season.

Marshall has a veteran team also with only Billy Neill new, and he a reserve of last year's team.

This game will be packed with thrills. Beside being traditional rivals the leadership of the district will be at stake. A large delegation from Tracy will be on hand and all of Marshall.

Tournament rules will prevail for this colorful game. By closing the downstairs entrance to the auditorium and placing tables in the halls fans may get out much more rapidly.

Overcoats may be checked at a checkroom maintained for the game.

Jan. 28, 1939

Marshall Defeats Tracy Cage Team 38 to 32

Tigers Make Good Showing In Continuing Undeafated Record—Cubs Lose 16-15.

A howling mob of fans, of tournament proportion size, saw Marshall drub their traditional sports enemies, the Tracy Scrappers, last night by a score of 38 to 32.

The crowd numbered 1,643, Principal Merrill Olson announced this morning.

Play was swift and flashy all the way through, though marred by too much fouling on the part of both teams (16 fouls each).

Tracy lost three of its best men during the game because of fouls—Stone, Main, and Pinckney; and they had to leave the game at crucial moments. On the other hand Marshall lost two of their best men, Coke Healy and Chet Wiener, but they made their exits in the final quarter when the game was in the bag for the Tigers.

The progress of the game is shown in general by the following score by quarters:

	1	2	3	4
Marshall	10	24	32	38
Tracy	9	14	18	32

Tracy took a short lead from the starting play and maintained it until near the end of the first quarter, when Marks sank one to tie the game 7-all. A free throw that was good, and another basket, gave Marshall 10, and a bucket for the Scrappers gave Tracy 9 as the first quarter ended.

The Tigers forged steadily ahead in the second quarter with a series of made gifts, buckets from closein setups, and several long distance shots, and when the half ended, it was Marshall 24, Tracy 14.

Both teams came out for the third quarter full of fight, but with Marshall looking a trifle the fresher. The Tigers showed some brilliant play in the quarter, and with Marks as the spearhead, upped the tally 32 to 18 as the gun sounded.

Up until about the middle of the final quarter, it began to look like another one of those basketball games with Marshall pouring on plenty of heat and power and speed, and Tracy looking weary and disheartened.

Then the picture changed suddenly. It may have been that the Scrappers pulled out of themselves that bit of reserve spark which a courageous team possesses when the going seems hopeless, or it may have been that the Tigers got cocky and a little careless. The chances are it was a combination of both factors.

At any rate, in the middle of the last quarter with a little over four minutes to play, the Scrappers started shooting them in from close in and far away, and likewise making their gift shots count. And while Marshall added their score up to 38, the Scrappers almost pulled themselves up by their bootstraps by making 14 points in the eight minutes of the final quarter.

This surely shows they are a great team, and the story may have a different ending when the Tigers meet them in Tracy on February 17, and in the District 9 tournament in the Spring.

Marshall showed some brilliant closein setup work last night—the times when with most Tracy men were blocked out and Kennie Marks would circle swiftly in and drop the bucket.

Kennie who has been half sick all week, and out of practice, played with a snap and a zest, and a coolness, that made him unquestionably the finest player on the floor. His pointage for the evening was 15 points—five baskets and five on the house.

Buck Neill, Wiener, Healy, Ullery, and Cool, were in there battling every minute. Cool started with Marks, Wiener, Coco Healy, and Neill, and his play deserves mention on the score of his continued improvement since the season began. He substituted for Don Ullery, who has been a little off his feed all season. Ullery saw service in almost half the game,

however, and played with his usual fire and alertness, besides making a basket and a gift.

Buck Neill likewise made his presence felt among the Scrappers and had a little day all of his own with four baskets from crazy angles and a free throw that made him third high man of the game, and second high for the Tigers.

When Coke Healy left the game on four fouls last night, it was very obvious that he is an extremely important cog on the Marshall basketball machine. Never spectacular, always steady, Coco is one of the best. Watch him take balls off the bangboards in the next games.

Wiener did right well for himself last night with seven points in the shape of two beautiful baskets and three gifts. In addition his guarding was slick as you could wish.

Minneota plays Marshall here next Friday night.

A special song presented by the Girls' Trio, accompanied by Warren Whitney on the guitar and George Wingert on the piano. The Marshall High School Band, besides playing their usual fine music during the evening, in addition featured Clair (triple-tongued) Ryan on the trumpet in "The Toy Trumpet", with Gordon Brantman on the drums.

Note: This is probably the first time a sportswriter (such as he is) has degenerated into a commentator on jitterbug (?) music.

Jan. 31, 1939

Tigers Go To Pipestone Tonight

Play Minneota Here Friday.

The Tigers have two games scheduled for this week—tonight against Pipestone there, and Friday here with the Minneota quintet.

Comparative dope on Pipestone is lacking, but it is one sure thing that Pipestone always has a strong cage squad. They are coached by Strom who played with Coach Chet Raasch of Tracy on the famous Carleton Victory 5, and their play is similar to Tracy's.

The Clarkfield game coming up soon will be a tough humdinger, Coach Bernie Cole opines. Clarkfield defeated Granite Falls by a higher score than Marshall, and Clarkfield has also defeated Milan, the only team that has beaten Willmar, which is tops this year.

The Minneota battle starts Friday night at 7.30 with the Tiger Cubs taking on the Minnesota Seconds.

Tigers Defeated By Pipestone

Marshall Loses 31-21 To
Break Win Record.

An inspired, victory-hungry Pipestone team handed the victory-satiated Tigers their first setback in 10 games this season when they trounced them there last night, 31 to 21.

What surprised most of the Pipestone fans was not the fact that the Arrows, who have found it so hard to win a game, stopped the Tigers' string of consecutive wins, but that the Marshall team, displaying the brand of basketball they did last night, could get this far in the season without a defeat.

It was not a case of being off their shooting, for the Tigers maintained a high percentage on their shots; but so effectively did the Pipestone defense function that the Tigers could get few shots. In fact, the first half saw the offense so bottled up that only 11 shots were made at the basket. Four of these were good.

The second half was a repetition of the first. Pipestone, although missing numerous inshots, retrieved the ball often enough to get a second and even a third shot before the Tigers could regain the ball.

On the other hand, when the Tigers did regain the ball, they lost it far too often because of running, double dribbles, intercepted passes, and held balls.

Although Pipestone's lead was slight throughout the game, there was never any doubt as to the outcome. The Tigers had nothing to score with against the airtight Arrow defense, and only a few lucky heaves could have deprived them of a well-earned victory.

With but three minutes to play, and the score 24 to 20, local fans began to feel the Tigers might possibly sneak through with a win, but when the Tigers tried forcing the play, the Arrows slipped by them for easy baskets to sew the game up.

Poor as the Marshall defense was, the defensive work of Healy and Cool was worthy of mention. When the Tigers did retrieve the ball from their own board, it was Healy or Cool who did it. No one, however, retrieved it from Pipestone's board—a serious weakness in the Tiger offense last night.

Buckie Neill had a day for himself last night, scoring five field goals and a free throw, while holding his man, Argetsinger, without a field goal.

For Pipestone, Burns, Dressen, and Williams, looked the best, with Burns copping scoring honors.

The Cubs were administered their first serious shellacking of the year, when the Pipestone Seconds defeated them 17 to 9.

Marshall Tigers To Play Minneota Here Friday

Powerful Clarkfield Quintet
Comes To Marshall
Next Tuesday.

Marshall plays a return game with Minneota on the Marshall floor Friday night. The Tigers won the first Minneota game by a comparatively small score.

The basketball program at Marshall high school for the next week should please the most rabid fan, starting with the Minneota game tomorrow, followed by the Clarkfield game at Marshall Tuesday, February 7, and ending with the Pipestone game Friday, February 10.

These games will definitely indicate whether the Tigers will be in the running for the district crown early in March. Minneota is presenting a stronger line-up, Clarkfield is a big favorite to go through their district tournament undefeated, and Pipestone has already defeated the Tigers on their floor.

The wise boys say that Clarkfield really has the class of south-central Minnesota, having won from Milan by a lopsided score in two

Pupils Examined In Kindergarten

Only 7 Of 57 Protected
Against Diseases.

Out of 57 kindergarten children in the Marshall Public Schools, only 11 have been vaccinated against smallpox, and 13 inoculated against the dread diphtheria.

These facts were revealed by Miss Mable Johnson, Christmas Seal Health nurse who is conducting a physical school inspection this week in the first nine grades in the Marshall schools.

Only seven of the 57 kindergarten children are immunized against both smallpox and diphtheria.

Health authorities, said Miss Johnson, advise complete immunization for all children. It is usually given in their first year of life, or before they start school.

She stated that a child is ill with diphtheria in Lynd this week.

Eighth Graders Encounter Upsets

Comets Pressing League
Leaders Hard.

In the I-M intermediate division, eighth grade boys, the week's basketball play was featured by upsets just as was true in the junior division play.

The Sweetsocks leading the league for some time are now being pushed hard by the Comets, who are only two games behind. During the past week the Sweetsocks lost and won one while the Comets won two out of three to gain percentage points.

The Panthers were pushed from third to fourth place by the Aces who won from the Panthers and then went on to upset the league-leading Sweetsocks by a score of 13-11. So the boys go merrily on, dropping games here and there, but seeming to win the important ones from the leaders.

Scores for the week are:
Sweetsocks 13, Comets 11.
Aces 13, Sweetsocks 11.
Comets 15, Panthers 4.
Ausen 2, Panthers 0 (forfeit).

Close Scores Mark I-M Hockey

One Game Goes Three
Overtime Periods.

The hockey teams of the I-M department of physical education are playing good heads-up hockey as indicated by the low scores of the times and by the fact that several times have gone into overtime periods.

The best game of the past week was the Silver Flashes versus the Ephyrs, with the Zephyrs winning 3-2 after three short overtimes.

During the following week the streaks won from the Silver Flashes, 0 and the Zephyrs won from the Eskimoes, 3-2.

Standings so far are:
Streaks, won 2, lost 0, scored four points.

Flashes, won 1, lost 1, scored three points.

Zephyrs, won 1, lost 1, scored five points.

Eskimoes, won 0, lost 2, scored three points.

Nowotny Named On State Committee

Joe Nowotny, instructor of Physical Education in the Marshall schools, and director of the summer program on Legion Field, has been named on the Minnesota Physical Education Association's recreation committee, it was announced today.

The purpose of the committee is to promote permanent recreation projects throughout the state, to work on year-round programs, and to study present programs with a view of improving, along the lines of program, facilities, and methods.

MINNEOTA BASKET- EERS HERE FRIDAY AT H S AUDITORIUM

THREE STRONG DISTRICT CON-
TENDERS HERE WITHIN NEXT
TWO WEEKS.

Friday, February 3, Marshall plays a return game with Minneota on the Marshall floor. The Marshall Tigers won the first Minneota game by a comparatively small score. The basketball program at Marshall High School should please the most rabid fan starting with the Minneota game Friday, February 3, followed by the Clarkfield game at Marshall Tuesday, February 7, and ending with the Pipestone game Friday, February 10.

These games will definitely indicate whether the Tigers will be in the running for the district crown early in March. Minneota presenting a stronger line-up, Clarkfield, a big favorite to go through their district tournament undefeated, and Pipestone, who has already defeated the Tigers on their floor. The Wise boys say that Clarkfield really has the class of south-central Minnesota having won from Milan by a lopsided score in two games, and Milan has dumped the larger schools in their district all season.

Then the Pipestone team, which has come forward very slowly appears to, at last, have found its stride, and is indicated by the Marshall score.

Whether the Tigers will start a comeback after their defeat at the hands of Pipestone on Tuesday remains to be seen at the games starting with Minneota this Friday, and next week. These will tell the story as to whether or not the Tigers are to become a great team.

If they can knock off Minneota, Clarkfield and Pipestone in order, then they may be classed as a great team, and brings up the return engagement with Tracy on the 17th, followed by a Hendricks game and the subdistrict and district tournaments.

Tiger Skaters Point For Granite

Win From Walnut
Grove Again.

In preparation for the climax game of their current hockey season with the undefeated Granite Falls team next Friday, the local Tiger pucksters drubbed a weak Walnut Grove team for their third straight victory yesterday afternoon, by a margin of 11 to 0. The game was important in that it gave needed experience to about eight reserves, though the regulars did practically all the scoring.

In the first 30 seconds of play, the Tigers opened fire on the inexperienced Grover's goalie, and at the end of the first period, the regulars held a commanding lead of 4 to 0.

The reserves played the second period practically in its entirety, until the last two minutes, when the first stringers came in. Two goals by the reserves and three tallies by the starters made it 9-0 at the end of that period.

The first six played just long enough in the third period to put across two final goals, and the second squad finished the game; the score, Marshall 11, Walnut Grove 0.

Bob Gilbert led the scoring for the Tigers with four goals, while Chuck Gilbert and Haynes each put in two. Bisbee, Paul, and Harmon accounted for the other three goals.

In the nets for the Marshall outfit, Weingartner relieved Ford in the goalie position, to gain a little added experience. Neither Tiger goalie was kept busy, but there was an occasional Walnut shot.

And now, turning to next Friday, when the Tigers, with three victories and one defeat under their belt, take on the undefeated Granite Falls team on the Marshall rink. Led by Bob Lende, powerful defenseman for the opposition, Granite brings a veteran team to battle the Tigers in their second encounter of the season. The icemen from the Granite city handed the Tigers their only defeat of this season by a slight margin of 1-0, in the opening game of the season at Granite. The local pucksters are gunning for revenge and it will be, by far, the best game of the hockey series in the three years of their ice feuds.

Feb. 7, 1939

School Skaters Drill For Granite

Tough Game Due Here Friday Afternoon.

Friday afternoon is the major test for the Tiger hockey team, playing their first official ice season, when Granite Falls comes to Marshall for their return game.

Out for revenge from their only defeat of the season, which came at the hands of Granite Falls by a score of 1-0, the Tigers are putting in the stiffest week of practice they have had this season.

Like the Tigers, Granite has a veteran starting six and possesses plenty of power. Last year the boys from "the rocks" outweighed the Marshall team almost ten pounds to the man, but the locals whipped them in two or three games. This year, the teams are equal on power, and also, which differs from the teams that the Tigers have played, they have equal experience in the goalie position. The bulwark of the Granite charge is the right defenseman, Bob Lende, who is famed for his powerhouse checking and fistic tactics on the ice.

Since the Granite Falls defeat at the opening of the season, the Marshall squad has met no decided competition. They defeated Tracy, 8-0, and walked over Walnut Grove on two occasions by scores of 16 to 1 and 11-0.

The Granite outfit, on the other hand, is still undefeated, having licked Montevideo twice by decisive scores, defeating Canby twice, and their Marshall victory.

The game Friday will be the sixth game of the present hockey series between the two schools, Marshall having won three, Granite taking two. Local fans can be assured that this will be the fastest and best game of the season; no admission will be charged and the battle will start at 4 p. m.

Feb. 9, 1939

P.T.A. Comedy Promises Laughs

Cast Of Teachers To Entertain Tuesday.

"The Heirs Get the Air," a comedy by Esther C. Averill, will be produced at the Marshall high school auditorium next Tuesday as part of the P.T.A. program.

The play deals with the relatives of a well-to-do woman who is supposed to have died in an automobile accident and who fairly fall over themselves to demonstrate their poverty when informed that her entire estate has been left to the neediest. Then the dear departed suddenly turns up in the flesh and tells the selfish bunch exactly what she thinks of them.

With a cast than can portray this exciting comedy down to the last laugh, the Marshall public will thoroughly enjoy this play.

Coached by Miss Mary McEniry of the high school faculty, "The Heirs Get the Air" has a cast of 12, as follows:

Mrs. Mary Rockwell Gladys Johnson
Tamar's sister, anxious to make an impression.

Mrs. Sara Glidden Evelyn Jackson
Tamar's other sister, who enjoys poor health.

Beatrice Rockwell Vivian Erickson
Mary's very modern daughter.

Kate McGrail Myrtle Benson
The Rockwell's Maid.

Flore Fitz Gladys Korsino
Lora Fitz Fay Ross
Tamar's twin cousins, poor but proud.

Gertrude Briggs Lillian Riedesal
Their niece, an old-maid bride-to-be.

Margaret Kinsley Alice Johnson
A young second cousin of Tamar's.

Minnie Petty Marie Alsaker
A nosy neighbor.

Aun Smith Marian McNelly
Tamar's lawyer.

Elaine Briggs Irene Ramslund
A would-be relative.

Tamar Briggs Eleanor Biebl
The dear departed.

Feb. 9, 1939

Tigers Favorite In Ninth District

Tracy Also Standout, Hendricks Given Chance.

A new champion, from all indications, will be crowned in the ninth district basketball tournament which will be held at Marshall, March 9, 10, and 11.

Coaches at three schools in the district, including C. A. Bisel of Lynd, which won the title a year ago, are agreed that Marshall and Tracy are the standout teams.

While Bisel admitted Marshall and Tracy rank as big favorites, he pointed out that both have suffered first defeats of the season "which makes them less formidable than first thought."

Hendricks is leading the "Little Eight conference," comprised of ninth district teams and may have something to say in the final reckoning. Lynd, Bisel said, is apparently out of the running, with Canby, Wood Lake and Minneota as possible dark horses. Minneota recently defeated Marshall.

Marshall already holds a victory over Tracy, Bernie Cole, coach at the former school, pointed out, with the two to meet in another contest at Tracy February 27. A third team listed by Cole, Hendricks, has lost to both Tracy and Marshall.

The standout team in the district, Coach Chet Raasch at Tracy reported, is Marshall—"They have their best team in years and should be able to go through."

"Hendricks has a chance, but a slim one," Raasch said, "as have Balaton and Minneota. As for our chances, they are not too good, since their play is too inconsistent. The teams should finish about in this order—Marshall, Tracy, Hendricks and Balaton or Minneota."—Minneapolis Tribune.

Feb. 9, 1939

Pipestone Here Friday, Exciting Game Seen

Arrows To Seek Second Victory Over Marshall, Tigers Out For Revenge.

Pipestone comes to Marshall Friday night for a return engagement, and it is certain to be an exciting engagement, for the Arrows would just love to repeat their upset vic-

tory of last week, and the Tigers would like very, very much to roll up a big lopsided score against them.

Pipestone has gathered plenty of steam late in the season, licking the two strongest teams in the ninth district, namely the Tigers and the Tracy Scrappers.

The Clarkfield victory of last Tuesday indicates that the Tigers are returning to form, but there is still plenty of room for improvement, particularly in remedying their sloppy ball handling.

The remaining home engagement for the Tigers, after the Pipestone fracas here, will be the Hendricks game next week.

The Tigers will have two more away-from-home games, one at Balaton, and another at Tracy. These should place the Tigers in a proper frame of mind for the district tournament.

The question as to which team ranks No. 1 in District 9 will be answered after the Tiger-Scraper battle at Tracy February 17.

Feb. 9, 1939

School Puckmen To Face Granite

Visitors Come Here Friday.

The Marshall Tiger hockey squad will be out after their fourth straight victory tomorrow when the veteran undefeated Granite Falls six comes here for a battle on the local school rink.

The game will be a battle of veteran goalies, as well as skaters, when the Tiger netman, Jack Ford, faces the Granite goalie. The latter has had much experience on the Granite town team as well as in high school, while Ford is rounding out his third year as goalie for the Tigers.

The teams are practically even on power, and also in season records thus far. Granite Falls has five victories to their credit, with no losses; the Tigers possess three wins and one defeat, that being the setback that Granite handed them, 1-0, in the opening of the season.

Feb. 10, 1939

School Hockey Game Postponed

The High School hockey game between Marshall and Granite Falls will be played Monday afternoon at 4:15 because the roads are blocked between Granite Falls and Marshall. The game was originally scheduled for this afternoon.

Feb. 10, 1939

Postpone Pipestone Game Until Monday

Snow-Blocked Highway Prevents Arrows From Coming Here Tonight.

The Tiger-Pipestone basketball game scheduled to be played here tonight has been postponed to Monday night because of weather conditions, Principal Merrill Olson said this morning.

Superintendent Knudtson of Pipestone called today and indicated that roads were blocked and there was no chance of getting through to Marshall.

Official Alfred Arndt of Brookings also called and said he would be unable to be here because of the roads.

Pipestone and Marshall have therefore agreed to play Monday night—the only open date.

Feb. 11, 1939

Pipestone Comes Here Monday Night

Cubs Tangle With Seconds At 7.30.

The Marshall Tigers will tangle with the Pipestone Arrows Monday night in a battle that shows promise of being full of fast action and thrills.

The setup is perfect. Underdogs all season until they defeated Marshall and then Tracy, two of the toughest teams in this and other districts, the Arrows are primed to go places and they mean business.

The Tigers on the other hand, after two surprising defeats by Pipestone and Minneota, are moving out of their slump, and heartened by a hard victory over that fine Clarkfield quintet, they are determined to take Pipestone in their stride.

The Tigers have the district championship in mind, and they are out to mow down all competition, in the district or out. Pipestone, of course is not in the Ninth District, but the Tigers want to beat them to avenge their defeat several weeks ago.

Feb. 11, 1939

P.T.A. Arranges Biggest Night

Proceeds Tuesday Go To Milk Fund.

"The biggest bargain in history". That's what they're saying about the P.T.A. program at the auditorium here next Tuesday evening.

Arranged for the benefit of the milk fund, the 15 cents admission will provide six half pints of milk

6 Bottles teachers.

This is the only P. T. A. program of the year at which an admission charge is made, and it is done solely for carrying on the milk fund. The better the attendance, the longer the milk project can be carried into the spring months of school.

Faculty members have charge of the February meeting, with Miss Taylor as general chairman. Other committee assignments are as follows:

- Costumes, Miss Charleson, chairman, Miss Dahle, and Miss Bell.
 - Stage and properties, Miss Lammi, chairman, Miss Iverson, Mr. Hallen, and Miss Hellebo.
 - Prompter, Miss Schneider.
 - Band, Mr. Wingert.
 - Typed parts, Miss Kunz.
 - Refreshments, Miss Brobeck, chairman, Miss Gray, Miss Perkins, Miss Funfar, Mrs. Weber, Mrs. Cole, Mrs. Olson, Mrs. Smith, Mrs. Kienholz, Mr. Waller, Mr. Fuhlbruegge.
- The hour is 8 o'clock and everyone is invited.

Tigers Rally To Defeat Pipestone

Hold Arrows Scoreless In Final Period.

The local infracraninophiles (Marshall cheerers for their underdog basketball team) darn near suffered from acute cardiac condition last night when the Tigers, trailing lethargically for three quarters and some minutes, defeated the Pipestone Arrows, 20 to 15, in the last few minutes.

Buckie Neill was the sparkplug for the Tigers, coming through in the tight spots with just those long, long spectacular buckets which buck up the teammates and demoralize the occupation.

Buckie snagged three beautiful buckets (all long, and none of which even seemed to graze the nets) and he took three free ones on the house for nine points, high for his team and for the game.

In passing it might be said, that Buckie got four baskets against the Arrows several weeks ago when the Pipestone team gave the Tigers their first defeat in about 11 starts.

The game by quarters is a good introduction to the story of the game as a whole, as follows:

	1	2	3	4
Marshall	2	7	13	20
Pipestone	7	11	15	15

In other words, the game may be divided in two parts—when Pipestone was ahead for three quarters and some minutes, and when Marshall was ahead in the final quarter, and, incidentally, the end of the battle.

The first half was characterized by tight guarding and some beautiful long shooting by Pipestone, and some pretty shoddy ball handling by the Tigers. The half ended Pipestone 11, and Marshall 7.

Both teams came out looking pretty fresh, (at the second half) considering the tough first half. Pipestone was leading, 7 to 11.

Neill made two long shots, and Healy and Marks each made a free throw to make it Marshall 13, and Pipestone, 15 (Burns and Williams having made a basket each).

The fourth quarter opened brightly for the Tigers. In the first minute of play, Kennie Marks came to life and shot a long zipper to make it Marshall 15, Pipestone 15—tie all.

Neill was fouled and he made a Marshall 15, Pipestone 15—tie all. The Tigers ahead for the first time in the game.

With two minutes left of the game, Neill shot a long beauty from the middle of the floor, and did the Tigers perk up? The score: Marshall 18, Pipestone 15.

With less than a minute and a half left, the Tigers, led by Wiener, stalled and stalled, lost the ball, regained it; then Wiener got a chance to have it to Marks, did so, and Marks, showing a return to his old form, edge in and shot a closein, making it Marshall 20, Pipestone 15, until the shot blasted the tense atmosphere announcing the end of the battle, with Marshall the victor by 5 points.

This Pipestone outfit really has a team, though. Probably with Dressen in, (he was excited by four fouls at a critical time in the game) the outcome might have been different. But going out of the game on

four fouls is no alibi, and Dressen would be the first man to say this true.

And this brings to mind the playing of two Tiger players in their guarding:

Once, Wiener went speeding down the floor with Williams, of Pipestone and just below the basket he slapped the ball out of Williams hands just under the basket, but there was no bodycontact . . . a beautiful bit of guarding.

Don Ullery, who has not been in his best form all season, saw service several times last night, always aggressive and fast.

Certainly one of the most dangerous men on the floor last night was Burns, the Arrow's Indian—a tough customer anyway you look at it. Fast, a sure shot, tricky, this dark-skinned lad is good, and no mistake.

But Pipestone really has a team. Dressen, Hallahan, Williams, Argetsinger, Tosengard — are plenty dangerous potentially.

Their coach, incidentally, is Joe Strom, a fellow player with Chet Raasch, on that famous Carleton College "Victory Five", one of Minnesota's most famous basketball teams.

Tiger Hockey Team Is Victor Over Granite, 4-0

Playing undoubtedly the best game of theseason and piling on the revenge for the only defeat of their campaign, the Marshall Tiger hockey team covered themselves with glory in shutting out a powerful undefeated Granite Falls ace six, 4-0, on the local rink yesterday.

Employing every pass and combination that they thought possible, the locals tore into a bigger opposition and beat them at their own game—that of a rough and tumble, body-checking fray.

Chuck Gilbert provided the spark in the second period that put the Tigers into a 1-0 margin when he made a solo drive down the middle of the ice to push in the goal. Later in that same period, on a well-executed pass from Paul, Harmon made it 2 to 0 for the Tigers.

In the third period, Paul netted two for himself when he raised two long shots that got past the experienced Granite goalie, to add up the finale of 4-0.

It was, as had been previously indicated, a battle of goalies, as well as skaters. The Granite goalie, who was besieged with shots through most of the game, took credit for 26 stops, five of which were spectacular. The Tiger netman, Ford, with probably faster puck handlers playing with him, took care of 11 stops, two of which were also spectacular. Incidentally, only two goals have gone through Ford in the five games so far this year.

Bob Lende, speedy Granite Falls center, led the opposing charge, and

assisted in a passing combination that had the Marshall jads in the hole much of the time. Their tricky passes many times sucked out the Tiger defense, making a clear chance for a shot at the goal. Both opposing centers, Paul and Lende, took two minute minor penalties during the game.

Twelve men saw service for the Tigers: Bob Gilbert, Paul, Harmon, Ford, Jorgenson, Chuck Gilbert, Haynes, Juhl, Henderson, Weingartner, Stevens, and Aldrich.

This Friday, February 17, the Tiger pucksters go to Tracy along with the Marshall basketball team to play the Scrapper icemen in an afternoon game. Marshall defeated Tracy, 8-0, in the first game of their two-game series.

As far as the present official schedule is concerned, this is the final game of the season. However, contact has been made with Pipestone and two later games may be arranged.

PTA Play Nets \$34 For Milk Fund

300 Present For Interesting Program.

The public's generosity swelled the PTA milk fund to the extent of \$34 last night at the February meeting of the Marshall Parent-Teachers Association. Over 300 persons were present at the program.

During the business meeting following the entertainment section of the meeting, Jack Whitney challenged, on behalf of the Pa Parents, the male members of the Marshall teaching staff to a basketball game to be played at the March session of the PTA. The challenge caught the professors by surprise, but they are expected to give an answer before the month is past.

The meeting started with two fine patriotic talks by two students of the school. Marguerite Meade delivered an original talk titled "This Is My America", during which she contrasted the conditions of living in a free democracy against life in Communist Russia, Fascist Italy, and Nazi Germany. Marlow Larson delivered an interesting address on "Our Flag", in which he cited many interesting points about the United States banner. His talk was likewise original.

The Marshall High School Band, under the direction of George Wingert, presented an excellent concert which included the following numbers:

- "Lineup" by Lamater;
- "Dublin Holiday" by Forrest L. Buchtel;
- "Will You Remember", by Sigmund Romberg;
- "Amparito Roca", by Jaime Texidor;
- "Star Dust" by Hoagy Carmichel;
- "Arabian Nights", by Paul Yoder;
- "Valse Bluette" by Richard Drigo;
- and "Steel King" by F. J. St. Clair.

A member of the Marshall Municipal Band remarked during the concert last night that Mr. Wingert had done a beautiful job in balancing the various sections of his band.

The listener's favorites last night were "Dublin Holiday", and Hoagy Carmichel's "Star Dust".

The motif carried out at the luncheon was, of course, the Valentine. Miss Adeline Brobeck was chairman of the committee.

The entire program was under the general direction of Miss Frances Taylor and other teachers.

A cast composed entirely of teachers presented an amusing comedy titled, "The Heirs Get the Air", directed by Miss Mary McEniry. Members of the cast were Miss Gladys Johnson, Miss Evelyn Jackson, Miss Vivian Erickson, Miss Myrtle Benson, Miss Gladycce Korsmo, Miss Fay Ross, Miss Lillian Riedesal, Miss Alice Johnson, Miss Marie Alsaker, Miss Marian McNelly, Miss Irene Ramsland, and Miss Eleanor Biehl.

Teachers To Give PTA Play Tonight

Proceeds Go To Increase Milk Fund.

Proceeds of the Marshall Parent-Teachers Association meeting tonight will be turned into the milk fund, the public was reminded today.

Teachers have charge of the meeting tonight, and as part of their program they will present a comedy titled "The Heirs Get the Air", with a cast of 12 of the faculty directed by Miss Mary McEniry.

The admission is only 15 cents, and each charge will furnish six half pints of milk, so the more people who attend, the longer the PTA will be able to continue their milk project in the Spring months.

Miss Frances Taylor is chairman of the February program, and Miss Adeline Brobeck is chairman of the refreshments committee.

According to those in the know, Miss McEniry has been driving her cast at a furious pace in preparation for staging the comedy, and judging by the chortlings heard in the rehearsal room, the comedy will tickle the funnybones of the cash customers.

Tigers Play At Tracy Friday

Winner To Get Tournament Bye

Hockey Team Also Goes To Scrappers' Town.

The Marshall High School basketball team will go to Tracy Friday to determine whether they are to remain in first place in district standings or be moved down to second. If they lose the game to Tracy, Tracy will hold the Number 1 spot and Marshall the Number 2 spot.

Whether or not they will hold their position for the balance of the year will depend upon the Balaton game on the 21st and the Hendricks game on the 24th.

If they should win from Tracy, it will mean that they will draw a bye in the sub-district tournament. But if they lose to Tracy, it means that Tracy will draw the bye in the sub-district and not have to play. Whichever team wins will receive definite consideration as being the Number 1 team in the district.

The same afternoon the Marshall hockey team plays Tracy in their return game. In the opening game they won the decision by a seven to nothing count, and have lost only one game, and that to the Granite team—1 to 0—earlier in the season, which they avenged Tuesday evening on the local rink by a score of 4 to 0.

The Tracy Junior High basketball team will play the Marshall Junior High team at Marshall on February 25 in a return engagement. In the first engagement at Tracy, Tracy took both games.

Senior Girls Too Strong For Faculty

Teachers Are Trowned 18-10 In Thriller.

By A. A. W.

Last night the most spectacular game ever to be played on the Marshall maple floor was witnessed by a capacity crowd of about 15 persons.

The seniors had challenged the faculty to a game of basketball, and they had accepted, only to be defeated 18 to 10.

Biebl, captain of the faculty, and by far the most spectacular guard in the battle, played a wonderful defensive game. Her teammates, Iverson and McNelly did all the scoring for the faculty, getting five points each.

More fouls were committed by the seniors in this rough and bloody game. Gervais was high girl for the seniors with three buckets, netting a total of 6 points. Blanchette ran a close second with 4 points.

At the half, the score was 3 all, but in the second half, the game really got hot, and most of the scoring was done then.

The referee for the battle was Rose Neill—she had a most difficult task because the game was so fast.

Following the thrilling engagement, lunch was served by the seniors, who always see that there are eats wherever they are.

The scoring by quarters was as follows:

	1	2	3	4
Teachers	1	3	7	10
Seniors	3	3	12	18

SENIORS, (18)	FG	FT	PF	TP
A. Gervais	6	0	0	6

Tiger Skaters Defeat Tracy

But Scrappers Hold Score To 1 To 0.

Making it their fifth in a row, the Tiger pucksters outplayed the Tracy Scrappers nearly the whole game, but were only able to eke out a 1-0 victory on the Tracy rink yesterday. Both teams were hindered by the sloppy ice and stiff wind, but the Marshall boys found the absence of boards on the Tracy rink to be their chief drawback.

Bob Gilbert made the lone tally on an assist from Owen Paul near the end of the first period. Gilbert, playing the pivot position in front of the Scrapper cage, received a pass from Paul and slid the puck past the wary Tracy goalie to make the score 1-0.

The Tigers, hoping to hold their lead and waiting for a break, played a more defensive game during the second canto. Checking was vicious, however, and both teams had men cooling their heels in the penalty box.

Using a four-man front line at times and pulling all the offensive tricks they knew, the Marshall men tried to lengthen their scant lead in the last period. Although the Tigers had three beautiful scoring chances, the Tracy goalie managed to get in the way of all of them and the game ended, Marshall 1, Tracy 0.

Jack Ford played his usual fine game in the cage for Marshall, keeping up his record of only letting two pucks get by him in six games. The first team and six reserves saw action yesterday: Bob Gilbert, Harmon, Paul, Forø, Chuck Gilbert, Jorgenson, Aldrich, Haynes, Juhl, Stevens, Weingartner, and Henderson.

The Tigers' last home game of the season is next Tuesday when the Tracy Junior College hockey team plays on the local rink.

Regional Cage Pairings Made

District 9 Champ To Face District 11.

Redwood Falls — Drawings were made here this week for the regional basketball tournament at Redwood in March.

Champions of districts 11 and 9 will open the final playoff before the state tourney, meeting at 7.45 p. m. March 17. The eleventh district meet will be played at Appleton where Appleton is defending champion and co-favorite with Montevideo. Milan and Maynard of the smaller schools in that area are considered the biggest stumbling blocks.

The ninth district includes Marshall and Tracy as powerful contenders with Lynd as defending champion. Several smaller schools might push out the favored fives there, as Lynd did last season.

The tenth district champ, which dope says should be Redwood Falls, Gaylord or possibly New Ulm—with several dark horses dangerous—plays the twelfth district title holder in the 9 p. m. game March 17.

The twelfth was represented by Lester Prairie last year and may send the same champ although Glenwood, Hutchinson, Renville and Brown-ton all must be considered.

The consolation and final games will be played the evening of March 18.

Tiger Cagers Fall Before Scrappers

Score Is 29 To 22; Cubs Also Lose.

In a typical Tiger-Scrapper battle, the Marshall cagers went down to defeat at the hands of an inspired Tracy five, 29 to 22, there last night. The Cubs also dropped another tough encounter, 22 to 17.

Intercepting two careless Marshall passes, Tracy moved out in front with two dribble-in-shots. These two were followed quickly by two more, and Tracy garnered 8 points before the astonished Tigers had got their bearings.

The Tigers took time out, and when they resumed play, seemed to have everything in hand. Tracy was able to add only one point on a gift shot to give them 9 to 0 at the quarter. Aside from the first three minutes, the Tigers had managed to hold Tracy without a field goal.

Although not scoring in the first quarter, the Tigers had nevertheless been able to penetrate the Tracy defense. The Tigers looked particularly cold on their shooting, although their floor work appeared to be better than it had been for some time.

Undismayed by the lead staring them in the face, the Tigers kept whittling away until they had practically closed the gap as the half ended. Marks dropped in a rebound for Marshall's first counter, and he followed this with another close shot. Wiener then slipped by his guard with another counter.

Tracy interrupted this scoring barrage by contributing her only point in the second quarter. Cool then intercepted a Tracy pass and made a solo dash down the floor to score. This was followed closely by Wiener's long jaunt down the floor for Marshall's last basket of the first half. The half ended with Tracy leading 13 to 11.

The hopes of the Marshallites were quite high as the two teams resumed play. They felt that the Tigers had now managed to bottle up the Scrappers and felt sure they would start clicking on their shooting. There had been enough good shots the first half. In fact, the Tigers shot 25 times for only five field goals, whereas Tracy had scored the same number of times on 14 shots.

But the second half was a repetition of the first. Tracy dropped a couple of rebounds, and the Tigers were again in the hole. Again the Tigers had difficulty making their middle-distance shots. In fact, during the entire evening, out of 20 so-called chest shots taken by the Tigers not a single one went in. The three baskets scored in the second half were easy dribble-in-shots.

Tracy maintained her high percentage on shots by making 5 out of 11 field goals attempted. Three of these, however, were rebounds, a fact indicating Tracy's greatest single factor in her victory—the size of her players. They raise them big on that team, and with Langpap, Catlin, and Aarthun, all over six feet, kept Marshall pretty busy. Marshall's midgets had difficulty with the rebounds especially after Healy and Cool were ejected because of fouls.

The fans seemed dissatisfied with the officials, but unbiased observers were of the opinion that while it was not entirely satisfactory, the officiating was not the deciding factor in the win, but Tracy's superior size and shooting.

Catlin lived up to his fine record in the season's play by scoring 15 points. Wiener was possibly Marshall's best man last night.

District Tourney Three Weeks Off

Feb. 20, 1939
Sub-District In Tracy,
March 3 And 4.

The fact that the district basketball tournament is only three weeks off is indicated by the directions for teams participating in the district high school basketball tournament going out from the local school today.

The ninth district tournament, always hotly contested and carrying a lot of interest within the district, promises to be no exception this year. The district committee will meet Saturday, February 25, to place the teams and make the drawings for the subdistrict tournament to be held at Tracy Friday and Saturday, March 3 and 4.

The teams will be ranked from one down to 15, the number of teams competing in the district tournament.

Tracy, of course, by defeating Marshall on Friday, wins the undisputed leadership of District 9, and Marshall, should it go through the Balaton and Hendricks games next week, would be placed second. Tracy will draw a bye, with Marshall playing in the subdistrict. The means of selection of the teams in order will be left entirely to the committee.

After the subdistrict tournament the drawings will be made for the district and then it will be known which teams play and who they play.

After Tracy and Marshall, the teams are bunched very close as to ability, and it will be hard to tell how they will be placed. Even then, anything may happen in basketball, as indicated by the fact that Minneota defeated the highly favored Marshall team earlier in the season.

Tigers Play At Balaton Tonight

Feb. 21, 1939
Hendricks Comes Here
Friday Evening.

The Tigers journey to Balaton tonight for their return engagement with the Warriors.

Friday night, the Hendricks quintet will engage the Tigers on the Marshall floor, making it the last game of the regular season.

The sub-district tournament will be held in Tracy March 3 and 4.

District tournament play will start in Marshall March 9 and continue through March 11.

The Regional tournament will take place in Redwood Falls March 17 and 18, with the District 9 champ playing the district 11 titleholder. The second game there will be the engagement between the champions of Districts 10 and 12.

Feb. 22, 1939

Tigers Blast Braves 32 To 16

Cubs Also Win Game At Balaton.

The Marshall high school basketball teams won two games at Balaton last night, the Tigers winning 32 to 16 and the Cubs, 21 to 17.

After a slow first quarter, that found them trailing 3 to 5 at the end of the quarter, the Tigers started burning up the nets. On almost successive shots, Neill dropped three long ones and Marks dropped one. Marks added two more on in-shots and Wiener a third to give Marshall a 15 to 7 lead at the half.

Continuing to pepper the basket, the Tigers pushed the lead to 21 to 8 at the end of the third quarter. The fourth quarter found Ullery scoring his first field goal since the Minnesota game and Lee his first of the season. Hasbrouck connected for two just as the game ended, 32 to 16.

MARSHALL	FG	FT	F	TP
Marks	5	1	1	11
Wiener	1	0	3	2
Healy	0	0	1	0
Neill	5	1	3	11
Cool	0	0	1	0
Ullery	1	0	0	2
Hasbrouck	2	0	0	4
Christianson	0	0	1	0
Lee	1	0	0	2
Totals	15	2	10	32

BALATON	FG	FT	F	TP
Tate	1	3	3	5
Severance	1	1	3	3
Harmon	0	1	0	1
Nash	2	0	2	4
Knudson	1	1	2	3
Reinke	0	0	0	0
Totals	5	6	10	16

Free throws missed: Marks 1; Wiener 2; Cool 4; Hasbrouck 1; Tate 4; Harmon 1.

Referee: Hargesheimer, Pipestone.

Feb. 23, 1939

Tigers To Play Last

Hendricks Here For Season Close

Win Will Give Marshall Second In District.

Hendricks vs. Marshall—the last basketball game of the regular season.

In playing Hendricks in the final game, the Tigers, by defeating them, may retain second place rating in the district right behind the Tracy Scrappers, who have lost only one game and that to Marshall.

Marshall, after defeating Hendricks on their home floor, will be expected to win tomorrow night. However, Hendricks has the best record of any visiting team on the Marshall floor. Year after year they always play good basketball. And Hendricks usually comes through this time of year, just before the tournaments.

The Cubs will be after revenge in their encounter with the Hendricks seconds.

Regular Game Friday Night

Feb. 25, 1939

Tiger Cubs End Cage Season With Win Over Hendricks

The Tiger Cubs made a graceful exit from secondary district No. 9 basketball play last night with a 14 to 9 victory over the Hendricks second team.

Uecker was high man with a basket and three on the house for 5 points.

Jackie Hiller edged in with four points, gained by two sweet baskets. Others who played were Bill Osborne, Don Cool, Gervais, Bruce, Paradis, Don Peltier, Brantman, Shourds and Bruce.

TIGER CUBS, 14)	FG	FT	PF	TP
Hiller	2	0	2	4
Uecker	1	3	1	5
Cool	0	2	4	2
Osborne	0	0	1	0
Gervais	0	0	0	0
Bruce	0	1	0	1
Paradis	0	0	2	0

Totals	2	5	7	9

Feb. 23, 1939

Three Schools To Give Plays Here

Tracy And Redwood Coming For Program.

Three one-act plays will be staged in the Marshall High School auditorium Thursday, March 2. The three schools taking part are Tracy, Redwood Falls, and Marshall.

Each school will present a one-act play, the combined making a complete evening's program.

Tracy will present "Winter Sunset", written by Robert Brome, Miss Butke directing the group.

Redwood Falls presents "Girls Can't Take a Joke" directed by Miss Myhre.

Marshall presents "Hamlet, Prince of Denmark" in several scenes from the original Shakespeare play, directed by Miss Mary McEniry.

Between acts the Marshall High School Orchestra will entertain.

Last year exchange plays were started with fine results. Large crowds viewed the productions in each town and the first play presented at Tracy this year was also very successful.

Feb. 25, 1939

Tigers Defeat Hendricks 39-14

Marks High Man With 13 Points.

The Marshall Tigers seemed to revert to their old flashing form last night when they swamped a gamey Hendricks team 39 to 15. You have to be good to make 39 points. But give a look at these figures compiled by Ervin Larsen of the Ross Lumber Company:

Marshall shot 41 times at the elusive bucket, counting 14 times, about 30 per cent.

Hendricks shot 30 times, hitting 7 buckets, about 16 per cent.

Marshall attempted 17 free throws, and made 10 of them good, for a percentage of about 73 per cent.

Hendricks tried 15 gifts, getting 5, for a percentage of about 33 per cent.

The only conclusion that can be drawn as regards the Tigers is that they have plenty potentiality. They are good. But will they be good one night, and the next night not so good?

Not that the Tigers are temperamental; just that this is the way basketball goes with any team.

Kennie Marks last night, for the first time in the last six games, seems to have found himself again after his first-half season record of at least 10 points for any game. Last night he shot five buckets and three free throws for a total of 13 points—high man for his team and the game.

Chet Wiener, too showed fire and zip, and while counting seven points, played one whale of a nice game.

Buck Neill was back at his old spectacular fireworks shooting again, making four beauties, and two on the house for 10 points.

Healy played a nice all around game except for some pretty screwy passes. The crowd got a thrill out of a fine bucket he made in the last quarter, and matching it a split minute later with another. He was doing right well off the bangboard too, until recalled in the middle of the final count by four fouls.

Cool is coming right up. A fighter, he is learning finesse and he shot a nice long one last night that took the cash customers off their seats.

Lee, Christianson, Ullery, and Hasbrouck saw service last night.

It was deplorably evident last night against Hendricks, however, that the Tigers' passing is nothing to write home about this late in the season. Even such veterans as Marks and Wiener were throwing the ball around as though they were trying to hit Mrs. Murphy's cow, which, if history is correct, started the great Chicago fire in the Mauve Decade.

Of course, it's easy to talk—sitting on the sidelines.

MARSHALL, (39)	FG	FT	PF	TP
Marks	5	3	2	13
Wiener	2	3	1	7
Healy	2	0	4	4
Neill	4	2	1	10
Cool	1	0	2	2
Ullery	0	1	2	1
Hasbrouck	0	2	0	2
Totals	14	11	12	39

Jensen	0	0	4	0
Knutson	1	1	1	3
Aune	1	1	1	3
Totals	5	5	12	13

Feb. 27, 1939

Journey Time Near At Hand

Play Gets Underway This Week.

Tournament basketball, the annual March hysteria, strikes again on March 8, 9, and 10. Fans are more and more excited about the game until tournament time when basketball becomes the chief topic of conversation wherever people gather.

Fifteen schools in District No. 9 play basketball. Marshall plays fewer games than most teams, yet they play 15 games during the season. Some go as high as 20 games. The six teams which the district committee feels have made the best showing during the season play at Marshall without entering the tournament at Tracy. The other nine teams meet at Tracy to decide the champion and runner-up who become the seventh and eighth teams in the district.

District No. 9 is sponsoring two tournaments of great interest to the people of surrounding towns.

Tracy again hold the top spot in the district by virtue of having lost only one game during the season. The Tracy club is a good shooting club, handles the ball well, and looks like the team.

The second team, Marshall, has been an out and in team all season, looking like a potential champion one night and a second rater the next night. They do have enough potential power to stop Tracy if they are right.

Don't overlook Minnesota—another club which has been an in and out club. The night they defeated Marshall, they looked like a world beater, but have dropped games since. However, they are going to be a hard club to stop, and whoever draws them will play with fire.

Hendricks is a tournament team and don't mistake that. Year after year they come to Marshall and always finish high up in the final standings. To discount Hendricks won't be a safe bet.

Tyler is another team that will be heard from in the tournament. Since the beating at the hands of Marshall early this season, the boys have looked great.

Lynd, last year's champions, don't rate as highly as last year, but they have some basket getters as indicated by the number of games won during the season.

Feb. 27, 1939

Cubs Complete Exciting Season

Win Eight Games And Lose Eight.

The Marshall Cubs completed a thrilling season Friday night with a total of eight games won and an equal number lost. All the games of the season were close, particularly those lost. During the early part of the season the Cubs did their part in furnishing thrills for the spectators because the Tiger team won its games by a large margin.

John Fuhlbruegge, instructor in Industrial Arts, is coach of the Tiger Cubs.

Marshall's Cubs have showed by their performance during the season that next year they will very likely form the nucleus around which the high school team will be built. The Cubs are, however, in every sense of the word, still a green team even though they did gain some practical experience this year. Their shooting during the year has been particularly weak, although they have been able to work the ball into scoring territory.

Offensively Hiller, Cool and Uecker have done most of the scoring, with Hiller doing some nice shooting from the corners. In defensive work Hiller, Gervais, Osborne, Bruce, and Shourds all did a nice piece of work. The entire team should be commended on their ball handling and passing as this was probably their most outstanding trait.

The Cubs started practice this year at the close of the football season with a squad of 34 men. After the Christmas holidays the squad was reduced to 15 men which included Don Cool, Jack Hiller, Thomas Uecker, William Osborne, Bernard Gervais, Charles Bruce, Robert Shourds, Dellard Peltier, Gordon Brantman, Robert Weiner, Jerome Juba, Merlin Madden, George Goltz, Alfred Paradis, and Howard Ross. This group made up the Cub squad of the season.

The season record follows:
 Tyler 18, Cubs 16.
 Minnesota 13, Cubs 10.
 Ivanhoe 9, Cubs 13.
 Redwood 11, Cubs 16.
 Granite 6, Cubs 20.
 Balaton 10, Cubs 14.
 Canby 10, Cubs 20.
 Hendricks 23, Cubs 21. (Overtime).
 Tracy 16, Cubs 15.
 Pipestone 17, Cubs 8.
 Tracy 21, Cubs 17.
 Balaton 17, Cubs 21.
 Hendricks 9, Cubs 14.

Feb. 28, 1939

3 One-Act Plays Set For Thursday

Tracy And Redwood To Present Playlets Here.

An orotund tone is a clear, strong, smooth, even modulation of the voice whose resonance produces an eerie, unreal effect. In "Hamlet, Prince of Denmark" there is a character whose ghostliness demands such a tone. This is Hamlet's father who has been violated by his brother because of lust for the crown of Denmark. In a soul-stirring scene on the battlements of Elsinore, the royal palace, the Ghost of Hamlet's father acquaints his son with the villainy performed against him.

Clair Ryan, in the role of Hamlet's father, with perfect orotund tones, with unparalleled imaginative power, with a volume of dramatic inventiveness is a stirring and gripping part of the immortal, age-old story to be told in the drama of "Hamlet."

When he played Professor Bhaer in "Little Women," Clair was very much a little German philosopher; as he plays the Ghost in "Hamlet," he is every inch the spirit of a great monarch who, dressed in chain armor and military cloak, visits the earth to fill the ears of his son with the correction of an error circled abroad in Denmark; an error which shall be avenged! From his first sinister lines "I am thy father's spirit—" to his last wailing tones "Remember me!" he is grim, foreboding, menacing, pitiful. Here is a Shakespearean ghost echoing over the chasm 400 years to thrill a modern audience with his dismal cry of avengement.

Polonius is an ancient role of a courtier who totters his canny way through the halls of Elsinore, the royal palace, with every conniving grace. He is a two-faced rogue of 70-odd years with a clever keen wittedness toward enemies to himself and to the crown.

Richard Stevens in flowing white hair and an innocent expression plays the sly Polonius with a mincing and tongue-in-the-cheek understanding. When he meets his fate in Scene IV of Act III, a prototype of Danish statesman gasps farewell to a situation he helped to mold. His characterization of this humorous old buzzard is clever and unique. As Captain Bartlett in O'Neill's "Where the Cross is Made", Stevens showed his ability as a character actor; he surpasses the crazed little seaman in this, his present role of Polonius, the jackanapes, in "Hamlet, Prince of Denmark".

Ophelia. Here is the sweetest, saddest heroine Shakespeare created—so frail, so lovely, so innocent, so trusting! Too young to understand even her own emotion of love, she misunderstands Hamlet's devotion to her. Too delicate to suffer the throes of bereavement, she is overcome by horror and grief so completely that her reason collapses and she is driven to insanity—insanity whose character is not wildness but hopelessness—insanity whose voice is not delirium, but disjointed chanting of old tunes. Even in this utter loss of reason her thoughts turn not to destruction and boldness, but to the strewing of fresh picked flowers. Critics have often compared her to a dove with a broken wing who was downed in the noon air to lie bleeding and suffering—and then to breathe no more.

Marjorie Porter, in this pathetic role has, in a fashion so excellent, caught the spirit of this desolate maid, we do not hesitate to pronounce her an appealing, delicate and tender Ophelia. The pathos of the ages is written in her face when she reads those immortal lines:

"And I, of ladies most deject and wretched. That sucked the honey of his music vows, now see that noble and most sovereign reason. Like sweet bells jangled and out of tune. O, woe is me. To have seen what I have seen. To see what I see".

Tears must be wrung from us when we hear her chanting wildly from old ballads and then suddenly:

"I'd give you some violets—but they say they withered all when my father died—God have mercy on his soul".

She is Shakespeare's Ophelia. "Hamlet, Prince of Denmark" will be presented Thursday evening, March 2 in the high school auditorium on an exchange program with Tracy and Redwood Falls each of whom will bring a one-act play to the Marshall stage.

District Cage Pairings Made

Marshall Bracketed With Minnesota Team.

Pairings for the District 9 basketball tournament were made by the district committee at Ivanhoe Saturday, as well as for the preliminary district tournament to be held at Tracy March 2, 3, and 4.

The runner up and the winner at the tournament at Tracy will play in the district tournament at Marshall the following week.

The teams winning the right to compete in the Marshall tournament by virtue of their season's play were Hendricks, Ivanhoe, Tracy, Minnesota, Marshall, and Lynd. Scores of all their games were taken by the district committee and the right to play resulted from the season's percentage, taking the won and lost games.

The tournament looks exceptionally good from indications made in the drawings. Hendricks plays the runnerup from the preliminary tournament and Ivanhoe plays Tracy in the upper bracket. Minnesota plays Marshall in the lower bracket together with Lynd and the team winning the tournament at Tracy. Semifinals will be on Friday night and consolation and championship on Saturday evening.

Officials for the tournament are Rollie Tust and Carl Magnusson of Winona and St. Paul. Both men have had a lot of experience in tournament work.

In the tournament at Tracy this week, Cottonwood and Russell are paired in the upper bracket, along with Balaton and Tyler. In the lower bracket, Verdi meets Arco and Wood Lake encounters the winner of a preliminary Lake Benton-Canby game.

Tourney Officials For District Named

The officials for District No. 9 tournament are Rolfe Tust of Winona and Carl Magnusson of St. Paul. Both men have a great deal of experience in tournaments and this year's district should be well handled.

The district committee is composed of Supt. Harold A. Peterson of Tyler, Supt. H. E. Frisby of Ivanhoe, and Supt. S. M. Hawkinson of Arco.

Merril W. Olson of Marshall is tournament manager; Lawrence Kienholz, Marshall, scorekeeper; and Cecil Smith of Marshall is timekeeper.

The Marshall High School Band will be under the direction of George Wingert.
